UM FORESTRY SCHOOL

MISSOULA--

Xi Sigma Pi, National Honorary Forestry Fraternity, has designated the organization's Phi Chapter at the University of Montana School of Forestry as its national headquarters for the two-year period beginning July 1, 1970, and ending June 30, 1972.

The fraternity's national officers for the two-year period have been elected from and by the UM forestry school's faculty.

They are Dr. Robert F. Wambach, national forester; Dr. George M. Blake, associate and national forester, Sidney S. Frissell Jr., national secretary-fiscal agent.

Following their recent election Drs. Wambach and Blake attended Xi Sigma Pi's biennial national convention in Miami Beach, Fla.

According to Dr. Wambach, associate professor of forest economics, the objectives of Xi Sigma Pi are to secure and maintain a high standard of scholarship in forestry education, to work for the improvement of the forestry profession and to promote a fraternal spirit among those engaged in activities related to the forest.
