Griz Host NAU, Reno In Final Regular Season Home Games

It's getting down to crunch time in the Big Sky Conference and sixth-year Grizzly basketball coach Mike Montgomery calls this week's home games, the last one of the regular season — "must win games."

"Right now we're still looking at finishing in the top four to host the first round game," he said. "If we could get these two then that would put us at 8-3 in league and give us 20 wins. After we reach that goal then we'll start looking ahead."

Montgomery, of course, was referring to the new, eight-team postseason playoffs. The top four teams are now "must win games." NAU has three players who are averaging in double figures, led by guard David Allen's 13.8 average. Lead guard Jeff Altman and forward Andy Hurd are averaging 13.0 and 12.5 points a game, respectively. Center Mike Elliot is the only senior starter.

Despite NAU's ability to play the Grizzlies tough in Missoula, they are 0-14 here, with 13 of those losses in league games. The other loss was prior to their entry into the Big Sky. UM is 139-22 at home since the 1972 season.

Reno has a 61-59 home win over UM earlier this season on a 17-foot shot at the buzzer by junior guard Curtis High. High is one of three Big Sky players nominated by the United States Basketball Writers' Association as an All-American candidate from District 7 (Wyoming, Utah, Idaho, New Mexico, Colorado, Nevada and Montana). The other two are the Grizzlies' Larry Krystkowiak and Boise's Vince Hinch.

Coach Sonny Allen's Wolf Pack gets good point production from High and fellow backcourt mate Dannie Jones, who average 11.2 and 12.4 points, respectively. But, speed is UNR's forte. The Pack has had 10 or more steals in more than half of their games. They caused eight Grizzly first-half turnovers in Reno.

"Reno's quickness really gives us problem," Montgomery said. "We have got to take better care of the ball this time to be successful."

Krystkowiak continues to excel in all areas in the Big Sky. He is the second leading scorer at 16.9 points a game, leads the league and is fourth in assists. He averages an incredible 39.6 minutes a game in conference play.

Mike Montgomery is in his sixth season as head coach at the University of Montana, and his eighth year as a Grizzly mentor. He served as an assistant coach at UM for two seasons prior to becoming the head coach.

Mike has taken the Grizzlies to the Big Sky Conference's postseason playoffs all five of his seasons as head coach. Last year his team narrowly missed advancing to the title game, bowing to Weber St. 54-53 in the first round of the playoffs.

Not only has Montgomery, who is called "Monty" by friends and players alike, qualified five times for the playoffs, but the 36-year-old has already established himself as one of the winningest coaches in the university's history. His overall record of 88-51 gives him a winning percentage of .633 — the best in the school's 76-year history. Montgomery's 88 wins is the second most in the school's history.

Montana's 21-8 record last year was the fifth time in history a team has won 20 or more games in a season. Montgomery has 13 years of major college coaching experience. He served as an assistant coach three seasons at Boise State before coming to UM. He has also had coaching stints at the U.S. Coast Guard Academy, Colorado State, the Citadel and the University of Florida.

He likes his teams to fast break on offense, and employs a structured, early offense, "designed for people who are disciplined and can shoot the ball. I stress high-percentage shots and tough rebounding, and patience for the good shot."

Defensively Montgomery likes his opponents "to beat themselves by playing tough and physical, forcing them to take poor percentage shots." He added that he uses many defensive looks, depending on the opponent.

The Grizzlies have led the Big Sky in defense 10 of the last 12 seasons, and were ranked fourth in the nation in 1978-79 — Mike's first season as head coach.

Montgomery is a 1968 graduate of Long Beach State, and is a native of Long Beach, California. He played basketball at LBS for four years and volleyball and rugby for two. He earned his master's degree in Physical Education from Colorado State.

His wife's name is Sarah. They have an infant son, John Michael.

Assistant Coaches

Stew, 31, is in his sixth season as the number one Grizzly assistant in charge of recruiting and scheduling. He was an assistant coach at former Big Sky Conference member Gonzaga University for three years. During those three years he was the number one coaching assistant and was the school's recruiting coordinator for two seasons. He was a graduate assistant for the Bulldogs for one season.

He was an All-Big Sky center at Gonzaga his senior year in 1973-74, and was named team captain and Most Valuable Player for the Bulldogs that season.

Prior to playing at the four-year level he participated in basketball at Ricks College, where he averaged 23 points a game as a sophomore and was named a JC All-American.

He played pro basketball in Europe for a Division I team in Bordeaux, France, after his graduation from Gonzaga in 1974. After a few months with the team he was named player-coach.

From Provo, Utah, Morrill earned nine letters in basketball, football and track at Provo High School.

His wife's name is Vicki. They have three children.

Stew Morrill
Assistant Coach

Bob Niehl is in his fourth season at UM. He assists in varsity coaching, along with scouting and recruiting, as well as supervising the Grizzly junior varsity program.

