Century Clubbers and Missoula Mavericks have a treat in store for them Wednesday at noon at the Florence Hotel when Jack Swarthout Productions will present films of the University of Montana-North Dakota football game played last Saturday.

Swarthout will have more of his team members along, all of whom played parts in the 24-10 victory over the Sioux at Grand Forks.

In addition to showing films, Swarthout will give fans an idea of what the Grizzlies can look for this Saturday night in Great Falls when they take on the South Dakota Coyotes. South Dakota beat Montana 21-0 last year at Vermillion, and word has it the Coyotes are tougher this year.
