There's Gold in Them Thar Hills!

The first gold discovery in Montana was at Gold Creek, southeast of Missoula by François Finlay in 1850. The Gold Creek area was later mined for gold in 1862 by Jesse and Granville Stuart and Reese Anderson.

A University of Montana student recently became UM's 22nd Rhodes Scholar. UM ranks sixth in the nation among state institutions and sixth among public and private schools west of the Mississippi for Rhodes Scholars.

The UM Yellow Bay Biological Station, located on Flathead Lake, is the nation's oldest inland station. Its state-of-the-art laboratories make it one of the world's leading centers for fresh water research.

The Department of Geography has one of the region's best cartography laboratories.

The Department of Drama/Dance is home base for a professional theater group — the Montana Repertory Theatre — which tours throughout the Northwest and is the only professional Actors Equity company between Minneapolis and Seattle.

A University of Montana student has received a Truman Scholarship for six of the nine years since its establishment. The national scholarship is given annually to a student in each state who is committed to a career in government and who has superior academic ability and leadership potential.

The UM School of Business Administration is the only School of Business in the state accredited by the American Assembly of Collegiate Schools of Business at both the bachelor's and master's level. UM is one of only about a half dozen schools in the Northwest with such credentials.

Study abroad programs to Austria, France and Spain are sponsored by the Department of Foreign Languages and Literatures. Students earn UM credit and register through the University for the program.

L Lubrecht Experimental Forest, a 30,000-acre tract 30 miles from campus, is a research facility for the School of Forestry. Lubrecht Forest and the millions of acres of national, state and private forest and park lands in western Montana serve as outdoor laboratories and classrooms for students in forestry, range management, recreation and wildlife biology.

The Department of Art enjoys a national reputation for excellence in ceramics and ceramic sculpture.

In the spring of 1985, the new Performing Arts/Radio-Television Center opened and Drama/Dance along with Radio-Television began work in this new facility.

In addition to major performing spaces, the building offers the students outstanding technical support spaces such as scene shops, sound studios, costume shops, and complete radio and television production studios that support all aspects of theater and dance, as well as television and radio production.

COACH MONTGOMERY’S COMMENTS:

“Our first priority is to recruit good kids. We believe that coaching bad kids is not worth it. Second, we try to maintain a certain consistency so we can always be competitive. And third, within the framework of the first two things, we feel a basketball program is an extension of a university, and that it should be representative of the student body academically and socially.”

“The fact that we’ve averaged 20 wins per season the last five years reflects the consistency we’ve been able to maintain. Our program is solid from top to bottom. We have not had to compromise our ideals and still have had success.”

(Asked what have been the high points of his career).

“Nothing specific. Some big wins along the way, but I guess just having the satisfaction of a job well done the past few years has been my high point. I’ve enjoyed every season for a different reason. The real satisfaction is watching the players develop both on and off the court.”
IN MEMORY
Herb Jones (1965-1985)

Words will never describe the loss of anyone, especially someone entering the prime of life, as was Herb, who turned 20 on July 19th of this year. He was killed in an auto accident September 2nd in Idaho.

Herb would have been a sophomore this season at the University of Montana, and big things were expected of him. Grizzly fans never got a chance to see how good he could be....

From Spanaway, Washington, Herb was an all-state player as a senior at Bethel High School. He was a member of the National Honor Society in high school and majored in Business at UM.

Fans once carried a sign around the basketball court at UM that said, "Krysko is our bread and butter but Herb Jones is our jam"—evidence of his exploits as an explosive jumper as a freshman.

He will be missed by family, friends and fans alike....

Montana's players will wear black bands on their uniforms this season to show they consider Herb still part of the team.

The University of Montana in Missoula is located in a mountain forest setting in beautiful Western Montana. It is halfway between Glacier and Yellowstone national parks.

Four wilderness areas are located near Missoula. The natural surroundings offer excellent opportunities for hunting, fishing, backpacking, river floating, camping and other outdoor recreational pursuits. Two excellent winter ski areas are located within minutes of the University. Several other ski areas are only a couple of hours away by car. UM owns and operates its own golf course adjacent to campus.

The University of Montana is one of the West's pioneers in education and was chartered February 17, 1893. The school opened in September, 1895, with 50 students enrolling the first day. Located on 201 acres at the base of Mount Sentinel, UM has grown from 50 students and seven faculty members to a present enrollment of 9,000 and approximately 450 fulltime faculty positions.

Through its history, the University of Montana has sustained a high standard of academic excellence in teaching, research and service.

UM offers associate of arts degrees in two areas and bachelor's degrees in 58 fields. It offers master's degrees in 54 programs and doctoral degrees in 13.

The College of Arts and Sciences, which is the core of the University, includes a full range of programs and courses in the life sciences, physical sciences, social sciences and humanities. The College also offers curricula in interdisciplinary fields ranging from ethnic studies to interdepartmental studies.

Seven professional schools complete the academic program — Business Administration, Fine Arts, Journalism, Education, Forestry, Law, Pharmacy and Allied Health Sciences.

The aim of the University is to provide its students with a relaxing and meaningful learning experience with the best facilities possible. The administration, faculty and staff strive for this goal.
Steve is beginning his fifth season as the Grizzly equipment manager. The native of Hamilton, Montana, previously worked as a sawyer in the winter and a heavy equipment operator in the summer. He graduated from the University of Montana in 1972 with a B.S. degree in Health and Physical Education, with emphasis in Athletic Training and Physical Therapy. He received his master's degree in 1974 at Indiana State in HPE. He served three years in the Navy from 1962-65 and was a Spanish Linguist. Steve and his wife, Larae, have two children, Tyler, 4, and Meghan, 1.

