FACULTY MEETING.
February 16, 1916.
Room 4, 4:15 P.M.

Meeting called to order by Acting President F. C. Scheuch.
Roll call omitted.

Alfred J. Robertson, petitioned to receive B.A. degree.
Petition referred by Professor Rowe, Chairman, Committee on Admission and Registration, to Prof. Aber for recommendations.
"Approved by W. M. Aber". Motion, seconded, that petition be granted. Motion not carried.

February 16, 1916.

The Committee on Admission and Registration recommend to the Faculty that the following students be granted degrees as follows:

<table>
<thead>
<tr>
<th>Name</th>
<th>Major Subject</th>
<th>Degree</th>
<th>Total No. of Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>Herman, Hazel</td>
<td>History</td>
<td>B.A.</td>
<td>126</td>
</tr>
<tr>
<td>Dennis, Eunice</td>
<td>English and Literature</td>
<td>B.A.</td>
<td>181½</td>
</tr>
</tbody>
</table>

Professor Freeman Daughters recommended that Hazel Herman also secure the Certificate of Qualification to Teach. Motion, seconded, that the recommendations be adopted. Motion unanimously carried.

Professor L. J. Ayer, Chairman committee on Public Exercises, announced convocation 11:30 A.M., February 17th, 1916, Chancellor Edward C. Elliott to address Faculty and students.

Charter Day Exercises announced to be held February 18th, 1916, Friday 11:00 A.M. Public invited to visit the various departments in the University, in the afternoon.

Charter Day dinner announced, at Florence Hotel 7:30 P.M.

Invitation, requesting representative from Faculty of The State University of Montana, to attend inauguration of William E. Holland as President of the State College, Pullman, Washington. Invitation referred to Chancellor Elliott.

Mr. Bray offers course in Eugenics, 2 credit hours. Faculty consent without motion.

Mrs. Macleod offers course in American Oratory, 2 credit hours.
and Interpretive Seminar, 2 credit hours. Faculty consent without motion.

Chancellor Edward C. Elliott addressed the Faculty, discussing fire protection, and practical subjects of university work and organization.

The following committee appointed:

Leslie J. Ayer
N. J. Lennes
A. L. Stone
P. C. Phillips
R. H. Jesse, Jr.

to study the best type of organization and government for the State University and its departments in its relation to the other State Institutions comprising the State University of Montana, viz: the State University at Missoula; the College of Agriculture and Mechanic Arts, at Bozeman; the School of Mines, at Butte; and the State Normal College, at Dillon.

Faculty members requested to fill out Staff Record Card and Service Report Card, one copy to be retained for personal use, two copies to be filed in the office of the Registrar, the Registrar to forward one copy to the office of the Chancellor of the State University, at Helena.

FACULTY RESOLUTION
Tuesday, April 11th, 1916.

Since the State University of Montana has suffered a great loss in the death of Miss Eloise Knowles, a member of its first graduating class and for many years of its faculty we, the members of this faculty, desire to express our appreciation of the value of the very efficient loyal and loving service she rendered so many years to the institution she loved so well.

We also desire to render our tribute to her pure, strong brave and beautiful character and personality which were a blessing to all whom she touched with her gracious influence.

To her family we desire to express our deep and heartfelt sympathy in their great bereavement.
Mr. Dunlop:

I wish to thank you and the members of the Faculty of the University for your words of sympathy to us in our sorrow. Our loss, as you know is great, and we feel that the understanding sympathy of her associates of the University helps to mitigate it. Her comrades seem to have known her well and to give her the appreciation her character demanded. Every day since her death has added to the pain of missing her, and I know it will be so always.

I thank you for sending me the resolution of the Faculty concerning her. I am convinced that she was valued in the University and will be long remembered. I wish I could tell her how loving and appreciative you have all been.

Sincerely yours,

Mary Curtis Knowles.

FACULTY MEETING, TUESDAY, MAY 9th, 1916.

Room No. 4, 4:30 P.M.

Meeting called to order by Acting President F. C. Scheuch.

Roll call omitted.

Reading and correcting minutes Faculty meeting February 16th, 1916, omitted.

The Committee on Admission and Registration reported the following petitions and recommendations of the Forest School Faculty:

PETITION

TO THE PRESIDENT AND FACULTY:

THE UNDERSIGNED RESPECTFULLY PETITIONS the Faculty to be granted a degree of "Bachelor of Science in Forest Engineering" without having completed the required number of hours (144).
Enough credits have been earned for a Bachelor of Science Degree with the exception of four hours in History and Economics, and four hours in Literature or Philosophy, providing the three years language taken in High School would satisfy the University requirements. I will have 129 hours at the end of the semester. Professor Skeels recommends for this degree and I therefore make this petition.

Harold H. Lansing.

The requirement for 144 hours is established only by action of the Forest School by publication in our bulletin. It is not a university requirement. It was published last year for the first time and can only apply to students who entered after such publication. Students who entered prior to September, 1915, will be required to earn many more than 142 credit hours as possible, or to approximate as nearly as possible 144 credits.

We would like to have our students secure as much training as possible in economics, history, languages and the like, but do not find room for this in our schedule after including the courses which are very essential to their training.

Courses more necessary to the training of the forest and the forest engineer are required in lieu of a part of the requirements for history, economics and languages.

Lansing has earned 15 credits that are more necessary to his proper training in lieu of 8 credits in history, economics, and languages, and he has followed strictly the curriculum which I laid down for him.

I recommend to your committee that the degree of bachelor of science in forest engineering be conferred upon him when he shall have completed 129 credit hours of work.

Respectfully submitted,
Dorr Skeels,
Dean of the Faculty of the Forest School.

4/12/16
Referred to Faculty without recommendation.

------------------------------

PETITION

Missoula, Montana,
April 12, 1916.

To the President and Faculty:

The undersigned respectfully petitions that he be granted a bachelor of science degree in forest engineering although he has not completed the required number of hours in the regular forestry engineering course (144). However he has completed the requirements for a B.S. degree in the University (122 hours) with the exception of the requirements in language other than English.

He therefore petitions that he be allowed to substi-
tute 12 hours in forest engineering for the required 12 hours of language and that he be granted a B.S. degree in forest engineering.

Respectfully submitted,
(sgd) Kenneth Wolfe
City address 500 University Ave.
Missoula.

Home Address Butte, Montana.

Referred to Faculty without recommendation.

-------------

Please refer to the petition of Harold Lansing for remarks regarding credit requirements in the forest school. In lieu of the University requirements for credits in languages other than English, I have required Mr. Wolfe to carry courses in such various lines of forest engineering work as were essential to his training. The language work would have been valuable to Wolfe but time was not available for him to carry it in addition to required essential training, and it is not required in our curriculum.

Mr. Wolfe is properly educated and well trained for his profession, he has carried two seasons of field work under official appointment in the Forest Service for which many schools would give additional credit, and now holds an appointment in the Forest Service by virtue of the education and training he has received in this school.

I therefore recommend that the degree of bachelor of science in Forest engineering be given him.

