Head Coach Robin Selvig—(Montana, 1974)

Robin Selvig enters the 1988-89 season as one of the 15 winningest active Division I women's basketball coaches. Last season was a banner year for the 11th-year coach as his team won a school record 28 games. Midway through the season he recorded his 223rd win, breaking former men's coach Jiggs Dahlberg's all-time win mark of 222.

Selvig's teams have posted eight consecutive 20-win seasons and advanced to post-season play each of those seasons. In the past six years, the Lady Griz have won 27 games twice, had 26 victories on two occasions and of course, the record 28 wins last season.

Selvig's career record is 231-65 and his 78.0 winning percentage is the best of any UM basketball coach and one of the best in Division I women's basketball history. During his tenure, UM has averaged 23 wins a season.

Robin was named Mountain West Conference Coach of the Year five times (1983, 84, 86, 87, 88) and WBCA District VII Coach of the Year three times (1984, 85, 88).

The emphasis is on defense on Selvig's teams. The Lady Griz led the nation's Division I teams in scoring defense in 1982, 84, 86 and 88 and were nationally ranked in defense in 1983, 85 and 87.

Defense was also important to Selvig when he played guard at Montana in the early 1970's. His senior year (1974), he was selected as the team's Outstanding Defensive Player. He was also a second-team all-conference pick and the recipient of the school's top scholar-athlete award, the Grizzly Cup.

Before taking over the Lady Griz program, Selvig was the head girls' basketball coach at Plentywood High from 1975 to 1978, where he was 38-24 overall.

He received his bachelor's degree in health and physical education from Montana in 1974. Robin and his wife, Jane, have two sons, Jeff, 7 and Dan, 4.

Assistant Coach Annette Whitaker

Annette Whitaker begins her eighth season as the assistant coach of the Lady Griz basketball program. She was the Montana junior varsity coach for each of her first two seasons with the program and now assists head coach Robin Selvig in all coaching duties. Those duties include game strategy, recruiting, conditioning and scouting.

As a collegian, she was a two-year starter at point guard for the Lady Griz and is among the top 20 all-time career scorers with 322 points.

Prior to her career at the University of Montana, Whitaker was a basketball standout at Cashmere High School in Washington, and Wenatchee Valley College.

She is a 1982 graduate of the University of Montana and holds a bachelor's degree in Health and Physical Education.

Student Assistant Coach Dawn Silliker

A four-year starter for the Lady Griz, Silliker joins the coaching staff this season. She completed her career last season ranked sixth in career scoring (1088), fifth in rebounding (667) and fifth in assists (287).

Dawn was a Converse High School All-American at Whitefish High and holds the distinction of being the only female athlete in the school's history to have her number retired.

Silliker is finishing her degree in elementary education.

Lady Griz Shoot For Another Successful Campaign

After losing four starters, most teams would be looking at a rebuilding year, but not the 1988-89 University of Montana women's basketball team.

"Sure we're going to miss those kids; they were great players," said head coach Robin Selvig who boasts a 231-65 record in 10 seasons. "But we have a nucleus of very good returnees and new players."

Gone from last season's team which won a school record 28 games are all-time leading scorer Marti Leibenguth, four-year starter Dawn Silliker, Kris Moede and Karyn Ridgeway.

On the bright side, the Lady Griz return two-time all-region center Lisa McLeod and guard/forward Cheryl Brandell who was the starting point guard before suffering a knee injury midway through the conference schedule. Reserves who saw considerable playing time last season include guard/forward Marti Kinzler and centers Kris Haasl and Linda Mendel.

Other returning letterwinners are forward Terre Tracy and guards Colleen McNally and Snelli Sniffin.

Three 1987-88 redshirts will also strengthen the Lady Griz attack. Forward Jean McNulty averaged 9.1 points and 5.4 rebounds two years ago as a reserve and is the leading candidate to replace Leibenguth at the power forward. Vicki Austin, a transfer from national powerhouse Long Beach State, is also a likely starter at point guard. The third redshirt is freshman forward Marietta Bahnmler who was an all-state performer at Big Sandy High.

The two newcomers are blue-chip prospect Shannon Cate, a 6-1/2 guard/forward from Billings Central and Julie Epperly, a 5-6 all-state guard from Flathead High in Kalispell. Cate averaged 23 points and 9 rebounds last season and was named to several All-America teams. She was the leading scorer in the AAU national tournament this summer in Miami. Epperly averaged 17.5 points last season and earned all-state honors in volleyball and track as well as basketball.

UM should be especially strong at center with McLeod being backed up by Haasl and Mendel. McLeod was the team's second-leading scorer and rebounder, averaging 13.1 points and 7.4 rebounds. She was chosen as the team's Outstanding Defender after setting single-season and career records for blocked shots. Mendel averaged 2.4 points and 2.1 rebounds while Haasl had 2.3 points and 2.9 rebounds per game.

