**DATE**: March 1, 2006
Acting Chair Pavlish called the meeting to order at 6:09 p.m. Present: Pavlish, Abaidoo, Buchman, Cox, Dawson, Duncan (6:12), Epperson (6:12), Hagen, Helling, Henderson, Hogue, Hunter, Jacobson, Knobloch, Nalty, Oram, Pipinich, Prongua (6:12), Prosperi, Samuel and Sparano. Excused were Cederberg and Venetz.

The March 12, 2005, minutes (Final Budgeting 2005) were approved as written on a motion by Helling-Knobloch. The February 15, 2006, minutes were approved as written on a motion by Helling-Jacobson.

Public Comment
*Dean Couture commented on ASUM President Cederberg’s column in the Kaimin, which was published last week, and pointed out some misconceptions. He said the DAAC is only promoting responsible behavior and not trying to combat the culture of drinking. He said the Committee isn’t taking an adversarial role regarding Aber Day and isn’t out to foil it. The committee only wants to encourage responsible thinking about the activities and to take adequate steps in risk management if, indeed, any are warranted. He thanked Senator Duncan for coming to a meeting on President Cederberg’s behalf when Cederberg was unable to attend. He said Duncan did well responding to questions about Aber Day and was very open about saying so when he didn’t have the information requested.*

*Anita Maddox would like UM to suspend the Coke contract until an independent investigation can take place. The corporation admits that there are human rights abuses but disputes their role in it.*

*Sam Schabacker asked Senate to honor students by voting against the resolution.*

*Jay Bostrom hoped UM will look for ethical sources of revenue. He would like to see the tax codes changed to attract new businesses to Montana.*

*Eric Schultz felt that UM provides a good education for the price. He thinks lending the name obscures the educational mission of the University. The University shouldn’t be an investment opportunity for corporations.*

*Chris Henderson and Tara Ness read email correspondence with Senator Pipinich arguing exclusive vs nonexclusive contracts.*

*John Fletcher circulated information on the Good Health Whole Food Group’s proposed speaker Howard Lyman.*

*Ross Miranti recounted incidents related to Coke plants around the world.*

*Matt Beard told ASUM it has an opportunity to represent student wishes in this matter.*

*Eric Webster said he has no desire to bash corporate America, that his feelings are neutral. However, he would like to see an independent investigation of Coke and wants UM to have integrity in general in these matters.*

*Hannah Richtner-Ahlin said ASUM is contradicting the results of the 2002 resolution. She hoped ASUM would uphold that and preserve rights.*

*John Meier reminded Senate of the 2002 resolution they passed which was written by Heather O’Loughlin, who is now our student regent. UM signed the Coke contract right after its passage. By passing the current one, he asked what message that would send to petitioners and others.*

Carol Hayes
ASUM Office Manager
Resolution to amend Fiscal Policy Section 10.0

Whereas, the resources of the Associated Students of The University of Montana (ASUM) are limited;

Whereas, student groups which request monies from the ASUM often do not receive the total sum requested due to limited funds;

Whereas, certain groups and ASUM agencies carry over remaining balances from fiscal year to fiscal year;

Whereas, in order to encourage student groups and ASUM agencies listed in section 10.5 of Fiscal Policy to spend their monies as appropriated in a given fiscal year, the ASUM should adopt a cap on carryover amounts;

Therefore, Let It Be Resolved that the Associated Students of The University of Montana amend section 10.5 of Fiscal Policy as follows:

10.5 Any unexpended Senate-appropriated amounts below $3,000 remaining in the following accounts at fiscal year end shall be retained in their respective accounts:

A. Sports Union
B. Music Union

10.6 Any unexpended Senate-appropriated amounts above the $3,000 carryover limit in the above accounts shall automatically be deposited into the Zero-base Carryover account at the end of each fiscal year.

10.7 Any of the above accounts on appeal may, by 2/3 vote with permission of the Board on Budget and Finance and Senate approval, retain Senate-appropriated monies above the $3,000 limit.
