The Outlook

Sixth-year University of Montana women's basketball coach Robin Selvig is optimistic about his team's prospects for the 1983-84 season despite the loss of two starters and a total of six letterwinners from last season's squad which finished the season with a 26-4 record, the best in the program's history.

"We'll miss the players we lost, but I think we can be a better team," Selvig said. "All six returnees have key roles and they have to improve in order for us to improve as a team. Everyone played well in spring drills and I think all the veterans will have good seasons for us. I'm also happy with our recruiting year. We signed the players we wanted and strengthened the positions we needed to."

UM won the first Mountain West Athletic Conference basketball title last season, compiling a 13-1 conference record and defeating Weber State 66-63 in the tournament championship game. The Lady Griz made their first NCAA tournament appearance but lost to Northeast Louisiana 72-53 in the opening round.

The returning starters are seniors Cheri Bratt and Doris Deden Hasquet and junior Anita Novak.

Bratt, a 5-foot-10 guard from Kalispell, led UM in scoring (10.8 ppg), assists (4.9 avg.), steals (2.6 avg.) and free throw percentage (.798). She was a 1983 first team all-conference selection. Cheri ranks third in career scoring (818 points) and sixth in career rebounding (449 rebounds).

Hasquet, a 6-1 center from Missoula, averaged 8.4 points and 6.9 rebounds last season. She is virtually assured of becoming the school career leader in scoring and rebounding, needing just 16 points and 19 rebounds to take over first place in both categories. She now has 918 points and 608 rebounds.

Novak, a 6-2½ forward from Minot, N.D., was the Lady Griz' third-leading scorer (9.4 ppg) and leading rebounder (7.2 rpg) in 1982-83.

The other returning letterwinners are junior Barb Kavanagh and sophomores Margaret Williams and Sharla Muralt.

Kavanagh missed almost half of the 1982-83 season because of an injury. The 5-9 guard started the first six games of the year before being slowed by a stress fracture. She averaged 3 points and 1 rebound a game. Williams, a 5-8 guard, averaged 4.1 points and 1.2 rebounds. Muralt, a 6-1 center, accounted for 5 points and 4.9 rebounds a game.

Mary Koehler, a 5-8½ sophomore guard, returns to the team after sitting out the 1982-83 season. She led the JV's in scoring with 14 points a game in 1981-82. She also played in six varsity contests that season.

The newcomers are Natalie Streeter, a 5-9 guard from Great Falls; Laurie Strube, a 6-2 center from Minot, N.D.; Mo Patrick, a 5-10½ forward from Darby; Stacey Edwards, a 5-11 forward from Highland Park, Ill. and Cindy Muchmore, a 5-7 guard from Mannheim, Germany.

Streeter averaged 18.5 points and 8.4 rebounds in leading Great Falls High to its third consecutive Class AA state championship. She was a Converse High School All-American

and the recipient of the Little Sullivan Award as Montana's top female amateur athlete. Strube averaged 14 points and 9 rebounds while connecting on 68.5 percent of her field goal attempts last season. She was an all-conference choice.

Patrick averaged 20 points and 10 rebounds in 1982. She was a first team Class B all-state selection and an honorable mention Converse All-American. Edwards was the 1982-83 Northern Chicago Suburbs Player of the Year as she averaged 21 points and 10 rebounds a game. Muchmore averaged 23.4 points, 9.1 rebounds and 4.9 assists her senior year. She was named to the all-tour team and was her team's MVP as a senior.

Defensive tradition is an important part of the Lady Griz basketball program and UM has been among the national leaders in several defensive categories for the past two seasons.

UM was third in scoring defense (55.0 ppg), fifth in field goal percentage defense (.380) and 16th in blocked shots (4.57 avg.) last season. Montana led the nation in scoring defense in 1981-82, allowing just 53.5 points a game.

The Lady Griz should once again enjoy good balance and depth. The starters averaged between 8.4 and 10.8 points last season and three of the reserves averaged at least 4 points a game.

