Call it tradition . . .
Call it success . . .
Call it winning . . .
“We call it program.”
The University of Montana ranks 16th in the nation among the 2,400 eligible colleges in Rhodes Scholars. UM ranks 4th among schools west of the Mississippi.

The UM Yellow Bay Biological Station, located on Flathead Lake, is the nation's oldest inland station and ranks 3rd nationally for its program facilities and student population.

The Department of Geography has one of the region's best cartography laboratories.

University of Montana education majors are very successful in gaining employment. Approximately 84 percent of students with bachelor's degrees are placed in teaching positions or are engaged in other education related career opportunities. Nearly 100 percent of UM students with graduate degrees in education are gainfully employed within the profession.

The School of Journalism has had 17 of its students selected as Sears Congressional interns — more than any other journalism school in the country.

There's Gold in Them Thar Hills!
The first gold discovery in Montana was at Gold Creek, southeast of Missoula by Francois Finlay in 1850. The Gold Creek area was later mined for gold in 1862 by Jesse and Granville Stuart and Reese Anderson.

The Department of Drama/Dance is home base for a professional theater group — the Montana Repertory Theater — which tours throughout the Northwest and is the only professional Actors Equity company between Minneapolis and Seattle.

The UM Dance Division is the only degree-granting dance program in Montana, and most graduates of the program have successful professional and academic careers in dance and related arts.

The Department of Geology has an outstanding national reputation. Students receive hands-on experience at the University's Seismic Station, the Earthquake Research Laboratory, and a field station in southwestern Montana.

The Department of Physics and Astronomy has excellent laboratory facilities and several terminals connected to UM's main computer. The department operates a 12-inch heliostat for solar observations, and students use a 16-inch telescope housed on nearby Blue Mountain.

The fully accredited Department of Social Work is the only one in Montana that assures its graduates of a year of advanced standing in graduate schools of social work.

L ubrecht Experimental Forest, a 30,000-acre tract 35 miles from campus, is a research facility for the School of Forestry. Lubrecht Forest and the millions of acres of national, state and private forest and park lands in western Montana serve as outdoor laboratories and classrooms for students in forestry, range management, recreation, and wildlife biology.

The Department of Art enjoys a national reputation for excellence in ceramics.

Construction began in 1982 for two new buildings on campus that will enhance the education of UM students. The Fine Arts/Radio-Television Building, an $8.6 million structure, will house UM's fine arts and radio-television programs. Clinical psychologists and "psychologists-in-training" will benefit from a new $440,000 Clinical Psychology Building.

UM law students qualified in regional competition for two years in succession for the national finals of the prestigious National Moot Court Competition in New York City. The UM law school is one of two Northwest schools that have won the national championship since the competition started in 1950.

The University of Montana in Missoula is located in a mountain forest setting in beautiful Western Montana. It is halfway between Glacier and Yellowstone national parks.

Four wilderness areas are located near Missoula. The natural surroundings offer excellent opportunities for hunting, fishing, backpacking, river floating, camping and other outdoor recreational pursuits. Two excellent winter ski areas are located within minutes of the University. Several other ski areas are only a couple of hours away by car. UM owns and operates its own golf course adjacent to campus.

The University of Montana is one of the West's pioneers in education and was chartered February 17, 1893. The school opened in September, 1895, with 50 students enrolling the first day. Located on 201 acres at the base of Mount Sentinel, UM has grown from 50 students and seven faculty members to a present enrollment of 9,000 and approximately 450 fulltime faculty positions.

Through its history, the University of Montana has sustained a high standard of academic excellence in teaching, research and service.

UM offers associate of arts degrees in two areas and bachelor’s degrees in 58 fields. It offers master’s degrees in 54 programs and doctoral degrees in 13.

The College of Arts and Sciences, which is the core of the University, includes a full range of programs and courses in the life sciences, physical sciences, social sciences and humanities. The College also offers curricula in interdisciplinary fields ranging from ethnic studies to interdepartmental studies.

Seven professional schools complete the academic program — Business Administration, Fine Arts, Journalism, Education, Forestry, Law, Pharmacy and Allied Health Sciences.

The aim of the University is to provide its students with a relaxing and meaningful learning experience with the best facilities possible. The administration, faculty and staff strive for this goal.
Steve is beginning his third season as the Grizzly equipment manager. The native of Hamilton, Montana previously worked as a sawyer in the winter and a heavy equipment operator in the summer. He graduated from the University of Montana in 1972 with a B.S. degree in Health and Physical Education, with emphasis in Athletic Training and Physical Therapy. He received his masters degree in 1974 at Indiana State in HPE. He served three years in the Navy from 1962-65 and was a Spanish Linguist. Steve and his wife, Larae, have a son, Tyler.

President Neil Bucklew

Neil S. Bucklew assumed his duties as the 14th president of the University of Montana in August 1981. Bucklew, 42, came from Ohio University in Athens, where he served as provost from 1976 until assuming his duties at Montana. He also served on the faculty in the Department of Economics at Ohio University.