Before coming to Montana he served as a part-time coach for head coach George Raveling at Washington State University in Pullman. At WSU he was head coach of the JVs, and assisted in varsity scouting and recruiting in 1978-80. He has also had a lot of experience in basketball camps.

Bob also served as a graduate assistant at WSU for a season. From 1975-77 he was the head basketball and girl's and boy's track coach at Sprague High School in Sprague, Washington.

He was a standout athlete at WSU, where he was a three-year letterman in basketball and team captain his senior season. He was a seven-foot high jumper for the Cougars, and qualified for the NCAAs all four of his collegiate seasons. He is a 1970 graduate of Bethel High School in Spanaway, Washington, where he was also a basketball and track star.

Niehl, 32, is a 1975 graduate of WSU, receiving a B.S. in physical education.

His wife's name is Tricia.

A Missoula product, Blaine Taylor was one of the outstanding players at the University of Montana in recent years. This is his third year as a Grizzly coach.

He is head JV coach and assists in varsity coaching. His JV team was 12-4 last season.

Taylor was a Big Sky Conference honorable mention selection as a junior and a senior. He was named to the conference post-season all-tourney team in 1980-81.

He is the No. 20 career scorer in Grizzly history with 753 points. Taylor was also known for his passing and ball-handling skills. He finished the 1980-81 season with 102 assists in 23 games, for a 4.4 average. He is the No. 2 assists man at UM with 264.

Taylor was an all-state player at Hellgate High School for three years. He was the state “AA” MVP as a senior.

Blaine’s wife’s name is Annie Marie. They have a three-and-a-half-year-old daughter, Amber Lee.

The University of Montana in Missoula is located in a mountain forest setting in beautiful Western Montana. It is halfway between Glacier and Yellowstone national parks.

Four wilderness areas are located near Missoula. The natural surroundings offer excellent opportunities for hunting, fishing, backpacking, river floating, camping and other outdoor recreational pursuits. Two excellent winter ski areas are located within minutes of the University. Several other ski areas are only a couple of hours away by car. UM owns and operates its own golf course adjacent to campus.

The University of Montana is one of the West's pioneers in education and was chartered February 17, 1893. The school opened in September, 1895, with 50 students enrolling the first day. Located on 201 acres at the base of Mount Sentinel, UM has grown from 50 students and seven faculty members to a present enrollment of 9,000 and approximately 450 fulltime faculty positions.

Through its history, the University of Montana has sustained a high standard of academic excellence in teaching, research and service. UM offers associate of arts degrees in two areas and bachelor's degrees in 58 fields. It offers master's degrees in 54 programs and doctoral degrees in 13.

The College of Arts and Sciences, which is the core of the University, includes a full range of programs and courses in the life sciences, physical sciences, social sciences and humanities. The College also offers curricula in interdisciplinary fields ranging from ethnic studies to interdepartmental studies.

Seven professional schools complete the academic program — Business Administration, Fine Arts, Journalism, Education, Forestry, Law, Pharmacy and Allied Health Sciences.

The aim of the University is to provide its students with a relaxing and meaningful learning experience with the best facilities possible. The administration, faculty and staff strive for this goal.
DeMers Inducted Into Grizzly Basketball Hall of Fame

by Dave Guffey
Grizzly Sports Information Director

Ben DeMers had to step into some big shoes when he came to play his collegiate basketball at the University of Montana. He also had to back up what his head coach had said about him when he was recruited.

Even tougher, was that he had to play in front of his hometown crowd.

When DeMers came to UM in the fall of 1972 he was hoping to get a chance to play at point guard. The job was left vacant by Mike Murray, a two-time All Big Sky Conference performer and now a Grizzly Basketball Hall of Famer (inducted in 1982).

His coach, the volatile Jud Heathcote, said, “Ben is one of the finest guard prospects to come out of Montana in the last 10 years.”

And then there was the fact that the 6-3, 175-pounder played his prep ball at Missoula’s Sentinel High School under current Spartan coach Bob Luoma.

That adds up to pressure and DeMers responded in a big way. His success as a Grizzly basketball player will be capped Saturday evening, when he becomes the 50th player to be inducted into the Grizzly Basketball Hall of Fame. (Last year’s inductees were Robin Selvig (1971-74) and Jim Graham (1946-49).

DeMers left his mark in the record book. He is the No. 11 career scorer (prior to the 1984 season) with 927 points and the fifth ranked assists man with 204.

As a prep he was one of the best players to ever play in Montana. His Sentinel teams won state “AA” championships in 1972 and 1973 and he was a first team all-state player.

He is active in coaching grade school players and is a teacher at Target Range School in Missoula.

Yes, Ben DeMers had some big shoes to fill when he put on that copper, silver and gold Grizzly uniform, and I think it’s fair to say he did that in a big way. . . .