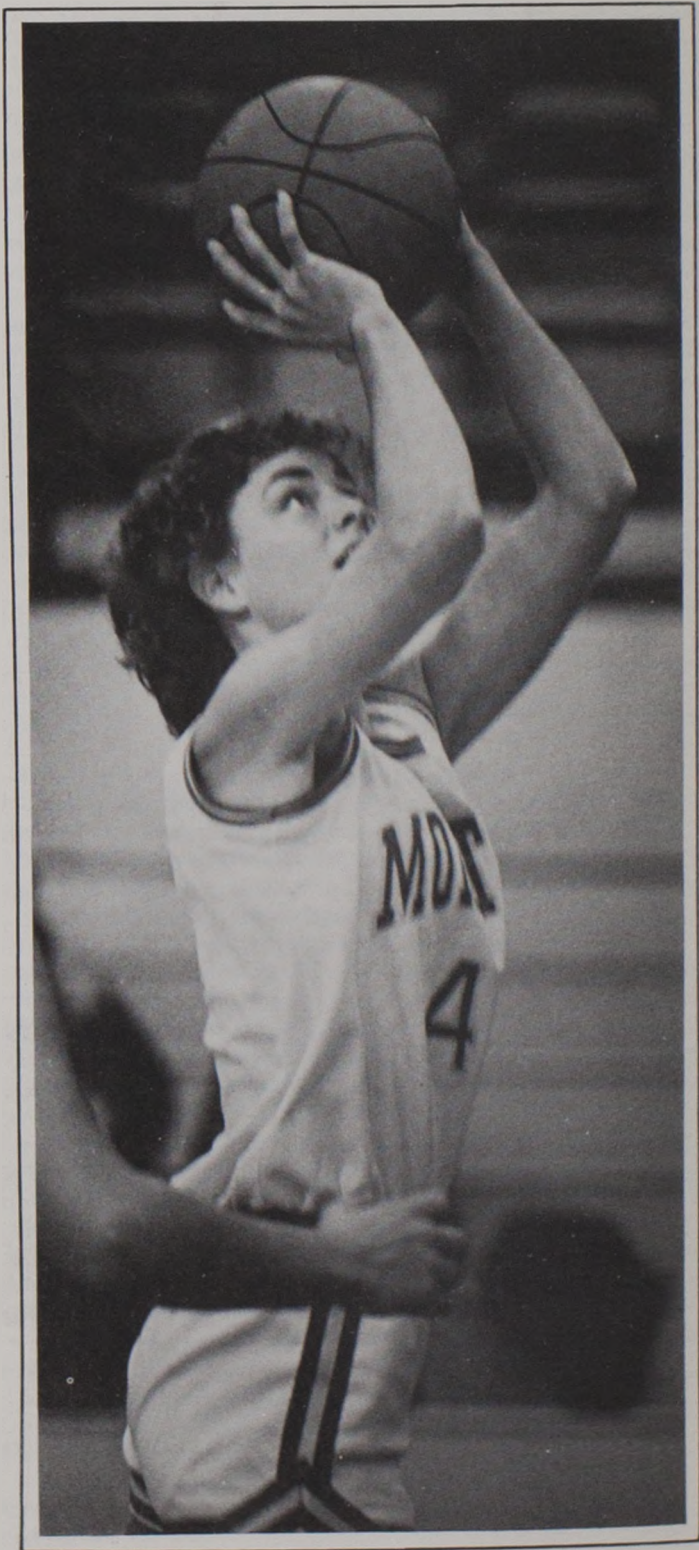

"Balance and depth were two of the keys to our success last season and I think we'll be strong in those areas again," Selvig said. "We have a lot of different combinations we can play and there should be some battles for starting spots and playing time."

Selvig is also looking for offensive improvement from the team which averaged 66.6 points a game in 1982-83.

"We were a good club offensively, but we have the potential to be a lot better," he said. "We need to be more consistent on offense than we were last year. I expect us to run a little more than we did last year so that could raise our scoring average."