As provost he functioned as executive vice president and vice president for academic affairs, with responsibility for the instructional program of the university.

He was vice president for administration at Central Michigan University from 1973-74; vice provost at Central Michigan from 1970-73; director of employment relations at the University of Wisconsin from 1966-70 and personnel director at Duke University Medical Center in Durham, North Carolina, from 1963-66.

Bucklew received a B.A. in history at the University of Missouri, an M.S. in political science at the University of North Carolina and a Ph.D. in industrial relations and economics from the University of Wisconsin.

Bucklew and his wife, JoAnn, have three children.

Vice President for Student and Public Affairs Michael Easton

W. Michael Easton became the Vice President for Student and Public Affairs in August of 1982. His position is a newly created one and his responsibilities encompass student affairs, intercollegiate athletics, university relations, admissions, financial aid, alumni, development and auxiliary services.

Easton, 40, had nearly identical responsibilities at the University of South Dakota where he was vice president for student services and public information since 1973.

Other positions he has held include dean of students, Eastern Montana College, 1971-73; assistant dean of students, EMC, 1969-71; administrative intern, Lane Community College in Eugene, Oregon, 1968-69; and assistant dean of students, University of Oregon, 1967-68.

He received his B.A. in biology and physical education at the University of Washington in 1964. He received his M.S. in education at the University of Oregon in 1965 and earned a Ph.D. in higher education administration at Oregon in 1969.

Easton and his wife, Patricia, have three children.

Athletic Director Harley Lewis

Harley W. Lewis was named athletic director at the University of Montana effective April 14, 1976. He had served as acting athletic director for eight years.

A 1964 graduate of UM with an M.S. in health, physical education and recreation, Lewis became track and cross country coach at UM in 1966. Prior to assuming coaching responsibilities at UM, the 1959 graduate of Butte High School coached two years at the University of Portland.

Lewis served as cross country coach until 1976 and won nine Big Sky titles until resigning the position. He served as track coach through the 1978 season. While track coach, Lewis won the conference title in 1972. He has been named Big Sky Coach of the Year in cross country and track, ten times. He has served on numerous national committees, worked with U.S. Olympic endeavors and coached several All-American performers at Montana.

Lewis and his wife, MaryLou, have two children.

Associate Athletic Director Barbara Hollmann

Barbara Hollmann began her duties as associate athletic director in August, 1980. In addition to serving as the associate director of the department, her primary responsibilities involve coordinating, supervising and promoting women's athletic program.

Prior to UM Hollmann spent five years as athletic events coordinator and assistant to the women's athletic director at the University of Arizona. From 1971 through 1974 she was an assistant director and later an associate director of intramural and recreational sports at the University of Washington.

Hollmann graduated from Ohio State University with a B.S. in physical education in 1964 and a M.A. in recreation administration in 1968. She received her Ph.D. in 1982 from the University of Arizona, emphasizing higher education administration and public management.

Barbara currently is serving on the NCAA Executive Committee, the Executive Board of the National Association of Collegiate Directors of Athletics and the Board of Directors of the Council of Collegiate Women Athletic Administrators. She was involved with the founding, and is the immediate past president, of the Mountain West Athletic Conference.

Barbara's husband, Robert, is an associate professor of management at UM.

Faculty Representative Evan Denney

Beginning his fifth year as UM's faculty representative to the National Collegiate Athletic Association, Evan has been a faculty member here since 1969. From 1979-81 he served as chairman of the Geography Department. His areas of academic specialty are economic geography and land planning and design. He earned his B.A. at the University of Washington in 1963, his M.A. at Washington in 1965, and his Ph.D. from Washington in 1970. Prior to his UM teaching career, he taught at the University of Washington (1966-69) and Northern Colorado University (1966-66). From Seattle, Washington, Denney is associated with several professional organizations. He determines eligibilities for UM athletes, makes NCAA rulings at the institution level, and is a University of Montana representative to the NCAA.

Denney and his wife, Terri, have two children.
Mike Montgomery is in his sixth season as head coach at the University of Montana, and his eighth year as a Grizzly mentor. He served as an assistant coach at UM for two seasons prior to becoming the head coach.

Mike has taken the Grizzlies to the Big Sky Conference’s postseason playoffs all five of his seasons as head coach. Last year his team narrowly missed advancing to the title game, bowing to Weber St. 54-53 in the first round of the playoffs.

Not only has Montgomery, who is called “Monty” by friends and players alike, qualified five times for the playoffs, but the 36-year-old has already established himself as one of the winningest coaches in the university’s history.

His overall record of 88-51 gives him a winning percentage of .633 — the best in the school’s 76-year history. Montgomery’s 88 wins is the second most in the school’s history.

Montana’s 21-8 record last year was the fifth time in history a team has won 20 or more games in a season.

Montgomery has 13 years of major college coaching experience. He served as an assistant coach three seasons at Boise State before coming to UM. He has also had coaching stints at the U.S. Coast Guard Academy, Colorado State, the Citadel and the University of Florida.

