THIS YEAR'S MEET

The Seventeenth Annual Interscholastic Meet will be held at the State University of Montana in Missoula, May 11-15.

Interscholastic week is by no means devoted entirely to athletics. The girls' declamatory contest, the boys' declamatory contest, the interscholastic debate to decide the state championship—these events attract students from all parts of the state.

Interscholastic week at the State University of Montana has come to be one of Montana's institutions. The meet is one of the largest interscholastic track and field contests held in America.

The annual Interscholastic Meet is Montana's meet held under the auspices of the State University of Missoula. It is for Montana students, not alone for students of Missoula and Western Montana, but for students from all parts of the state.

The Interscholastic Meet is evidence of the University's belief in Montana schools for Montana students and Montana students for Montana schools.

INFORMATION

An official blank will be sent to you about April 1, which should be filled out at once and returned to the University. Names of all contestants must be in the hands of the committee by May 5. **LATER ENTRIES WILL NOT BE ADMITTED.** Fill out the blank completely. No information is asked which is not needed.

A rate of one fare and one-third is usually given by the railroads of the state and may possibly be given this year. Purchasers of tickets over more than one road must secure a certificate for each purchase of ticket. It is absolutely necessary that a certificate be taken to receive reduced rate returning.

The committee in charge of the meet cannot be responsible for loss occasioned by the failure of visitors to secure proper certificates.

Purchasers of tickets must take certificate at place of purchase, paying full fare going.

Tickets are good three days prior to date of meet going, and one day after meet returning, Sunday excepted.

Principals or coaches will present their certificates for their teams on Friday at 10 p. m. to Professor M. J. Elrod, at the Biological Laboratory, who will refund the amount of purchase and give to principals or coaches the amount necessary for their teams to return at one-third rate.

Certificates will be signed by him and returned to the original holders. These certificates are necessary and must be presented at the ticket office to obtain the reduced fare.

Persons attending the meet, who are not delegates, may receive the same rates, but certificates must be taken. These certificates will be signed as stated above, after which they will be honored at the ticket office for reduced fare returning.

Please notify the committee when to expect you and you will be met at the train and escorted to your lodgings. Women contestants will be met at the passenger station either by Mrs. K. W. Jameson, dean of women at the University, or by Miss Lucile Leyda.

When you arrive at the station you will be assigned to your proper lodging place, and receive the necessary meal and admission tickets. Coupons are given, good for meals for three days, and lodging for three nights, on the basis of 50 cents a meal and 50 cents for each night. SHOULD THE CHARGES BE IN EXCESS OF THESE AMOUNTS THE VISITORS MUST PAY THE DIFFERENCE.

All correspondence in relation to the meet, in general, should be addressed to the Chairman, Interscholastic Meet Committee, State University of Montana, Missoula. The committee invites correspondence and will cheerfully answer all inquiries. Letters or telegrams demanding specific information may be directed as follows:

Jesse P. Rowe, chairman.

W. E. Schreiber, athletics, and general manager.

M. J. Elrod, transportation.

R. N. Thompson, entertainment of men.

Mrs. K. W. Jameson, dean of women, Lucile Leyda, entertainment of women.

RULES

1. A contestant will be permitted to enter both the declamatory and athletic contests, the debating and athletic contests, the debating and declamatory contests, or all three, if he so desires. But no more than three contestants from the same school will be allowed to participate in the same athletic event.

2. All contestants will be expected to participate in the events for which they have trained and have entered. No expenses will be paid to a contestant who does not take part in at least one event.

3. It is recommended that principals and coaches enter the men in the events only for which they are best fitted. It is hoped that athletes will specialize in a few events and make good rather than enter many and not qualify.

ATHLETICS

1. The rules of the American Athletic Union will govern all contests in athletics.

2. The standards which the competitors in each event must have attained before they are eligible to enter in that event are set opposite the events in the table below. It is understood that contestants whose names are sent in by principals have met these requirements.

220-yard dash	25 sec.
440-yard dash	60 sec.
880-yard run	2 min. 15 sec.
Mile run	5 min. 10 sec.

3. Coaches, trainers and attendants will not be allowed on the field during the games. Failure to comply with this rule will disqualify competitors from the school committing the offense.