There will be new starters at both forward positions but there is good experience here. Contending for the forward slots are McNulty, Kinzler, Tracy, Bahnmler and Cate.

At guard, the big question is Brandell's health. She underwent her second knee surgery last February but seems to be recovering well. If she's healthy, Cheryl should start at big guard and could see time at point guard as well as small forward. She averaged 10.6 points, 4.2 assists and 3.3 rebounds and was a second-team all-conference pick despite missing the final 10 games. Kinzler and Cate will both play big guard in addition to small forward. Austin looks like the starter at point guard and will be backed up by McNally, Sniffin and Epperly.

Selvig said he doesn't think the team will feel any pressure from last year's 28-2 record and national ranking (16th at the end of the season).

"I don't think we'll feel any pressure," he said. "We won't be going out there thinking about last year. Hopefully, it will have an effect on attendance though."

The Lady Griz doubled their average attendance last season and ranked sixth nationally with 3,119 per game. UM played before two sellout crowds with 9,251 against Montana State and 8,709 in a second round NCAA game against Stanford.

"The attendance and exposure were unbelievable," Selvig said. "We were doing pretty well before and all of a sudden things just grew from there. I think our schedule had a lot to do with that."

UM's 1987-88 pre-season schedule included nationally-ranked Washington and other prominent schools such as Oregon, Utah, Creighton, Washington State, Wyoming and Gonzaga.

This season's schedule will also be difficult with four conference champions on the slate. UM faces defending champions Washington (Pac-10), Eastern Illinois (Gateway), Nebraska (Big Eight) and Gonzaga (West Coast). The first three were all participants in the 1988 NCAA Tournament.

"I think this schedule is real similar to last year's," said Selvig. "It should really challenge us."

After dominating the Mountain West Conference by winning four titles in six years, the Lady Griz now find themselves part of the Big Sky Conference. The men's and women's conferences have merged but the nine member schools are still the same.

Joining Montana in the battle for the first Big Sky Conference title should be Montana State, Boise State and Northern Arizona. Eastern Washington, which lost to UM in the championship game last year, is a bit of a question mark.

The Lady Griz open the season Nov. 9 with an exhibition game against the New Zealand National team. The regular season starts Nov. 25-26 in the McCall Pattern Classic at Kansas State. UM opens the home season by hosting Nebraska, U.S. International and Pacific in the Domino's Pizza Classic Dec. 2-3.

31 Lisa McLeod, 3V

**6-1, Senior Center from
Great Falls, MT**

A two-time all-region choice, Lisa was the Lady Griz second-leading scorer and rebounder last season, averaging 13.1 points and 7.4 rebounds. She set single season and career records for blocked shots and was voted the team's Outstanding Defender in 1987-88.

McLeod was the Lady Griz' leading scorer as a sophomore, averaging 14.5 points. She also ranked second in rebounding that season with a 6.7 average.

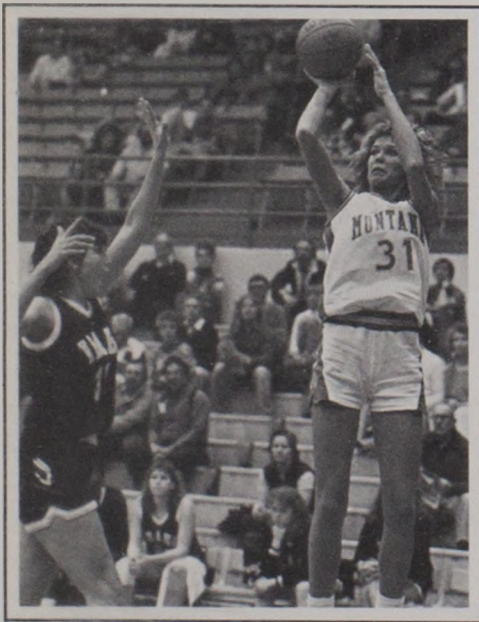

Lisa reached the 1,000-point plateau faster than any Lady Griz ever, hitting that mark in just 90 games. She currently ranks seventh on the all-time scoring list with 1,028 points. She is eighth in career rebounding with 582 boards.

McLeod was the MVP of the Domino's Pizza Classic and a member of the Women's NIT all-tournament team as a sophomore. She was named to the all-tourney team at the Domino's Pizza Classic last season. She was an All-Mountain West Conference pick her sophomore and junior years.

"The exciting thing about Lisa is that she's such a good player, but she keeps getting better," Selvig said. "She's real quick for her size; is a very athletic center."

Lisa was an all-state selection and a Converse High School All-American as a senior at C.M. Russell High. She played for the West in the Montana All-Star Series.

The daughter of Robert and Irene McLeod of Cody, Wyoming, Lisa is majoring in health and physical education. Birthdate: February 28, 1967.