He likes his teams to fast break on offense, and employs a structured, early offense, “designed for people who are disciplined and can shoot the ball. I stress high-percentage shots and tough rebounding, and patience for the good shot.”

Defensively Montgomery likes his opponents “to beat themselves by playing tough and physical, forcing them to take poor percentage shots.” He added that he uses many defensive looks, depending on the opponent.

The Grizzlies have led the Big Sky in defense 10 of the last 12 seasons, and were ranked fourth in the nation in 1978-79 — Mike’s first season as head coach.

Montgomery is a 1968 graduate of Long Beach State, and is a native of Long Beach, California. He played basketball at LBS for four years and volleyball and rugby for two. He earned his master’s degree in Physical Education from Colorado State.

His wife’s name is Sarah. They have an infant son, John Michael.
Assistant Coaches

Stew, 31, is in his sixth season as the number one Grizzly assistant in charge of recruiting and scheduling. He was an assistant coach at former Big Sky Conference member Gonzaga University for three years. During those three years he was the number one coaching assistant and was the school's recruiting coordinator for two seasons. He was a graduate assistant for the Bulldogs for one season.

He was an All-Big Sky center at Gonzaga his senior year in 1973-74, and was named team captain and Most Valuable Player for the Bulldogs that season.

Prior to playing at the four-year level he participated in basketball at Ricks College, where he averaged 23 points a game as a sophomore and was named a JC All-American.

He played pro basketball in Europe for a Division I team in Bordeaux, France, after his graduation from Gonzaga in 1974. After a few months with the team he was named player-coach.

From Provo, Utah, Morrill earned nine letters in basketball, football and track at Provo High School. His wife's name is Vicki. They have three children.

Bob Niehl is in his fourth season at UM. He assists in varsity coaching, along with scouting and recruiting, as well as supervising the Grizzly junior varsity program.

Before coming to Montana he served as a part-time coach for head coach George Raveling at Washington State University in Pullman. At WSU he was head coach of the JVs, and assisted in varsity scouting and recruiting in 1978-80. He has also had a lot of experience in basketball camps.

Bob also served as a graduate assistant at WSU for a season. From 1975-77 he was the head basketball and girl's and boy's track coach at Sprague High School in Sprague, Washington.

He was a standout athlete at WSU, where he was a three-year letterman in basketball and team captain his senior season. He was a seven-foot high jumper for the Cougars, and qualified for the NCAAs all four of his collegiate seasons. He is a 1970 graduate of Bethel High School in Spanaway, Washington, where he was also a basketball and track star.

Niehl, 32, is a 1975 graduate of WSU, receiving a B.S. in physical education. His wife's name is Tricia.

A Missoula product, Blaine Taylor was one of the outstanding players at the University of Montana in recent years. This is his third year as a Grizzly coach.

He is head JV coach and assists in varsity coaching. His JV team was 12-4 last season.

Taylor was a Big Sky Conference honorable mention selection as a junior and a senior. He was named to the conference post-season all-tourney team in 1980-81.

He is the No. 20 career scorer in Grizzly history with 753 points. Taylor was also known for his passing and ball-handling skills. He finished the 1980-81 season with 102 assists in 23 games, for a 4.4 average. He is the No. 2 assists man at UM with 264.

Taylor was an all-state player at Hellgate High School for three years. He was the state “AA” MVP as a senior.

Blaine's wife's name is Annie Marie. They have a three-and-a-half-year-old daughter, Amber Lee.
With the return of 10 lettermen and three starters sixth-year University of Montana men's basketball coach Mike Montgomery said his number one priority in 1983-84, "is to replace two players who were co-captains for two seasons and provided great leadership and basketball ability for us."

The players Montgomery was referring to are 6-11 center Craig Larsen and 6-6 forward Derrick Pope. Larsen was a three-year starter for the Grizzlies and now is playing professionally in Germany. Pope, the Big Sky Conference's MVP last season and No. 4 UM career scorer and rebounder, is playing pro basketball in Scotland.

"The other three positions should be fairly solid," he said, "with two starters back at guard and one at the 'small forward' spot."

Senior guards Doug Selvig and Marc Glass were the number two and three scorers last year, averaging 10.6 and 10.4 points a game, respectively. Senior forward Rob Hurley, also returns and was UM's fourth leading scorer in 1982-83.

Montana is coming off a banner season in 1982-83 with a 21-8 overall record, including victories over Nebraska (which advanced to the final four in the N.I.T.) and Washington State (an NCAA qualifier). The Grizzlies also won the Champion Holiday Classic III.

Also of note last season was an 80-61 win over Idaho in Moscow to break the Vandals' three-year, 43-game home win streak. The Grizzlies also swept intrastate rival Montana State, giving Montgomery an 8-3 record against MSU during his tenure. Another highlight was a national ranking (18th) by Sports Illustrated after the Idaho win. UM was 9th in the nation in scoring defense (57.9) and fourth in field goal percentage defense (42.1%).

