There's Gold In Them Thar Hills!

The University of Montana was recently awarded its 23rd Rhodes Scholar. This ranks UM 19th in the nation of all American colleges and universities. UM ranks sixth among schools west of the Mississippi. Rhodes Scholarships provide two to four years at Oxford University in England. Students are chosen on the basis of scholarships, community and political involvement, athletic ability and personal character.

The Yellow Bay Biological Station, located about 70 miles northeast of Missoula at Flathead Lake, is the nation's oldest inland station. Among some 70 inland units in the United States, the UM ranks fifth for its program facilities and student population.

KUFM, a noncommercial public radio station operated by the radio-television department of the School of Journalism, is the only National Public Radio station in Montana.

University of Montana education majors compete very successfully for jobs with 93 percent of those with bachelor's degrees and 100 percent of those with graduate degrees finding appropriate positions.

The Department of Social Work is fully accredited by the Council on Social Work Education and is the only Montana school that assures its graduates of a year of advanced standing in graduate schools of social work.

The School of Journalism has had 19 of its students selected as Sears Congressional interns — more than any other journalism school in the country. During the four-month internship, students work for a United States Congressman or Senator and also attend classes.

The Department of Art enjoys a national reputation for excellence in ceramics.

The Department of Drama/Dance has a professional theater group — the Montana Repertory Theater — based on campus. The Montana Repertory Theater, which tours throughout the Northwest, is the only professional Actors Equity company between Minneapolis and Seattle.

A University of Montana student has been chosen to receive a Truman Scholarship for six of the last eight years. The national scholarship is given annually to students committed to a government career who have superior academic ability and leadership potential.

The Department of Anthropology has the largest collection of artifacts and records of pre-history in the region.

The School of Business is the only business school in Montana to be accredited by the American Assembly of Collegiate Schools of Business.

Nearly 47 percent of the business school's accounting graduates pass the Certified Public Accountant Exam on their first try. This is more than three times the national first-time success rate of 14 percent.

The Department of Geology has an outstanding national reputation. In cooperation with Purdue University, a field station has been set up in southwestern Montana. The department also provides hands-on experience for students in the minerals, rocks and paleontology laboratories at the University's Seismic Station and in the Earthquake Research Laboratory.

The Department of Geography has one of the region's best cartography laboratories where students learn to make maps and interpret aerial photography.

The Department of Health and Physical Education is one of a handful in the country that trains students to be athletic trainers. And it is the only program in the state to offer a master of science in physical education.

The Native American Studies program at the University of Montana is regarded by Indian educators as one of the four most outstanding in the nation.

Newly remodeled training facilities in the Department of Communication Sciences and Disorders are some of the finest in the region. People from all over the state come to the center for speech, language and hearing therapy.

“Old” Dornblaser (where Mansfield Library is now).
Not only has the University of Montana not had a losing season in the past eight seasons during the Stew Morrill/Mike Montgomery tenure, but it has also been a very successful time for the Grizzlies in the classroom.

Of the 34 student-athletes in UM's program during the past eight years 26, or 76 percent, have graduated and six others, or 94 percent, of the athletes will graduate, as those six returned to school to earn degrees. This figure includes three transfers, all of whom graduated.

That leaves two athletes who have not earned degrees, and one of those is Larry Krystkowiak, who said he will return to UM after the National Basketball Association season and get his degree in Business. (He plays for the San Antonio Spurs.)

Montana has had five Academic All-Americans in the previously mentioned time span. They include (from recent to past) Krystkowiak, Scott Zanon, Marc Glass, Craig Zanon and Tim McCauley.

"We talk about our successes in the classroom all the time," said Morrill. "There is a reason that college athletes are called student athletes — students first, athletes second. We are proud of our graduation rate."

"We have a study hall at Montana and all of the first year players are required to go," he continued. "We check on classes a minimum of every two weeks. We have an Academic All-American potentially again in Scott Zanon and several young kids who came to us with 3.5 and 3.6 GPAs out of high school and close to 1,200 on the boards. We hope to keep that area of our program going."

Krystkowiak was a first team Academic All-American in 1986 and 1985 and was a three-time All-Region and All-Big Sky academic selection. He maintained a 3.61 GPA. He is a local product from Missoula's Big Sky High School.

Scott Zanon was a third team All-American pick in 1986 and has a 3.21 GPA in Business and has been an all-league academic choice the past two years. He is a senior guard from Kalispell, Montana.

Glass was an honorable mention Academic All-American selection in 1984 and 1983, and a three-time Big Sky choice with a 3.20 GPA in Computer Science. The 6-3 guard from Battle Ground, Washington, was the 75th player picked in the NBA draft in 1984, chosen by the Los Angeles Clippers in the fourth round.

Craig Zanon was the Grizzlies' first Academic All-American first teamer in 1981. The former All-Big Sky guard (6-6) was also an academic choice in 1980 and had a 3.62 GPA in Accounting. Both Craig Zanon and Krystkowiak earned prestigious NCAA postgraduate scholarships after their senior seasons.

From Sun Prairie, Wisconsin, Tim McCauley was a 3.3 student in Business Administration. The 6-1½ guard was an honorable mention All-American in academics in 1980 and an all-leaguer in 1979 and 1980.
The first Grizzly basketball team in 1904-05 was coached by Fred W. Schule.

This brochure was prepared for the convenience of sports writers and sports broadcasters during the 1986-87 basketball season by UM Sports Information Director Dave Guffey.

Permission is granted to quote in whole, or in part, any material in this brochure. Photographs or additional information will be sent upon request. Please let us know your needs.

All requests for press passes should be made by letter or telephone at least one week in advance.

Complete statistics are provided at each Grizzly home game.

Scenic Missoula, Montana as seen from the "M" overlooking campus.
The University of Montana in Missoula is located in a mountain forest setting in beautiful Western Montana. It is halfway between Glacier and Yellowstone national parks.

Four wilderness areas are located near Missoula. The natural surroundings offer excellent opportunities for hunting, fishing, backpacking, river floating, camping and other outdoor recreational pursuits. Two excellent winter ski areas are located within minutes of the University. Several other ski areas are only a couple of hours away by car. UM owns and operates its own golf course adjacent to campus.

The University of Montana is one of the West's pioneers in education and was chartered February 17, 1893. The school opened in September 1895, with 50 students enrolling the first day. Located on 201 acres at the base of Mount Sentinel, UM has grown from 50 students and seven faculty members to a present enrollment of 9,000 and approximately 450 full-time faculty positions.

Through its history, the University of Montana has sustained a high standard of academic excellence in teaching, research and service.