Dave is in his eighth season as sports information director. His responsibilities include publications, press releases and promotions. He has five years of newspaper sports writing experience. He is a 1975 graduate of Fresno State and received a B.A. in Journalism. He has won numerous district awards for his football and basketball media guides and game programs. His 1981 football game programs were judged best in the nation. He is a member of the College Sports Information Director’s of America (CoSIDA). Dave and his wife, Mea, have a three-year-old son, Patrick.

Tim is in his fourth year as the business manager at Montana. As the athletic business manager he is the accountant for the department, handles logistics for football team travel, supervises central office staff, is involved in contract negotiations, is responsible for department budgetary and fiscal control and involved in long-range planning on budgetary items. He is a 1971 graduate of Chico State in California and received his B.S. in Accounting. Prior to joining the UM staff he was a Manager of Accounting for ITT’s Continental Baking Co. in Portland, Oregon. He worked there for seven years. Tim and his wife, Judy, have three children, Timothy Jr., 12, Travis, 10, Jennifer, 7.

Lalla is currently in her fifth year as basketball secretary, and also assists in the minor sports programs. She has served in a secretarial capacity for 16 years. She graduated from the Southern Nevada Vocational Technical Center in Las Vegas, Nevada. She last worked at Reynolds Electrical and Engineering Co. in Nevada. She has four children, Michael, 16, Janeal, 11, Erin, 9 and Daniel, 7. She is originally from Mancos, Colorado.

Dennis T. Murphy was named head men’s trainer at the University of Montana in June of 1982. Murphy, 32, graduated from Montana in 1975 with a B.S. degree in Health and Physical Education with a specialization in Athletic Training and Adaptive Physical Education. In June of 1975 he was certified by the National Athletic Trainers Association. In August of 1978 he was named assistant athletic trainer and lecturer at the Department of Athletics at the University of Arizona. In September of 1980 he accepted the position of Visiting Assistant Professor at UM. Murphy, who has been a certified trainer for nine years, has taught numerous training-related classes, has been a guest speaker at several sports’ clinics and written articles for training publications. He is single.

Gary has been ticket manager of UM since 1966. In 1978 he was also appointed field house manager. He schedules all events in Adams Field House and at Dornblaser Field in addition to handling ticket distribution. He is a native of Ronan, Montana, and graduated in accounting from the Missoula Business College in 1962. He gained extensive experience in accounting and auditing before assuming his responsibilities at Montana. His wife, Judy, is a daycare center owner and operator in Missoula. The Hughes have six children.
President Neil Bucklew

Neil S. Bucklew assumed his duties as the 14th president of the University of Montana in August 1981. Bucklew, 44, came from Ohio University in Athens, where he served as provost from 1976 until assuming his duties at Montana. He also served on the faculty in the Department of Economics at Ohio University.

As provost he functioned as executive vice president and vice president for academic affairs, with responsibility for the instructional program of the university.

He was vice president for administration at Central Michigan from 1973-74; vice provost at Central Michigan from 1970-73; director of employment relations at the University of Wisconsin from 1966-70 and personnel director at Duke University Medical Center in Durham, North Carolina, from 1963-66.

Bucklew received a B.A. in history at the University of Missouri, an M.S. in political science at the University of North Carolina and a Ph.D. in industrial relations and economics from the University of Wisconsin.

Bucklew and his wife, JoAnn, have three children.

Vice President for University Relations Mike Easton

W. Michael Easton became the Vice President for University Relations in August of 1982.

His responsibilities encompass student affairs, intercollegiate athletics, university relations, admissions, financial aid, alumni, development and auxiliary services.

Easton, 42, had nearly identical responsibilities at the University of South Dakota, where he was vice president for student services and public information since 1973.

Other positions he has held include dean of students, Eastern Montana College, 1971-73; assistant dean of students, EMC, 1973-77; administrative intern, Lane Community College in Eugene, Oregon, 1968-69; and assistant dean of students, University of Oregon, 1967-68.

He received his B.A. in biology and physical education at the University of Washington in 1964. He received his M.S. in education at the University of Oregon in 1965 and earned a Ph.D. in higher education administration at Oregon in 1969.

Easton and his wife, Patricia, have three children.

Athletic Director Harley Lewis

In his tenth year as athletic director, Harley W. Lewis was named AD at the University of Montana in April of 1976.

Lewis is involved in numerous organizations at the state and national level. He was the State Director for the Montana Special Olympics in 1980 and 1981. He served as National Director for the USABA Blind Olympics in 1983, when the national championships were hosted by UM.

He also is Chairman of a local school board, on the State Board of directors for the Special Olympics, and on the Board of Directors for the YMCA. He is on several Big Sky Conference committees and on the NCAA's Track & Field Rules Committee.

He served as cross country coach until 1976 and his teams won nine league titles. He served as track coach until 1978 and won the conference crown in 1972. Lewis was named the Big Sky's track and cross country coach 10 times during his tenure as mentor. He coached several All-Americans while a coach and continues to work with the Montana Olympic Committee, of which he is on the State Board of Directors.

Lewis is a 1964 graduate of UM with an M.S. in Health, Physical Education and Recreation. He became track and cross country coach at Montana in 1966. Prior to that he coached for two seasons at the University of Portland. He is a 1959 graduate of Butte High School.

Lewis and his wife, Marilou, have two children.