Respectfully submitted,
Dorr Skeels, Dean.

-------------

Prof. Aber - I move that the Faculty recommend to the Chancellor that we grant these degrees. Motion not seconded. Discussion.

Prof. Aber - I move that the recommendation of the Forest School be granted. Motion not seconded.

Prof. Skeels asked permission to make an explanation, which was followed by questions and general discussion.

Prof. Rowe: I move that Harold H. Lansing be granted the degree of B.S. in Forestry. Motion seconded. Vote by Viva Voce. The Chair called for a standing vote. Affirmative 14, negative 8; the Chair declared the motion carried.

Prof. Rowe: I move that the petition of Kenneth Wolfe be denied. Motion seconded. Question called for. The Chair declared the motion carried.
Prof. Kirkwood: I move to offer the following amendment to Section 6, Athletic Eligibility Rules: "Provided that delinquencies prior to the present college year shall not be reckoned in the administration of this rule." I make that a motion. Seconded and carried.

Professor Carey brought up the matter of Faculty assessment for Interscholastic Luncheon. Motion seconded and carried that the assessment be $1.50 or the equivalent.

Acting President Scheuch brought up the matter of request of Supt. Beckenbach of the Street Railway Company and Mr. Dan Connor for permission to use the University baseball grounds for ball games on Sunday afternoons.

Motion that the request be not allowed. Seconded. Unanimously carried.

On motion, meeting adjourned.

My dear Mr. Bickenbach:

With regard to your request for permission to play baseball on the University diamond on Sundays, at a Faculty meeting Tuesday, May 9th, 1916, by a unanimous vote it was decided not to permit baseball games on Sunday. This action is doubtless due to an unbroken rule not to allow Sunday games or contests at the University.

With all good wishes, I am,

Very truly,

Secretary.

May 16, 1916.

Superintendent A L Bickenbach,
Street Railway Company,
Missoula, Montana.

My dear Mr. Bickenbach:
FACULTY MEETING.
May 18, 1916 - Room No. 4.
4:15 P.M.

Meeting called to order by Acting President F. C. Scheuch.
Roll call omitted.

Minutes Faculty Meeting, February 16, 1916, read and approved. Faculty resolution of April 11, 1916, adopted. Faculty minutes May 9, 1916, read.

By Prof. Coffman: I wish to offer recommendation to give two college credits to a student taking part in intercollegiate debate. I recommend that any student who has taken or is taking the first course in debate here at the University or has had its equivalent elsewhere be given two college credits a year for taking part in intercollegiate debate. It is understood that the instructor of debating shall have final word as to the intercollegiate debate schedule.

Motion seconded and carried that the recommendation be adopted.

Prof. Coffman withdraws last paragraph of recommendation.

Prof. Rowe: I move that the recommendation be referred to a committee of three. Motion seconded and carried.

Prof. Daughters: I move to reconsider the first motion concerning this recommendation. Motion seconded and carried.

Chancellor Edward C. Elliott addressed the Faculty upon the budget and organization.

On motion, meeting adjourned to Saturday, June 3, 1916.

[Signature]
Secretary.
Meeting called to order by Professor W. M. Aber.

Roll Call omitted.

Minutes of faculty meeting May 18, 1916, read and approved

Petition.

The undersigned respectfully petitions that I be allowed to graduate with one year of Spanish, having had four years of Latin in high school. I took my Spanish in my Junior year and registered for the second year in my senior year. The course was regularly included in the curriculum and we were not notified until the latter part of October that the course could not be given on account of conflict and numerous classes of Professor Haxo.

Respectfully submitted,

Norman Streit.

Motion made by Mollet, seconded by Jesse. Recommended to Faculty to grant this petition.

Motion by Professor Jesse Jr. that the petition be granted, seconded and unanimously carried.

The Committee on Admission recommended to the Faculty the following candidates for graduation:

(LL.B. Degrees to be recommended by Law Faculty)

Professor Rowe: I move that the recommendations be approved, that the degrees be granted and diplomas issued, except Law. Motion seconded and unanimously carried.

Professor Daughters: The Committee on courses for Teachers recommend the following persons for the Certificate of Qualification to Teach:

The following persons, having completed the required courses and the necessary majors and minors of work in their respective fields of study, are respectfully recommended to the Faculty of the University of Montana as worthy and fully prepared to receive the Certificate of Qualification to Teach:

Chadwick, Edna R., - Major: English 35 hours; Minors: Modern Languages 29; Education and Psychology 19.

Clark, Pearl E., - Major: Mathematics 40 hours; Minors: Modern Languages 16; History 14; Education and Psychology 19.

Clay, Hazel G., - Major: History 29 hours; Minors: German 26; English 22; Education 16.

Cochrane, Frances, - Major: Education 29 hours; Minors: English 28; Modern Languages 26.

Dennis, Eunice L., - Major: English 41 hours; Minors: Fine Arts 20; Education and Psychology 19.

Gilliland, Gussie D., - Major: History 34 hours; Minors: English 29; French 22; Education and Psychology 19.

McCall, Donna, - Major: Commerce and Accounting 37 hours; Minors: English 20; Modern Languages 20.

McDonald, Corinne - Major: English 38 hours; Minors: French Public Speaking 14.
Milton, Mamie, -- Major: Fine Arts 37 hours; Minors: French 17; Education 21.

Murray, Irene, -- Major: English 36 hours; German 16 hours; French 14; Education 16.

Rector, Ann, -- Major: Commerce & Accounting 33 hours; Minors: Home Economics 21. (Miss Rector will have met the requirements in Education if the Faculty grants her petition for two hours of credit in School Hygiene for which she is now asking. If the Faculty denies her petition she is not qualified to receive her certificate.

Schug, Harry P., -- Major: Education and Psychology 26; Minors: English 15; Modern Languages 15.

Sestak, Bessie, -- Major: English 42 hours; Minors: History 18; German 16; Home Economics 14.

Sestak, Rosa, -- Major: English 42 hours; Minors: History 18; German 16; Home Economics 14.

Wilson, Irma, -- Major: Classical Languages 31; Minors: Modern Languages 32; English 17.

Submitted this 3rd day of June 1916, by
Freeman Daughters
Paul C. Phillips
J. H. Underwood
Committee on Courses for Teachers.

Professor Phillips: I move that the recommendation of the committee on Courses for Teachers be approved. Seconded and unanimously carried.

Professor Langmaid: I move the adoption of the recommendation of the Faculty of the School of Law, with reference to the men named. Motion seconded.

President F. C. Scheuch,
State University,
Missoula, Montana.
Dear Sir:

The Faculty of the School of Law recommend that the degree of Bachelor of Laws be awarded to the following named persons:

E. Paul Bacheller,
Harold Bacheller,
Joseph C. Tope,
I. S. Crawford,
James M. Brown,
J. J. McIntosh,
Lloyd M. Johnson,
Clarence Hanley,
Lloyd W. Robinson.

They further recommend that certificates of completion of the Law course of three years offered by this school, be awarded to the following person:

Edwin Cummins.

