### **President Robert T. Pantzer**

Robert T. Pantzer was appointed President of the University of Montana on December 16, 1966 after serving five months as UM acting president. He was the financial vice-president under President Robert Johns and is a professor of business administration. Pantzer has been with the University since 1957.

He received his B.A. in business administration from the University of Montana in 1940 and served 42 months overseas during World War II. Pantzer was discharged as a United States Army Major and was awarded the bronze star for meritorious service in the East Indies.

Pantzer returned to his alma mater and graduated from the University of Montana Law School in 1947. He served as county attorney at Chester, Montana from 1947-50 and practiced law in Livingston before returning to the Missoula university.

One of the first important steps Pantzer took as president was to revitalize the UM athletic program. He appointed Jack Swarthout as head football coach and athletic director only a few short weeks after assuming his duties as president.

President Pantzer and his wife Ann have three children.

### **Big Sky Coach of the Year**

Jack Swarthout became the University of Montana athletic director and head football coach in 1967 and already has achieved something no other coach has achieved in the 73-year history of the sport at this school. He is the first man to guide a UM grid team to more than seven wins in a season; the first man to coach an undefeated Montana football team and conference championship squad; the first man to take a Grizzly team to a bowl game and the first man to coach a Montana team to a national ranking—Number 2 in AP and UPI College Division Polls (final). For this Swarthout was awarded the 1969 AP and UPI Big Sky Coach of the Year and received the 1969 Ray Rocene Award presented to the outstanding Missoula sportsman each year. The UM coach was also a finalist in the Inland Empire Coach of the Year and Montana Sportswriters' Sportsman of the Year Awards. In 1967 Swarthout received the Big Sky Co-Coach of the Year Award from United Press International. Swarthout's three-year record at Montana is 19-10.

Swarthout was born in Prosser, Washington on February 23, 1920 and was a football, basketball and baseball letterman in high school. He attended the University of Montana and competed for the Grizzly athletic teams. Swarthout was a student of U.S. Senate Majority Leader Mike Mansfield and received his B.A. degree in political science in 1942. He served four years in the armed services as a lieutenant in the airborne infantry.

The UM mentor coached at Hoquiam High School in Washington and then served three years as an assistant coach to Darrell Royal at the universities of Washington and Texas. Swarthout coached at Olympia High School and compiled a 50-14-2 record in seven seasons.

#### **COACH JACK ELWAY**

Jack Elway came to the University of Montana in February 1967 as Coach Swarthout's first assistant. He was head coach at Grays Harbor College in Aberdeen, Wash. where he compiled a 32-17-2 record over a six-year span. Prior to coaching football at GHC, Elway was head football coach at Port Angeles High School in western Washington. His record at Port Angeles was 39-12. He also was a prep basketball and baseball mentor.

Elway was born in Hoquiam, Wash., in 1931 and earned six letters in that city's high school. He attended Washington State University, Pullman, and graduated in 1953 with a B.S. in physical education. In 1965 he earned his M.S. in physical education from WSU. His collegiate athletic career was halted after his freshman year by injuries.

He is married and the father of three children.

Elway also coaches the defensive secondary.

#### COACH BILL BETCHER

Bill Betcher joined the UM football staff as offensive interior line coach in July 1967 after four years as line coach for Central Washington State College, Ellensburg. He was also the head grid mentor at Castle Rock High School in southwestern Washington for four years and chalked up a 22-5 record.

Betcher was born in Woodland, Wash., and lettered in football, basketball, baseball and track at Washougal High School in Washington. He lettered in freshman football at the University of Oregon, Eugene, and transferred to Central Washington State College. At CWSC Betcher lettered twice in football and was selected to the Little All-American team in 1961.

He is married and the father of four children.

#### COACH RON NORD

Ron Nord joined the UM football staff in March 1968 after six years as Grizzly head basketball coach. He is the end and linebacker coach. Nord also coached football at Beaver Dam and Oshkosh high schools in Wisconsin. He was a scout and recruiter while serving three years as assistant basketball coach at the University of Wisconsin, Madison.