UM offers associate of arts degrees in two areas and bachelor's degrees in 58 fields. It offers master's degrees in 54 programs and doctoral degrees in 13.

The College of Arts and Sciences, which is the core of the University, includes a full range of programs and courses in the life sciences, physical sciences, social sciences and humanities. The College also offers curricula in interdisciplinary fields ranging from ethnic studies to interdepartmental studies.

Seven professional schools complete the academic program — Business Administration, Fine Arts, Journalism, Education, Forestry, Law, and Pharmacy and Allied Health Sciences.

The aim of the University is to provide its students with relaxing and meaningful learning experience with the best facilities possible. The administration, faculty and staff strive for this goal.
Steve is beginning his sixth season as the Grizzly equipment manager. He is a native of Hamilton, Montana. He graduated from the University of Montana in 1972 with a B.S. degree in Health and Physical Education, with emphasis in Athletic Training and Physical Therapy. He received his master’s degree in 1974 at Indiana State in HPE. He served three years in the Navy from 1962-65 and was a Spanish Linguist. Steve and his wife, Larae, have a son Tyler, 4, and daughter, Meghan, 1.

Steve Hackney
Equipment Manager

Tim is in his fifth year as the business manager at Montana. As the athletic business manager he is the accountant for the department, handles logistics for football team travel, supervises central office staff, is involved in contract negotiations, is responsible for department budgetary and fiscal control and is involved in long-range planning on budgetary items. He is a 1971 graduate of Chico State in California and received his B.S. in Accounting. Prior to joining the UM staff he was a Manager of Accounting for ITT’s Continental Baking Co. in Portland, Oregon. He worked there for seven years. Tim and his wife, Judy, have three children.

Tim Kendall
Business Manager

Dennis T. Murphy begins his fifth year as head athletic trainer at UM. Murphy graduated from Montana in 1975 with a B.S. degree in Health and Physical Education with a specialization in Athletic Training and Adaptive Physical Education. In June of 1975 he was certified by the National Athletic Trainers Association. In August of 1978 he was named assistant athletic trainer and lecturer at the Department of Athletics at the University of Arizona. In September of 1980 he accepted the position of Visiting Assistant Professor at UM. Murphy, who has been a certified trainer for 11 years, has taught numerous training-related classes, has been a guest speaker at several sports’ clinics and written articles for training publications. He is single.

Dennis Murphy
Athletic Trainer

Gary has been ticket manager of UM since 1966. In 1978 he was also appointed field house manager. He schedules all events in Adams Field House and at Dornblaser Field in addition to handling ticket distribution. He is a native of Ronan, Montana, and graduated in accounting from the Missoula Business College in 1962. He gained extensive experience in accounting and auditing before assuming his responsibilities at Montana. His wife, Judy, is a daycare center owner and operator in Missoula. The Hugheses have six children.

Gary Hughes
Manager of Athletic Facilities & Revenue

Suelynn is beginning her seventh year as a University of Montana secretary. She graduated from Oregon State University with a B.S. degree in Secretarial Science. She has been a Certified Professional Secretary since 1972. She worked for the School of Oceanography at OSU as a research assistant for eight years and as a biological technician for the Smithsonian Tropical Research Institute in Panama for two-and-a-half years before moving to Montana. Her husband, Dewayne, is a graphic artist at UM. The Williamses have three children.

Suelynn Williams
Secretary

Sue is in his ninth season as sports information director. His responsibilities include publications, press releases and promotions, statistics and research. He has won numerous district awards for his football and basketball media guides and game programs. His 1985 football yearbook was picked fourth in the nation. He is a member of the College Sports Information Directors of America (CoSIDA). He is a 1975 graduate of Fresno State and received a B.A. in Journalism. Dave and his wife, Mea Andrews, have a 4-year-old son, Patrick, and a year-old son, Matthew.

Dave Guffey
Sports Information Director

Dave is in his ninth season as sports information director.
President James V. Koch

James V. Koch (pronounced Cook) was named the 15th president of the University of Montana June 30, 1986.

Prior to coming to UM he was the Provost/Vice President of Academic Affairs at Ball State University, in Muncie, Indiana, since 1980. He has continued to teach and to publish scholarly articles, and he has said he would like to teach occasionally as president.

Koch, 43, graduated from Illinois State University with a B.A. in Economics in 1964. He earned his Ph.D. in Economics at Northwestern in 1968.

He was departmental chair in Economics at his alma mater from 1972-78, and the Illinois University Teacher of the Year in 1977-78. He left there to become the Dean of the Faculty of Arts and Sciences at Rhode Island in Providence from 1978-80.

He has written numerous articles, four books and served as a visiting professor at several schools.

His responsibilities encompass student affairs, intercollegiate athletics, university relations, admissions, financial aid, alumni, development and auxiliary services.

Koch and his wife, Jean, have two children.

Vice President for University Relations Mike Easton

W. Michael Easton became the Vice President for University Relations in August of 1982.

His responsibilities encompass student affairs, intercollegiate athletics, university relations, admissions, financial aid, alumni, development and auxiliary services.

Easton, 42, had nearly identical responsibilities at the University of South Dakota, where he was vice president for student services and public information since 1973.

Other positions he has held include dean of students, Eastern Montana College, 1971-73; assistant dean of students, EMC, 1969-71; administrative intern, Lane Community College in Eugene, Oregon, 1968-69; and assistant dean of students, University of Oregon, 1967-68.

He received his B.A. in biology and physical education at the University of Washington in 1964. He received his M.S. in education at the University of Oregon in 1965 and earned a Ph.D. in higher education administration at Oregon in 1969.

Easton and his wife, Patricia, have three children.

Athletic Director Harley Lewis

Harley W. Lewis is in his 11th year as athletic director at the University of Montana.

He is involved in numerous organizations at the state and national level. He was formerly the State Director for the Montana Special Olympics in 1980 and 1981. He served as National Director for the USABA Blind Olympics in 1983, when the national championships were hosted by UM.

He was also chairman of a local school board, on the State Board of directors for the Special Olympics, and on the Board of Directors for the YMCA. He has served on several Big Sky Conference committees and on the NCAA's Track & Field Rules Committee.

He served as cross country coach until 1976 and his teams won nine league titles. He served as track coach until 1978 and won the conference crown in 1972. Lewis was named the Big Sky's track and cross country coach 10 times during his tenure as mentor. He coached several All-Americans while a coach and continues to work with the Montana Olympic Committee, of which he is on the State Board of Directors.