Respectfully,
(signed) A. N. WHITLOCK.
Motion seconded and carried that the names recommended by School of Law for the degree of Bachelor of Laws be taken up individually. Motion seconded and unanimously carried that the degree of Bachelor of Laws be awarded to:

E. Paul Bacheller
Harold Bacheller
Joseph C. Tope
I. S. Crawford.

Motion seconded and carried that Jas. M. Brown be not granted the degree of Bachelor of Laws.

Motion seconded and carried that Jas. M. Brown be granted certificate of completion of the law course of three years.

Motion seconded and carried that the degree of Bachelor of Laws be awarded to:

J. J. McIntosh
Lloyd M. Johnson
Clarence Hanley
Lloyd W. Robinson

Professor Langmaid: I move to reconsider the case of Lloyd W. Robinson. Motion seconded, question voted on, division called for. Stating vote: 7 voted in affirmative, 12 voted negatively.

Degree of Bachelor of Laws awarded:

E. Paul Bacheller
Harold Bacheller
Joseph C. Tope
I. S. Crawford
J. J. McIntosh
Lloyd M. Johnson
Clarence Hanley
Lloyd W. Robinson

Certificate of completion of three years' course awarded to

James M. Brown
Edwin Cummins

Professor Coffman: the Committee on College Credit for Debate desires to make the following report:

Recommendation of Committee on College Credit for Students Taking Part in Intercollegiate Debate.

1. The maximum number of credits which a student may receive in debate shall be ten. (This includes the four credits received in the class in elementary debating.)

2. One credit only shall be given a student for participation in intercollegiate debating the year the student taking the elementary course, and no credit shall be given if his first year of participation if he is not taking, or has not taken, an elementary college course in debating. (If he has taken such a course elsewhere, it must be equivalent to the course given here).
3. For each year afterwards in which he participates in intercollegiate debating he shall receive two credits, provided that the maximum received for both elementary course and participation in intercollegiate debate shall not exceed ten credits.

4. For any year the instructor in Debate shall determine at the close of the season whether the student may receive the maximum two credits for participation in intercollegiate debate.

5. Formal registration must be made for this work; credit will not be given otherwise. The credits for this registration shall be a part of the maximum number for which a student may register any semester. Tryouts should be held early enough to permit of registration in the second semester.

6. The instructor in debate shall have authority to arrange and schedule all debates.

7. Students who participated in intercollegiate debate during the season 1915-16 shall come under these provisions.

George H. Coffman, Chairman.
M. J. Elrod
Freeman Daughters.

On motion seconded and carried unanimously adopted.

Be further business, meeting adjourned.

---

Scholarships and Prizes.

The Bennett Prize
For the best essay on some topic pertaining to good government. Subject for 1916: "Some Problems of Legislative Reform in Montana" Joe Townsend.

The Anne Lewis Joyce Memorial Prize
For the best essay, thesis, or poem by an undergraduate. The subject of the winning essay: "The Return of Justice to Montana" Bruce Hopper.

1904 Class Prize:
Mathematics James Friauf.

The Buckley Prize in Oratory
Given by Dr. J. J. Buckley Bruce Hopper.

Music Medal
Given by Mrs. E. L. Bonner Bernice Berry.
C. A. Dunniway Scholarship Books

A fund established by former President Dunniway provides a standard book to the student in each department most distinguished for scholarship. This year the list is as follows:

Biology .......................................... Robert Oslund
Botany ........................................... Ferd Wolpert
Economics ....................................... Clarence Cook
Education ........................................ Isabel Gilbert
English ........................................... Alice Martin Phillips
Fine Arts ......................................... Pearl Anderson
Geology ............................................ Roy A. Wilson
German ........................................... Jennie Nelson
History ........................................... Irena Shope
Journalism ....................................... J. T. Crowe
Latin & Greek ................................... Gladys Peterson
Mathematics ...................................... James Frain
Pharmacy ......................................... Frank J. Lenz
Physics ........................................... M. M. Bober
Psychology ........................................ Alpha Buse
Public Speaking .................................. Maurice Dietrich
Romanic Languages ............................. Isabel Gilbert

American Law Book Co. Prize.
A complete set of "Cyc" awarded for highest scholarship in the senior year of Law by Paul Bachelle.

Two Prizes awarded for scholarship in Pharmacy, consisting of Membership and one year's dues in the American Pharmaceutical Association.

To the first year student showing the highest proficiency in Manufacturing Pharmacy, by Alex. F. Peterson Thos. H. Biens

To the second year student for highest general average in Pharmacy subjects, by Chas. E. Mollet Benj. E. Lapey

State Oratorical Contest.
The annual state oratorical contest held this year at Bozeman, was won by Bruce Hopper of the University.

Intercollegiate Debate
Of four intercollegiate debates with teams from different states, Montana won three.

Represented by Will Long and Alva Baird, Montana won from the University of Southern California.

Represented by Stuart McNeffie and Payne Templeton, we won unanimously from the University of Oregon.

Represented by William Jameson and H.A. Johnson, Montana defeated the team at the University of North Dakota.

The debate at the University of Utah resulted in a defeat for Montana.
Minutes of Faculty Meeting Saturday
September 9th, 1916.
Meeting called to order by President Scheuch
at 10:00 a.m.

University of Montana
Missoula

July 28, 1916

Minutes of Faculty Meeting Saturday

September 9th, 1916.

Meeting called to order by President Scheuch at 10:00 a.m.

Professor Howe presented matters with regard to registration system to be used.

Professor Carey presented matters with regard to schedule of classes and use of rooms during the semester.

Professor Scheuch called attention to the question whether or not convocation should be held this year. He reported that Mrs. Wilson said that if convocations were held at 11:30 and the cafeteria was discontinued as the Chancellor requested, she would not have sufficient time for the noon meal.

Professor Coffman reported that classes in the afternoon would begin at 2:00 o'clock instead of at 1:30 as otherwise the classes would be dismissed at 3:30 leaving a half-hour between the last class and the gymnasium classes at 4:00 o'clock.

Professor Carey reported that the 11:30 hour on Thursday had been left open so that if convocation was held at any other hour during the week the classes which were dismissed could meet at 11:30 on Thursday of that week.

Miss Buckhous reported a change in the library office and that the library would not be open on Sunday afternoon. Also that faculty members could keep out books which were not in their line of work only one week and would be subject to a fine of five cents a day thereafter.

Harry Edwin Smith  
Acting Secretary.

Approved  Sept. 19, 1916
A meeting of the Faculty of The State University was held at 4:15 P. M. in room 4 of the Main Building.

The meeting called to order by President Schuh.

The President called for the election of a secretary and declared nominations to be in order.

Professor Elrod nominated A. E. Sapulding. Professor Lennes moved that nominations be closed, which motion prevailed.

Mr. A. E. Sapulding was then duly elected as secretary.

The minutes of the last meeting were read and approved as read.

