Conference Affiliation

MOUNTAIN STATES ATHLETIC CONFERENCE
E. L. (Dick) Romney, Commissioner
Rooms 1006-1007, Hotel Utah
Salt Lake City, Utah

Member institutions in order of their admittance to the MSAC (Skyline Eight) include:

- Colorado A&M—Fort Collins, Colorado
- University of Utah—Salt Lake City, Utah
- University of Denver—Denver, Colorado
- Utah State Agricultural College—Logan, Utah
- Brigham Young University—Provo, Utah
- University of New Mexico—Albuquerque, N.M.
- Montana State University—Missoula, Montana

Montana University was admitted as a member of the MSAC in July, 1950, changing affiliation from the Pacific Coast Conference. The Grizzlies started their first new conference competition with swimming, winter quarter, 1951, and have competed in the full conference sports program since that time. In basketball each member institution plays two games with each other team in the conference.

General Information
About Montana University

LOCATION—Missoula, Montana, city of more than 30,000 residents on the western slope of the Rocky Mountains. Missoula is nicknamed the "Garden City" and is the hub of five great valleys that reach into surrounding mountains. The city is served by the main lines of the Milwaukee and Northern Pacific railroads as well as by Northwest Airlines and Greyhound and Intermountain bus lines. It is also located at the crossroads of the main east-west and north-south U. S. highways 10 and 93.

CHARTERED—On February 17, 1893, by the third Montana Legislature.

PRESIDENT—Dr. Carl McFarland.

CAMPUS—Consists of 125 acres, located in the heart of the residential area, at the base of 2,000-foot Mt. Sentinel, which adds another 520 acres. The University also has 20,000 acres of experimental forest 40 miles from Missoula, and a 160-acre Biological Station on Flathead Lake, 80 miles north of the University.

SCHOOL COLORS—Copper, Silver and Gold.

TEAM NAMES—Grizzlies, Silvertips, Tips, Tri-Colors.

SCHOOLS—There are twenty-three departments at the University and seven separate professional schools — Business Administration, Education, Forestry, Journalism, Law, Music, and Pharmacy. There is also a Graduate School and a Summer College for both regular and graduate students.

UNIVERSITY BAND—80 members, under direction of James Eversole.

— 3 —
To sum up the outlook at Montana State University for the 1957 basketball season one must take into account a few "ifs" to arrive at the proper analysis. The Grizzlies lost their two top scorers from last year's Skyline cellar club in Ed Argenbright and Ed Bergquist and "if" some sophomore hopefuls gain the vital experience to ready them for the conference slate then Montana will be stronger. Ray Howard, senior center, who injured both knees last year and missed almost the entire season, will make the Silvertips stronger "if" his knees hold up after two operations performed this summer. The Grizzlies dropped their first three non-conference games this year but won the next two and "if" they have found the winning combination of late they may be on their way. "If" the sophomores jell and Howard's knees hold up and the right combination has been found the 1957 Montana Grizzlies will be bucking hard for a spot in the first division for the first time since Montana joined the Skyline Conference.

The Grizzlies have five returning lettermen from last year's team and an ex-service man who lettered at Montana in 1951 and 1952. Two transfers and five sophomores make up the rest of the 13-man club. Montana will be taller this year with a 6'2½" team average and will have a stronger bench.

Top candidate among the returning lettermen is Rudy (Zip) Rhoades, senior forward, playing his third year at Montana. Rhoades was the third leading team scorer last year and is showing up very well in the non-conference games so far this season. The 6'3 Zip is one of the cleverest ball-handlers in the conference and a fine shot who is a definite All-Conference candidate.

Backing up Rhoades will be Howard and Russ Sheriff at the pivot spot. Howard, who set a University sophomore scoring record, and Sheriff, 6-7 center, who took over after Howard was injured last season, will give the Grizzlies good height and power on the boards. Sheriff, a junior, was the most improved player on the club last year and placed second in the conference in rebounds with 172. Coach Cox will use both Howard and Sheriff in the starting lineup this season.

