FARES AVAILABLE FOR EUROPEAN CHARTERED FLIGHT

MISSOULA--

Anyone interested in flying to Europe economically may purchase a one-way fare through the charter flight planned for University of Montana students participating in the Northwest Interinstitutional Council on Study Abroad.

Seats are available on the flights from Vancouver, B.C., Can., to London, England, on Sept. 16. Dr. Robert W. Coonrod, dean of the UM College of Arts and Sciences, has announced that a number of $135 one-way fares are available. A regular fare from Vancouver to London is about $319.

The charter flight will be through Canadian Pacific Airline and Air Canada. The planes will be DC-8 jets. In-flight service will include complimentary meals.

Further information may be obtained by phoning Dr. Coonrod at 243-2632 or by visiting room 101 Liberal Arts Building.