Associate Athletic Director Barbara Hollmann

Barbara Hollmann began her duties as associate athletic director in August 1980. In addition to serving as the associate director of the department, her responsibilities involve coordinating, supervising and promoting the women's athletic program. She also coordinates UM's television show, as well as overseeing all promotions.

Prior to UM Hollmann spent five years as athletic events coordinator and assistant to the women's athletic director at the University of Arizona. From 1971 through 1974 she was an assistant director and later an associate director of intramural and recreational sports at the University of Washington.

Hollmann graduated from Ohio State University with a B.S. in physical education in 1964 and a M.A. in recreation administration in 1968. She received her Ph.D. in 1982 from the University of Arizona, emphasizing higher education administration and public management.

Hollmann served on the NCAA Executive Committee for two years and is currently on the NCAA Recruiting Committee. She was involved with the founding of the Mountain West Athletic Conference and served as the first president. Her husband, Robert, is a professor of management at UM.

Faculty Representative W. Arthur Graham

Art Graham was named interim faculty representative at the University of Montana in September of 1985. He replaced Dr. Evan Denney, who had held the position for the last six years.

An Associate Professor of Business Law at UM, Graham graduated from Montana's law school in 1977. He practiced in Northcentral Montana for three years until joining the UM staff in 1981.

He is from Townsend, Montana, where he graduated from high school in 1966. He served in the U.S. Navy from 1966-70 and received a Letter of Commendation for outstanding service in Vietnam. He is a 1973 graduate of UM, earning high honors in History/Political Science. He was named Outstanding Young Man of America in 1978.

Graham determines athletic eligibility, makes NCAA rulings at the institutional level, and is UM's representative to the National Collegiate Athletic Association.

Graham and his wife, Jean, have two children.
In his eighth season as head coach, the University of Montana’s Mike Montgomery has established one of the winningest programs in the Northwest. Last season his team was 22-8—giving the Grizzlies 20-plus wins for the third consecutive season. Along with last year’s 22 victories came a National Invitational Tournament bid.

“Monty” has the best winning percentage in Montana history at 67.2 percent and has averaged 19 wins a season during his seven-year tenure as head coach.

In his first five seasons at UM he guided Montana to the four-team, postseason Big Sky Conference tournament. Now the league has gone to an eight-team tourney format.

His 133 wins is the second most in the Grizzlies’ 78-season basketball heritage. He is only behind arena namesake Jiggs Dahlberg, who won 222 games in 16 seasons.

Montana has never had back-to-back 20-win seasons, and Montgomery has accomplished that feat twice now. His 23 wins in 1984 was the second most in school history.

Montgomery has 15 years of major college coaching experience and is beginning his 13th year in the Big Sky. He was an assistant at UM for two seasons and an assistant for Bus Connor at Boise State for three seasons before that.

He has also had coaching stints at the U.S. Coast Guard Academy, Colorado State, the Citadel, and the University of Florida.

For more than the past decade the Grizzlies have been a strong defensive team. Last year UM was 24th in the nation in scoring defense (61.0) and 19th in field goal percentage defense (43.5%).

UM has led the league in defense 12 of the last 14 seasons.

“We take pride in having tough, hard-nosed players who are willing to sacrifice themselves for team success,” Montgomery said.

“Basketball to me is a percentage game where you take advantage of your personnel and allow them to do the things they can do within a team concept.

“Our goal is to reach our potential as a team,” he said. “This requires a very thorough approach to the game. Discipline and dedication from everyone within the program helps us reach that potential.”

Montgomery is a 1968 graduate of Long Beach State where he was a four-year letterman in basketball. He also participated in volleyball and rugby at the collegiate level. He earned his Master’s degree in Physical Education at Colorado State.

Mike and his wife Sarah, have one son, John Michael, two, and a daughter, Anne Marie, who will be one in February.

Stew, 33, is in his eighth season as the number one Grizzly assistant in charge of recruiting and scheduling. He was an assistant coach at former Big Sky Conference member Gonzaga University for three years. During those three years he was the number one coaching assistant and was the school’s recruiting coordinator for two seasons. He was a graduate assistant for the Bulldogs for one season.

He was an All-Big Sky center at Gonzaga his senior year in 1973-74, and was named team captain and Most Valuable Player for the Bulldogs that season.

Prior to playing at the four-year level he participated in basketball at Ricks College, where he averaged 23 points a game as a sophomore and was named a JC All-American.

He played pro basketball in Europe for a Division I team in Bordeaux, France, after his graduation from Gonzaga in 1974. After a few months with the team he was named player-coach.

From Provo, Utah, Morrill earned nine letters in basketball, football and track at Provo High School.

His wife’s name is Vicki. They have three children, Jesse, 7, Allan, 5, and Nicole, 2.

Bob is in his sixth season at UM. He assists in varsity coaching, along with scouting and recruiting, as well as supervising the Grizzly Cage Camps each summer.

Before coming to Montana he served as a part-time coach for George Raveling at Washington State University in Pullman. At WSU he was head coach of the JVs, and assisted in varsity scouting and recruiting in 1978-79-80. He has also had a lot of experience in WSU’s basketball camps.

Bob also served as a graduate assistant at WSU for a season. From 1975-77 he was the head basketball and girls and boys track coach at Sprague High School in Sprague, Washington.

He was a standout athlete at WSU, where he was a three-year letterman in basketball and team captain his senior season. He was a seven-foot high jumper for the Cougars, and qualified for the NCAAs all four of his collegiate seasons. He is a 1970 graduate of Bethel High School in Spanaway, Washington, where he was also a basketball and track star.