Junior Hal Erickson, senior Al Dunham, and junior Dick Trinastich round out the lettermen list for Montana. Erickson, 6-1 guard, has been a pleasant surprise to Cox with his fine play in the early games. The South Dakota lad has shown fine scoring punch with a jump shot and is one of the top defensive men on the club. Erickson has earned a starting spot at one of the guard slots. Dunham, a two-year letterman, will be used at both guard and forward this season. The 6-5 scrapper started most of the games last year and helps the Grizzly cause with his rebounding. He will be pressing hard this
season for a starting role. Trinastich, 6-6 center, is a returning ex-service man who saw a lot of action for the Grizzlies in 1951 and 1952. He is a good rebounder but will be slow to reach his peak after a two-year layoff in the service.

Clancy Waters and Frosty Cox Jr. are the two transfers on this year's club. Waters, from Dodge City (Kansas) Junior College, has been alternating at a starting guard slot. The 6-1 junior is very accurate on a jump shot and is a former Kansas All-Stater and junior college conference All-Star. Cox, son of Montana's coach, is a transfer from the University of Kansas and a junior in school. He is an aggressive ball player who will be pressing hard for a starting berth.

The two top sophomore candidates are two Montana prep greats, Jim Powell of Missoula and Darroll Dunham of Shelby. Both were outstanding performers on the Grizzly Cub team last season. Powell, one of the most sought after high school players, is a very fine all-around basketball player. He has been alternating with Waters at the guard post and with some experience will become one of the finest players in the conference. Dunham, younger brother of Al, stands 6-5 and also has a promising future ahead. He is a strong rebounder and is accurate with a hook shot.

Other fine sophomore prospects are Duane Divich, Gordon Hunt and Tom McEacheron, all of whom played on the Frosh team last season. Divich, another South Dakota lad, is a fine shot and a fair rebounder. Hunt, a local Missoula lad, is the shortest man on the team at 5-11 but is a fine defensive performer. McEacheron, a former California prep star, has a fine shot and is a fair rebounder.

Coach Cox isn't making any predictions about the Grizzlies chances in the conference this year but adds, "We will play each game as they come but won't know our real strength until we meet some conference foes." The veterans have been doing a good job so far but we have to bring along the new boys to balance up our club. As for the rest of the Skyline teams I think it will be a real scramble for the crown with any of the clubs capable of turning the trick."

15  Hal Erickson  
16  Clancy Waters  
18  Dick Trinastich
Montana University Basketball
Team Records

1. Team making the most points in one game:
   1946—103 points against Gonzaga in Missoula—January 25, 1946.

2. Team making the highest point average per game:
   1949-50—77.4 points per game for 31 games (3rd highest in nation for 1949-50).

3. Total points for one year:
   1949-50—2400 points in 31 games.

4. Team having the most wins in one year:
   1949-50—27 games won.

5. Most games won in succession:
   1942—13 games.

6. Team foul shooting record by percentage:
   1953—848 attempts—561 conversions—percentage .662

7. Team making the most free throws in one season:
   1952-53—580 free throws made.

8. Team having the best win percentage record:
   1949-50—won 27, lost 4, percentage .871.

9. Team making most free throws in one game:
   1952-53—34 against Wyoming—February 16, 1953.

10. Highest score made by one team on the Montana University floor:
    1946—103 points against Gonzaga in Missoula, Jan. 25.

(Note: THE 1949-50 BASKETBALL SQUAD BROKE 12 OF 20 EXISTING RECORDS.

Montana combined a high-powered offense with an attentive defense to pile up a 19.7 point-per-game margin over its opposition, highest in college circles for 1949-50. The Grizzlies gave only 57.7 per evening while collecting their own 77.4 points per game.

Grizzly Basketball Hall of Fame

The Montana University Athletic Hall of Fame group has been elected. Twenty-two former Grizzly basketball stars have been nominated and selected by alumni, townsmen, and faculty who have followed the Grizzly Hoop Clubs over the past 45 years.