4. In determining scores for the awarding of prizes in athletics, first place in any event shall count five points; second place, four points; third place, three points; fourth place, two points; fifth place, one point. Should the referee declare a tie for any place in any event, the point or points shall be divided and a corresponding medal or ribbon given each contestant. If a tie should occur in any event which would result in a tie between two or more schools for first place in the meet, the particular event causing the tie shall be run over so that first place may be awarded to only one school.

5. The following rules of eligibility for athletic contest governing the Montana High School Athletic Association have been adopted by the faculty of the University. They will be interpreted and enforced by the high school principals and delegates taking part.

Sec. 1. No student shall be eligible to play in any Association contest unless regularly enrolled, in regular attendance after enrollment date specified, registered and having a passing grade to date in at least fifteen recitations of prepared work, or its equivalent, weekly.

Sec. 2. No student shall be eligible to play in any Association contest who has not been enrolled as a regular student for at least two weeks directly preceding such contest.

Sec. 3. No student shall be eligible to participate in football who enrolls later than October 15, nor in basketball who enrolls later than December 1, nor in spring sports who enrolls later than March 1 of any year; provided, that the above shall not apply to pupils received by transfer from other Montana schools. Such pupils must, however, show an original enrollment as described above.

Sec. 4. No student shall be eligible to play in any Association contest who has already played for four years in high school games or who is a high school graduate.

Sec. 5. No student shall be eligible to play in any Association contest who is more than 21 years of age.

Sec. 7. No student who has ever participated in athletics in an institution of learning higher than secondary rank shall be eligible to play under the rules of this Association.

Sec. 8. No student who, during any school year, shall become a member of any athletic team not a high school team shall be eligible to take part in any Association contest during the remainder of that year; provided, that this shall not apply to games not maintained during the year of the high school of which he is a member.

Sec. 9. No student, a member of any athletic team, who shall sever his connection with any school during any athletic season, or before the close of either semester, shall be eligible to compete in any Association contest until he shall have been again in regular attendance at least one full semester.

Sec. 10. In the case of a student received by transfer from another state, such student shall not be eligible to compete in athletics until the principal of his school shall have filed with the secretary of the Association the information as to his athletic record called for on the blank described in Article 9, Section 2, of this Constitution.

Sec. 11. No student shall be eligible to compete in any Association contest during any semester who failed to receive a passing grade in at least 15 hours of prepared work, or its equivalent, during the last preceding semester in which he was in attendance.

DEBATE

Winner for 1918-1919. Miss Olive McKay, Glasgow High School.

Questions for 1919-1920: For the District Contests: The city manager plan of government should be adopted by the cities and towns of Montana. For the State Contest: The state and federal government should pass a minimum wage law affecting all types of employment.

(These two questions were chosen by ballot. A list of questions was sent to the high schools which were members of the league last year or had been the year before. The principals were requested to indicate on an addressed card and to return to the president their preferences of the questions suggested for the local and state contests. At the business meeting a committee was appointed to redraft the question for the local contests. This committee reported the question as it now stands.)

RULES GOVERNING THE DEBATE CONTEST

(Adopted by the High School Debate League May 11, 1916. Only minor changes made since then.)

1. There shall be only one series of state high school debates, provided, however, that in case so many schools enter as to make it impossible for all winners in the local contests to be represented in the finals, the executive committee shall be authorized to district the state. For the local or district debates the schools shall be paired on the basis of convenience and expense. The debates in this series shall occur between the first of November and the first of March. Each winning high school in the local or district contests will be entitled to select one of its team to send as its debating representative (at the expense of the University) to the Interscholastic Meet of the University in May. This school is left to its own discretion as to how it will select its representative from the team, but it is suggested as desirable that the selection be deferred until a few weeks before the Interscholastic Meet. Under the plan just summarized the University will not provide, at its expense, any of the judges.

2. The contestants in the final debate will not know when they come to Missoula upon which side of the question they are to present their arguments. At 1:30 p. m. on the day of the contest the representatives will be called together and will be paired off by lot into groups of two, one affirmative and one negative in each group. Immediately after the pairing off the contestants will report to the library, where they will be assigned reserved tables to work during the afternoon. They are not to confer with their coaches after the pairing off. A recitation room in the Library building will also be reserved for their use.

