SAN JOSE STATE COLLEGE
VS.
UNIVERSITY OF MONTANA
San Jose lineup—Backfield: Gibby Mendonsa, halfback; Harry Beck, fullback; Gene Menges, quarterback; Buddy Traina, halfback. Line: Billy Wilson, end; Jim Wheelerhan, tackle; Dick Harding, guard; Keith Carpenter, center; Carl DeSalvo, guard; Ed Miller, tackle; Bob Amaral, end.

San Jose vs. Montana

Honolulu football fans can thank the Honolulu Police Dept. for something “new” in local gridiron attraction. This year’s Police benefit game brings together two nationally reputed college football teams, the San Jose State Spartans and the University of Montana Grizzlies.

Both teams are well known to local fans. San Jose has been a constant visitor here and has appeared in the Police benefit game in the past against the University of Hawaii. Montana also played here a few years ago, meeting the Roaring Rainbows and scoring a 14-12 victory.

But this is the first time two college teams from the mainland are meeting on a local gridiron. It must be something of a “first” for San Jose and Montana also, traveling by plane to Hawaii to meet each other—several thousands of miles away from their home crowd. At least, the terrain and the fans, with the exception of the school’s alumni, will be neutral.

San Jose comes here with the more impressive record and will field a heavier team. Gene (The Magician) Menges, the top college passer in the west as a quarterback, is the spearhead of the Spartans’ offense. The team is composed of 17 veterans who played in the Raisin Bowl last New Year’s Day. The line averages over 200 pounds, with a pony backfield operating behind it.

The Grizzlies have played Oregon State, Washington State, Oregon and Idaho of the Pacific Coast Conference. That alone, and the fact that they held the Cougars and Webfoots to one touchdown victories, give you an idea of their ability in major competition. Sparkplug of the Montana team is Tommy (Sling Shot) Kingsford, who ranked No. 6 in the nation with 54 completed passes for a total of 885 yards and eight touchdowns last year. The team has 16 returning lettermen.

The game is a costly undertaking for the Police, but they wanted to give local fans a “sure-fire” game for their money, and all indications point to one of the year’s greatest gridiron contests.

Photographed by DELCARO
Montana Coach

Dame Fortune smiled on Montana football last year when All-American End Ted Shipkey, of Stanford, 1926, returned to the state where he was born (Great Falls, Sept. 28, 1904) to take over the helm of Grizzly grid teams.

Ted played his college football under Glen (Pop) Warner and he figures in Pop's "greatest moment in football" as the best pass receiver, blocking end that Warner ever coached. Shipkey still holds an end berth on the all-time All-Star Pacific Coast Conference team.

Ted made his debut in coaching at Sacramento Junior College in 1927 and moved to Arizona State at Tempe in 1930, where he coached one of three teams to the Border Conference championship. His team won two more championships while he was head coach at University of New Mexico, 1937-42, defeating Denver University in the Sun Bowl one year, then coached by his good friend and colleague, now at the same school, Director of Athletics Cac Hubbard.

A captain of the U. S. Air Corps in World War II, Ted returned to New Mexico for one year upon discharge, moved to join the Los Angeles Dons coaching staff in '46, then left the Dons in February, 1949, to take over the reins at Montana University.

"Pop" Shipkey has three football loving sons, Ted, Jr., 15, Tommy, 13, and Jimmy, 10.

His assistants are Fred Erdhaus, line coach; Edward S. Chinske, freshman coach.

A Strong Grizzly Pair: Fred Volk, junior guard, leads the way for Right Half Bob "Lefty" Byrne, junior, dangerous Grizzly ball tot-er. Volk who has been slowed down with a knee injury is back in full stride again and will be at full speed for the remaining tilts. Byrne is ranking 2nd in the Skyline "8" Conference in total yards gained. A triple threat man in his running, passing and kicking role.

**Honolulu Police Relief Association**

The Honolulu Police Relief Association operates under a charter issued on October 11, 1932, by Mr. E. S. Smith, treasurer of the Territory of Hawaii, with the approval of the then acting-governor, Raymond C. Brown.

Its membership includes only those individuals who are for the time being regular salaried male and female employes of the Honolulu Police Department. The membership of each employe in the Association begins automatically with his or her appointment as such employe and terminates automatically with the dismissal, resignation or retirement of each member.

No member of the Association pays any dues and the Association is entirely supported by subscriptions of others than the members and by the net profit of football games or other similar activities as may be deemed advisable for the purpose of raising funds for the benefit of the Association.

The funds of the Association are expendable by the board of directors under the control and supervision of a Board of Trustees, and it has been the policy of the Association to pay death benefits of, at the present time, $2,500.00 to the dependents of active members of the Association who die or are killed while employed as such. This is, however, entirely a voluntary action on the part of the Association and the directors and trustees can increase or decrease the death or other benefits from time to time as they may elect.

The charter of incorporation provides for a group insurance policy for the members of the

(Continued on next page)
Association and authorizes financial assistance to members of the corporation and their dependents and to the dependents of deceased members, in such amounts and upon such terms and under such circumstances as shall be approved by the board of directors, subject to concurrent approval of the board of trustees.

Membership in the association, at the present time, embraces a total of 531 employees. Under the group insurance plan, premium on each policy covering death benefits to the amount of $2,500.00 are paid for from the funds of the Association. This means an expenditure of $12,384.00 for the year 1950.