Men elected to the Basketball Hall of Fame and the years they played are:

Roy McPhail -------------------------1905-1906-1907-1908

Robert Sparks ____________________1950-1951-1952
Harold Sherbeck ________________1951-1952

Nominating committees have been divided into three groups: First committee nominated men who played from 1904 to 1915. Second group covered the middle period 1916 to 1930. The third committee covered the last twenty years.

The nomination list is perpetual and the committees will vote on the standing nominations. Several former players narrowly missed securing enough votes and may be elected in the future.

Basketball letter winners are added to the list of eligible candidates and if they receive sufficient votes are placed on the nominating list. They reach the Hall of Fame when they poll the required three-fourths majority. A player cannot qualify for the Hall of Fame until he has completed his varsity competition.

Won 14 - Lost 12
"Frosty"

This season marks the second year as Montana University's head basketball coach for Forrest B. (Frosty) Cox. Frosty, who returned to the coaching field last year after a five year stint in the cattle business, formerly coached at the University of Kansas and the University of Colorado.

In his first season as head man for the Grizzlies his club finished the season with a 14 won-12 loss record. Featuring the use of a pattern offense with plenty of screens, the Silvertips showed plenty of promise for the future.

A graduate of the University of Kansas in 1931, he became assistant basketball coach under Dr. Forrest C. (Phog) Allen that same year. In 1935 he took the head coaching assignment at Colorado and was there 15 years.

During his tour at Colorado his teams won three Mountain States Athletic Conference (Skyline Eight) championships, tied for the title once, won the National Invitational Tournament in 1940, and were in contention for national honors five years during 1938-1946—before Colorado entered the Big Seven conference.

Frosty was noted nationally as a basketball authority and was much in demand as a clinical strategist for coaching schools. He was also a member of the national rules committee.

He is married and has a son Frosty Jr., a member of this year's varsity, and a daughter, Judy, an eighth grade student.

Freshman Coach

Serving his first year as frosh basketball and football mentor is HAL SHERBECK, former outstanding Grizzly football, basketball and baseball performer.

Sherbeck moved up to the University last spring after a highly successful coaching record at the Missoula County High School and piloted the Grizzly varsity baseball team to a fine season.

After graduating from Montana State University in 1952, Hal took over as head football coach at MCHS. His Spartan grid teams won the State Class AA championship three of four years he coached from 1952-1955. Sherbeck was named Montana’s Coach of the Year after his first championship season.

At the University he was captain of the 1951-52 Grizzly basketball team and was elected to the Montana Basketball Hall of Fame for his fine play.

Athletic Trainer

NASEBY RHINEHART took over the injury treating duties as a part-time job back in 1935 and has constantly improved methods and training facilities to the point where Montana’s athletes get the best of care. His know-how and his training techniques make him one of the most respected among the training fraternity around the nation today.

“Nase” was honored for his 20 years of service to the University last basketball season when Naseby Rhinehart Night was held. He was presented with gifts from the M-Club and a plaque from the local Jayces for his outstanding contribution to athletics at Montana University.

“Nase” also handles classes in the care and prevention of injuries for the department of health and physical education. He came to the University from Milwaukee and was an outstanding football, basketball and track star in ’32, ’33, and ’34 and still rates a berth as end on the All-Time Grizzly football team.
Ticket Manager

The important but sometimes trying job of handling all details of ticket sales for varsity athletic events in the Field House is entrusted with ROBERT (BOB) DUNDAS, Auditor of Student and Auxiliary Organizations.

Bob graduated from the University in 1953 with a B.A. degree in Business Administration. He became student auditor upon graduation and was assigned the ticket manager duties August 1, 1955.

He attended high school in Watford City, North Dakota and served as a bombardier with the Air Force during World War II.

In addition to the athletic events he is also in charge of tickets for the various other shows staged in the Field House.

