CALIFORNIA PROFESSOR
TO DISCUSS NUTRITION
NOV. 7 AT UNIVERSITY

MISSOULA---

A professor of human nutrition at the University of California, Berkeley, will discuss recent developments in clinical nutrition Nov. 7 at the University of Montana.

Dr. Sheldon Margen, M.D., will speak at 8 p.m. Nov. 7 in the UM Music Recital Hall.

The lecture, which is entitled "Adaptation of Man to Nutritional Stress: Responses to Maximum and Minimum Protein Intake," is open to the public without charge and is sponsored by the UM Department of Home Economics and the American Medical Association.

Dr. Margen's major areas of research include protein metabolism, protein turnover, human nutrition and hormone effects on intermediate metabolism. He is co-author of two medical books--"Handbook of Medical Treatment" and "Current Diagnosis and Treatment."

Mrs. Sara C. Steensland, UM home economics chairman, will be mistress of ceremonies for Dr. Margen's discussion.