Nord was born in Minneapolis, Minn., in 1926 and lettered in football, basketball and baseball at South High School in Minneapolis. He lettered in basketball and baseball at the University of Wisconsin and graduated from UW in 1950 with a physical education degree. He served in the U.S. Air Force from 1944-46 and worked on the atomic bomb project.

He is married and the father of five children. His son Jeff is a UM honors student and member of the UM varsity basketball squad.

#### **COACH CHARLEY ARMEY**

Charley Armey joined the Grizzly football staff in February 1970 after an outstanding one-year college coaching record at Montana Tech, (4-3-1). Armey was also an assistant coach at North Dakota State University, Fargo. He coached football at Graceville and Breckenridge high schools in Minnesota and compiled an 11-5-2 marking. He is the defensive line coach.

Armey was born in Cando, N.D., in 1939 and lettered in football, basketball and baseball at that city's high school. He attended Valley City State College, Valley City, N.D., and lettered three years in football. Armey graduated from VCSC in 1966 and earned his M.S. from North Dakota State University in 1969. He served four years in the U.S. Navy. He is married and the father of two children. Coach Swarthout discusses the game plan with his quarterbacks Ray Brum and Steve Caputo.

# **1970 Grizzly Outlook**

The University of Montana must replace seven key starters in 1970 to have a successful season. Gone from the 1969 undefeated team are starters Doug Bain, split receiver; Ray Brum, quarterback; Tuufuli Uperesa, tackle; Bill Gutman, tackle; John Stedham, guard; Roy Robinson, cornerback and John Talalotu, defensive end. Uperesa was twice an All-Big Sky and All-American candidate and Brum made the All-American team last season. Robinson, Stedham and Gutman also were All-Big Sky choices.

The strong point for the Grizzlies this fall should be the defense. Nine of the eleven starters are back including five All-Big Sky first teamers (Jim Nordstrom, end; Larry Miller and Larry Stranahan, tackles; Tim Gallagher, linebacker and Karl Stein, free safety). Stein and Miller were All-Americans. Other returning starters are linebackers Bill Hickerson, Marty Frustaci and Bill Sterns and defensive backs Pat Schruth and John Waxham.

Montana has some added strength on defense with transfers Greg Maloney, end; linebackers Bruce Spencer and Bob Serowik, and defensive backs Lonzie Jackson and Dean Dempsey. The Grizzlies will get added strength from the 1969 frosh team in defensive end Dennis Falk; linebackers Curt Henningsen, Terry Pugh and Jim Richter and defensive backs Yasuo Yorita and David Leigh.

One of the several big questions in 1970 is the quarterback spot. Montana has transfer Gary Berding, who guided Central Iowa to the Wool Bowl victory last fall, sophomore Elroy Chong and junior Steve Caputo vying for the starting berth. Ray Brum graduated and will not be easy to replace.

Another big question for Montana is the offensive line. Only two Grizzly starters are back this fall, guard Willie Postler and center Ray Stachnik. Swarthout has 1969 utility lineman Len Johnson; transfers Greg Semple, John Lugviel, Barry Darrow and Steve Okoniewski, and frosh stars Ron Richards and Jim Leid to fill the gaps.

The Tip backfield should be as strong as it was last fall. All-Big Sky halfback Arnie Blancas, All-American fullback Les Kent and 1969 starter halfback Casey Reilly are back. Transfer Wally Gaskins, veteran Jim Schillinger and sophomores Monte Sever and Sparky Kottke add depth to pack the mail.

Montana has a host of fine receivers in split ends Tom McMahon and Glen Welch and tight ends Jim DeBord, Tom Bodwell and Dean Hovdey. DeBord was a starter last fall and McMahon shared starting time with Doug Bain.

The Grizzly kicking combination is back. Kicker Dan Worrell has his holder Bob Guptill back this year. Guptill started as a defensive halfback in 1968 and left school last fall. Guptill could also earn his starting role back in the secondary but is a sure bet to hold for Worrell, Montana's All-American kicker.