Professor Carey asked as to the source of the authority for the fines to be levied on faculty members for keeping library books over time as announced by Miss Buckhouse at the last meeting. After some discussion, on a motion by Professor Carey, supported by Professor Rowe, the fine was declared removed.

Chancellor Elliott then addressed the Faculty on various matters of importance to the University. The first of these was the one relating to the work of the special committee on re-organization of the University. The Chancellor stated that Dean Whitlock of the Law School had been appointed to the committee to succeed Professor Ayer, resigned, and that Professor Lennes had been made chairman of the committee.

The rules governing athletic eligibility were then discussed and some proposed changes were indicated. One of the proposed changes was to the effect that the President of each of the institutions comprising the greater University of Montana shall be ex-officio chairman of the athletic committee for his institution. The Chancellor asked that the rule in regard to late registration be so interpreted as not to apply during the autumn of 1916 to students who have been in the military service of the United States during the summer and fall of 1916.

The matter of observing caution in discussing the affairs of the University was touched upon and notice was given that as a matter of public policy, in the future all authentic public statements shall be made thru the University editor, Professor Stone.

The matter of properly protecting the property of the University was discussed and the Chancellor gave notice that Professor Bonner, as Superintendent of grounds and buildings, had been instructed to take an inventory of locks and keys in the various buildings so that new locks and keys might be provided. This to be done so as to eliminate the use of the many duplicate keys that are now in existence and use.

The Chancellor discussed at some length the five-fold function of members of a university faculty and suggested that the matter of determining the educational policy of the institution was a matter of great importance and might well receive more attention than it had in the past.
Minutes for September 14, 1916, continued.

Library matters were then given some consider-
atation and it was suggested that members of the Faculty
should take special care to return any library books
they might have in their possession within twenty-
four hours after the book had been called for by the
librarian.

The next matter to receive the Chancellor's
attention was the report of the Scholarship Committee,
which report had been distributed in typewritten form.
Among other things it was stated that the rules, when
adopted, should apply to all departments, schools, and
courses of the University.

Professor Kirkwood, as chairman of the Scholar-
ship Committee then took the floor and discussed the
various points in regard to the report of the Committee.
He stated, in some detail, the efforts of the Committee
to obtain better scholarship conditions. The rules, as
presented, were devised from information obtained by
means of a list of questions which had been sent to
about twenty-five of the leading western colleges and
universities. Professor Kirkwood then proceeded to
read and discuss the different items of the report.

Professor Coffman inquired as to the meaning of
the phrase "has not previously been reported". This
was interpreted by Professor Kirkwood as meaning any
time previous.

Professor Lennes raised the point of marking
"C" on the basis of a poor examination.

Professor Franklin O. Smith raised the question
of the real significance of the marks "C" and "D".

Professor Lennes requested the privilege of dis-
cussing the proposed rules and suggested that the
adoption of the report be postponed until a later
date so that the various points might be given more
careful consideration by the Faculty.

On motion by Professor Rowe, supported by Pro-
fessor Lennes, the Scholarship Committee was asked
to give a definite meaning to the marks "C" and "D"
and report as a special order of business at the next
meeting of the Faculty.

By unanimous consent it was decided to hold the
next meeting on Tuesday, Sept. 19, at 4:00 P. M.

Professor Daughters gave notice of an intention
of asking for an investigation of the present marking
system.

Professor Carey called attention to the fact that
it would be necessary to call for an assessment on the
members of the Faculty to defray the expenses of the
reception to be given on Friday Sept. 22. It was sug-
gested that as the method of raising money by assess-
ment was not very satisfactory that provision be made
for the payment of regular monthly dues.

There being no further business the meeting
adjourned.

Approved Sept. 19, 1916.
The adjourned meeting of the Faculty of The State University was held in room 4 of the Main Building on September 19, at 4:00 p. m.

The meeting was called to order by President Scheuch.

The minutes of the last meeting were read and approved.

Professor Bateman of the Chemistry department asked the consent of the Faculty to offer a new course, Chemistry 23, Nutrition—with 3 credit hours.

On motion by Professor Rowe the Faculty granted the request of Professor Bateman.

A petition from Stuart McHaffie, approved by Professors A. H. Whitlock and Wm. Aber and recommended by the Committee on Admission and Registration, by its Chairman, Professor J. P. Rowe, that he be allowed to graduate with six hours of Spanish and four years of high-school Latin was read by the Secretary. On motion the petition was granted.

The matter of who should have the right to vote at the meetings of the Faculty was brought up by the President and discussed by the Chancellor. It was suggested that only members of professorial rank should have the right to vote. Professor Elrod moved that the suggestion be adopted. Professor Phillips offered an amendment to the motion to include a representative from any department in which there was no one of professorial rank. On motion the amendment was adopted and the original motion as amended was then voted upon and carried.

The special order of business was then taken up and the Secretary was instructed to read the rules regarding athletic eligibility.

Article I. was read and on motion was adopted without modification.

Section 1, Article II., was read, discussed and adopted without change.

Section 2, Article II., was read. Professor Rowe moved that the article be adopted as read. The Chancellor offered as an amendment to add at the end after the word "Montana" the words "Provided students comply with section five of this article." The amendment was supported by Professor Franklin Smith and carried. Section 2 of Article II. was then voted upon as amended and was so adopted.

Section 3, Article II., was then read and adopted with the modification referred to in the meeting of Sept. 14 regarding the eligibility of students in the military service of the United States during the autumn of 1916. This would require the addition of the words "Provided that this rule shall not be so interpreted as to make ineligible students who are in the military service of the United States during the autumn of 1916.

Section 4, Article II., was read and discussed. After a prolonged discussion of this section, on motion by Professor Lennes supported by Professor Daughters the meeting adjourned to meet at 8:00 o'clock in the evening.
The adjourned meeting of the Faculty of The State University was called to order in room 4 of the Main Building at 8:20 p. m. by President Scheuch.

The Business Manager announced that the order for stationery would be placed very soon and that the heads of departments should band in an estimate of the amount they would be likely to need not later than Wednesday, Sept. 20.

Section 4, Article II., was then taken up for consideration. On motion by Professor Lemmes, supported by Professor Elrod, the section was laid on the table for further consideration after the other sections of the rules had been disposed of.

Section 5, Article II., was read and discussed at length. On motion by Professor Lemmes, supported by Professor Rowe, this section was laid on the table for later consideration.

Section 6 of Article II. was read and discussed at length. On motion by Professor Lemmes section 6 was laid on the table and section 2 of Article III. was taken up for consideration. This section was amended by adding the words at the end "and provided further that nothing in this section shall be construed so as to conflict with section 6 of Article II. in regard to playing summer baseball. Section 2 was further amended by striking out the words "physical exercises" in line 5 of the typewritten report. The section, as amended, was then adopted.

Section 6 of Article II. was then taken up for further consideration and adopted without change.

Section 7 of Article III. was read and discussed. It was amended by changing the word "that" in line 6 of the typewritten copy to "any". The section was then adopted as amended.

Section 8 of Article II. was read, discussed and amended by adding the words "Any violation of this rule shall render the student, so violating, ineligible for further participation in athletics". The section was then adopted as amended.