Lewis is a 1964 graduate of UM with an M.S. in Health, Physical Education and Recreation. He became track and cross country coach at Montana in 1966. Prior to that he coached for two seasons at the University of Portland. He is a 1959 graduate of Butte High School.

Lewis and his wife, Marilou, have two children.

Associate Athletic Director Barbara Hollmann

Barbara Hollmann began her duties as associate athletic director in August 1980. In addition to serving as the associate director of the department, her responsibilities involve coordinating the marketing and promotions of men's and women's sports and supervising the women's athletic program.

Prior to UM Hollmann spent five years as athletic events coordinator and assistant to the women's athletic director at the University of Arizona. From 1971 through 1974 she was an assistant director and later an associate director of intramural and recreational sports at the University of Washington.

Hollmann graduated from Ohio State University with a B.S. in physical education in 1964 and a M.A. in recreation administration in 1968. She received her Ph.D. in 1982 from the University of Arizona, emphasizing higher education administration and public management.

Hollmann served on the NCAA Executive Committee for two years and is currently on the NCAA Recruiting and Nominating Committees. She also serves on the Executive Board of the National Association of Collegiate Directors of Athletics and the Board of Directors of United Way of Missoula County. Her husband, Robert, is an associate professor of management and assistant dean of the School of Business at UM.

Faculty Representative W. Arthur Graham

Art Graham was named faculty representative at the University of Montana in September of 1985.

An Associate Professor of Business Law at UM, Graham graduated from Montana's law school in 1977. He practiced in Northcentral Montana for three years until joining the UM staff in 1981.

He is from Townsend, Montana, where he graduated from high school in 1966. He served in the U.S. Navy from 1966-70 and received a Letter of Commendation for outstanding service in Vietnam. He is a 1973 graduate of UM, earning high honors in History/Political Science. He was named Outstanding Young Man of America in 1978.

Graham determines athletic eligibility, makes NCAA rulings at the institutional level, and is UM's representative to the National Collegiate Athletic Association.

Graham and his wife, Jean, have two children.
Stew Morrill (Gonzaga, 1974)

Head Coach

Stew, 34, was named the 20th head coach at the University of Montana April 25, 1986. He succeeded Mike Montgomery who had been the head coach at UM for the past eight seasons. Montgomery is now the head coach at Stanford University.

No stranger to Grizzly basketball fans or the Big Sky Conference, Stew was an assistant at Montana for the past eight seasons during "Monty's" tenure.

"Stew Morrill was very much a part of the success (154-77 overall record in the last eight seasons) of Mike Montgomery's tenure," said UM Athletic Director Harley Lewis. "I feel strongly that people who work within a capable program should be given every chance to move up."

A former All-Big Sky center at Gonzaga, Morrill is one of the primary reasons the Grizzlies have had so much success with big men. He worked with former UM standouts John Stroeder, Craig Larsen, Larry McBride, and of course Larry Krystkowiak.

Prior to coming to Montana he was an assistant coach at his alma mater, Gonzaga. He was the schools number one recruiting coordinator and top assistant for two seasons. He served as a graduate assistant at GU for one season.

In 1973-74 season he was a first team all-league selection for former conference member Gonzaga and coach Adrian Buoncristiani. Joining him on that team was UM's Ken McKenzie, Jim Anderson of Idaho State, Clyde Dickey of Boise State and Jimmie Watts of Weber State. He was named the Bulldogs' MVP that season as well.

After graduation in 1974 he played professional basketball for a Division I team in Bordeaux, France, where he eventually became player-coach.

Prior to his career at GU he played basketball at Ricks College in Idaho, where he averaged 23 points as a sophomore and was named a Junior College All-American.

He is originally from Provo, Utah, where he starred at Provo High School. He earned 9 letters in basketball, football and track as a prep.

"I think you have to build your offensive philosophy around your personnel," Morrill said. "I think it changes with what you have to work with as far as inside and outside people.

"Ideally I think if you can build your offense from inside out, and establish a good, strong inside game, it makes your perimeter game that much more effective," he continued. "I believe very strongly in early offense, fast break, because I think it gives you an opportunity to get easy shots. And it's certainly an advantage with our homecourt crowd to get them rolling on a fast break scoring play."

Montana has led the Big Sky in scoring defense 13 of the last 15 seasons, and Morrill said he plans to continue that tradition.

"Our philosophical approach to Grizzly basketball has always been good shot selection, good team concepts on offense," he said; "and defensively it has been hard-nosed, aggressive, get down to the type of heart and character you have as a person, defense. We are making a lot of emphasis on what it takes to play Grizzly defense to our young kids. One of the goals we've set for the team is to lead the league in field goal percentage defense.

"We hope we are going to be able to play some combination type defenses, combining man-to-man with our zone which has been so good to us over the years," Morrill said. "It just depends on the type of team we are playing."

Stew and his wife, Vicki, have four children, Jesse, 8, Allan, 6, Nichole, 3, and Tiffany, 6 months.
Assistant Coaches

Bob, in his seventh season at UM, is Stew Morrill’s No. 1 assistant in charge of recruiting and scheduling.

He is also UM’s weight-training coach for basketball and has been the supervisor of the annual Grizzly Cage Camps.

Before coming to Montana he served as a part-time coach for George Raveling at Washington State University in Pullman. At WSU he was head coach of the JVs, and assisted in varsity scouting and recruiting in 1978-79-80. He has also had a lot of experience in WSU’s basketball camps.

Bob also served as graduate assistant at WSU for a season. From 1975-77 he was the head basketball and girls and boys track coach at Sprague High School in Sprague, Washington.

He was a standout athlete at WSU, where he was a three-year letterman in basketball and team captain his senior season. He was a seven-foot high jumper for the Cougars, and qualified for the NCAAs all four of his collegiate seasons. He is a 1970 graduate of Bethel High School in Spanaway, Washington, where he was also a basketball and track star.

Niehl, 35, is a 1975 graduate of WSU, receiving a B.S. in physical education.

Bob and his wife Tricia have a son, Michael Edward, 1.

Blaine and his wife, Annie, have a 6-year-old daughter, Amber. They are expecting their second child in February.

Bob Niehl
Assistant Coach

No stranger to Grizzly basketball, Taylor was a four-year letterman at Montana from 1977-81. He also coached the junior varsity at UM from 1981-83 and had a 30-17 record.

Taylor, 28, assists in scouting, recruiting, varsity coaching and the Grizzly Cage Camps.

Most recently he was head coach at Loyola High School in Missoula. In 1984 his team was 20-4 and in 1985 he was 21-5. Both of those seasons Loyola won district tournament championships.

Taylor was a Big Sky Conference honorable mention selection at UM as a junior and senior and named to the postseason all-tournament team as a senior.