Worrell's 30-yarder less than three minutes into the game gave Montana a 3-0 lead after a Wildcat fumble at the Weber 20. With just more than three minutes left, Les Kent capped a 38-yard drive with a two-yard plunge for six points.

MISSOULA (Oct. 11)-Montana's offense rolled for 557 total yards, 443 on the ground, while the defense held Idaho to 334 and intercepted four passes as the Grizzlies won their fifth game without a loss by beating the Vandals 34-9 Saturday.

Idaho never crossed the goal line, relying on three field goals of 31, 38 and 27 yards by Rich Castillo. His 31-yarder gave the Vandals their only lead in the second quarter with 9:35 left. Mike Buzzard's 14-yard scamper capped a four-play drive of 71 yards less than two minutes later and Montana led 7-3. #### MONTANA-IDAHO STATE

MISSOULA (Oct. 18)-The University of Montana overcame a 478-yard effort by Idaho State quarterback Jerry Dunne and had two players, Les Kent and Arnie Blancas, run for more than 100 yards apiece Saturday as the Grizzlies beat the Bengals 46-36 and clinched at least a tie for the Big Sky Conference

#### MONTANA-MONTANA STATE

BOZEMAN (Nov. 1)—Montana State's Bobcats missed a big chance to upset the Montana applecart Saturday when Frank Kalfoss went wide right with a 42-yard field goal attempt with seconds left and the Grizzlies held on for a 7-6 victory and undisputed first place in the Big Sky Conference.

Montana got a taste of things to come when Arnie Blancas raced 42 yards on the Grizzlies' second play only to lose a fumble at the Bobcat 15. Momentum went to Montana State, which took a 3-0 first period lead on a 39-yard field goal by Kalfoss.

The Grizzlies came back for a 7-3 halftime edge when Ray Brum scrambled from Bobcat pursuit and hit Blancas with a 49-yard pass play. Dan Worrell added the ever-important PAT kick.

Kalfoss got Montana State's final points with 11:49 left in the third quarter. That set the stage for the final try which failed. Montana State lost one sure touchdown when fullback Gary Hughes fumbled going into the end zone.

Worrell's record setting 50-yarder . . .

DAN WORRELL-ALL-AMERICAN GRIZZLY KICKER

Dan Worrell is already the University of Montana's all-time top scorer and the greatest kicker in the history of Grizzly football. He is consistent from better than 40 yards and last fall against South Dakota State University booted a 50-yarder to set a new school and Dornblaser Stadium record. In 1969 he was the leading Grizzly scorer and tallied 71 points. Worrell kicked 40 of 41 conversions and was nine of 18 in the field goal department. His field goals travelled an average of 35.7 yards.

Worrell scored 113 points in his two year varsity career at UM and kicked 28 points his freshman season including 45 and 43-yarders. As a kicker at Great Falls Public High School, he scored 96 points.

In 1969 Worrell was the second best NCAA College Division kicker in the nation and sixth in the NCAA University and College Division. However, if the points the Montana specialist kicked in the Camellia Bowl were counted, he would be tied for fourth in this country among NCAA kickers. More than 500 kickers competed on the nation's college gridirons in 1969.

#### KARL STEIN-A DIFFERENT KIND OF ALL-AMERICAN

Last season Karl Stein was named to two squads, the All-Big Sky first team and the NCAA All-District 6 first team. He broke three school records and tied two more. Stein, in setting his University of Montana pass interception record of 11, also broke the conference record of 10 interceptions in a season. He received honorable mention on the Kodak and AP All-American teams.

The reason Stein is a different type of All-American is that he is an art major. Not too many athletes in this nation have an appreciation for the fine arts, and if they do it is usually in the field of music. Stein loves to paint and design and will graduate from the University of Montana next spring with a Bachelor of Arts degree in art.

The only other team member of the 1969 squad to show an interest in art was Roy Robinson, also an All-Big Sky first team selection and NCAA All-District 6 choice. Robinson minored in art, and painted many of the signs that guide skiers down the slopes on the Missoula ski areas. Robinson was graduated from the University of Montana last spring and is now with the Atlanta Falcons.