Honors Candidate

55 Cheryl Brandell, 3V 6-0, Senior, Guard/Forward from Olympia, WA

One of the most versatile players on the squad, Cheryl earned second-team all-conference honors last season despite missing the last 10 games with a knee injury. She seems to be recovering well from knee surgery last February.

Brandell averaged 10.6 points, 4.2 assists and 3.3 rebounds in 1987-88. She hit on 52.8 percent of her field goal attempts which was second best on the team.

Cheryl was the starting point guard last season, but will probably move to big guard as Vicki Austin is expected to take over the point. She should also see time at small forward.

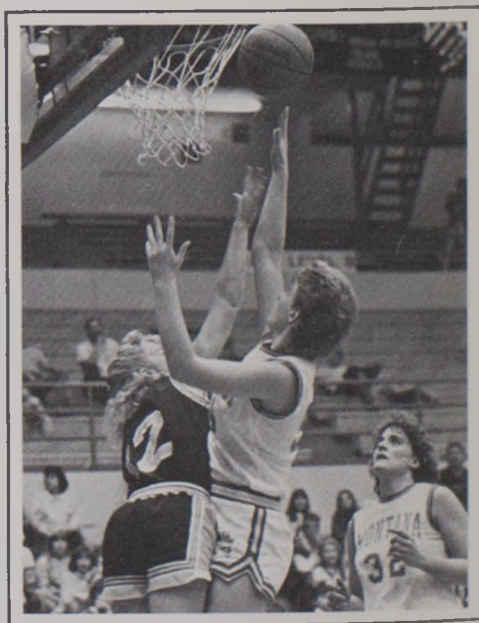

Cheryl was chosen by her teammates as the Most Inspirational Player last season. She was also named to the Domino's Pizza Classic all-tourney team. She was an honorable mention all-conference pick as a sophomore in 1985-86. She sat out the 1986-87 season.

Brandell ranks 14th in career scoring (699), 13th in rebounding (341) and fourth in assists (297).

"The only question with Cheryl is her health," Selvig said. "She is a very talented, complete player who has a good career here."

Cheryl was the league MVP as a junior at Olympia High but missed her senior year because of her first knee surgery.

Cheryl is majoring in finance. Her parents are John and Helen Brandell of Olympia. Birthdate: June 18, 1966.

5-7, Guard from E. Moline, IL

A transfer from national powerhouse Long Beach State, Vicki is the probable starter at point guard. She redshirted last year because of the NCAA transfer rule.

At United Township High School, Austin was all-state, all-conference and team MVP as a senior.

Her high school team won the Western Big 6 Conference title her senior year. She was coached by Mike Dergo.

"Vicki is a very talented player and should be the heir apparent at point guard," according to Selvig. "She has real good speed and quickness; she's the quickest player with the ball that we've ever had. She has good all-around skills."

Vicki's mother is Lester Austin of East Moline. She is a criminal justice major. Birthdate: June 27, 1967.

"Kris made tremendous strides last year and has great potential," said Selvig. "She's an outstanding defender and is constantly improving offensively. She's a girl we could see big things out of before she's done."

Kris was a two-time all-state selection and a three-time all-league pick at Florence High. She was the team MVP as a senior. In addition to four letters in basketball, she earned two in track.

A nursing major, Kris is the daughter of Ken and Jan Weber of Florence. Birthdate: August 15, 1967.

"Jean is an explosive-type player and has good overall skills," Selvig said. "She shoots well from the inside or outside, is a good rebounder and an aggressive defender. She has good speed and quickness and runs the floor well. She could play small forward if we needed her to."

Cate led her team to three-straight Class A state titles and was the MVP of the state tournament all three years. Billings Central won 43 games in-a-row over her last two seasons.

Shannon was a four-time all-state selection. She was a Converse and Street & Smith All-American and was selected as both the Gatorade and USA Today Girls' Basketball Player of the Year in Montana.

"Shannon is a very talented freshman prospect. We're very impressed with her all-around basketball skills," Selvig said. "She's very versatile; a Marti Leibenguth-type. She can score inside and really shoots well from the outside. She seems to possess all the intangibles that make a good player."

Shannon is a general studies major. Her parents are Jerome Cate and Mary Kay Cate, both of Billings. Birthdate: August 3, 1970.

15 Julie Epperly, HS **5-6, Guard from Kalispell, MT**

A three-sport standout in high school, Julie is in the battle for playing time at point guard. She averaged 17.5 points and was team MVP last season at Flathead High.

Epperly was a two-time all-conference pick and won all-state honors her senior year.

In addition to her basketball honors, Julie was all-state in volleyball and track as a senior.

"Julie had a great high school career," Selvig said. "She's a really good shooter and we're glad she decided to give Lady Griz basketball a try."

The daughter of Kay and Bill Epperly of Kalispell, Julie is a physical therapy major. Birthdate: December 31, 1969.