He is one of the top career scorers at Montana with 753 points, and is fourth in career assists with 300.

Blaine Taylor
Assistant Coach
Leroy Washington
Part-time Assistant Coach

A four-year letterman for the Grizzlies from 1981-85, Washington played in 98 games in his career at the University of Montana. He is the No. 5 career assists man at Montana with 239.

He led the Grizzlies in assists (122) and steals (55) in 1985 as UM went 22-8 and played UCLA in the first round of the National Invitational Tournament. After the season he was given the John Eaheart Memorial Award, presented annually to the Outstanding Defensive Player at UM.

Last season he was a part-time assistant coach at Long Beach State for his former high school coach, Ron Palmer.

Washington, 23, will assist in coaching, recruiting and scouting at UM.

As a prep at Long Beach Poly High he was the point guard who led a team that was 26-2 and he was an All-City selection.

He will earn his B.A. degree at Montana in Secondary Education this year.

He is single.

CAPS indicates a coach is still active.

(1) Coached nine seasons at Gonzaga (1964-72) with a Big Sky record of 59-54 (.522), and an overall record of 125-109 (.534); and two seasons at Montana State (1973-74) with a Big Sky mark of 14-14 (.500) and an overall record of 28-24 (.538). (2) Coached four seasons at Weber State (1972-75).

(3) Forfeited 11 wins, including three Conference victories to Montana State (2) and Northern Arizona, during the 1976-77 season.

(11) Farmer is 79-34 (.699%) in four seasons.

(12) Boutin is 352-185 (.665%) in 19 seasons.
The Accent Is on Youth for 1986-87 Grizzly Hoopsters

With 12 freshmen and sophomores on the 1986-87 University of Montana basketball roster the accent will be on youth this season as first-year Head Coach Stew Morrill takes over the Grizzly program.

Of those 11, eight are freshmen. The three seniors are returning starting guards Scott Zanon and Todd Powell, and center Steve Vanek. The sole junior is redshirt transfer (Washington State) Mike Ahlers.

Not only will Morrill have to replace three starters, but included in that group is three-time Big Sky Conference MVP Larry Krystkowiak, now with the San Antonio Spurs. Also gone are center Larry McBride and forward John Boyd. Sixth man John Bates has also graduated. The 6-9 Krysko was nationally ranked in scoring (22.2) and rebounds (11.4).

Zanon heads the list of returnees. Last season he was the team's No. 2 scorer with a 12.1-point average, and set a school record with 174 assists. "Z" was the league's 13th ranked scorer, 3rd in assists, 7th in free throw percentage (80.3), 10th in steals (1.2 a game) and 2nd in three-point shots (45 of 108).

Last summer the 6-footer from Kalispell was named to the National Invitational Tournament All-Star team, which toured Northern Italy for several exhibition games.

Powell, a 6-3 senior from Corvallis, Oregon, started all 32 games last year, as did Zanon. He was the fourth leading scorer for the Grizzlies who were 21-11 last season, 9-5 in the Big Sky and first round NIT host to Texas Christian University (losing, 76-69). Powell averaged 8.0 points a game.

The 6-9 Vanek will be counted on to replace three-year starter McBride, who finished his career as the No. 2 shot blocker in league history with 164. Vanek averaged 4.2 points, 3.1 rebounds and led the team with 60 percent shooting from the field (49 of 82). "Oze" had 22 blocks.

Returning lettermen with scoring and rebounding averages include: 6-3 guard Tony Reed (4.7, 1.0); 6-9 forward Wayne Tinkle (2.4, 2.2) and K.C. McGowan, a 6-5 forward at 1.7 and 1.2.

Along with the 6-5 Ahlers are redshirt freshman Tom Lytle (6-7) and transfer Nate DuChesne, a 6-3 sophomore from Edmonds CC.

The frosh include Kevin Harris (6-8) of Sumner High in Washington; John Reckard (6-8) of Weld Central High in Keenesburg, Colo.; Mark Schultz (6-8) of Gonzaga Prep High in Spokane, Wash.; Mike Boken (6-10) of Loyola High in Los Angeles; Jeff Pelton, 6-5 from Palos Verdes High in California; Eric Jordan, 6-2 of Inglewood High in California, and John Malletta (6-3) from Missoula's Sentinel High.

A difficult Grizzly schedule includes nonleague games with Oregon, Washington State, Fresno State, UC Irvine, Pacific, Santa Clara and Portland.

"Obviously how quickly our young players develop will determine how good of a basketball team we have by league time," said Morrill, a former All-Big Sky player at Gonzaga University.

"Scott Zanon has to be one of the top point guards in the league, and is probably one of the top three," Morrill said. "He is an extremely tough competitor and will do anything in his power to help his team win."

"This year's schedule includes two teams from the Pac-10, three from the PCAA, and two WCAC teams, and is maybe as difficult of a schedule as we've had in recent years," he continued. "Your preseason schedule is meant to prepare you for your conference schedule, and ours will definitely do that."

Morrill said as expected the three seniors are looking good in early season practices. He said he thought Duchesne, Reckard and Boken "have shown that they might be able to step to the forefront and help us a little quicker than we had earlier thought."

As far as the Big Sky race is concerned, Morrill said that, "on paper you've got to say Weber and Montana State are the top two teams, and I'm not sure in which order yet. They both have the largest amount of returning players and around this league that's what the preseason predictions are always based on."

"I think that's why you'll find us picked around sixth or seventh because we lost Krysko, along with our whole front line," Morrill said. "But after Weber, Montana State I would then pick Idaho because they have a fine returning player in (Ken) Luckett, some kids coming off redshirts and a number of JC imports. And after that who knows . . .?"
The 1986-87 Grizzly basketball team, front row, from left: Mike Boken, Steve Vanek, Wayne Tinkle, Tom Lytle, John Reckard. Middle row, from left: Kevin Harris, John Malletta, Nate DuChesne, Eric Jordan, Mike Ahlers, Mark Schultz. Top row, from left: K.C. McGowan, Tony Reed, Scott Zanon, Todd Powell, Jeff Pelton.

#Returning starters  
*Denotes letters won  
% 1985-86 redshirt

**HEAD COACH:** Stew Morrill, Gonzaga 1974  
**ASSISTANTS:** Bob Niehl, Blaine Taylor, Leroy Washington  
**TRAINER:** Dennis Murphy  
**SID:** Dave Guffey  
**MANAGERS:** Matt Gibbs, Loren Tinseth
A returning starter, Todd started all 32 games last season, averaging 26.4 minutes per game. He was the team's No. 4 scorer with 8.0 points a game and second in assists a game with 2.9.