Sections 1, 2, 3, 4, and 5 of Article III. and sections 1 and 2 of Article IV. were read and adopted without modification.

Section 3 of Article IV. was read and at the suggestion of Mr. Missen was stricken out.

Section 4 of Article IV. was read and after some discussion was adopted as read.

Section 1 of Article V. was read, discussed and amended by striking out the words "and also the approval of the Chancellor of the University" and by changing the word "month" in the 6th line of the typewritten copy to "week". The section, as amended, was then adopted.

Section 2 of Article V. was read, discussed and amended by striking out all after "Montana" at the end of the first sentence and substituting therefor the words "After such approval the decision of disputes shall be left to a committee consisting of the Chancellor and the Chairman of the Athletic Committees of the various institutions". This section was adopted as amended.
Minutes of meeting held on Sept. 19, 1916, at 8:20 p. m.

Moved by Professor Lennes and supported by Professor Rowe that "it be the sense of the Faculty that eligibility to compete shall depend upon the last regular scholarship report preceding the time of certification." This motion was carried unanimously.

The Chancellor then discussed the matter of eligibility. He maintained that a student should not be considered delinquent if he had been in the institution but a short time—that delinquency should occur only after the student had had a fair chance to do his work—that the question of delinquency should rest with the members of the Faculty.

On motion by Professor Elrod section 4 of Article II. was then taken from the table for consideration. After a somewhat lengthy discussion the section was amended to read as follows: 4. Required Study: No student shall represent any of the institutions of the University of Montana in any intercollegiate game or contest unless he is carrying satisfactorily, at the time of the last preceding regular scholarship report, at least three-fourths of the maximum number of hours of instruction for which he is normally permitted to register. This section was then adopted as amended.

On motion section 5 of Article II. was then taken from the table for further consideration. After some discussion the Chancellor proposed an amended section which reads as follows: 5. Scholarship: No student shall represent any of the institutions of the University of Montana who has total delinquencies on his previous record in that institution equivalent to one-half the full amount of prescribed work for any semester; or who has not at the close of the previous semester satisfactorily completed three-fourths of the maximum number of hours for which he is permitted to register. Provided that students may be permitted to make up delinquencies prior to the close of the second week of the succeeding semester. This section, as amended, was adopted.

On motion by Professor Jesse the Scholarship Committee was charged with the administration of sections 1, 2, 3, 4, and 5 of Article II. and the Athletic Committee was charged with the administration of all the other eligibility rules.

On motion the meeting then adjourned to meet at 4:30 p. m. Wednesday, Sept 20.

In accordance with adjournment a meeting of the Faculty of the State University was held in room 4 of the Main Building Sept. 29, 1916.

The meeting was called to order by President Scheuch at 4:40 p. m.

At the suggestion of the President the reading of the minutes of the previous sessions was omitted.
Minutes of meeting held Sept. 20, 1916, continued.

A communication was received from the Law Faculty asking that J. P. Buffington be recommended to the State Board at its December meeting for the degree of LL.B. This communication had been approved by the Committee on Admission and Registration as signed by J. P. Rowe, Chas. E. Mallet, and R. H. Jesse Jr.

On motion by Professor Stone the recommendation was approved.

Professor Daughters asked permission to offer a new course, "Problems in Elementary Education." On motion permission was granted.

The Chancellor called attention to the matter of offering new course. He stated that it was a presumption on the part of the State Board that he should give his approval to all new courses to be offered.

The special order of business of considering the report of the Scholarship Committee was then taken up.

Sections 1 and 2 were read and adopted without change.

Section 3 was read and on motion by Professor Holliday was amended by inserting the words "or guardian" after the word "parents". The section, as amended, was adopted.

Section 4 was read, discussed and amended to read as follows: 4. No student shall participate in any extra-curricular activities who is not carrying satisfactorily, at the time of the last preceding scholarship report, at least three-fourths of the maximum number of hours of instruction for which he is normally permitted to register. The section was adopted as amended.

Section 5 was read and adopted without change.

Section 6 was then read and discussed at some length. On motion, this section was laid on the table for consideration sometime after the end of this semester.

Professor Jesse moved that the "definitions" as submitted by the Scholarship Committee be incorporated in the minutes.

Professor F. O. Smith offered an amendment to the first definition that the words "meeting the conditions imposed by the instructor" be inserted in the place of the words "a second examination or its equivalent".

On motion by Professor Smith, supported by Professor Rowe, the amendment was adopted.

The definitions as amended were then ordered incorporated in the minutes.

DEFINITIONS.

The grade "C" is given for a deficiency which may be removed by meeting the conditions imposed by the instructor. Such deficiency may be due to neglect of work or incapacity but not to such degree as in the opinion of the instructor to necessitate a repetition of the course. This grade is represented usually by figures between 60 and 65.

The grade "D" indicates a deficiency of a greater degree which can be satisfied only by a repetition of the course. Represented by figures below 60.
Minutes of meeting held Sept 20, 1916, continued.

"Incomplete" is given for work not completed but otherwise of a passing grade.

The President then asked what should be done about granting permission to go to the State Fair at Helena during the week of Sept 25 to 30.

On motion the President was authorized to grant leave of absence to those students who could get permission from the instructors in those classes from which they would be compelled to be absent.

The meeting then adjourned to meet Monday, Sept. 25, at 4:30 p.m.

Corrected and approved Sept. 25, 1916.
The Faculty of the State University met pursuant

SCHOLARSHIP RULES.

PROPOSED REGULATIONS

Second Draft.

Governing institutions of the intercollegiate

case or context shall be hereafter interpreting

For the University of Montana,

(exclusive of September 16, 1916.

rule is complied with article II, rule 8 relating to

ARTICLE I.

THE UNIVERSITY OF MONTANA.

The term "Institutions of the University of Montana," as

employed in these regulations, shall refer to the State University

at Missoula, the State College of Agriculture and Mechanic Arts at

day of enrollment for the semester in which the student

Bozeman, the State School of Mines at Butte, and the State Normal

college at Dillon.

to students enlisted in the military service of the United States.

ARTICLE II.

ACADEMIC ELIGIBILITY.

To be eligible to represent any of the institutions

of the University of Montana in any intercollegiate contest or game

of the student shall fulfill the following conditions:

1. Entrance Qualifications: The student must have

completed at least fourteen Carnegie units of entrance credit. The

term "entrance credit" applies to credits which are acceptable for

admission to the institutions of the University of Montana from

daily accredited high schools or preparatory schools.

institution-equivalent to one-half of the total entrance

2. Migration: A student entering any of the institutions

of the University of Montana from another institution granting a

standard bachelor's degree, (which degree is based upon at least

fourteen Carnegie entrance credits and requires four years of col-

lege study), or from a normal school or junior college of recognized

standing, who has represented that institution in any intercollegiate

competition, is permitted to register...

GREETINGS

SECRETARY

Corrupted and approved Sept 25, 1916.