Montana University Basketball

Individual Records

1. Most points scored in one game:
   Robert Cope—40 points against Gonzaga at Missoula, February 20, 1948.

2. Total points for one season:
   Robert Cope—701 points in 31 games—1949-50 season.

3. Individual game average record:
   Robert Cope—22.6 points per game for 31 games—1949-50 season.

4. Total individual scoring records made while representing the University in Varsity Play:
   Robert Cope—1946-47 175 points
   1947-48 509
   1948-49 423
   1949-50 761
   Total 1808 points

5. Total points made from free throws in one season:
   Chuck Davis—1952-53—159 points.

6. Most points made from free throws during Varsity competition:
   Robert Cope—1946-47 53
   1947-48 139
   1948-49 111
   1949-50 149
   452

7. Best percentage of free throws made in entire Varsity competition:
   Ed Argenbright—1953-1954 109-75 .688
   1954-1955 145-109 .775
   1955-1956 144-118 .819
   Total 398-302 .759

8. Individual free throw record—best percentage:
   Ed Argenbright—1955, attempts 144, conversions 118, percentage .819

9. Individual scoring most points by free throws in one game:

10. University Floor individual scoring record:
    Robert Cope—40 points against Gonzaga in Missoula—February 20, 1948.

1955-56 Skyline Individual Statistics
(Conference Games Only)
RUDY (ZIP) RHOADES . . . Letterman
Senior . . . Height 6'3" . . . Weight 170 . . . Age 22
Rhoades is back for his third season with the Grizzlies and is a definite All-Skyline candidate. He is a clever ball handler and has a fine jump shot from out. Has good speed and can drive if pressed by the defense. Zip was Montana's third leading scorer with 304 points in 26 games for an 11.7 game average last year. Has shown marked improvement on defense this season and is rebounding better. He is a former Montana high school All- Stater from Flathead County High and holds the present state tournament scoring record. Rhoades will be starting at guard for the Silvertips this year.

RAY HOWARD . . . Letterman
Senior . . . Height 6'6" . . . Weight 197 . . . Age 21
The big "if" on the Grizzly squad this year because of two knee injuries that sidelined him for most of last season. Missed the entire conference slate last year after turning in an outstanding sophomore year when he set a new Montana University scoring record. Had knee operations performed during the summer and will be slow reaching his peak this season. Ray has one of the finest hook shots in the conference and is a top rebounder. Has fine speed for a big man. Another former Montana All-Stater from Helena High. Will rank with the best in the conference if his knees hold up.

RUSS SHERIFF . . . Letterman
Junior . . . Height 6'7" . . . Weight 208 . . . Age 21
Russ was the most improved player on the Grizzly club last year after turning in a fair season with the Frosh. The tallest man on the club he placed second in rebounding in the conference last year with 172 sweeps. Had the best percentage in shots from the field with 109 of 247 for 44 percent to lead the Grizzlies in that department. Took over the starting center berth for the injured Howard. Will start at center this season with Howard moving to forward. Has good speed and shows a fine hook shot. Will rank with the best big men in the conference this season.
HAL ERICKSON . . . Letterman
Junior . . . Height 6'1" . . . Weight 185 . . . Age 20
Has been a pleasant surprise for Coach Frosty Cox this season with his fine scoring punch. Is very accurate with a jump shot and has shown much improvement on defense. Played in only 12 games as a sophomore but showed potential which he has developed this year. Played guard on the football team in 1955 but gave up the gridiron for the court this fall. Hal is a former All-Stater at Washington High in Sioux Falls, S. Dak. where he never played on a losing team. Will be starting at guard this season where he also gets more than his share of rebounds for his size. A real “comer” in the conference.

AL DUNHAM . . . Letterman
Senior . . . Height 6'5" . . . Weight 190 . . . Age 21
Al is the elder of the Dunham brothers on the team this year. A two-year letterman who was a starter most of last season. He is a good rebounder and likes his basketball when it is the roughest. Has good speed and will be used at both guard and forward this season. Was an All-Stater at Shelby High where he led his team to the State Class B championship. Dunham scored 194 points during the 1956 season and averaged 7.6 rebounds per game. Will be pressing hard for a regular berth.