He scored a career-high 26 points in a loss at Idaho last season and led UM in scoring that game. He is the Grizzlies' top returning shooter from the free throw line, hitting .806 of his shots. That would have ranked him among the conference leaders, but he did not have enough attempts (29 of 36).

"Todd is a very fine defender, probably our best returning defender," said Head Coach Stew Morrill. "He takes a lot of pride in that and we expect him to really help us in that area. We expect to give him the challenge of stopping some of the premier players in the league and having him do just that.

"He is a very fine shooter, with three-point range, and feels comfortable shooting the ball from there," Morrill continued. "We feel there is a possibility we could use Todd at the three (small forward) position. We think with our guard strength we might be able to play with a three-guard type of offense."

As a sophomore Powell started in three games and was UM's fourth leading scorer with 6.2 points a game. His previous high game was that season in a 17-point effort at Oregon. He shot 51 percent from the field that season.

He averaged 16.0 points a game at Corvallis High School in Oregon as a senior, and 6.2 rebounds. His 1979-80 basketball team won the state title and his 1981 and 1982 baseball teams won league crowns.

Powell earned three letters in basketball and baseball and was a two-time All-State pick in basketball and three times in baseball. He was also team captain in both of those sports. His coach was Mike Doherty.

His major is Finance.

His hobby is ceramics.

His parents are Gary and Carolyne Powell of Corvallis.

Birthdate: October 1, 1963.

Steve is one of the keys to Montana's season in 1986-87. "Oze" will start at center, taking Larry McBride's spot in the middle. He played in 31 games last season and led UM in field goal percentage at .598 (49 of 82).

He is also a very strong shot blocker and had 22 blocks last season. He was the team's No. 3 rebounder at 3.1 a game, despite averaging 13.4 minutes a game.

"I think Steve will surprise some people around the league," Morrill said. "He's been a little in the shadow of Mac (McBride) all these years and I think his strengths were kind of Mac's weaknesses. He's not near the scorer that Mac was, but is a very good rebounder and defender.

"I've challenged Steve to try to lead the Big Sky Conference in rebounding and I seriously think he'll be in the top two or three in the league," Morrill said. He is a strong player and seals very well inside. When he concentrates and relaxes a little bit it enables him to catch the ball and makes him a better than adequate scorer."

Last year Steve scored a career-high 13 points against Simon Fraser and Eastern Washington, and had a career-high 11 rebounds against Seattle.

As a prep he was all conference three times in basketball and twice in track, where he was third in the state in the shot put. He also lettered in football one season at St. Helen's High School in Oregon.

He set state "AA" records in the state playoffs as a senior, scoring 113 points and grabbing 58 rebounds in four games.

Vanek averaged 24.4 points and 14.2 rebounds a game as a senior and was team captain that year. He was team MVP as a senior too. His coach was Arlen Hallbacka.

He is a Business Management major.

His hobbies are hunting and fishing.

His wife's name is Lindie. They have an infant son, Zachary.

His parents are Dave Vanek of Sacramento, California and Fern Vanek of St. Helen's.

An honorable mention All-Big Sky Conference selection last season, Zanon was ranked among the league's leaders in several categories in 1985-86.

The Grizzlies' No. 2 scorer with 12.1 points a game last season, he was 13th in the Big Sky. He was also ranked in assists (3rd with a 5.4 average), minutes played (6th, 34.2 a game), turnovers (3rd, 3.3) and three-point shots (2nd with 45 of 108 for 42 percent).

"Z" scored a career-high 23 points in a home game against Nevada-Reno and was the leading scorer in that game and three others. He made two clutch free throws at Reno to give UM a 69-68 league win in their season opener last year.

Last season he set a single season assists record with 174 and is the fifth ranked assists man at UM with 241 in his career.

Last summer he played for the NIT All-Star team which participated in several games in Italy. He scored 22 points in the championship game.

"I expect a very big year out of Scott," Morrill said. "He is a three-point shooter, one of the best in the league, and has come a long, long way in terms of running a ball club. He understands how to make each player better, and understands that is the job of a good point guard — to make everyone on the club better and make the whole thing click.

"He does not get himself involved in the personal thing so much, trying to take someone one-on-one, but now he looks for the best thing to do for the rest of the team and we are looking for good leadership from Scott this season," Morrill said; "and a great year from him overall."

One of the most prolific athletes in Montana history, Scott won the Big Sky decathlon title in 1985 with a school record 7,251 points. He has two years of track eligibility remaining.

As a prep at Flathead Valley High School he was all-state in football, basketball and track.

He scored 996 points during his high school career.

He was team MVP as a senior and was the point guard for the Braves his junior season when they won the "AA" state championship. He averaged 19.3 points and 6.3 rebounds a game as a senior. He played in the Montana-Wyoming All-Star series.

His brother, Craig, was a former all-conference guard for the Grizzlies and a first team Academic All-American. His brother, Rick, was also a letterman in basketball at UM.

Scott was a third team GTE Academic All-American last season with a 3.21 GPA.

He is a Business major.

His hobbies are softball, golf and water skiing.

His parents are Robert and Adele Zanon of Kalispell. Birthdate: April 22, 1965.

---
Mike Ahlers
6-4½, 183, Forward
Junior from Tacoma, Washington

Mike was moved from guard to forward at the beginning of practice this year and will vie for playing time there. He redshirted last year after transferring from Washington State. He was second team all-league as a sophomore at Tacoma City College and team captain that season for coach Ron Billings. His JC team was fifth in the state his sophomore year.

"Mike's strength is his defensive play and he is from a very solid junior college program," said coach Stew Morrill. "He has very solid, fundamental defensive principles. That's where we expect him to help us the most.

"He has to improve his offensive skills in order to see playing time," Morrill continued. "That's where it's at right now, because his defensive ability is good enough to play at our level."

At Lakes High School in Tacoma he was a three-time letterman in basketball and was team captain as a sophomore, junior and senior. He was all-CIF as a junior and all-league and team MVP as a junior and senior. He also lettered in track as a prep. His coach at Lakes High was Russ Aldridge.

His major is Business Management.
His hobbies are listening to music, dancing and chess.
His parents are Dr. Robert C. and Dagmar Ahlers of Nurnberg, Germany.
Pronounced: All-Urs.

Mike Boken
6-10, 225, Center
Freshman from Los Angeles, California

A McDonald's All-American honorable mention selection in 1986, Mike was a four-time letterman at Loyola High School. That season he was All del-Ey league, team captain, and led his squad in rebounding and field goal and free throw percentage.

