Carol Hayes
ASUM Office Manager
Resolution to Amend Bylaws Article IV, Section 12

Whereas, Section 12 charges the Graduate Student Affairs Committee with duties that can be more efficiently dealt with by other ASUM Committees;

Whereas, ASUM Senators, Executives, and Students at Large have very busy schedules, and efficiency in the committee system is of utmost importance;

Whereas, Vice President Venetz has repeatedly expressed concern about the lack of Graduate Students willing to serve on committees and get involved with ASUM;

Whereas, this lack of interest and involvement has made it continually difficult for the committee to meet and deal with issues;

Whereas, the same channels used by undergraduates to express concerns and deal with issues are available to graduate students.

Therefore, Let It Be Resolved that the Bylaws of the Associated Students of The University of Montana be amended to read:

Section 12. Graduate Student Affairs Committee:
A. The Graduate Student Affairs Committee shall be composed of seven members, of which three (3) shall be members of the Senate, three (3) shall be graduate students at large, and one (1) shall be an undergraduate student at large.
B. A Senator who is also a graduate student shall chair the Committee; if no Senators are graduate students, the chair shall be elected by the Committee as a whole.
C. The Committee shall be responsible for elucidating The University of Montana graduate student concerns and for relating those concerns to the ASUM and other appropriate bodies. In addition, the Committee shall be responsible for working with the graduate students in finding solutions to problems and in proposing mechanisms to enhance graduate education at The University of Montana.
D. The Committee shall review the ASUM governing documents and recommend changes as necessary to meet the representation needs of graduate students.

Passed

Whereas, the College of Technology Affairs committee has been dissolved and no longer provides guidance and oversight;

Whereas, there is currently no person assigned to the post of COT Assistant for the 2005/2006 academic year;

Therefore, Let It Be Resolved that Item 3.0 ASUM COT Student Assistant and Item 4.20 be deleted from ASUM Personnel Policy as follows:

Item 3.0