3. Each affirmative speaker in the series of pairs will have seven minutes in which to present his direct argument. Then he will have four minutes for rebuttal, which will be given after his opponent leaves the floor. Each negative speaker in the series of pairs will have eleven minutes for rebuttal and direct argument.

In case of an odd number of contestants, there shall be three contestants in one of the series, one affirmative speaker and two negative speakers. The second negative speaker shall not hear the first negative. The order of the two negative speakers shall be determined by lot.

4. No set of speakers shall hear those who precede them.

5. After the speakers have been assigned their topics, they are at liberty to secure further information, but they are pledged upon their honor not to secure help in the organization, arrangement, or delivery of their material.

6. There will be no decision given on the question itself in the final debate. The judgment will be entirely on individual merit; the contestants will be ranked first, second, etc., as in other interscholastic contests.

Main Hall

DECLAMATION

Winners for 1918-1919. Miss Eloise Wilson, Gallatin County High School; Mr. John MacDonald, Great Falls High School.

RULES GOVERNING THE DECLAMATORY CONTEST

1. The contest in declamation is open to both sexes, but each school may have but one representative. The contestants are not to be appointed; they are to win the honor of representing their schools in home contests in such a manner as the school authorities may direct.

2. There will be three prizes in the boys' contest and five in the girls'. Gold, silver, and bronze medals will be awarded in the boys' contest for first, second, and third places, respectively. Similarly, gold, silver, and bronze medals will be awarded in the girls' contest, and, in addition, ribbons for fourth and fifth places. The committee believes that because of the larger number of entrants in the girls' contest the fourth and fifth place winners should receive recognition.

3. There will be ten or twelve speakers in the final competition. The entrants in the preliminary contests will be divided by lot into groups. First and second, or first, second, and third place winners (the number to be determined later) in the group contests will be eligible to compete in the final contest.

4. The selection to be given by a contestant may be prose or poetry, humorous, pathetic, oratorical, or dramatic, but it is urged that intensively dramatic or melodramatic selections be avoided.

5. No selection may take longer than ten minutes for delivery. Time keepers will be appointed by the committee in charge, who shall note the length of time consumed by each speaker; contestants exceeding this limit will not be considered in the selection of winners.

6. The judges shall be selected from the State University faculty, and the merits of each speaker marked on a scale of 100 per cent, 30 per cent on pronunciation and enunciation, and 70 per cent on general delivery.

The judges shall mark the first speaker in each contest 100 per cent and succeeding speakers higher or lower as their judgment may warrant. Each selection will then be ranked according to the percentages given. If any selection is given first place by a majority of the judges, it shall be declared the winner. If no selection is so marked, the selection receiving the lowest sum of ranks shall be declared the winner. In case both the preceding methods fail, the selection having the highest sum of percentage shall be given first place. Second, third, fourth, and fifth places in these contests shall be decided in a similar way.

ESSAY CONTEST

Winner for 1918-1919: Miss Dorothy Spencer, Flathead County High School.

Subject for 1919-1920: One of the Industries or Resources of Montana.

Students are advised to choose for consideration **one** of the industries or resources of Montana; it would be an impossible task to consider in a paper of this length all the resources or industries of the state. The student is furthermore advised to choose the industry or resource of his community; his own experiences in and knowledge of the industry will serve to lend color to his treatment of it. Information on the various resources and industries of the state will be found in various pamphlets issued by the Department of Agriculture and Pulchric at Helena.

All communications concerning the Essay Contest should be addressed to Mr. E. L. Freeman, The Department of English, State University.

RULES GOVERNING THE ESSAY CONTEST

(Adopted at a meeting of the high school principals at Missoula, December 27, 1907. Amended May 16, 1908, and by correspondence June, 1911.)

1. All members of the graduating classes of the accredited high schools in the state of Montana shall be eligible to compete for the medal.

2. The topic on which the essay shall be written shall be selected by a committee of three, consisting of the professor of English, the professor of literature, and the professor of history. No essay shall exceed three thousand words.

3. Each high school may hold a preliminary contest about April 1, for the purpose of selecting the best essay. The contest may be in charge of one of the teachers of English. The principal, the teacher in charge, and the student who writes the essay shall sign a statement that the essay is not plagiarized.

