## SHANNON GREEN 1961-1981

Her smile was warm and her enthusiasm genuine. Shannon Green was a very special person.

Green, a native of Big Sandy, Mont., was a freshman on the 1980-81 UM women's basketball team.

On Aug. 24, 1981, an automobile accident took Shannon from her family and friends.

In her honor, UM has established the Shannon Green Inspirational Award. This award will be presented annually to the member of the women's basketball team who best exemplifies Shannon's inspirational spirit.

### Shannon Green Lives On

Even though she isn't physically here,  
her spirit radiates within all our souls  
YES, SHANNON GREEN LIVES ON . . .  
All of us who knew her carry a part of her  
Inside our hearts forever  
SHE HAS TOUCHED US ALL  
God took a great person  
so that we could all open our eyes to God's world  
Yes, though it seems unfair,  
There is a reason for Shannon's death  
We all will carry on her spirit and soul  
Inside of us in everything that we do  
That so much in her, that we never had  
SHANNON WAS EVERYONE'S FRIEND  
She was so full of zest and life  
She never looked down, always up, always positive  
and helpful  
And Shannon lived each day as if it were her last  
YES, SHANNON GREEN IS A BEAUTIFUL  
PERSON  
SHE IS OUR MOTIVATION  
AND SHE LIVES WITHIN US . . .  
YES, SHANNON GREEN LIVES ON . . .

A friend and teammate

# 1981-82 Outlook

"Young, but extremely talented" is how head coach Robin Selvig describes the 1981-82 University of Montana women's basketball team.

The squad is made up of five juniors, four sophomores and four freshmen. However, this can be deceiving. Two starters and seven letterwinners have returned from last season's 22-8 team and Selvig said the recruiting crop "could easily be the best I've had here."

The two returning starters are last season's freshman record-setters, Cheri Bratt and Doris Deden. Bratt, a 5-10½ guard, set school records in assists and steals. Her efforts earned her an honorable-mention spot on the all-conference team. Deden, a 6-1½ center, established a new school record for field goal percentage.

The other returnees are Juli Eckmann, a 5-11 guard-forward, Janet Ruetten, a 5-9½ forward, Cathy St. John, a 5-8 guard, Sue Habbe, a 5-8 guard-forward and Shari Thesenvitz, a 6-0 forward.

The newcomers include four talented freshmen and two proven transfers.

Leading the way is Anita Novak, a 6-2½ forward-center who was named to the 1981 Converse High School All-American team. The other freshmen on the squad are Barb Kavanaugh, a 5-9½ guard, Sheri Henry, a 6-0 forward, and Mary Kohler, a 5-8½ guard.

The transfers are 5-8 guard-forward Ruth Fugelberg and 6-0 forward Siobhan Hathhorn. Fugelberg was a second-team all-conference choice while playing for Boise State in 1979-80.

Overall, Selvig expects the team's strengths to be defense and depth.

UM has led the NWBL in defense each of the last three seasons, allowing just 55.5 points per game last season.

The depth should be much improved this season, according to Selvig.

"This is by far the deepest team I've had here," he said. "I expect every girl on the team to see a good deal of playing time. I think we'll be able to go deep into the bench without getting hurt."

Selvig also expects to see improvement in outside shooting and the fast break.

"Our outside shooting has gotten a little better each of the last three years and I expect to see even more improvement this season," Selvig said. "I also think our fast break will be better. We won't be a speed-oriented club, but I think we'll show improvement in that area."

## **Robin Selvig**

### *Head Coach*

In his three years as head coach of the University of Montana women's basketball team, Robin Selvig has compiled an impressive 54-31 record.

Last season, the Grizzlies finished with a record of 22-8, the best in the school's history.

UM has also qualified for the NWBL playoffs each of the last three years. Last season the team finished first in the Mountain Division with a 9-3 league record.

The emphasis is on defense on Selvig's teams. UM has led the NWBL in defense each of the last three years.

Defense was also important to Selvig when he played for the University of Montana in the early 70's. In 1974, as a senior, he was named the best defensive player on the team. He was also a second team All-Big Sky Conference selection and won the university's top athletic award, the Grizzly Cup.

Before taking over the Grizzly women's basketball program, Selvig was the head coach of the girl's basketball team at Plentywood High School from 1975 to 1978.