Niehl, 34, is a 1975 graduate of WSU, receiving a B.S. in physical education.

Bob and his wife Tricia have a baby boy, Michael Edward.
In his second year as a part-time assistant coach, Doug Selvig is one of several Selvigs in the coaching ranks. He played for the University of Montana in the early 80's and was one of the outstanding players for UM.

He was a three-year starter for the Grizzlies in 1982-83-84 and finished his career with 1,000 points and 361 assists. He is the 12th player in UM history to score 1,000 points and ranks third in career assists.

He was an honorable mention All-Big Sky Conference selection his junior and senior seasons. He won the John Eaheart Award both those seasons as well, which is given annually to the best defensive player on the team. He was one of the top three scorers at UM all three of his seasons as a starter.

His older brother Robin is a member of the Grizzly Basketball Hall of Fame, and coaches the Lady Griz. His sister, Sandy Sullivan was formerly the girl's basketball coach at Circle High School and played at UM.

He was the class “C” MVP as a senior at Outlook High School, and a three-time all-state player.

Doug recently married the former Anita Novak, an all-conference player for the Lady Griz. Anita is now a part-time assistant coach for Robin Selvig.
Outlook: Grizzlies Return Front Line Starters

“The Year of the Grizzly” will be the theme that the 1985-86 University of Montana Grizzly basketball will use this season. With its three senior front liners returning and a nucleus of experienced guards, eighth-year Head Coach Mike Montgomery is anxious for the season to begin.

“This is probably the most veteran team we’ve had for some time,” said Montgomery. “We have all of our front line back, along with John Bates. Included with that group is a player who has been the Big Sky Conference MVP the past two seasons.”

Of course the player “Monty” is referring to is All-American Larry Krystkowiak, the Grizzlies’ 6-9, 240-pound forward who has already established himself as one of the premier players at Montana and in the Big Sky Conference, and the Northwest.

Also back is “Big Mac,” 6-10, 240-pound center Larry McBride, a second team all-leaguer last season and the conference’s No. 1 shot blocker (66). Along with Mac is 6-5 swing man John Boyd, who may also be called upon to play the big guard position.

“With Krysko and Mac we have the top two field goal percentage shooters in the league and with normal progress we’ll be good, with the potential to be outstanding,” Montgomery said.

“The question mark would be our guard play, in that we don’t have a returning starter back,” he continued. “However at the end of last year we felt, in essence, (Scott) Zanon was a starter and Todd Powell started a few games early in the season.” Also back is 6-9 junior letterman Steve Vanek.

“We are also very high on Tony Reed along with forwards Wayne Tinkle and K.C. McGowan.” All three players redshirted last season.

Krystkowiak averaged 21.1 points and 10.2 rebounds a game in 30 contests. He shot 58.5 percent from the field and an excellent 84 percent from the line, making a school record 204 free throws.

His list of accolades (see page 12) are numerous. He first brought a lot of attention to himself and the Montana basketball program when he made the final 32 in the 1984 Olympic Trials.

McBride was the only other player to start all 30 of UM’s games as Krystkowiak did. Mac averaged 10.6 and 5.1 rebounds a game, shooting a team-high 58.8 percent from the field.

Boyd surprised many people by earning a starting berth eight games into the year and came on strong in the conference season.

Zanon was the fourth leading scorer on last year’s 22-8 club with 6.3 points a game and led the Grizzlies from three-point range with 13. Powell was right behind him with 6.2 points a contest.

“We did lose four players who figured prominently in our success last year,” Montgomery said; “but feel that the two freshmen (6-9 Chance Peterson and 6-7 Tom Lytle) will make the loss something we can live with.

“The late loss of Herb (Jones, killed tragically in an automobile accident this past summer) is an area we did not recruit to, and could be an area where we’ll need one of the younger players to be ready,” he said.

Montana continued to be among the national leaders on defense. UM has led the league in defense 12 of the last 14 seasons and was 24th in the nation in scoring defense (61.0) and 19th in field goal percentage defense (43.5 percent) last year.

“Defensively, we have an excellent inside game and we will make people defend it,” Montgomery said. “If we can keep the turnovers down we feel we can be a very explosive ball club.

“We might not have a great deal of flexibility on defense quickness-wise, but with Mac inside we will be effective and might try to make a few more adjustments to accommodate him,” he said.

“Our strength over the years has been to establish the tempo, creating a lead and keeping it through the ballgame,” he continued. “We have not been able to turn a deficit around late in a game on too many occasions.”

One thing that enabled Montana to win 20 or more games for the third straight season was its shooting. The Grizzlies set school records in both field goal percentage (50.9) and free throw percentage (74.6), thanks primarily to the two big men.

So does Montgomery and company have the tools to get another National Invitational Tournament bid, or an NCAA tourney spot?

“Potentially we can be a very, very good basketball team and our preseason schedule should test us and force us to improve throughout the season,” Montgomery said.

As far as the Big Sky race is concerned, he said he thought, “on paper Reno and ourselves have to be considered early-season favorites.”

Montana’s post-season appearance last year at UCLA in the National Invitational Tournament was its second. Montana played UCLA in the first round of the NCAA Tournament in 1975.

"Krysko" was a 1986 pre-season All-American by several publications.
A two-time Big Sky Conference Most Valuable Player, "Krysco" will become the all-time scorer and rebounder at the University of Montana at some time during his senior season.