Four Grizzly Seniors Reflect On Their Basketball Careers

by Dave Guffey
Grizzly Sports Information Director

Hopefully this won’t be the last opportunity for Missoula fans to say “thanks” to Grizzly seniors Jim Caler, Marc Glass, Rob Hurley and Doug Selvig.

But, nevertheless this is the last regular-season home game for the quartet, two of whom have been in the University of Montana Grizzly basketball program for the past five years.

Backcourt standouts Glass and Selvig have been starting together for the last three seasons. Both have left their mark in the Grizzly record book.

Glass from Battle Ground, Wash., has started in 78 straight games and played in 106 in-a-row. He has played in every half except one (Boise St. his freshman season) and will leave UM as one of its top 10 career scorers and number one or two career assists man.

Currently Glass has 989 points (11th) and 338 assists (second). He needs only eight assists to break Selvig’s single-season mark of 121 set last season.

“It’s been a lot of hard work but its been fun and rewarding,” said Glass, who redshirted his freshman season after a shoulder operation. “We have our ups and downs and I just try to remember the ups.

“I’ll miss it (basketball) from the competitive standpoint and from the friendships,” Glass continued. “I like people to remember me. I haven’t been spectacular or anything, but I’ve worked on my entire floor game. I’ll definitely miss the Grizzly crowds.”

“Marc has been one of the most consistant players we’ve ever had,” said sixth-year coach Mike Montgomery. “He’s extremely durable as evidenced by his 78 starts. Marc is a classic student-athlete and all-around kid, who anyone would be happy to have in their program.”

Selvig is currently 14th in scoring with 903 points and third in career assists with 328. He was a Big Sky honorable mention pick last year and has been a Champion Holiday Classic all-tournament player the last two seasons. He was the John Eaheart winner (top defensive player) last season.

“The crowds here took some getting used to,” Selvig said. “Some people have good crowds, and ours are better. We haven’t won a championship yet. I’d like to bring the tournament here. That’s what it’s all about.”

Selvig from Outlook, said one of his biggest thrills (as did the other three seniors) was beating Idaho at the buzzer (53-51 on his tip-in) in 1982 when the Vandals were undefeated and nationally ranked (eighth). He also said defeating Idaho at home last year, ending a 43-game Vandal home winning streak, “was a good way to quiet the crowd and Derrick’s (Pope) jam that broke the rim; it was great.”

“Doug is a real solid, all-around player who can board, defend and pass the ball,” Montgomery said. “He really loves the game and gets up for the big games and has had great performances throughout his career.”

Hurley, a 6-4½, hard-nosed forward from Anaconda, ranks fourth on the team in scoring with 11.4 points a game. He is in his second year as a starter, has started all 21 games this season and started in all 29 as a junior. He won the Eaheart Award in 1982.

A 1983 honorable mention all-conference choice, Hurley had scored 669 career points.

“It’s been a lot of fun,” Hurley said. “I was given a chance and got to play probably more than I thought I would. I’ve met a lot of good people.

“I try to give 110 percent in practice and in games,” he said. “This year I’d really like to play for the championship. I remember my freshman year playing for it and I’ll never forget what that was like.

“Beating Bozeman is always a highlight and the crowds we have here are the best in the United States,” he said.

“Rob is a hard-nosed player who everyone thought was too small to play,” Montgomery said. “He is tenacious, an excellent perimeter shooter, and is very sound fundamentally.”

Caler, a 6-6, fifth-year senior from Lakewood, Colo., has had a very frustrating season, unable to play because of a back injury. He started in 11 games in 1982 and says he’ll never forget beating Idaho on Selvig’s tip-in. “A lot of people probably don’t remember, but I started that game,” Caler said. (He scored nine points and had six rebounds).

“Grizzly fans are great ones, one of a kind,” Caler said. “I’ve met a lot of great people, and it was a lot of fun to play in front of our crowd.”

“It’s unfortunate Jim didn’t get a chance to play this year,” Montgomery said, “he would have given us depth and leadership. He played solid basketball during his career.”

Darigold Farms of Montana is Montanans working together to bring you the state's finest dairy products. Via the Darigold truck we bring our delicious products to you fresh daily in Grizzly country.

We're The Real Montana Dairy,
That's Winning Montana's Taste.

"See us on the road."

WE INSURE THE TOUGH GUYS.

Mark Welander began with a dream; to own his own business. One that would produce a quality product. Something he could be proud of.

That was eight years ago. Today, Blue Star Canvas Products skillfully sews everything from tipis and tote bags to boat covers and truck tarps.

We're Western States Insurance Agency and we've been with Blue Star from the beginning, providing Mark with the right insurance protection at the best possible price.

That's our job, and we work hard at it.

After all, it's one thing to insure a business, it's another to protect a dream.