4. A typewritten copy of the best essay in each preliminary contest marked on the first page with some motto or pseudonym shall, on or before April 15, be sent to the chairman of the committee at the University. The signed statement with regard to plagiarism shall be sent with the essay. All essays received by the committee shall be submitted to three judges, who shall be appointed by the president of the University. The judges, without knowing the names of the students who wrote the essays, or what schools are represented by them, shall rank and grade each essay on the following basis: correctness (paragraph and sentence structure, English usage, etc.) 40 per cent; originality, interest, general structure, 60 per cent. The

essay having the highest range shall be declared the winning essay. In case there should be a tie in the ranking, the one having the highest grade (percentage) shall be declared the winning essay.

5. The name of the high school that wins the prize shall be announced at the time of the final debate contest.

(This should be amended to conform to the established procedure of deferring official announcement of prize winners, as far as possible, until the last evening of Interscholastic.)

6. The prize essay, with the name of the writer, shall be printed in the annual bulletin of the High School Debating League.

(Because of the lack of space the prize essay has not been printed the last few years.)

7. Students who finish their work at the end of the first semester of any year will be required to write their essays before the first day of the second semester. This special privilege is given them with the understanding that any principal who receives essays on these conditions will, under no circumstances, allow any changes to be made after they have been submitted to him, but will keep them in his possession until the date set for the preliminary contest (about April 1). At this time he will select from all the essays submitted by his students (both the January and the June graduates) the best essay, which he will send to the University.

(Amendment adopted by correspondence between the chairman of the committee of the University and the principals of the high schools.)

ENTERTAINMENT

In addition to providing the trophies and prizes described elsewhere, the University will provide, under the following regulations, free entertainment to contestants and women chaperons as stated below.

1. The University will pay the railroad fare to Missoula and return (meals and sleeper not included) of the debater in the final contest and two contestants (one in declamation, one in athletics; or two in athletics) from each of the fully accredited high schools of the state.

2. Lodging for three nights and meals for three days will be furnished free to contestants in debate, declamation, and athletics, and women chaperons. The University will not, however, furnish free entertainment to more than three contestants in athletics and declamation from each school. Any accredited high school may send a maximum of ten representatives to participate in the meet. The expenses of the extra students must be met by the respective high schools.

3. No schools should send contestants without competent chaperons, one for young women and one for young men, to lodge with them

and be responsible for their deportment. No school will be given lodgings without such chaperons. The University does not pay the railroad fare of these chaperons; it offers to women chaperons the same entertainment which it accords to contestants.

4. Tickets for meals and lodgings will be given to coaches and women chaperons, who must stay with their teams. Application should be made to Professor R. N. Thompson for tickets for men and to Miss Lucile Leyda for tickets for women.

5. Refund of money for railway tickets will be made by Dr. M. J. Elrod. No money will be paid to individual pupils. The refund is paid to the principal or coach at 10 a. m. Friday, Biological Laboratory, Natural Science Hall.

6. Principals or coaches are requested to collect railway certificates from the members of the teams. These should be turned in together at the University business office so as to save time and the danger of confusion.

7. The University regrets that the limited accommodations of Craig Hall make necessary the announcement that no person can possibly be lodged there.

8. All chaperons will be admitted free to all events; contestants in declamation will be admitted free to the declamation contests only; contestants in athletics will be admitted free to the athletic events only. All contestants will be admitted free to the final program. On Thursday and Friday will be held two baseball games, both between the University of Montana and the University of Idaho, to which all contestants and chaperons will be admitted free as guests of the University.

9. It will be necessary to lodge the women contestants and their chaperons in private homes. The men will be assigned by the committee to hotels in the city. Principals and chaperons must assume responsibility for the proper conduct of their students; should hotels prove damages caused by students, the committee reserves the right to withhold payment of their traveling expenses.

10. Should any principal wish to seek rooms or meals for his students at any other places than those selected by the committee, he may do so, making his own arrangements therefor.

11. All the events of the meet, including the awarding of the medals, will be held on the campus.

PRIZES

The University provides, in addition to the special prizes awarded in the debating and essay contests, gold, silver, and bronze medals, and blue and red ribbons, suitably inscribed, for the winners in the athletic contests and in the girls' declamation contest, and gold, silver, and bronze medals for the winners in the boys' declamation contest.