The preseason All-American led Montana in rebounding in 27 of 30 games and in scoring on 26 of 30 occasions. Over the past two seasons he has led the team in rebounding in 53 of 60 games and scoring 42 times.

"Larry is certainly one of the best players to ever play at the University of Montana," said head coach Mike Montgomery. "He's got tremendous motivation. He's a producer. He's a winner. He has very good ability and plays very consistent, sometimes great basketball.

"Larry is a great inside player and is becoming a good perimeter player," Montgomery continued. "He is a dominant rebounder. He has a tremendous attitude and works hard year-round, and has obviously achieved, conference-wise and internationally, deserved national recognition. He is the key to our basketball team and we are looking for a great year from Larry."

His 20 rebounds at Idaho was the conference high last season and his 35 points at Northern Arizona was second best in the league.

Krystkowiak led the league in scoring and rebounding, averaging 21.1 points and 10.2 rebounds a game. He was 24th in the nation in rebounding, 37th in scoring and tied for 30th in field goal percentage (58.5%).

His 13 of 14 free throws against Northeastern in the Champion Holiday Classic V title game was also a league best. He logged 1,079 minutes of playing time—also the league high. He was second in the league in field goal percentage and third in free throw percentage (84.0%).

His 204 free throws (of 243) was a school record, breaking the mark of 169 he set last season.

He is also an outstanding student and was a Co-SIDA Academic All-American first teamer last year, maintaining a 3.73 GPA in Business.

(For more collegiate highlights please see opposite page).

He was a two-time All-State player at Missoula's Big Sky High School and "AA" MVP as a senior. He was a Converse All-American his senior year in high school.

His hobbies are fishing and coin collecting.

His major is Business.

His guardian is his brother, Bernie Krystkowiak.

An excellent outside shooter, John is important to the success of the Grizzlies this season. A fifth-year senior, he is a three-year letterman and one of the most experienced UM players. He had a career-high 10 points in Montana's first round win over Georgia State in the Champion Holiday Classic V.

He started in Montana's first nine games last season, before yielding to fellow senior John Boyd. Last season he played in 22 contests.

Bates averaged 3.5 points and 2.2 rebounds a game and blocked six shots in 1985. He has played in 54 career games at UM.

"John is a player who we will count on this year, who will have a lot to say if we are to reach our team goals," Montgomery said. "He started early last year and ended up coming off the bench for us as a junior.

"He needs to do the things that he can do on a consistent basis," Montgomery continued. "He needs to have the confidence in himself and know what his job is and be able to do it. He is an outstanding shooter and that is an area that we need to count on him, as well as mature senior leadership from a veteran player who is a fifth-year senior. He has a good attitude and is a good team player. He understands his role and we are looking for a good year from John."

He was a two-time All-State player at Corvallis High School. He averaged 18 points and 7.5 rebounds a game his senior year, when his team went 20-4.

As a junior his high school team was the Oregon "AAA" champion and compiled a 25-1 record. John was first team All-State that season, as well as his final prep season. He was an All-Metro selection too. During his three-year prep career his teams went 65-12. His coach was Mike Doherty.

He is a Journalism major.

His hobbies are music and the outdoors. His nickname is "Bateman."

His parents are Clancy and Betty Bates of Corvallis.

Birthdate: July 18, 1963.

One of the biggest surprises last season, John came on strong and started Montana's last 22 games at the "small forward" position. He scored a season and career-high 10 points in a home win over Reno.

He came on very strong during the conference season and averaged six points and four rebounds in league games. He makes up for his lack of size with hustle, and tough style of play.

John may see action at both the small forward and big guard position this season, depending on personnel changes made by the UM coaches.

"John Boyd had tremendous improvement from his sophomore to junior year," said Mike Montgomery. "John gives us the one dimension we need, which is tough, hard-nosed, physical play. He hustles all the time and plays at 110 percent.

"We are anticipating that after a year of starting he'll be more confident in his offensive abilities and do a few more things in terms of statistics than he did last year," Montgomery said. "And then we hope he will combine his improved offense with the physical hustle he gave us last year.

"John has the ability to swing back to the guard position, as well as being tough enough to rebound with the big kids," he said. "We'll use John a lot to help us versus pressure, because he is an outstanding ball-handler. He should contribute a great deal in that area, which is a real plus from a forward."

At Chief Sealth High School in Seattle he was an All-Metro and all-conference pick. He averaged 16.7 points and nine rebounds a game as a senior for a team that was 24-2.

He lettered three times in basketball and once in baseball. He was named a Converse All-American as a senior. His coach was Ray Jones.

John's major is Spanish.

His favorite hobby is playing the guitar. His nickname is "JB."

His parents are Charles and Birdie Boyd of Seattle.

Birthdate: April 8, 1964.

A second team All-Big Sky Conference choice last season, "Mac" is a 1986 honors candidate. He is the leading shot blocker in Grizzly history with 130, including a league-leading 66 last season. He has started 60 straight games.

McBride and Larry Krystkowiak were UM's only two players who started in all 30 games. He was Montana's second leading scorer and rebounder, averaging 10.6 points and 5.1 rebounds.

He scored a career-high 20 points in three different games last season and had six blocks in one game to lead the Big Sky Conference in that category. He led the league and UM in field goal percentage at 58.8 percent and ranked 27th (tie) in the nation in that category.

"Mac is a coach's delight, in that he has improved so much every year," Montgomery said. "He has a very good attitude and good sense of direction, has set his goals and has come pretty close to achieving those goals. We're hoping that the continued confidence, earning all-conference will boost Mac's confidence so that he will be a little more consistent in his play."