I. RESIGNS

ANOTHER CONCERNING ART

To edifice of the instruction in the art of drawing is the knowledge of the student. The students are given the opportunity of drawing in their classes in the instruction as such a result they gain proficiency in the particular art.

II. RESIGNS

INSTRUCTIONAL OBJECTIVE

The instruction in the art of drawing is designed to enable the student to develop his individuality and to apply his knowledge of art in various fields. The instruction is given in the form of a practical course and is designed to train the student in the essentials of the art of drawing.

In the instruction in the art of drawing, the student is taught to develop his individuality and to apply his knowledge of art in various fields. The instruction is given in the form of a practical course and is designed to train the student in the essentials of the art of drawing.
3. **Registration:** No student shall represent any of the institutions of the University of Montana in any intercollegiate game or contest until he has been in residence one full college year; provided, that this rule shall not apply to students transferring from one to the other of the institutions of the University of Montana, who have complied with Article II, Rule 5 relating to scholarships.

4. **Required Study:** No student shall represent any of the institutions of the University of Montana in any intercollegiate game or contest unless he is carrying satisfactorily at the time of the last preceding regular scholarship report at least three-fourths of the maximum number of hours of instruction for which he is normally permitted to register.

5. **Scholarship:** No student shall represent any of the institutions of the University of Montana in any intercollegiate game or contest who has total delinquencies on his previous record in any institution equivalent to one-half of the full amount of the prescribed work for any semester; or who has not, at the close of the previous semester satisfactorily completed three-fourths of the maximum number of hours of instruction for which he is normally permitted to register; provided that students may be permitted to make up any delinquencies previous to the end of the second week of any semester.
Minutes of meeting held Sept 20, 1916, continued.

"Incomplete" is given for work not completed but otherwise of a passing grade.

0-0-0-0-0-0-0-0

The President then asked what should be done about granting permission to go to the State Fair at Helena during the week of Sept 25 to 30.
6. **Work for Compensation**: No bona fide student who is carrying the required amount of study shall be debarred from representing any of the institutions of the University of Montana in any intercollegiate game or contest because he is working to earn all or a portion of his expenses and is receiving no more than ordinary compensation for such work; provided that in disputed cases the Chancellor of the University shall interpret the meaning of "ordinary compensation". A student may receive compensation for summer baseball, provided that he does not play in any organization recognized by the National Commission or any organization classified by the National Commission as an "Outlaw" organization; and provided further, that such compensation is not received for any services rendered between the opening and closing day of the college year. The term "college year" shall be interpreted to mean two full semesters of attendance, and a year shall be counted from September to September if the student's first participation occurred during the first semester and from February to February if his first participation occurred during the second semester.

7. **Maximum Playing Period**: No student who has represented any of the institutions of the University of Montana, or any other institution granting the standard bachelor's degree or any normal school or junior college of recognized standing in any branch of intercollegiate athletics for four years shall be eligible for further participation in any branch of intercollegiate athletics. The term "participation" shall mean participation in any intercollegiate game or contest or any part of such game or contest. Point winners only shall be considered members of track teams.
Minutes of meeting held Sept 20, 1916, continued.

"Incomplete" is given for work not completed but otherwise of a passing grade.

The President then asked what should be done about granting permission to go to the State Fair at Helena during the week of Sept 25 to 30.
SCHOLARSHIP RULES.

8. Non-Collegiate Organizations: No student shall represent any athletic club or organization other than those of the institutions of the University of Montana from the opening of the first semester to the close of the second semester. A student who desires to participate with amateur athletic organizations during the summer vacation period may do so upon the written permission of the faculty committee on athletics of his institution. Any violation of this rule shall render a student ineligible for membership in any athletic team of his institution for a period of one semester from the date of violation.

ARTICLE III.

AMATEUR REGULATIONS.

1. Amateur Standing: No student shall participate in any intercollegiate game or contest as a representative of any of the institutions of the University of Montana who is not an amateur.

2. Amateur Defined: An amateur is defined as a person who has not competed for money or other valuable consideration; who has never competed under a false name; who has never competed with or against a professional; who has not, at any time, taught, pursued or assisted in the teaching of athletics for financial consideration; provided that nothing in this definition shall be construed to prohibit competition between amateurs for medals or trophies of a similar nature; and provided further, that nothing in this definition shall be construed to prohibit the acceptance by an amateur of his necessary traveling expenses as a contestant or officer in going to and from any place in which an amateur contest or game is held; and provided further that nothing in this rule shall be construed to conflict
Minutes of meeting held Sept 20, 1916, continued.

"Incomplete" is given for work not completed but otherwise of a passing grade.

The President then asked what should be done about granting permission to go to the State Fair at Helena during the week of Sept 25 to 30.
with the provisions of Article II Rule 6, relating to "Work for Compensation".

3. Professionalism: The disposing of any medal, trophy or complimentary ticket for compensation shall be regarded as evidence of professionalism.

4. Student Fees and Scholarships: No student shall be eligible to participate in intercollegiate athletics as a representative of any institution of the University of Montana who has taken advantage of the reduction of fees, scholarships or other financial advantage, except on the basis of competitive examination or other basis on the same terms as non-athletic students.

5. Retaining of Amateur Standing: A student in any of the institutions of the University of Montana who, at any time, has lost his amateur standing may be re-instated by the Chancellor of the University, upon recommendation by the Committee on Athletics of the Faculty of his institution, after the completion of one year of satisfactory work in the institution subsequent to the day on which he was declared ineligible.

ARTICLE IV.

CERTIFICATION OF INTERCOLLEGIATE PLAYERS.

1. Faculty Committee on Athletics: At the beginning of each academic year, there shall be appointed from the faculty of each of the institutions of the University of Montana a Committee which shall be known as the Faculty Committee on Athletics. The President or chief executive of the institution shall be ex-officio chairman of said Committee.

2. Lists of Intercollegiate Football Players: The Faculty Committee on Athletics of each of the institutions of the University of Montana engaging in intercollegiate games or contests shall, on
Minutes of meeting held Sept 20, 1916, continued.

"Incomplete" is given for work not completed but otherwise of a passing grade.

The President then asked what should be done about granting permission to go to the State Fair at Helena during the week of Sept 25 to 30.
or before October 10th of each year, prepare and mail to the Chairman of the Faculty Committee on Athletics of the other institutions of the University, and to the Chairman of the Board of Athletic Control of each other institution with which intercollegiate athletic relations are maintained a statement, duly signed by the Chairman of the Committee, concerning all students who are candidates for the football team. This statement shall include the following data for each student:

a. Age, home, high or preparatory school attended, all institutions attended above the rank of high or preparatory schools, branches of athletics and year of participation.

b. Scholastic record, showing number of entrance credits, day of first registration, number of credits earned during preceding semester and number of credits being carried during current semester.

3. Final Eligibility Statements: The Faculty Committee on Athletics, upon the certification of the Faculty Committee on Scholarship or the Registrar of the institution shall prepare the list of players eligible for any intercollegiate contest. This list, shall be transmitted by the Chairman of the Faculty Committee on Athletics so as to be in the hands of the chairman of the Faculty Committee on Athletics of the opposing institution at least five days before the contest or game in question.