Montgomery said he thought Selvig and Glass "will have outstanding senior years, and we will have solid backups in junior lettermen Leroy Washington and redshirt freshman Todd Powell." He added that Hurley will be backed by fifth-year senior Jim Caler and redshirt sophomore John Bates. "I think those three positions should be solid," Montgomery said.

"Larry Krystkowiak has come a long way and we always thought he would be more effective at forward," Montgomery said. "That's his natural position and our expectations of him have been enhanced by his improvement and the excellent experience he has had this summer."

"The big question mark is Larry McBride," Montgomery said. "He has improved tremendously and worked hard on his game. His attitude is excellent, but he has not had valuable game experience and is not a proven commodity."

Junior letterman Bruce Burns "is a mature player with playing time and we will need him to play solidly for us this season." Sophomore John Boyd could play guard or forward.

New recruits Steve Vanek, Herb Jones and Scott Zanon "may see action," according to Montgomery, "but we would be pleasantly surprised to see them get a lot of playing time."

Montgomery, said he thought the Big Sky race could involve several teams in 1983-84.

"I'm not too sure about Northern Arizona, Idaho or Reno since the first two have had coaching changes and Reno graduated so many players," he said. "I think the other five teams all have a chance to make a run at the title."

"Weber State won it last year and has some key people back, although they must replace Royal Edwards and Tom Heywood," he noted. "Boise State has its front line back along with Vince Hinchen. Montana State has good people back and good size. And Idaho State also has very good talent back."

"Obviously we're not going to be one of the favorites," he continued. "But, with development and luck we could definitely threaten for the conference title. Going into the season I would have to put us with three or four others as 'watch out for' teams."

One of the strongest players on the team, Jim is a fifth-year senior who has been bothered with a lower back injury, which has kept him out of pre-season drills.

"We really don't know if Jim will get to play at all this year," said coach Mike Montgomery. "Jim has had an injury problem and in the fall he hasn't been able to do any pre-season conditioning and has missed the first weeks of practice."

Jim started in 11 games as a sophomore, and played in all 27 contests. Last season he averaged three points and one rebound a game in 14 games.

He had a team and career-high 11 rebounds against Arkansas State two seasons ago. His career scoring high is 12 points against Boise State in the 1981-82 season. His high last season was 10 points in a win over Southern Utah State.

"Last year as a junior, Jim was coming off of elbow surgery and got off to a slow start, and then got sick in the middle of the year," Montgomery said. "We started winning, so Jim kind of got into a tough situation. He is an extremely hard-working, enthusiastic, type of kid. He gives you everything he has every day. He is very physical, can shoot the ball from the outside and play both the three and four positions."

He was All-State, league MVP, a member of the Colorado All-Star team and All-Metro at Bear Creek High School. As a senior he led his league in scoring, averaging 20.1 points a game. His coach was Gary Goings.

Jim is a Business Management major.

His hobbies are water skiing and camping.

His parents are Jim and Gerry Caler of Lakewood.

Marc Glass
6-3, 180, Guard
Senior from Battle Ground, Washington

The most experienced and durable player on the Grizzly team, Marc has played in all of Montana’s 84 games the past three seasons, after redshirting his freshman season because of a shoulder operation. He has started in 56 consecutive contests.

He has been Montana’s third leading scorer the last two seasons in-a-row, averaging 10.4 points a game last season and 9.4 the previous season.

“Marc is a very good student and first class individual and represents our program exactly in the fashion that we would like to have all our players represent us,” said coach Montgomery.

“He is very, very strong; probably as strong a guard as any in the league,” Montgomery continued. “You cannot intimidate Marck. He can bring it down against pressure, and is a very good handler and is extremely good inside, with great inside moves. We like to post Marc up when the other team is playing man (defense) because he can almost always score.”

He dished out 100 assists last season and his 224 career assists ranks him fourth on UM’s list. He is approaching the all-time scoring list, and needs only 12 points to become the No. 20 career scorer. He has 736 career points. He ranked 10th in the Big Sky in assists with 3.5 a game and 20th in scoring, in 1982-83.

“Marc has made the conversion from the off, or shooting guard in high school to a point guard, and he’s made that transition well. He is capable of running the club and doing it with a lot of confidence,” Montgomery said. “He’s a quiet leader.”

Glass led the Grizzlies in scoring in two games last year and four the previous season. He scored a career-high 23 points in a home win over Boise State two years ago.

As a freshman he made the KOA All-Tournament team, and scored the winning basket against Maine in the first Champion Holiday Classic tourney.

He averaged 26 points a game at Battle Ground High School, and was All-State and league MVP. His coach was Butch Blue. He was also an All-State golfer.

He is a Computer Science major and was an All-Big Sky academic pick last year with a 3.10 GPA.

His hobbies are water skiing, golf and softball. His nicknames are "Marcus" and "Glasser."

His father is Earl Glass of Battle Ground and his mother is Joanne Tarmichael of Vancouver.

Birthdate: November 22, 1960.

