MISSOULA----

Indoor track is now an established item on the winter sports menu in this country, and the Montana Grizzlies will get a sample of indoor action Saturday night in the Alberta Provincial Senior Championships in Lethbridge, Alta.

Coach Harley Lewis said that he doesn't think individual or team awards will be given. "The meet is more in the line of an exhibition," he said.

Lewis' charges have been working out since school started in preparation for indoor action, and he thinks that this 15-man contingent will make a fine showing at the Lethbridge meet.

"I expect we'll do fairly well all around, and especially in the 440, half-mile and mile runs," he said.

The complete travelling squad, with events, will be:

Jim Aranow, Great Falls junior, relay; Ron Baines, Tacoma, Wash. senior, high jump and 50-yard dash; Mark Doane, Hardin sophomore, shot put; Daryl Gadbow, Missoula junior, 440-yard dash; Randy Hahn, Great Falls sophomore, 440-yard dash; Mick Harrington, Missoula senior, 880-yard run; Howard Johnson, Anaconda freshman, three-mile run.

Steve Linse, Snohomish, Wash. sophomore, three-mile run; Bill Nebel, Great Falls freshman, high hurdles and relay; Marty Palagi, Great Falls junior, long and triple jumps; Dave Smith, Grants Pass, Ore. freshman, 50-yard dash and relay; Duane Spethman, Boulder junior, 880-yard run; Tim Stark, Polson senior, 440-yard run; Ray Velez, San Bernadino, Calif. junior, mile run; Bill Zins, Great Falls freshman, 50-yard dash and relay, and Bob Zins, Great Falls sophomore, relay and possibly 50-yard dash.

Lewis said Spethman and Harrington appear to be in real good shape for the 880, and Mark Doane has been pushing 52 feet in the shot, far better than he showed as a freshman.