ARTICLE V.

GENERAL.

1. Intercollegiate Schedules: All schedules of intercollegiate contests or games by teams representing any of the institutions of the University of Montana shall have the authorization of the Faculty Committee on Athletics of the institution.
Minutes of meeting held Sept 20, 1916, continued.

"Incomplete" is given for work not completed but otherwise of a passing grade.

The President then asked what should be done about granting permission to go to the State Fair at Helena during the week of Sept 25 to 30.
2. Adoption and Interpretation: The foregoing regulations before becoming effective shall be approved by the faculties of the several institutions of the University of Montana. All disputes relating to the eligibility for participation in intercollegiate athletic contests or games, which may arise within the institutions of the University, shall be decided by a Committee composed of the Chancellor of the University and the Chairman of the Athletic Committees of the several institutions of the University.
Minutes of meeting held Sept 20, 1916, continued.

"Incomplete" is given for work not completed but otherwise of a passing grade.

The President then asked what should be done about granting permission to go to the State Fair at Helena during the week of Sept 25 to 30.
SCHOLARSHIP RULES.

Adopted at a regular meeting of the Faculty of The State University, September 20, 1916.

These rules to apply to the whole University.

1. Before Saturday noon of each week each instructor shall report to the Scholarship Committee any absences from his classes for the current week. Serious cases shall be reported daily. If no absences have occurred the instructor shall so report.

2. The first scholarship report on delinquent students shall be made four weeks after the opening of the semester and thereafter at intervals of four weeks. If an instructor has no delinquent students he shall so report. Serious cases of delinquency may be reported at any time, at the discretion of the instructor.

3. In cases of serious delinquency, the Scholarship Committee shall promptly notify the adviser and the parents or guardian of the student concerned.

4. No student shall participate in any extra-curricular activities who is not carrying satisfactorily, at the time of the last preceding regular scholarship report, at least three-fourths of the maximum number of hours of instruction for which he is normally permitted to register.

ATTENDANCE.

Adopted at a meeting held Sept. 25, 1916.

1. If a student is absent from classes 17 times during one semester, one credit shall be deducted from the total of his credits acquired, and an additional credit deducted for each additional 17 absences or major fraction thereof; provided that the Scholarship Committee, at its discretion, shall have power to modify this rule in exceptional cases. Provided further that absences shall not be counted while a student is on leave doing departmental work or representing the University in extra-curricular activities.

2. A list of students assigned to departmental or extra-curricular activities requiring absence from the University shall be submitted, by the coach or instructor concerned with the activity, to the Scholarship Committee at least three days before the absence occurs and this list shall be approved by the Scholarship Committee before the leave of absence shall be granted.
Minutes of meeting held Sept 20, 1916, continued.

"Incomplete" is given for work not completed but

"Incomplete" is given for work not completed but
The Faculty of the State University met pursuant to adjournment in room 4 of the Main Building, September 25, 1916.

Meeting called to order at 4:40 P.M. by President Schauch.

The minutes of the meetings of Sept. 19th at 4:00 P.M., 8:00 P.M. and of Sept. 20th at 4:30 P.M. were read, corrected and approved as corrected.

Professor Elrod brought up the matter of the expenses for entertainment purposes that the members of the Faculty were called upon to meet from time to time. After some discussion, on motion by Professor Elrod, supported by Professor Phillips, a committee of three was appointed to devise some plan or plans for meeting such expenses. The following were appointed as such committee: Professor Elrod, Chairman, Miss Corbin and Prof. Carey.

The report of the Scholarship Committee relating to attendance was then taken up.

Section 1 was read by the Sec'y and discussed by Professors Holliday, Rowe Phillips, Smith, Elrod, Kirkwood and Stone.

Moved by Professor Rowe and supported by Professor Jones that Section 1 be adopted as stated in the report and with the addition of the words "Provided absences shall not be counted while a student is on leave doing departmental work or representing the University in extra-curricular activities." The motion was carried by a rising vote, 17 in favor and 5 opposed.

Professor Holliday offered the following as Section 2.

"2. A list of students assigned to departmental or extra-curricular activities requiring absence from the University shall be submitted by the coach or instructor concerned with the activity, to the Scholarship Committee at least three days before the absence occurs and this list shall be approved by the Scholarship Committee before leave of absence shall be granted."

On motion by Professor Holliday, supported by Professor Phillips, the section was adopted.

Section 2 as numbered in the report was then read by the Secretary. The matter was discussed by Professors Bonner, Drake, Elrod, F. O. Smith, Jesse, Rowe and Phillips.

Professors Rowe and Jesse suggested that the whole discussion was but a waste of time as the whole matter would have to be taken up in connection with the report of the Committee on Reorganization some time in the near future.

On Motion, the meeting adjourned.

A.E. [Signature]

Secretary

Approved Oct 10, 1916
Minutes of the Faculty meeting held Oct. 4th, at 4:30 P.M.

Meeting called to order by President Scheucll.

The resignation of Prof. Spaniuling as Secretary of the Faculty was read by President Scheucll. Owing to a conflict of duties with his class work, Prof. Spaniuling feels unable to perform this duty. President Scheucll further stated that, after a conference with the Chancellor, Miss Stillwell had been designated to act temporarily as Secretary of the Faculty.

Dr. Kirkwood presented the matter of Mr. Frank Galit's ineligibility, according to the late rules governing athletics. He further stated, however, that question had arisen as to whether accumulated delinquencies incurred prior to Feb. 1st, 1910, could justly be considered in the administration of Sec. 5, Art. 2 of the rules newly adopted, owing to Faculty action of April, 1910, concerning Sec. 6 of the rules then in force. In view of this fact, the Committee asked for further instructions on this point from the Faculty. The matter was deferred until a meeting be called of all voting members of the Faculty.

President Scheucll mentioned the Service Report stating that lists giving classification of students would be prepared by Miss Stillwell, which would assist the Faculty in making their reports.

The following list of men eligible to compete with South Dakota in Foot Ball, Oct. 7th, was then read: Clark, Keenan, Dahlberg, Layton, Simkins, Bentz, Scherck, Adams, Sanderson, Moquarrie, Lockridge, Woodward, Jones, Lester, Orr, O'Hourke, Ingabrighten, Mouthen, Patterson.

Extracts from Administrative Memorandum No. 12 from the Chancellor's office concerning publicity, were presented by President Scheucll. Dean Stone, previously appointed the State University Editor, is responsible for the proper issuance of statements dealing with public matters of the institution.

Mr. Smith, the Business Manager, then discussed briefly the budget system, requesting that the blanks to be filled by Faculty members be returned to the office by October 20th. He further stated, however, that a more detailed explanation of the matter would be given at a later Faculty meeting.

Motion made by Dr. Rowe that classes be not dismissed on Columbus Day. Seconded and carried.

Meeting adjourned.
Minutes of the Faculty meeting held Oct. 10th, 1916, at 4:30 P.M.