"Mike is an extremely smart player, who has a lot of the characteristics that (Larry Krystkowiak) Krysko had as a freshman in terms of picking things up and understanding what you want done," Morrill said. "He has very good hands and a good touch around the basket. Like a lot of freshmen coming in he needs strength and is working very hard to acquire that strength. He has a great future for us."

He was also a letterman in volleyball and his 1985 team won the state title. He earned two letters in volleyball.

As a senior he averaged 21 points and 14 rebounds a game, and shot 58 percent from the field. His coach at Loyola High was Bill Thomason.

An outstanding student, Mike was a national honors student and had a 3.60 GPA in high school.

He is a Business major.
His hobbies are sailing, fishing and beach volleyball.
Mike's parents are Bob and Rose Ann Boken of Los Angeles.
Pronounced: Boe-Kin.
From Edmonds Community College, Nate was co-MVP of the Northern Region for the 21-6 Tritans as a frosh. He averaged 18.5 points and 7.5 assists per game for coach Keith Kingsbury.

"He has excellent guard savvy and understands the game," Morrill said. "Nate is a good three-point range shooter which is a real plus. He is just a good, solid guard. I told Nate that he does things that are second nature, and that you just can't teach kids. The good thing about Nate is he doesn't try to do what he can't do, he just plays solid, fundamental basketball and is just a good all-around guard."

At Snohomish High School he lettered in football, basketball and baseball and was all-conference in football and basketball. He was twice all-league in basketball for coach Jim Adams and all-state as a senior. He was team captain of all three sports as a senior. His football, basketball and baseball teams all won conference crowns at S.H.S. His senior basketball team was 20-5 and fifth in the state.

He is a Business Administration major.

Kevin's hobbies are fishing, hiking, hunting and 4-wheel driving.

Nate's parents are Conrad and Carolyn DuChesne of Snohomish.

Pronounced: Doo-Shane.

Another outstanding big man recruited to Montana, Kevin received numerous accolades during his career at Sumner Senior High School.

Those honors included McDonald's All-American, Street and Smith honorable mention All-American, 1st team all-state, member of B.C. I team in Washington, All-South Puget Sound League, and Oregon Prep Basketball Camp All-America.

"Kevin is very far ahead in terms of strength considering he is right out of high school," Morrill said. "He has the size and talent to play at this level, but needs to develop better post moves. He could be a classic Big Sky Conference banger, which is important to have in our league. He'll get nothing but better with work."

He averaged 14 points and 14 rebounds a game as a senior and was team co-captain. As a junior he led the league in field goal percentage at 76.5 percent. Kevin earned four letters in basketball, two in football and two in track. His basketball coach was Darwin Monasmith.

His major is undeclared.

Kevin's hobbies are fishing, hiking, hunting and 4-wheel driving.

His mother is Beledia Harris of Sumner.

Birthdate: September 17, 1968.
Eric Jordan
6-2, 170, Guard
Freshman from Inglewood, California

Eric has to make a difficult transition of high school small forward to collegiate point guard, but if his success as a prep is any indication he will make that move with flying colors. As a senior at Inglewood High School he was co-MVP of the Ocean League, second team all-C.I.F., McDonald's All-American honorable mention, team captain and all-South Bay.

"I am really pleased at this point with the progress Eric has made in moving from forward to guard," Morrill said. "He has worked very hard on his handling, and next he just needs to learn to think as a point guard. He used to be a player who waited for the point guard to tell him what to do and now he's the guy telling everyone else what to do, and that will take some time to learn."

He was also all-league as a junior for coach Arthur Bias. Eric's prep teams tied for the Ocean League championship his junior and senior seasons. He was an honors student at I.H.S.

Eric is a Business Administration major.
His parents are Mr. and Mrs. Willie L. Jordan, Sr. of Inglewood.

Tom Lytle
6-7, 214, Forward
Freshman from Salt Lake, Utah

Tom redshirted last season and gained much-needed muscle by working hard in the weight room. He has gained 17 pounds since last season.

"Tom has excellent strength and worked hard on the weights," Morrill said. "We are playing him at power forward because of his strength. He has a good touch around the basket. He needs to grasp things a little quicker and react a little quicker. He waits for things to happen instead of reacting, and once he can do that he will give us good playing time. He will give us help underneath because of that strength I talked about earlier."

A two-time all-state basketball player at Judge Memorial Catholic High School, Tom was a Converse All-American as a senior. In the state tournament he averaged 21.7 points and 9.2 rebounds for his 26-2 team coached by James Yerkovich.

He earned two letters in track and football and four in basketball. His football and basketball teams won league championships. He was All-Region in basketball as a senior. He was a member of the National Honor Society.

Tom is majoring in English.
His hobbies are skiing and ballet.
His parents are Bill and Francine Lytle of Ellicott City, Maryland.
John Malletta

6-2, 175, Guard
Freshman from Missoula, Montana

One of the top prep players in Montana last season, John was all-conference and all-state at Sentinel High School for coach Bob Luoma in 1985-86 as the Spartans won the “AA” championship.

“John comes out of a strong high school program off a team that won the state championship last year,” Morrill said. “He needs to develop strength and quickness, and get a little tougher to have a chance to play at our level. He has good instincts and is a fine perimeter shooter.”

He was a three-year letterman in basketball, team captain as a senior, and all-conference as a junior and senior, with S.H.S. winning conference titles in 1985 and 1986.

John majors in Business Administration.
His hobbies are water skiing, sailing, scuba diving and snow skiing.
His parents are John and Dolores Malletta of Missoula.
Birthdate: June 28, 1967.

K.C. McGowan

6-6, 195, Forward
Sophomore from Missoula, Montana

K.C. played in 14 games as a freshman and hard work over this past summer could give him the edge in winning the starting berth at the “small forward” position.

“K.C. has come ‘light years’ in the three years he has been here, he’s progressed so far,” Morrill said. “He’s a very fine perimeter shooter, very, very competitive. Right now he’s playing a little too hard because of that competitiveness because he wants to excel so bad. He sees some light at the three position, since John Boyd graduated.

“He’s what you’d call a garbage player around the basket, picking up loose balls and diving on the floor,” Morrill said. “He’s a tough Montana kid. Montana kids have had that image for years and K.C. fits that image as a tough competitor.”

He was twice an all-state player at Big Sky High School for coach Bill Langlas. As a senior he averaged 21.0 points and 8.5 rebounds a game. He was named to the state’s all-tournament team twice.