A great shooting touch mixed with hard-nosed, hustling defense describes Rob and his contribution to the Grizzly basketball program.

He has excellent range from his forward position and is the team’s leading returning field goal percentage shooter, making 51.4 percent (89 of 173) of his attempts. Two seasons ago he also led the Grizzlies in that category, hitting on 62.1 percent (59 of 95) of his field goal shots.

A starter in all 29 games last season, he is the third-leading returning scorer with an 8.1 average, as well as the third-leading rebounder (3.6 a game). The 1982-83 All-Big Sky honorable mention selection scored a career-high 22 points in a Grizzly road win at Washington last season.

“Rob is a very physical player who comes to play every day,” said coach Montgomery. “Rob really likes the game of basketball, and enjoys coming to practice and enjoys being physical. At 6-4½ and at forward he has had to learn to do things very fundamentally sound to be successful at this level, and he has done it.

“He’s probably the best player we’ve ever had in blocking off at the boards,” Montgomery continued. “He is an excellent outside shooter. He’s a guy, that with confidence, which I’m sure he’ll have this year, could be one of our leading scorers and could be one of the leading scorers in the conference. He is another of a long line of Montana basketball players that have helped us do the things necessary to win.”

Rob proved he would be a factor for the Grizzlies, when in the Big Sky playoffs two years ago, he scored a (then) career-high 19 points against Reno.

As a prep at Anaconda High School he was the Class “AA” state MVP as a senior. The Copperheads were third in the state that year, and he averaged 27.3 points and 11.3 rebounds a game.

His younger brother, Scott, is a freshman guard at Montana State.

Rob is a Health/Physical Education major.
His hobbies are fishing and hunting. His nickname is “Huddles.”

His parents are Robert and Dorothy Hurley of Anaconda.
Larry Krystkowiak
6-9, 220, Forward/Center
Sophomore from Missoula, Montana

Larry had perhaps one of the finest seasons ever by a freshman at the University of Montana last year, as he was named the Big Sky Conference’s “Top Reserve.”

He finished as the Grizzlies’ sixth-leading scorer, averaging five points a game, and was the No. 3 rebounder with 4.3 per game, playing only an average of 14 minutes a contest. He played in 28 games as a freshman and started twice. His career highs are 14 points against Montana State and he had nine rebounds in three games. Last year he was given the Naseby Rhinehart Award, given to the “most inspirational player.”

Two impressive honors came his way this summer. First he was selected to the National Sports Festival’s West team, and then after a good showing in that tournament was chosen to participate in the FIBA World Basketball Championships for Men in Spain. He was the second leading rebounder for the West in three Sports Festival games.

“Krysko is a player who has improved faster than we thought he might,” said Montgomery. “He is a very, very good rebounder, particularly defensively. He has always had a tremendous attitude and willingness to learn. He comes to play every day, and has worked in the off-season every day to improve himself.

“Last year as a freshman he basically played at the center position, although we think his natural position is at forward,” continued Montgomery; “because he can pass the ball at 6-9, which is a tremendous asset. He can also shoot the ball from outside, up to 18 feet. But, I think his strength is in around the basket. He posts up as well as perhaps any player we’ve had.”

Larry was the Montana state “AA” MVP as a senior at Big Sky High School. He averaged 22 points and 16 rebounds a game. He was a two-time All-State selection and participated in the Wyoming-Montana All-Star game.

He was a Converse All-American as a prep and winner of the C.R. Dragstedt Scholarship as a senior. A three-year basketball letterman, he also lettered in football, track and tennis. His prep basketball coach was Bill Langlas.

He is a Business/Accounting major.

His hobbies are fishing, coin collecting, and spending time with his “brother” in the Big Brother and Sister organization. His nicknames are “Bird” and “Krysko.”

His guardian is Bernie Krystkowiak of Missoula.

Doug has been the second leading scorer for the Grizzlies the last two seasons in-a-row and this will be his third season as a starter. The 1982-83 All-Big Sky Conference honorable mention selection was twice Big Sky Player of the Week as a junior and one of the league leaders in assists and steals.

Last year he set a single season assists record with 121, breaking MR Richardson's 1977-78 standard of 117. Selvig ranks third in Grizzly career assists with 246. He ranked seventh in the Big Sky in assists (4.2 a game) and third in steals (1.8 a game). He was 19th in scoring in the league (10.6 points a game).

"Doug has great hands, plus the fact that he is 6-5 and at guard, he gives you the size you'd like to have there," Montgomery said. "He handles well, has good vision on his passing and takes a lot of pride in his defense. (Selvig won the John Easheart Award/Best Defensive Player last year at UM)."

"He's perhaps one of our better rebounders," Montgomery continued. "We expect Doug, along with Glass and Hurley, and Krysko, to be a potential all-conference player. Doug is a senior now and matured a lot and he's got stronger due to some hard work in the off-season."

He scored a career-high 23 points in a 59-49 home win over the University of Idaho last season. He had a career-high 11 rebounds in Montana's opening-season win over Simon Fraser last year.