"The games that Mac was good in we were very good as a basketball team," he said; "because of the double low post threat. We're hoping that he will be able to do that game in and game out. Defensively, if he can stay away from foul trouble, which should come from defensive experience, he is an intimidating force because of his shot blocking ability. We need for Mac to be a little more dominant rebounding-wise and continue his improvement the way he has."

He was an All-State player three times at East Anchorage High School and state MVP as a senior. His senior team was state champion with a 23-1 record, and he averaged 19 points and 14 rebounds a game. During his varsity career his teams were 67-5. His coach was Chuck White.

He is a Secondary Education major.

His hobbies are hunting and fishing.

His parents are Wilbur and Doris McBride of Anchorage.

Mike Ahlers  
6-4½, 183, Guard  
Junior from  
Tacoma, Washington

Mike is a transfer from Washington State and will redshirt in the 1986 season. He played junior college ball at Tacoma CC, where he was a two-year letterman and team captain and all-league as a sophomore.

He graduated from Lakes High School in 1983. At LHS he was a three-year letterman in basketball and lettered once in track. As a prep he was All-CIF as a junior, MVP of three tournaments, and twice all-league.

"Mike has the ability to play both guard positions and even play at the three position if necessary," Montgomery said. "He is perhaps our best athlete. He shoots the ball well from out and this year should really help Mike get ready to contribute for us next year as a junior."

His Tacoma CC team was rated fifth in the Northwest his sophomore season. His JC coach was Ron Billings. His prep coach was Russ Aldridge.

Mike is majoring in Business.

His hobbies are music, weight lifting and dancing.

His parents are Robert and Dagmar Ahlers of Tacoma. Mike was born in Augsburg, Germany.

Tom Lytle  
6-7, 200, Forward  
Freshman from  
Salt Lake, Utah

Tom has shown early signs of contributing to Montana's team success in his first collegiate season. He is a good jumper and shooter, and extremely hard worker. Coach Mike Montgomery is playing him at both forward positions.

"Tom has great potential as a freshman," Montgomery said. "He is a good jumper and has very good work ethic, and a good attitude. We think he's going to be an outstanding player in our program.

"With the natural maturity which will come with our weight program and his desire to improve, we are very excited about his potential," he said. "He will possibly contribute at both forward positions this year and have a key responsibility."

Lytle was all-state, All-Region, all-league and team captain for Judge Memorial High School in Salt Lake. In the state tournament he averaged 21.7 points and 9.2 rebounds for the 26-2 Bulldogs. He was also a Converse All-American and averaged 15.5 points and 11 rebounds a game as a senior. His coach was Jim Yerkovich.

A member of the National Honor Society as a prep, Tom is majoring in Accounting.

His hobbies are skiing and ballet.

Tom's parents are Bill and Helen Lytle of Salt Lake City.

34
K.C. McGowan
6-5, 190, Guard-Forward
Freshman from Missoula, Montana

A second-year freshman after redshirting last season, K.C. has made great strides and will play small forward and big guard this season.

"I am very delighted with K.C.," Montgomery said. "There have been some questions as to what position he will be able to play. He will play guard for us this year, and I think he will help us this year.

"He has improved physically with maturity, and has made a good effort in the weight room in the off-season," Montgomery continued. "I think he has the ability to help us, particularly from a physical, defensive, tough-guy, hard-nosed standpoint, which has been the trademark of our Montana kids."

K.C. was a two-time All-State “AA” player at Missoula’s Big Sky High School. He was also twice an All-State tournament pick.

As a senior he averaged 21 points and 8.5 rebounds a game and shot 57% from the field and 75% from the free throw line.

He participated in the annual Montana-Wyoming All-Star Basketball Game. His prep coach was Bill Langlas.

He was an All-American honorable mention selection in track and state high jump champion in 1984. He has a best of 6-10 in the high jump and competed in six events in the state track meet as a senior. He was a member of the National Honor Society.

He is a Business major.

His hobbies are golfing and water skiing.

His parents are Patrick and Suzanne McGowan of Missoula.

Birthdate: November 22, 1965.

50
Marc Murphy
6-5, 200, Guard
Freshman from Butte, Montana

A three-year letterman in basketball and football at Butte Central High School, Marc walked on at Montana. His 1983-84 prep basketball team was conference and state champion. In football his teams won league titles in 1984 and 1985.

"Marc is a very tough, hard-nosed player, who has to make the adjustment of playing Division I basketball," Montgomery said. "Marc’s role is yet to be determined, on where he can best contribute. Having Mark play day in and day out, his toughness and ability to work hard are only going to help us in our program. We are very happy to have Marc at Montana."

He was all-conference and all-state in football and basketball his junior and senior years. He was team captain in both sports. His prep coach was Pat Prendgrest.

He is majoring in Business Administration. He plans to pursue a career in Law.

His hobbies are skiing and working on computers.

Marc’s parents are James and Sandra Murphy of Butte.

Chance Peterson
6-9½, 200, Forward
Freshman from Santa Ana, California

Chance was an all-state player at Saddleback High School in Santa Ana his senior season. That year he averaged 14 points and 11 rebounds a game. “Chance will play small or power forward, which would depend on our offense and how we structure things,” Montgomery said. “Chance needs to develop himself physically. He has good ball skills and is very active, handles the ball well, and is able to do things inside and outside with the basketball. “His liability at this point is playing at the college level physically, because he is thin and needs to develop,” Montgomery said. “We think Chance has great potential, and if he will work to develop himself physically along with maturity he will have a good future in our program.”