As a senior he was the MVP of the Montana-Wyoming all-star series, Divisional Tournament MVP, and an Academic All-American. He was a member of the National Honors Society. He was also a track standout and an honorable mention All-American high jumper with a best of 6-10.

K.C. is majoring in Business Management.
His hobbies are water skiing and golf.
His parents are Patrick and Suzanne McGowan of Missoula.
Birthdate: November 22, 1965.

Jeff Pelton
6-5, 195, Guard-Forward
Freshman from
Palos Verdes, California

A McDonald's All-American honorable mention pick as a senior in high school, Jeff was a center at Palos Verdes High School and will work at guard for the Grizzlies.

“We will play Jeff at guard this year and that's a big transition to make, similar to the one (former Grizzly) Doug Selvig had to make,” Morrill said. “Jeff has played some guard in summer competition and so he has a little bit of an advantage there. He has a very good touch, but needs to improve his quickness. He also has good range and is a very bright player.”

He was All-Bay League, All-South Bay (Daily Breeze), L.A. Times All-South Bay first team, and team captain as a senior for coach John Mihaljevich. He was a three-year letterman in basketball.

He averaged 14 points, 7.8 rebounds and 4.1 assists a game in 1986.
He is majoring in Veterinary Medicine.
His hobbies are hunting, fishing and skin diving.
Jeff's parents are Robert and Nancy Pelton of Palos Verdes.
Birthdate: March 29, 1968.

John Reckard
6-7, 205, Forward
Freshman from
Keenesburg, Colorado

A four-sport letterman at Weld Central High School in Keenesburg, John was all-conference all four years when he played varsity basketball and three times an all-state selection.

“We were very excited when we signed John and were concerned over how he would make the transition from small high school to major college,” Morrill said. “Just a prototype three player, in terms of his potential. He can handle, he can pass, he can shoot and is also very competitive and tough. It's just a matter of how quick he can make that transition and right now he shows signs of making it very quickly. He also has close to three-point range and is a better rebounder than we anticipated.”

He averaged 24 points and 12 rebounds a game for coach Gary Stone and shot 60 percent from the field as a senior as his team finished fifth in the state.

He was an all-conference football player three times and all-state once.
He was a McDonald's All-American honorable mention in basketball. He also lettered in track and baseball.
He is majoring in Business.
His hobbies are fishing, hunting and golf.
John's parents are Dale and Maxine Reckard of Keenesburg.
Tony Reed
6-3, 180, Guard
Sophomore from Anchorage, Alaska

Perhaps the most exciting player on the Grizzly team because of his excellent one-on-one moves, Tony will see plenty of playing time this year.

"Tony has a great career ahead of him if he will do two things—be more confident and be tougher," Morrill said. "He does some things that no one else on our basketball team can do, in terms of making things happen.

"He's a great penetrator, the best we have on our club, and an exciting player," Morrill said. "He could be an outstanding defender. He is a very solid kid. We just need him to get a little more competitive and the future for Tony Reed could really be something here at Montana."

Last year he played in 31 games, averaging 4.7 points and 2.0 assists a game. A good indication of his ability to drive the middle on offense was his 62 made free throws, which ranked him second on the team.

At East Anchorage High School his teams won state championships his junior and senior seasons and he was the state MVP both of those years. As a senior he averaged 27 points and 7 rebounds a game for his 28-2 team. His coach was Chuck White.

As a senior he was named to four All-American teams and EAHS won all five tournaments it played in.

Tony's major is Business.
His hobbies are reading and being a disc jockey.
His parents are Lee and Laura Reed of Anchorage.

Mark Schultz
6-8, 230, Forward
Freshman from Spokane, Washington

A steady, hard-nosed player, Mark was all-conference and all-state at Gonzaga Prep High School. He is a very physical type of player but also has a good touch.

"Mark Schultz is an old time basketball player is the best way to put it," Morrill said. "Mark has a good understanding and knowledge of where the ball is going to come off on missed shots and has all of the little tricks. He has a good jump hook, and fakes well and that helps him. Our biggest concern is his quickness defensively and his ability to board at this level. I think he will do the fundamentals, block off type of things he needs to do to have success. He is ambidextrous, which sometimes makes him appear unorthodox, but provides him with an edge."

He averaged 12 points, 8 rebounds and one block per game for coach Skip Molitor at GPHS.

As a prep he was all-conference, played in the All-State game and was honorable mention All-American. He was team captain as a senior and lettered in basketball three times.

He is a Business major.
His hobbies are hunting and fishing.
Mark's parents are Ken and Liz Schultz of Spokane.
Wayne Tinkle 6-9½, 235, Forward
Sophomore from Spokane, Washington

One of the big keys to success at Montana this season, Wayne will start at the power forward or "four" position, a spot vacated by Larry Krystkowiak.

Last season "Tinks" played in 30 games, averaging 2.4 points and 2.2 rebounds a game. He scored a career-high 9 points against UC San Diego.

"He is a 6-9½, finesse player who has great basketball instincts," Morrill said. "Wayne understands what's happening on the court, and what the offense will get for you. He may be the best passer we've ever had at the four position. What we need to do is make him more of a power player to combine some of that finesse with power.

"If he can do that he'll have a great future here," Morrill said. "I was very pleased with his work ethic this fall. He has come back and worked as hard as he can. He wants to achieve this year and he knows it is very important to the team if he does."

As a senior at Ferris High School his team won the first conference title in his school's 22-year-old history. He averaged 23 points and 9.5 rebounds a game that season for coach Wayne Gilman. He scored a league-high 36 points and had 20 rebounds in one game.

Wayne was all-conference and conference MVP, all-state and named an All-American by Street & Smith's. He was team captain as a senior and also lettered in baseball.

His major is Education.

His hobbies are fishing, hiking, water skiing and softball.

Wayne's parents are Wayne and Elizabeth Tinkle of Plymouth, Wisconsin.

Krysko's Number 42 to Be Retired

University of Montana fans will miss seeing Larry Krystkowiak this season, and they will also miss his number — 42. The University of Montana has retired that number, the first one ever in Grizzly basketball history and the second number enshrined in UM annals. (Terry Dillon's No. 22 was retired in football.)

"Krysko" is now playing for the San Antonio Spurs in the National Basketball Association. He was the 28th player selected in the NBA draft, the fourth pick in the second round, eventually traded to the Spurs.

The Missoula product (Big Sky High School) rewrote numerous Grizzly marks and is the No. 1 scorer and rebounder with 2,017 points and 1,105 rebounds. He is the Big Sky Conference's number two career scorer, just two points behind former Weber State standout Bruce Collins (2,019). He is the league's third-ranked career rebounder.