He was the Class “C” MVP as a senior at Outlook High School and a three-time All-State player as well. His prep coach was Rollie Sullivan, who has since married Doug's older sister, Sandy, a former star for the Lady Griz basketball team. Doug's older brother, Robin, is the current head coach of the Lady Griz and a former All-Big Sky player at UM. He is a Health-Physical Education major. His hobbies are hunting, fishing and softball. His nickname is "Smoogie."

Doug's parents are Roald and Agnes Selvig of Outlook. Birthdate: August 18, 1962.
John Boyd
6-5, 190, Guard-Forward
Sophomore from Seattle, Washington

A swing player, John has the strength to go underneath for rebounds and good touch to shoot from the outside.
He saw limited duties as a freshman, playing in six games, including two Big Sky contests. He scored four points.
"John Boyd has been a pleasant surprise," Montgomery said. "He has worked hard in the off-season. John's assets are that he is a very good handler at 6-5 and he plays extremely hard. He can defend and board. John needs to improve his outside shooting to be a great player. With an outside shot John will have a great career."

At Chief Sealth High School in Seattle he was an All-Metro and all-conference pick. He averaged 16.7 points and nine rebounds a game as a senior for a team that was 24-2.
He lettered three times in basketball and once in baseball. He was named a Converse All-American as a senior. His coach was Ray Jones.
John's major is Spanish.
His favorite hobby is playing the guitar. His nickname is "JB."
His parents are Charles and Birdie Boyd of Seattle.
Birthdate: April 8, 1964.

John Bates
6-7½, 185, Forward
Sophomore from Corvallis, Oregon

John redshirted last season so he is now in his third year in the Grizzly basketball program. He has grown almost an inch since coming to UM.
He excelled for the junior varsity team two seasons ago and scored a game and career-high 28 points in one contest. He led the JVs in scoring in several games and averaged 18 points a game. He played in five varsity games as a freshman.
"John is probably our best, if not one of our best shooters without a doubt," Montgomery said. "He has very good hands and can really shoot the ball."

He was a two-time All-State player at Corvallis High School. He averaged 18 points and 7.5 rebounds a game his senior year, when his team went 20-4.
As a junior his high school team was the Oregon "AAA" champion and compiled a 25-1 record. John was a first team All-State that season, as well as his final prep season. He was an All-Metro selection too. During his three-year prep career his teams went 65-12. His coach was Mike Doherty.
John was a high school teammate of Grizzly guard Todd Powell and Weber State forward Randy Worster.
He is a Journalism major.
His hobbies are music and the outdoors. His nickname is "Bateman."
His parents are Clancy and Betty Bates of Corvallis.
Birthdate: July 18, 1963.
When you talk about athletic ability and potential, you’re talking about Herb. He was a three-year letterman in basketball at Bethel High School in Spanaway and also excelled in track. He was an All-Puget Sound selection as a junior and senior. His senior year he averaged 16 points and 12 rebounds a game. He shot 60 percent from the field and 72 percent from the free throw line. He ranked second in the league in steals with 5.4 per game.

Herb was team MVP, All-State, all-league and a City All-Star selection as a senior. His coach was Mike Mullen.

He was a member of the National Honor Society as a prep.

“Herb was recruited based on his potential,” said Grizzly coach Montgomery. “He needs to improve his work ethic to realize that potential. He is a tremendously explosive jumper, with long arms and big hands and he can go way up on the glass and get the ball.

“Probably his biggest asset is his rebounding ability,” Montgomery continued. “As soon as he learns the system and what it takes to be successful at the Division 1 level we think he will have a real good future.”

He is a Business major.

His hobbies are fishing, hunting and listening to jazz.

His parents are Herbert and Carolyn Jones of Spanaway.

Bruce Burns

Bruce played in 20 games last season after sitting out the previous year when he transferred from Humboldt State in California. He has really come on strong, improving his strength and basketball skills in the off-season.

He averaged 2.6 points and 2.6 rebounds a game last season, playing an average of nine-plus minutes per contest. He had a career-high nine points and eight rebounds in a home win over South Dakota State. He also had eight rebounds in a road win over the University of Pacific and was a key to the victory.

“Bruce has to be successful for our team to be successful,” Montgomery said. “He is a very good rebounnder and is good around the basket. He is playing much more physical this year, which is what he needed to do. He’s been a pleasant surprise and is a potential starter.”

As a freshman at Humboldt he was a starter and voted team MVP and Most Improved Player.

At Pittsburg High School he lettered twice and was all-conference and team captain as a senior. His coach was Pete Richardson.

His hobby is listening to music.

Bruce is majoring in Radio-TV. His nickname is “Broughan.”

His parents are Joe and Bettye Burns of Pittsburg.

Jeff Logan
6-4, 185, Guard
Sophomore from Inglewood, California

Jeff is a transfer from Cal-State Fullerton and will have to sit out this season. However, he is participating in practice this season, learning coach Mike Montgomery’s system.

