Kelly Arkell begins his second season as head junior varsity basketball coach at the University of Montana. He guided the Grizzlies to a 5-3 overall record during the 1980-81 season.

"Kelly is now in his second year in the Grizzly program, and he knows our system well, and is teaching the junior varsity team the ins and outs of our program," said head coach Mike Montgomery.

"He did a very good job for us last year, and communicates well with the players," Montgomery said. "We are delighted to have him in the program for another year."

Arkell, 25, is from Tacoma, Washington, where he was a basketball and baseball standout at Washington High School. He graduated from there in 1974. He was team captain his senior year in basketball.

Prior to coaching at UM he was junior varsity basketball coach at Sumner High School in Sumner, Washington for three seasons. All three were winning seasons; in his last season he was 16-4. His overall coaching record there was 36-24.

He is a 1978 graduate of Washington State University. He received his B.S. in Physical Education.

Arkell is single.

A Missoula product, Blaine Taylor was one of the outstanding players at the University of Montana in recent years. This is his first year as a Grizzly coach.

Taylor was a Big Sky Conference honorable mention selection as a junior and a senior. He was named to the conference post-season all-tourney team last year.

He is the No. 17 career scorer in Grizzly history with 753 points. Taylor was also known for his passing and ball-handling skills. He was on a record-setting pace for assists last season until he was sidelined for five games with an injury. He finished the season with 102 assists in 23 games, for a 4.4 average.

He was Montana’s leading scorer in five games in 1980-81, including a team and game-high 21 points in UM’s 85-64 win over Montana State in the first game of the Big Sky tournament.

"Blaine should be an outstanding coach, based on the contribution he made to Grizzly basketball during his career," Montgomery said. "He has good knowledge of the game and understands Grizzly basketball and its traditions."

Taylor was an all-state player at Hellgate High School for three years. He was the state "AA" MVP as a senior.

Blaine’s wife’s name is Annie Marie. They have a one-and-a-half-year-old daughter, Amber Lee.

The University of Montana in Missoula is located in a mountain forest setting in beautiful Western Montana. It is halfway between Glacier and Yellowstone national parks.

Four wilderness areas are located nearby Missoula. The natural surroundings offer excellent opportunities for hunting, fishing, backpacking, river floating, camping and other outdoor recreational pursuits. Two excellent winter ski areas are located within minutes of the University. Several other ski areas are only a couple of hours away by car. UM owns and operates its own golf course adjacent to campus.

The University of Montana is one of the West's pioneers in education and was chartered February 17, 1893. The school opened in September, 1895, with 50 students enrolling the first day. Located on 201 acres at the base of Mount Sentinel, UM has grown from 50 students and seven faculty members to a present enrollment of 8,800 and approximately 450 fulltime state supported faculty positions.

Throughout its history, the University of Montana has sustained a high standard of academic excellence in teaching, research and service.

UM offers associate of arts degrees in two areas and bachelor's degrees in 58 fields. It offers master's degrees in 54 programs and doctoral degrees in 13.

The College of Arts and Sciences, which is the core of the University, includes a full range of programs and courses in the life sciences, physical sciences, social sciences and humanities. The College also offers curricula in interdisciplinary fields ranging from ethnic studies to interdepartmental studies.

Seven professional schools complete the academic program—Business Administration, Fine Arts, Journalism, Education, Forestry, Law, Pharmacy and Allied Health Sciences.

The aim of the University is to provide its students with a relaxing and meaningful learning experience with the best facilities possible. The administration, faculty and staff strive for this goal.

Jim Caler

6-5½, 190, Forward
Sophomore from Lakewood, Colorado

Coming off a redshirt year, Jim Caler is one of the strongest players on the team. He played in eight varsity games his first year as a Grizzly. He was the third leading scorer on the junior varsity team, averaging 12.3 points per game. He was second in rebounds for the JVs, averaging 7.0.

"Jim needs to utilize his abilities," said Montgomery. "He's got tremendous speed, shoots the ball very well, is very physical and has a lot of attributes you look for in a basketball player. We are counting on him to give us some valuable playing time."

Caler led the JVs in scoring twice, scoring a team-high 19 points in a win over the Helena All-Stars. He had 17 rebounds in one JV contest.

He was all-state, MVP of the Jefferson County League, a member of the Colorado All-Star team, and All-Metro at Bear Creek High School in Lakewood, Colorado.

He averaged 20.1 points a game, made 53 percent of his shots and led the league in scoring. His high school coach was Gary Goings.

Caler was also a two-year letterman in track, where he ran the 220 and low hurdles. He lettered three times in basketball.

His major is Business Management.

His hobbies are water skiing, racquetball and swimming.

Jim's parents are Jim and Gerry Caler of Lakewood.

Bruce Burns

6-5½, 195, Forward
Sophomore from Pittsburg, California

A transfer from Humboldt State, Bruce Burns will redshirt during the 1981-82 season, and then have three seasons remaining in the Grizzly program.

He was a starter at Humboldt State as a freshman, and named his team's Most Improved and Most Valuable Player.

He prepped at Pittsburg High School, where he was a basketball letterman twice and team captain his senior season. He also lettered in track. He was an all-conference player for coach Pete Richardson at PHS. His high school team twice won league titles.

"Bruce has outstanding physical skills and should be a fine addition to our program after his redshirt year," Montgomery said. "He is an especially good jumper, and the redshirt year should help him to adjust to our system."

Not only did Pittsburg HS win two league championships, but it also placed second in the North Coast twice during Burns' junior and senior seasons.

His hobby is listening to music.

Bruce's major is Radio/Television. His nickname is "Broughan."

His parents are Joe and Bettye Burns of Pittsburg.
