Maury work to be premiered at University of Montana

University of Montana--Missoula. Office of University Relations
A new work by Lowndes Maury, written in Missoula this summer especially for presentation during Montana High School Artists Camp, will receive its premiere performance at a camp concert Tuesday (Aug. 12) at 8:15 p.m. in the University of Montana Recital Hall.

Maury's "Two Movements for Violin, Bassoon and Piano" will be featured in a public recital by a trio comprised of Zaven Melikian, associate concertmaster of the San Francisco Symphony; Walter Green, first bassoonist of the symphony, and the composer. The three Californians are members of the staff of Artists Camp, in session this week at the University.

Melikian and Maury will perform Mozart's Concerto in A Major, K. 219. Green and Maury will play Telemann's Sonata in F minor and Phillips' Concert Piece for Bassoon and Piano.

Maury was born in Butte and did his undergraduate work in music at the University. For many years he has been active as a composer and pianist for motion pictures, radio and television and as a concert artist. Currently, he operates a school in North Hollywood, specializing in class piano teaching. He is married to the former Inez Halloran of Anaconda.

Melikian and Green are well known as clinicians as well as professional performers.