As a freshman at Fullerton he saw limited duty and averaged more than two points a game. At Inglewood High School he was a two-year starter and a two-time All-Ocean League selection and co-MVP of the league as a senior.

His senior year he averaged 16 points, nine assists and eight rebounds a game. That season he was an All-C.I.F. pick and was third team his junior year. He also lettered in baseball.

“Jeff is capable of playing both guard positions and it’s nice to have a player like that in your program,” Montgomery said. “He’s from a very successful high school program in Inglewood and at Cal-State Fullerton where they are very successful. Jeff will redshirt this year and then we’ll see where he’ll fit in.”

His major is Radio-TV.
His hobby is recording cassette tapes.
Jeff’s parents are Kenneth and Cynthia Logan of Inglewood.
Birthdate: July 5, 1964.

Larry McBride
6-10, 235, Center
Sophomore from Anchorage, Alaska

The heir-apparent to now graduated Craig Larsen’s (now playing professionally in Germany) center position, Larry redshirted last season.

Larry played in 13 games as a freshman two seasons ago and started once. He made the best of his starting opportunity, scoring a career-high nine points, grabbing four rebounds and blocking two shots against St. Mary’s College of California.

“Mac is perhaps the key to the whole puzzle,” Montgomery said. “If we are going to be successful we’re going to have to have the size that Larry provides.

“Larry very much wants to be a player. He is working hard and works hard in practice. He needs experience. Probably the biggest area he needs to improve on is on defense, learning to anticipate things. But, Larry can score, has a good touch around the basket, very good hands and his attitude has been excellent.”

He was an All-State player three times at East Anchorage High School and state MVP as a senior. His senior team was state champion with a 23-1 record, and he averaged 19 points and 14 rebounds a game. During his varsity career his teams were 67-5. His coach was Chuck White.

He is a Secondary Education major.
His hobbies are hunting and fishing. His nickname is “Mac.”
His parents are Wilbur and Doris McBride of Anchorage.
Todd Powell

6-3, 175, Guard
Freshman from Corvallis, Oregon

Todd has excellent athletic ability and redshirted his initial collegiate season. He has been hampered with an ankle injury early in pre-season drills but has made steady progress since he resumed practice.

"Todd has excellent physical skills, and unfortunately has been a little injury prone up to this point," Montgomery said. "He is a very good shooter, and a very good athlete who can run and jump with the best of our players.

"He has good quickness, and is a good defender in the zone," Montgomery said. "As soon as he learns to be confident in his ability at the guard position and gets experience, we think Todd will be a dandy."

He averaged 16 points, 6.2 rebounds and three steals a game as a senior at Corvallis High School. He was a two-time All-State player in basketball and baseball. His prep coach was Mike Doherty.

He was a prep teammate of fellow Grizzly John Bates and Weber State forward Randy Worster.

Todd is majoring in Accounting.

His hobby is ceramics.

His parents are Dave and Fern Vanek of Warren.

Steve Vanek

6-9, 220, Center
Freshman from Warren, Oregon

Steve is proving that he will one day soon be an excellent player at the collegiate level. He has shown signs of how good of a player he could be with his play in pre-season practice against Larry McBride.

"Right now it appears as though one of Steve's strongest points is that he has a big heart, which is real important in our basketball program, and in the game of basketball," Montgomery said.

"We took Steve because he was not afraid of contact and he was the type of player we have had in the past at the center position," Montgomery said. "He is a very pleasant surprise. He can score inside and he's a good shot blocker and he is very physical. Steve will be a very valuable player for us, and maybe as a freshman this season."

He was a two-time All-State player at St. Helen's High School. Steve set Oregon "AA" records in the state playoffs as a senior, scoring 113 points and grabbing 58 rebounds in four games.

He was an all-conference player three times and averaged 24.4 points and 14.2 rebounds a game his senior year.

Steve also lettered in track and was All-State twice.

He is a Business Management major.

His hobby is listening to music.

His parents are Gary and Carolyn Powell of Corvallis.

Birthdate: October 1, 1965.
Quick-on-quick is the best way to describe Leroy, who was brought in as a press breaker and in the three-guard offense last season, playing in 20 games. He played in 13 games as a freshman.

Last season he averaged 1.7 points and 1.2 assists a game, averaging nine minutes a contest. He scored a career-high nine points as a freshman in a home victory over Augustana, SD.

"Leroy has to contribute for us to be successful," Montgomery said. "He is without a doubt our quickest player and immune to pressure. He understands his role, getting the ball to other players and doesn’t need to be a scorer to be successful.

"I think Leroy is going to have a real good year for us and surprise some people," Montgomery said. "He’s come back with a lot of confidence."

He was the point guard for Long Beach Poly High School’s 26-2 team his senior year and averaged eight assists a game. His 14-foot jump shot was the game-winner for his team as it won the CIF Championship. He was an All-City selection that year.

He is a Secondary Education major.

His hobby is fishing. His nicknames are “Elwood” and “Elroy.”

His parents are Levi and Martha Washington of Long Beach.