DICK TRINASTICH . . . Letterman
Junior . . . Height 6'6" . . . Weight 180 . . . Age 25
Trinastich is a returning ex-serviceman who lettered at Montana in 1951 and 1952. Lettered as a freshman in 1951 under the freshman eligibility rule. “Trin” appeared in 9 games as a freshman and scored 33 points and during his sophomore year saw action in 25 games and tallied 131 markers. His height will give the Grizzlies more board strength this season. Will be slow reaching his peak due to layoff although played service ball in Japan. Will add needed bench strength at the pivot for the Silvertips.
CLANCY WATERS
Junior . . . Height 6’ 1” . . . Weight 170 . . . Age 22
Waters is a junior college transfer from Dodge City (Kansas) Junior College where he played for two years after graduation from Newton (Kansas) High School. Clancy is a jump shot specialist who can also drive if the occasion arises. Has fair speed but needs defensive polish. Was an All-Stater in high school and placed on the Western Junior College Conference All-Star team two years. Shot 91 per cent in foul tries and was nominated twice for Junior College All-American. Waters will be dressing for a starting guard berth with the Grizzlies this season.

FROSTY COX JR.
Junior . . . Height 6’ . . . Weight 170 . . . Age 21
Frosty is the son of Montana’s head coach and is a transfer from the University of Kansas. Cox and Cox make up Montana’s first Father-Son duo in the University’s history. Frosty is an aggressive type ball player who can hit from out. Is a fine defensive performer and if he can’t beat you he will out hustle you. Will give the Grizzlies a strong reserve at the guard post and could move into a starting berth.

JIM POWELL
Sophomore . . . Height 6’3” . . . Wt. 185 . . . Age 20
The most sought after prep hoopster in Montana after his graduation from Missoula County High in 1955. Was an All-Stater two years running for the Spartans and was the outstanding player on the Frosh team last season. Is a definite candidate for honors in the Skyline in the next two years. Powell has a variety of shots and can hit from any spot on the floor. Has a good sense of timing that enables him to get many rebounds for his size. Is the younger brother of Bob who played for Montana last year. Could be the outstanding sophomore in the Skyline this season and with some experience will be a big asset to the Grizzlies this season.
Silvertip Sophomores

**DARROLL DUNHAM**
Sophomore . . . Height 6'5" . . . Weight 170 . . . Age 19

Darroll is the younger brother of Al and is another outstanding soph up from last year's fine Frosh team. His high school career parallels Al's as he also led Shelby High to a State Class B championship and placed on the All-State team. Darroll has a good hook shot but needs more experience before becoming a consistent scorer. Will give Coach Cox needed depth at the pivot slot this season and could see a lot of action if Howard's knees fail to hold up.

**GORDON HUNT**
Sophomore . . . Height 5'11" . . . Wt. 172 . . . Age 18

"Gordie" is the shortest man on the 1957 team but has fine speed and is a real scrapper on defense. Has shown the ability to score but like most sophs needs experience to blossom. Hunt is another Missoula product and performed for Missoula County High School. Will be used as a "spot" player for the Grizzlies this season and will give depth to the guard slot.

**DUANE DIVICH**
Sophomore . . . Height 6'2" . . . Weight 170 . . . Age 19

Duane is another outstanding hoopster from last season's Frosh club. Was a top performer in high school at Doland, South Dakota High. "Div" is accurate with his favorite shot—a jump from around the key. With more experience will make his mark with the Grizzlies in the next two years.

**TOM McEACHERON**
Sophomore . . . Height 6'2" . . . Weight 180 . . . Age 20

McEacheron is a former All-Conference performer at Santa Rosa (California) High School. He is the fifth sophomore up from last year's Grizzly Cub team. Tom is a fine shooter who needs work on defense and that old sophomore must—experience. Will give Montana bench strength at the guard spot.
Grizzly Foes

UNIVERSITY OF IDAHO
Dec. 1 at Missoula. Dec. 8 at Moscow.
Team Name—Vandals
Location—Moscow, Idaho
Coach—Harlan Hodges
Conference—Pacific Coast
Colors—Silver and Gold