Peterson attended Herlong High School as a sophomore and averaged 21 points and 17 rebounds a game and was the Conference Player of the Year. He was all-league at Saddleback as a senior and conference MVP that season as well. His coach was Patrick Quinn.

He is majoring in Business.
His hobby is listening to music.
His parents are Robert and Catherine Peterson of Santa Ana, California.

Todd Powell
6-3, 175, Guard
Junior from Corvallis, Oregon

Todd started in the first three games of the 1985 season before being sidelined with a leg injury. He averaged 16 minutes a game and was the fifth leading scorer on the team with 6.2 points a game. He shot 51 percent from the field.

He scored a career-high 17 points at Oregon, and was instrumental in the Grizzlies’ comeback effort against the Ducks.

“It’s Todd’s turn,” Montgomery said. “He came out last year and started, had some injury problems, and has had injury problems throughout his career. Hopefully all of those things are behind him.

“He is stronger than he has been and has more confidence in himself and in his ability,” Montgomery said. “I think he’s ready to have a great year. In order for us to succeed he has to have the type of year we have projected for him. He is a very good perimeter shooter and athlete. He also has the ability to be an outstanding defender and needs to be consistent game in and game out and utilize his athletic ability.”

He averaged 16 points, 6.2 rebounds and three steals a game as a senior at Corvallis High School. He was a two-time All-State player in basketball and baseball. His prep coach was Mike Doherty.

He was a prep teammate of fellow Grizzly John Bates.
Todd is majoring in Accounting.
His hobby is ceramics.
His parents are Gary and Carolyn Powell of Corvallis.
Birthdate: October 1, 1963.

A second-year freshman after a redshirt year, big things are expected of Tony this season. He will backup at both point and "big" guard.

"Tony is just toughness away from being an outstanding player," Montgomery said. "He has very good ball skills. He does things with a basketball, from a one-on-one standpoint, that are very difficult to defend against because he has very long arms and big hands.

"Potentially he could be a great defensive player," Montgomery said. "He can defend very well now, because of his ability to get to you and change shots with his hands and arms. We think the redshirt year was a great benefit to Tony and he is ready to contribute now, and he will be given every opportunity to play in our guard rotation. We think he will be an outstanding freshman in this league."

At East Anchorage High School Reed’s teams won state championships his junior and senior years — and he was state MVP both of those seasons. As a senior he averaged 27 points, 9 rebounds and 6 assists a game for a 28-2 team. His senior year EAHS won all five tournaments it played in.

He was named to four All-American teams as a senior. His junior year he averaged 21 points and 7 rebounds a game for a 25-4 squad. His coach was Chuck White.

He is majoring in Business.

His hobbies are break dancing and reading.

His parents are Lee and Laura Reed of East Anchorage, Alaska.

Wayne Tinkle

Another 1985 redshirt, Wayne will be asked to contribute heavily during his first collegiate season.

"Tinks will move into the four-five rotation," Montgomery said. "It's a key position and we think Wayne will be an outstanding player. Wayne has good hands, good passing vision and is very clever with the ball. He surprises you with some of the things he does.

"He is a legit 6-9 plus, which allows him to get to the boards, and should be a good rebounder," Montgomery said. "Wayne needs to become, with maturity and work on the weights, stronger. And if he does become stronger physically he could be a very, very good player in our program. We are expecting, and need to have, a good year from Wayne for us to be successful.

"It is possible because of his passing skills that he will play some at the small forward position which would give us a big lineup and could possibly be an interesting combination for us."

As a senior at Ferris High School he was league MVP, team MVP, team co-captain and played in the state All-Star Game. He averaged 23 points and 9.5 rebounds a game for the Saxons as a senior. He scored a league-high 36 points in one game and had 20 rebounds in another. His coach was Wayne Gilman.

His major is Business.

Wayne’s hobbies are dancing, listening to music and water skiing.

His parents are Wayne and Elizabeth Tinkle of Spokane, Washington.

Steve Vanek
6-9, 221, Center
Junior from Warren, Oregon

Steve played in 16 varsity games last season, averaging 1.8 points and 1.6 rebounds per contest. He blocked three shots. He had a career-high 5 points and 7 rebounds in a win against Linfield College two seasons ago.

"The thing that Steve Vanek does best is defend and board," Montgomery said. "He is not afraid of physical contact. He is a very good athlete. He runs and jumps well and has good quickness. It allows us to stay big and physical with Steve in the lineup.

"Steve played in some key situations last year and did well, based on his experience," Montgomery said. "He has the ability to contribute and will have a great deal to say about how successful we'll be inside this year."

He was a two-time All-State player at St. Helen's High School. Steve set Oregon "AA" records in the state playoffs as a senior, scoring 113 points and grabbing 58 rebounds in four games.

He was an all-conference player three times and averaged 24.4 points and 14.2 rebounds a game his senior year.

He is a Business Management major.

His hobby is listening to music.

His parents are Dave and Fern Vanek of Warren.

Scott Zanon
6-0, 166, Guard
Junior from Kalispell, Montana

The heir-apparent at point guard, Scott is one of three returning players who played in all 30 games last season. He scored a career-high 17 points against Reno last year. He led UM in 3-point shots with 13 (of 34).

"Z" was the fourth ranked free throw percentage shooter in the league, with 55 of 66 for 83.3 percent. He made a school record 31 free throws in-a-row and brings that record over to the 1986 season. He was a conference all-academic pick, with a 3.46 GPA in Business.

