**Required Text:** ANTHROPOLOGY 14th Ed. by Ember & Ember. Participation in the Online Community Action Period (March 11) is required. Lecture notes are **NOT** on blackboard or Moodle so attendance is necessary.

“... 45% of students show no significant improvement in the key measures of critical thinking, complex reasoning and writing by the end of their sophomore years.” We can change that number, let’s try.

**Course Outline and Reading Assignments**

Action Period Web Site: [www.publicanthropology.net](http://www.publicanthropology.net)

**Course Objectives**

1. Students will gain an appreciation of the diversity and richness of the human experience.
2. Students will acquire an understanding of the history, subject matter, and methods of study in anthropology.
3. Students will increase their knowledge of the history of human biological and cultural evolution.
4. Students will learn basic anthropological concepts and terms.

All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or a disciplinary sanction by The University. All students need to be familiar with the Student Conduct Code which is available for review online:

[www.umt.edu/SA/VPSA/index.cfm/page/2585](http://www.umt.edu/SA/VPSA/index.cfm/page/2585)

**Course Description**

This class will provide an in-depth introduction to anthropology surveying the 4 subfields of biological anthropology, archaeology, social/cultural, and linguistic anthropology. We will cover prehistory to modern times. Primates, language, marriage, family, religion, and food production will be covered. This course is required for all anthropology majors and minors and fulfills the general education social science distribution requirement.