Not only was Krysko a three-time Grizzly Most Valuable Player, earning the Dragstedt Award — but he was an unprecedented Big Sky MVP three times and the league's Player of the Week nine times. As a sophomore, junior and senior he was also an honorable mention All-American selection.

It didn't stop with athletics for the Business major. He was a first team Academic All-American as a junior and senior, continuing UM's fine tradition in academic excellence. He maintained a 3.61 GPA during his collegiate career.

A starter in 92 straight games at UM and the Big Sky's "Top Reserve" as a frosh, Krystkowiak made the final 32 of the 1984 Olympic Trials and played on numerous touring all-star teams. The former Montana all-stater also put Missoula and UM on the map with more national press than has ever been given to a Big Sky athlete and student.

Montanans will remember No. 42 not only as a great basketball player, but as a great person as well. It is fitting no other player wear his number...
Dahlberg Arena...

Dahlberg Arena, the 9,057-seat home of the Montana Grizzlies, recently not only installed a new scoreboard from First Banks Western and Southside, but also new seating. Named after former UM basketball coach and athletic director "Jiggs" Dahlberg, the Grizzlies have a home record of 185-24 since the 1972 season. Montana has averaged 8,000 fans per game in Big Sky Conference action the last six consecutive seasons.

*Big Sky Conference Game
The Big Sky Conference was formed in February 1963, when the presidents and athletic directors of six Rocky Mountain universities met in Spokane. The original conference members were Gonzaga, Idaho, Idaho State, Montana, Montana State, and Weber State. Gonzaga entered the conference as a non-football playing school.

The conference derived its name from a pair of Montanans and a Washington sports editor. A. B. Guthrie, Choteau, Mont., wrote a novel titled "The Big Sky," and Jack Hallowell, former Montana State advertising director, promoted the Big Sky theme as a nickname for the state. Harry Missildine, former Spokesman-Review sports editor, picked up the name and in a sports column promoted the name Big Sky as the name of the conference. On Feb. 25, 1963, the conference adopted the name—Big Sky Athletic Conference.

In 1970 the conference expanded to include Northern Arizona University, Flagstaff, Ariz., and Boise State College, Boise, Idaho. Both entered as football playing schools.

Nevada-Reno became the newest member of the Big Sky July 1, 1979.

Jack Friel became the first commissioner in 1963, and the offices were established in Pullman, Wash., Friel's home. Following Friel's retirement in 1971, the offices were moved to Boise, Idaho, and John Roning was named commissioner. Steve Belko was named commissioner and assumed duties July 1, 1977, following Roning's retirement.

Ron Stephenson became the fourth Big Sky commissioner in May, 1981. A native of Idaho, Stephenson was formerly the assistant athletic director at Boise State. He has 20 years of working experience in intercollegiate athletics as a student, coach and administrator.

Arnie Sgalio has served as league information director since 1979. He was recently elected 3rd vice president of the College Sports Information Director's of America (Co-SIDA).

Ron Stephenson

Montana’s Derrick Pope was the Big Sky MVP in 1983.

Arnie Sgalio

University of Montana
GRIZZLY BASKETBALL HIGHLIGHTS
1985-86 (21-11 Overall)

Grizzly forward Larry Krystkowiak was a unanimous Big Sky Conference MVP for the third straight season. He led the league in scoring and rebounding for the third year-in-a-row. He was a first team Academic All-American in 1985 and 1986 and AP All-American honorable mention the last three seasons.

Point guard Scott Zanon was the second leading scorer and led the Grizzlies in assists. He was also an Academic All-American honorable mention.

- Grizzlies are Big Sky Conference co-champions.
- Grizzlies get bid to NIT for the second consecutive year.
- Grizzlies lose to Texas Tech in Lubbock by 7. Texas Tech goes on to be one of the top teams in the Southwest Conference.
- Grizzlies have fourth straight 20+ win season.
- Grizzlies’ seniors average 21.7 wins per year during their careers.
- Montana wins its fourth straight Champion Holiday Classic.
- Grizzlies defeat the University of Washington Huskies 78-65. The Huskies finished the season in second place in the Pac-10.
- In the last four years the Grizzlies’ record against Pac-10 schools is 4-2.
- Grizzlies lead the Big Sky Conference in defense for 13 out of the last 14 years.
- Montana chosen to host the first round of the NIT.
- The Grizzlies’ loss to Texas Christian University ended a 26-game home win streak.
- Montana’s home record since 1971 now stands at 185-24.
- Montana leads the Big Sky Conference in attendance, averaging 8,191 per conference game.
- Larry Krystkowiak was chosen MVP of the league for the third time.
- Larry Krystkowiak was named to the Academic All-American 1st Team for the second time. Junior Scott Zanon was named Honorable Mention to the Academic All-American team.

Voice of the Grizzlies

“Grizzly” Bill Schwanke returns as the voice of the Grizzlies for his 15th year as the play-by-play announcer for University of Montana sports. It will be KYLT Radio’s 16th year of broadcasting Grizzly athletics and serving as UM’s official station. Schwanke is a former sports editor of The Missoulian newspaper and a former sports information director at UM. He is a 1967 graduate of UM. He has been the Montana Sportscaster of the Year five times and was the 1977 Ed Chinske Award winner, honoring Missoula’s outstanding sports professional.

TWO NATIONAL PUBLICATIONS RAVE ABOUT THE UNIVERSITY OF MONTANA'S BEAUTY

The western slopes of the Rocky Mountains provide what the October 1984 Rolling Stone Magazine rates as the most gorgeous college setting in America. Just one look at the Missoula area and it is easy to see the distinction is well deserved. Nestled in the convergence of five river valleys, Missoula is surrounded by breathtaking mountain scenery. Grand vistas of forested mountains and cascading rivers can be enjoyed while looking in any direction.

The October 1984 edition of Outside had additional praises for the Missoula area comparing the 3,092 counties in America. It rates Missoula county as one of the top 100 in its offering of "Breathing room, grand vistas and great sports."

All this beauty is not just for show. Outdoor recreation opportunities are available the year around. Within walking distance from campus, spring and fall provide students with fishing and rafting the mighty Clark Fork, restful picnics along peaceful Rattlesnake Creek. The onset of winter brings on many winter sports in addition to Grizzly Basketball. Downhill and cross country skiing along with sledding and ice skating are available just blocks from campus.

Take all the outdoor recreation opportunities and combine them with a modern city of 65,000 people and you have a unique combination of all the conveniences of a modern city and the beauty of the great outdoors.

THE UNIVERSITY OF MONTANA . . . AMERICA'S MOST BEAUTIFUL CAMPUS!