One of the best athletes in recent Montana history, Scott was All-State in football, basketball and track.

He has excellent lead guard skills and outstanding court vision.

"Scott is an excellent athlete and we’re not sure how long it will take him to become a pure point guard," Montgomery said. "One of the things we have been very excited about is Scott’s progress to this point. He learns very quickly. He shoots the ball very well when he concentrates, is a good jumper and ball-handler. I think Scott will be a very good player in our program."

He scored 996 points during his career at Flathead County High School. He was team MVP as a senior, an “AA” All-Tournament choice as a junior and senior and was the point guard for the Braves his junior year when they won the state title. He averaged 19.3 points and 6.3 assists a game as a senior. He was in the Montana-Wyoming All-Star Game. He was the starting quarterback for his prep team and a state placer in three events in track since his sophomore year.

His brother, Craig, was an All-Big Sky guard for the Grizzlies in 1980-81. His brother Rick was also a letterman in basketball at UM.

He is a Business major.

His hobbies are water skiing and golf. His nickname is “Z.”

His parents are Robert and Adele Zanon of Kalispell.

Dahlberg Arena, named after Montana’s winningest coach, George “Jiggs” Dahlberg, has been one of the best attended facilities in the nation the past few seasons. Montana has set Big Sky Conference attendance records four of the last eight seasons, and averaged more than 8,000 fans for league games the last three years in-a-row. The Grizzlies have led the Big Sky in attendance seven of the last nine seasons. Montana’s home record in its arena is 137-21 since the 1971-72 season.

The Big Sky Conference was formed in February 1963, when the presidents and athletic directors of six Rocky Mountain universities met in Spokane. The original conference members were Gonzaga, Idaho, Idaho State, Montana, Montana State and Weber State. Gonzaga entered the conference as a non-football playing school.

The conference derived its name from a pair of Montanans and a Washington sports editor. A. B. Guthrie, Choteau, Mont., wrote a novel titled “The Big Sky,” and Jack Hallowell, former Montana State Advertising director, promoted the Big Sky theme as a nickname for the state. Harry Missildine, Spokesman-Review sports editor, picked up the name and in a sports column promoted the name Big Sky as the name of the conference. On Feb. 25, 1963, the conference adopted the name—Big Sky Athletic Conference.

In 1970 the conference expanded to include Northern Arizona University, Flagstaff, Ariz., and Boise State College, Boise, Idaho. Both entered as football playing schools.

Nevada-Reno became the newest member of the Big Sky July 1, 1979. Jack Friel became the first commissioner in 1963, and the offices were established in Pullman, Wash., Friel’s home. Following Friel’s retirement in July 1971, the offices were moved to Boise, Idaho, and John Roning was named commissioner. Steve Belko was named commissioner and assumed duties July 1, 1977, following Roning’s retirement.

Ron Stephenson became the fourth Big Sky commissioner in May, 1981. A native of Idaho, Stephenson’s most recent position was Assistant Athletic Director at Boise State. He has 17 years of working experience in intercollegiate athletics as a student, coach and administrator.

Welcome to Missoula The “Garden City”

WELCOME TO MISSOULA! A friendly town protected by a ring of mountains, breathtaking in its beauty, cultural in its taste, and a place we hope you will return to.

The “key to the city” is yours and the “red carpet” is out. Make yourself at home, we’re glad to have you here.

MISSOULA is located 100 miles from the Idaho border at the junction of Interstate 90, U.S. Highways 10, 12, and 93, and Montana Highway 200. These same crossroads attracted the original settlers over 120 years ago. Five valleys open into the Missoula basin and make Missoula an exciting city of 70,000 with a trade area of 150,000.

Nestled at the base of Mount Sentinel, the University of Montana has an enrollment of 9,000 students from throughout the world. The faculty is exceptional with 72% holding a Ph.D. degree. The University heritage includes a Pulitzer Prize winner, twenty-three Rhodes scholars, a Nobel Prize recipient, and countless honors bestowed on its students for excellence in many fields. The Maureen and Mike Mansfield Library on the University of Montana campus is a source of pride to Missoula and Montana.

MISSOULA is one of the fastest growing cities in Montana. We are striving to maintain the best of all worlds . . . the flavor of a small town with the advantages of a city.

We know you will enjoy Missoula’s Magic. Where else within a short distance from a business center could you find wilderness areas, mountain lakes, ranches, fishing streams, and other recreational opportunities for all ages?

Voice of the Grizzlies

Tom Morris begins his first year as the voice of the Grizzlies on KYLT-AM Radio. KYLT is starting its 13th year as the official voice of the University of Montana athletic program. Morris, 29, came to KYLT from Danville, IL, where he was the sports director at WITY-AM radio. While there he was responsible for play-by-play of University of Illinois varsity football and basketball. He is a 1976 graduate of DePauw University in Greencastle, Ind. Former Sentinel High (Missoula) head football coach Gene Leonard will provide color commentary during the football season, and Dave Guffey, Grizzly S.I.D., will assist with basketball.