UM faces an upgraded schedule this season which includes two tournaments that feature several nationally-ranked teams. Montana opens the season Nov. 17 against Penn State, a Final 16 team in the 1983 NCAA tournament, in the opening round of the Wyoming Dial Classic. Texas-El Paso and host Wyoming are the other teams in that tournament. The Giusti Tournament of Champions which is set for Dec. 18-20 in Portland features national powers Georgia, Kansas State, Oregon and Oregon State. UM faces Kansas State in the opening round of that tournament.

UM hosts Colorado State, San Jose State and Calgary in the fourth-annual Lady Griz Insurance Classic Jan. 5-6. The Lady Griz also face top non-conference foes such as Washington and Washington State in addition to a double round-robin schedule with the other seven Mountain West schools.

The Coaches

Robin Selvig
Head Coach

Robin Selvig took over a struggling University of Montana women's basketball program in 1978 and immediately turned it around. He is the only basketball coach (men's or women's) in the school's history to win 100 games in his first five seasons.

Selvig's career record is 102-40 and his winning percentage (71.8%) is also the best of any UM basketball coach ever. The 1982-83 squad's record of 26-4 is the best in the program's history.

Selvig has been named conference Coach of the Year each of the last two seasons. He was also a finalist for national Coach of the Year honors in 1983.

The emphasis is on defense on Selvig's teams. The Lady Griz led the nation in scoring defense in 1981-82, allowing just 53.5 points a game. UM was third in scoring defense (55.0 ppg) and fifth in field goal percentage defense (.380) last season.

Defense was also important to Selvig when he played guard for the University of Montana in the early 70's. In 1974, as a senior, he was named the best defensive player on the team. He was also an all-Big Sky second-team selection and won the University's top athletic award, the Grizzly Cup.

Before taking over the Lady Griz basketball program, Selvig was head coach of the girls' basketball team at Plentywood High School from 1975 to 1978.

Annette Whitaker became the first full-time assistant women's basketball coach at UM in September, 1983.

Whitaker served as graduate assistant coach at Montana for two seasons before assuming her new post. She assists Selvig in all phases of coaching.

Annette was a two-year starter at the guard position for the Lady Griz before joining the coaching ranks.

She received a bachelor's degree in health and physical education from UM in 1982 and has been working on her master's degree in HPE.

THE RETURNEES

Cheri Bratt

Guard . . . 5-10 . . . Senior . . . Flathead High . . . Kalispell, Montana . . . Bratt has led UM in almost every offensive category at least once during her three years with the team. She holds single-season records for assists (142) and steals (94). She also ranks third in career scoring (818) and sixth in career rebounding (449).

Bratt led the Lady Griz in scoring (10.8 ppg), assists (4.9 ave.), steals (2.6 ave.) and free throw percentage (.798) last season. Cheri was a first team all-conference selection and team MVP in 1982-83.

Cheri was a second team all-conference choice and a first team CoSIDA (College Sports Information Directors of America) District 7 all-academic selection in 1981-82. She was selected as the team's Outstanding Defensive Player that season.

"Cheri is a complete player and she's coming off a great year," according to Selvig. "She does so many things well that we can go to her in a lot of different situations. She is a tremendous competitor and she has improved in every phase of the game since she came here.

"Cheri is extremely strong and she has the ability to play almost any position. She has already played everything from lead guard to strong forward for us."

Bratt was one of the top players in the state when she played for Flathead High. She was named to the Class AA state tournament team all four years and to the all-conference and all-state teams her last three years.

Cheri is a pre-med major. Her parents are Glee and Karen Bratt of Somers, Mont. Birthdate: 2-23-62.

Center . . . 6-1 . . . Senior . . . Sentinel High . . . Missoula, Montana . . . Hasquet is virtually assured of becoming the UM career scoring and rebounding leader. She needs just 16 points and 19 rebounds to take over first place in both categories. Doris now has 933 points and 608 rebounds.

Hasquet averaged 8.4 points and 6.9 rebounds in 1982-83. She broke her own single-season blocked shot record with 41 and tied the single-game rebounding record with 19 against Weber State last season. She also holds the single-season field goal percentage

record (.534).

Doris was a second team all-conference pick and a first team CoSIDA

District 7 all-academic selection in 1981-82. She led the Lady Griz in scoring (13.9 ppg) and rebounding (7.1 rpg) and was the team MVP that season.