Band Director, Butler R. Eitel, came to the University of Montana in 1967 from Macalester College, St. Paul, Minn., where he was conductor of the band and orchestra. He also has been band conductor at MacPhail College, Minneapolis, assistant band conductor at the universities of Minnesota and Maryland and with the United States Air Force Band. Eitel is a graduate of the University of Michigan School of Music and received his Masters of Music from MacPhail College.

### **Fighting Grizzly Marching Band**

Montana's snappy 75-piece marching band has developed into one of the sharpest and most entertaining bands in the Northwest. The band performs at every home game presenting pre-game, halftime and post game shows. The Tip unit also travels to either Bozeman for the UM-MSU rivalry or to Moscow for the Montana-Idaho clash. Last fall the band accompanied the Grizzlies to the Camellia Bowl in Sacramento and drew wide acclaim for the outstanding performance. The assistant band director this year is Lance Boyd, now a UM music instructor.

Montana's cheerleader homecoming queen Clarene Hornung.

1970 Cheerleaders

Leading the Tip cheers are (left to right, bottom row) Susan Gail Sullivan, Whitehall; Marcia Lee Delano, Missoula; Sharon Lee Corning, Billings and Barbara Jean Wemper, Billings. Pictured in the top row are the Morgan sisters of Helena, Deborah on the left and Robin on the right.

Left to right (bottom row): Ray Velez, Boyd Collins, Bob Makemes, and Wade Jacobsen. (Top row): Tim O'Hare, Howard Johnson, Coach Harley Lewis. Dick Miller, Ray Ballew and George Cook.

### 1969 Big Sky Cross Country Champs

For Coach Harley Lewis, the 1969 Big Sky cross country championship was the second during his four years as UM track and cross country coach. Lewis's team also won the 1967 cross country title. Not only did the Lewismen walk off with top team honors, but Grizzly runners swept the first three places and the lowest ranking Tip runner placed 20th in the 40-man field.

Wade Jacobsen, the Simms junior, successfully defended his 1968 championship covering the course in 20:46.0. The Moscow, Ida. course was more than four miles long. Senior Ray Velez, San Bernardino, Calif., captured second place and freshman George Cook, Highland Falls, N.Y., took third.

Prospects for the 1970 season look good for the Grizzlies. Lewis loses only Ray Velez from the championship team and has gained three high school seniors who have indicated they will attend the University of Montana.

Lewis has Jacobsen, Cook, Tim O'Hare, Howard Johnson, Bob Malkemes and Ray Ballew back from the championship squad along with Boyd Collins. These men will have their work cut out for them as Northern Arizona, which officially enters the Big Sky Conference with Boise State in 1970, has a crop of excellent distance runners. Along with NAU is perennial title contender, Idaho State.

The Lumberjacks have six-miler Richard Sliney who captured second in the NAIA six mile in 1970 and Richard Shelby, the second place finisher in the NAIA mile competition last year. Both are sophomores.

Idaho State has Tony Rodriguez and Nelson Karagu returning and have a host of fine freshmen competing, while Montana State has Jim Robbins back and Weber has Brian Hanson.

### **Sports Complex**

#### GIANT NEW SPORTS COMPLEX FOR MONTANA

A giant new multi-million dollar sports complex is in the planning stages at the University of Montana. It is estimated that the complex will cost anywhere from \$2 to \$8 million and will be the future home of University of Montana Grizzly football.

A football stadium is only a small part of this 35-acre expansion. However, it is planned that the football area will seat about 20,000 fans and contain a tartan all-weather turf.

Also contained in the plans for the sports addition are tennis courts, a baseball park, a track with an all-weather oval, a swimming complex, an ice arena with a regulation hockey rink and a 14-acre fresh water impoundment for research projects.

The complex also is designed as a recreation area. A park will surround the lake, and townspeople as well as students will be able to enjoy the facility.