## Jill Greenfield

### *Assistant Coach*

After rewriting the UM record book in the scoring and rebounding categories, Jill Greenfield will turn her energies to coaching.

Last season, Jill was the Grizzlies' leading scorer and rebounder, establishing single season records in both categories. She was chosen as the Most Valuable Player on the team and was a first-team all-region selection.

Greenfield will be assisting Selvig with the varsity squad.

She is finishing up her degree in Business Management from UM.

## Annette Whitaker

### *Assistant Coach*

After starting at guard for the Grizzlies the last two seasons, Annette Whitaker has joined the coaching staff.

Annette was sixth in scoring and second in assists last season for the Grizzlies. She also provided team leadership from the guard position.

Whitaker's primary responsibility will be coaching the junior varsity team.

She is finishing up her degree in Health and Physical Education from UM.

## Juli Eckmann

Juli Eckmann has been a spark plug off the bench for the Grizzlies the past two seasons.

"Juli has made a tremendous contribution to our program in the last two seasons even though she hasn't been a starter," said Selvig. "She has good hands and an excellent shooting touch. Juli has a good shot at one of the starting guard positions this year."

Juli had an outstanding high school career. As a senior at Magic City Campus (Minot, N.D.), she was named North Dakota Female Athlete of the Year and was selected to the Converse High School All-American Basketball Team.

Juli is a Clothing and Textiles and Education major.

"Ruth has proven that she can compete in this league and I think she'll add a great deal to our program," said Selvig. "She's a good jumper and has a nice shooting touch. She is also a tremendous rebounder for her size."

Ruth earned four letters in both basketball and track at Polson (Mont.) High School. She was a two-time all conference selection in basketball and was named to the all-state second-team her senior year.

Sue Habbe is a hard worker who could help the Grizzlies at either guard or forward.

"Sue is probably the hardest worker on the team," said Selvig. "She can be effective at forward because of her strength and at guard because of her shooting touch. I expect her to be vying for playing time."

Sue, a graduate of Hellgate High School (Missoula, Mont.) played basketball all four years in high school and participated in golf and track for two years.

Sue is majoring in Health and Physical Education.

Her parents are Don and Doosy Habbe of Missoula, Mont.

Janet Ruetten has started for the Grizzlies for one-and-a-half seasons and will be called upon to provide leadership this season.

"Janet is one of the most experienced players in our program this season so I'll be counting on her to be one of our team leaders," said Selvig. "She plays with a great deal of intensity and can be an excellent scorer."

At Patrick Henry High School (San Diego, Calif.), she was named Eastern League Player of the Year.

Her outstanding performance earned her an honorable-mention spot on the all-conference team.

"We will depend on Cheri for leadership from the guard position this season," said Selvig. "She had an excellent freshman year and I expect her to continue to improve. She has the size and skills to be all-conference."

Cheri was one of the top basketball players in the state when she played for Flathead High School (Kalispell, Mont.) She was named to the all-state (AA) tournament team all four years. She was also named to the all-conference and all-state teams her last three years.

As a freshman last season, Doris Deden became a starter for the Grizzlies midway through the season. Her aggressive play around the basket helped her to become the second leading scorer on the team and the school record-holder for field goal percentage (.534).

"Doris is very mobile for her size and she's good around the basket," said Selvig. "I expect Doris to score a little more this season because she'll see the ball more."

Doris led the Sentinel High School Spartans (Missoula, Mont.) to the Class AA state championship her senior year. She was named to the all-state tournament team each of her last three years and was an all-state selection her senior year.

Doris is majoring in Math.

Siobhan (pronounced Shi-Vaughn) Hathhorn, a highly-recruited high school athlete, comes to UM after playing at Stanford for one year.

An all-around athlete in high school, Sheri Henry should help the Grizzlies in the middle.

"Sheri is coming off a very good senior year and I expect her to be vying for playing time on the varsity," said Selvig. "She needs to improve her ball-handling, but she already has all the other skills."

At Sentinel High School (Missoula, Mont.), Sheri earned three letters in basketball, four in track and one in volleyball. She was named to the all-conference and all-state basketball teams her senior year. She was also named team MVP in both basketball and track.