"Doris is a very good offensive player. She has excellent inside moves and she also has the ability to shoot from up to 15 feet away from the basket," Selvig said. "Doris has also shown a great deal of improvement defensively.

"Doris has had three good years here and I think this could be her best season. She's been working hard and she's playing very well in pre-season drills. We will also be looking to Doris for leadership since she's one of only two seniors on the team.

Hasquet led the Sentinel Spartans to the state Class AA championship her senior year. She was named to the all-tournament team each of her last three years and was an all-state selection her junior and senior years.

Doris is the only married player on the team and her husband, Pete, is the assistant girls' basketball coach at Sentinel.

The daughter of Richard and Nancy Deden of Missoula, Mont., Doris is a math major. Birthdate: 5-26-62.

Barb Kavanagh

Guard . . . 5-9 . . . Junior . . . Rocky Mountain High . . . Fort Collins, Colorado

. . . Kavanagh is coming off a frustrating season in which she missed 13 games because of a stress fracture. She started the first six games of the 1982-83 season before being slowed by the injury. She averaged just 3 points and 1 rebound last year. However, she won the second-annual Shannon Green Inspirational Award in 1982-83.

Barb won a starting spot in the fourth game of the 1981-82 season and averaged 8.5 points, 2.4 rebounds and 3.7 assists from the lead guard position.

"Barb is as intelligent as any player I've ever coached," Selvig praised. "Last season was a frustrating one for her, but I'm expecting her to pick up where she left off before her injury. She's a good outside shooter and she should really help us in that area."

Kavanagh was a two-time all-conference and all-state pick at Rocky Mountain High. She was the MVP of the conference tournament her senior year. Barb played her sophomore year at Hellgate High.

Barb is a math and health and physical education major. Her parents are Georgianna Taylor of Fort Collins, Colo., and John Kavanagh of Shelby, Mont. Birthdate: 9-30-63.

Anita averaged 6.9 points and 5.1 rebounds her freshman year. She already ranks eighth in career rebounding with 355 boards and 11th in career scoring with 470 points.

"Anita has the ability to dominate games and she started to show that last season. She just needs to be more consistent. She has excellent skills and size for a forward and she can play center if we need her to. Anita has also developed into possibly the best defensive player on the team," Selvig said.

Novak was a two-time all-conference and all-state selection at Magic City Campus. She was named to the Converse High School All-America team as a senior.

Anita's parents are Donald and Shirley Novak of Minot, N.D. She is majoring in health and physical education. Birthdate: 12-26-62.

LADY GRIZ ON RADIO

All Lady Griz games will be broadcast live by KYSS-Radio (95 FM) in Missoula. Tom Root serves as "Voice of the Lady Griz."

University of Montana

The University of Montana boasts a proud tradition of academic excellence in teaching, research and service. Located in Missoula on 201 acres at the base of Mount Sentinel, UM was chartered February 17, 1893. Since then, it has grown from 50 students and seven faculty members to a present enrollment of 9,100 and about 450 full-time state supported faculty positions.

Bachelor's degrees are available in 58 fields, and associate of arts degrees may be obtained in two areas. UM offers master's degrees in 54 programs and doctoral degrees in 13.

The College of Arts and Sciences is the core of the University. It includes a full range of programs and courses in the life sciences, physical sciences, social sciences and humanities.

Seven professional schools complete the academic program—Business Administration, Fine Arts, Journalism, Education, Forestry, Law and Pharmacy and Allied Health Sciences.

Missoula is in the midst of an area noted for its spectacular scenery and recreational opportunities. It is within easy driving distance of four wilderness areas and Glacier and Yellowstone National Parks. The natural surroundings offer excellent opportunities for hunting, fishing, backpacking, river floating, camping and other recreational pursuits. Two winter ski areas are within minutes of the University, and several others are only a couple of hours away by car. UM owns and operates a golf course near the campus.

Downtown Missoula is within blocks of the University and is easily accessible to UM students. Other parts of the city can be reached by using Mountain Line, the city's mass transit system.