"Scott is probably as big of a key as we have," Montgomery said; "considering he has not started, yet this is the most important position on any basketball team. Scott's strengths are his intelligence, his competitiveness, and his physical abilities.

"His biggest job is going to be staying consistent in understanding that the numbers that are important are the numbers on the scoreboard," Montgomery said. "A point guard's job is to make all of the other players better, and with our strengths inside, if he can establish himself as a consistent threat from the perimeter with his shooting range, and handle the ball with minimum turnovers it will make us successful."

Last year he won the Big Sky decathlon with a school record 7,251 points. One of the best athletes in recent Montana history, Scott was All-State in football, basketball and track.

He scored 996 points during his career at Flathead County High School. He was team MVP as a senior, an "AA" All-Tournament choice as a junior and senior and was the point guard for the Braves his junior year when they won the state title. He averaged 19.3 points and 6.3 assists a game as a senior. He played in the Montana-Wyoming All-Star Game.

His brother, Craig, was an All-Big Sky guard for the Grizzlies in 1980-81. His brother Rick was also a letterman in basketball at UM.

He is a Business major.

His hobbies are water skiing and golf.

His parents are Robert and Adele Zanon of Kalispell.

Dahlberg Arena . . .

Dahlberg Arena, the 9,155-seat home of the Montana Grizzlies, recently received not only a new scoreboard (top) from First Banks Western and Southside, but also new seating. Named after former UM basketball coach and athletic director "Jiggs" Dahlberg, the Grizzlies have a home record of 169-23 since the 1972 season. Montana has averaged more than 8,000 fans per game in Big Sky Conference action the last five consecutive seasons.

Big Sky Conference

The Big Sky Conference was formed in February 1963, when the presidents and athletic directors of six Rocky Mountain universities met in Spokane. The original conference members were Gonzaga, Idaho, Idaho State, Montana, Montana State and Weber State. Gonzaga entered the conference as a non-football playing school.

The conference derived its name from a pair of Montanans and a Washington sports editor. A. B. Guthrie, Choteau, Mont., wrote a novel titled "The Big Sky," and Jack Hallowell, former Montana State Advertising director, promoted the Big Sky theme as a nickname for the state. Harry Missildine, Spokesman-Review sports editor, picked up the name and in a sports column promoted the name Big Sky as the name of the conference. On Feb. 25, 1963, the conference adopted the name—Big Sky Athletic Conference.

In 1970 the conference expanded to include Northern Arizona University, Flagstaff, Ariz., and Boise State College, Boise, Idaho. Both entered as football playing schools.

Nevada-Reno became the newest member of the Big Sky July 1, 1979. Jack Friel became the first commissioner in 1963, and the offices were established in Pullman, Wash., Friel's home. Following Friel's retirement in July 1971, the offices were moved to Boise, Idaho, and John Roning was named commissioner. Steve Belko was named commissioner and assumed duties July 1, 1977, following Roning's retirement.

Ron Stephenson became the fourth Big Sky commissioner in May, 1981. A native of Idaho, Stephenson's most recent position was Assistant Athletic Director at Boise State. He has 19 years of working experience in intercollegiate athletics as a student, coach and administrator.

Grizzly forward Larry Krystkowiak was a unanimous Big Sky Conference MVP for the second straight season. He led the league in scoring and rebounding for the second year-in-a-row. He was a first team Academic All-American in 1985 and AP All-American honorable mention the last two seasons.

Center Larry McBride was a second team All-Big Sky choice last year. He led the conference in blocks with 66.

- Grizzlies get bid to NIT Tournament for the first time in school's history.
- Montana lost a 58-57 game to highly regarded Oregon from the Pac-10 Conference at Eugene, Oregon.
- Montana beats NCAA tournament bound Northeastern Univ. (MA) 81-80 to win third straight Champion Holiday Classic Tournament.
- Grizzlies get big road win at Cal. St.-Fullerton, which finished third in PCAA Conference.
- After losing three starters from last year's team, Montana starts year strong with a 12-2 pre-conference record.
- Grizzlies break single season team field goal percentage record by shooting at a 50.9 percent clip.
- Montana wins 22 games—third most in 80-year basketball history.
- Third straight 20 win season—a University of Montana first.
- Grizzlies lead the Big Sky Conference in defense for the 12th time in 13 years.
- Montana sets school record in free throw percentage with a 74.6% year.
- Larry Krystkowiak makes 1st team Academic All-American and is the second Grizzly to receive that honor in 5 years (Craig Zanon, 1980-81).
- Mike Montgomery remains the winningest percentage coach in school's history with 3rd straight 20-win season.
- Larry Krystkowiak is again MVP of conference, along with District Player-of-Year and AP All-American.
- UM averaged over 20 wins a year for past 5 seasons (overall record 102-42).

Nationally Larry Krystkowiak was 30th in field goal percentage, 24rd in rebounding and 37th in scoring. Team-wise the Grizzlies were 24th in scoring defense (61.0) and 19th in field goal percentage defense (43.5).
Voice of the Grizzlies

“Grizzly” Bill Schwanke returns as the voice of the Grizzlies for his 14th year as the play-by-play announcer for University of Montana sports. It will be KYLT Radio's 15th year of broadcasting Grizzly athletics and serving as UM's official station. Schwanke is a former sports editor of The Missoulian newspaper and a former sports information director at UM. He is a 1967 graduate of UM. He has been the Montana Sportscaster of the Year four times and was the 1977 Ed Chinske Award winner, honoring Missoula's outstanding sports professional.
