Course Description and Objective: **G 501 Graduate Critiques Seminar 1 cr.** (R-4) Offered autumn and spring. Prereq., consent of instr. Weekly meetings to critique graduate student work.

The purpose of this class is to allow graduate students in different disciplines in the School of Art to give and receive feedback on their artwork, and to create a forum for dialogue on art-related matters. The format of the class will hopefully allow for two individual critiques of each student's work this semester, plus several group critiques by visiting artists.

Academic Misconduct and the Student Conduct Code
All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or disciplinary sanction by the university. All students need to be familiar with the Student Conduct Code. The Code is available for review online at www.umt.edu/SA/VPSA/Index.cfm/page/1321