Minutes of Sept. 25th and Oct. 4th were read and approved.

The following petition signed by a representative of each fraternity and recommended by the Committee on Student Affairs, was presented to the Faculty:

"To the Faculty Committee on Student Affairs:

By the unanimous consent of all men's fraternities on the campus of the State University, viz., Sigma Nu, Sigma Chi, Iota Nu, Alpha Delta Alpha, Delta Rho and Alpha Delta Phi, it is respectfully petitioned:

FIRST: That pledge day for the first semester shall hereafter be set by the Faculty of the State University on the second Saturday in December, and

SECOND: That pledge day for the second semester shall hereafter be set by the Faculty of the State University on the last Saturday in April.

THIRD: Before initiation into any fraternity, a pledge must have passed in twelve credit hours of collegiate work.

FOURTH: There shall be absolutely no pledging for three weeks after the beginning of each semester.

We believe this plan would work more advantageously than the present semester pledge day for the following reasons:

1. It would do away with rushing during the period of examinations.
2. It would mean less expense to the fraternity men, both because of less rushing and because of more men to support the fraternity houses.

(Signed)

Verne E. Robinson (Sigma Nu) Geo. H. Abbott (Alpha Delta Alpha)
Stuart McHaffie (Sigma Chi) Wm. B. Russell (Alpha Gamma Phi)
Ray Richetta (Iota Nu) Joe Townsend (Delta Rho)

We, the committee on Student Affairs, recommend that the above petition be granted:

A. W. Whitlock
K. W. Jameson
A. L. Stone.

Motion made by Dr. Rowe that the recommendation of the Committee on Student Affairs be accepted.

A discussion followed by Dr. Lennes and Dr. Elrod concerning the advisability of granting the numerous petitions presented by fraternities in regard to pledge day. Dean Whitlock explained that according to the present plan, no pledging or initiation is permitted until the close of the first semester and as a result, pledging takes place during examination week and that new plan would remove this difficulty. Dean Stone then stated that the attitude of the students had been very respectful in asking their requests to the committee, and, in his opinion, the faculty would be justified in granting this request.

Dr. Jesse presented the matter of pledge day for the sororities, stating that he understood they had already received permission to change their pledge day. There should be no distinction, he thought, between fraternities and sororities in his matter and that a better plan would be to have Sophomore pledging and to have the affair all over in ten days. Pres. Schuech men explained that criticism had been made to the effect that the young women had too many parties and expenses were too great.
in connection with sorority affairs. After talking the matter over with Mrs. Jameson, it was decided that pledge day should be set earlier in the semester, not thinking that faculty sanction would be necessary. The Saturday before Thanksgiving was the girls' choice for pledge day and the date decided upon by Mrs. Jameson.

Dr. Lenox then made the following motion: that the matter of date of pledging for both sororities and fraternities be left entirely in the hands of the students.

President Scheuch asked for standing vote on the original motion made by Dr. Rowe: 17 in favor, 10 opposed. Motion made by Prof. F. O. Smith that action as taken by Mrs. Jameson be ratified by Faculty. Motion carried.

The Committee on Financial Organization made the following report in the form of a recommendation:

To the Faculty:

We, your Committee on what is termed Financial Organization, beg leave to report and recommend as follows:

1. That a committee on finance be appointed for the year, said committee to have charge of such affairs involving expenditure of faculty money as may from time to time develop.

2. That the committee be given power to proceed on its own initiative in all cases where the expenditure does not exceed $15.00. Expenditures exceeding $15.00 shall be authorized by vote of the Faculty.

3. That the money be deposited in a local bank subject to check by a member of the committee designate as treasurer, countersigned by the President of the University. The money is to be deposited in the name of the Faculty of the University.

4. That a levy of one-fifth of one percent of the salary of each member of the Faculty be made for the above purpose.

5. Whenever the faculty fund is reduced below $100.00, an additional levy is to be made so as to bring the amount approximately to $200.00.

(Signed) M. J. Elrod
E. F. A. Carey
Frances Corbin"

Motion made by Dr. Rowe, seconded by Mrs. Macleod that the committee's recommendation be accepted. Motion carried.

Then followed a lengthy discussion concerning forms of assessments and the difficulty in collecting money for various purposes. After a statement made by Dr. Kirkwood that expenses for a number of affairs should be paid from University funds rather than by the faculty, Prof. F. O. Smith suggested that a distinction be made of University functions, indicating those to be paid from University funds.

Dr. Kirkwood then asked if the committee were to have authority to sanction any kind of an entertainment. Dr. Elrod replied that all functions were to be sanctioned by the faculty and that the committee would have no authority in this matter.

Prof. Daughters mentioned the fact that the motion to accept the committee's recommendation had carried. A division of the vote was called for, however, and after further discussion, the matter was decided by standing vote. Motion carried.

In accordance with action taken at last faculty meeting, Mr. Gault's ineligibility was again presented by Dr. Kirkwood. Motion made by Dr. Coffman, seconded by Dr. Elrod, that the action of the Scholarship Committee be sustained by the Faculty. Motion carried.
Mr. Smith, the business manager, then distributed report sheets to the various heads of departments for the preparation of their financial estimates for the next two years.

Chancellor Elliott gave a general explanation of the procedure he wished them to follow, stating, however, that a copy of memorandum No. 9 (which would be given them later) would greatly facilitate the filling of the blanks. During his discussion, he cautioned the faculty in presenting increases over existing expenditures unless certain that conclusive evidence would be presented in defense of the increases. Prof. Daughters raised the question as to whether or not funds might be transferred from one account to another. The Chancellor replied that in the case of the Department of Education, that might be permissible; that some transfer might be made between Operation and Capital, but that all cases should be submitted to the Chancellor for final action. Mr. Smith brought up the question as to whether the fiscal year (March to March) or the academic year, be considered in making the estimates. Chancellor Elliott replied that salaries were fixed according to the academic year, but if the Legislature increased the appropriations, certain projects might be taken up, but in the case of normal operating expenses, the appropriations of the Legislature would not become available until Sept. 1st, 1917.

The Chancellor then discussed at length the feeling between the Associated Students and the Faculty regarding the support of their activities, including subscription to the Kalim. The students, he thought, had made a mistake in asking the $10 incidental fee, but felt that the Kalim warranted the support of the faculty; that it compared very favorably with student publications of larger institutions, and that he felt there was an obligation resting upon the faculty to support the student paper, and thereby remove the intense feeling on the part of the students.

The Chancellor then read the following communications from President Hamilton of the Agricultural College concerning objections to the late athletic eligibility rules:

"The faculty voted that 14 units should be considered three-fourths of the regular work of the student in any course. Owing to the fact that our classes vary from 17 to 19 hours per week, it was thought that all misunderstanding might be avoided by making the same number a requirement for all. This is the practice in the Rocky Mountain Conference, of which we are a member; although two-thirds if the number required in this conference. This faculty recognizes that your decision in all matters of athletic regulations is final, and will cheerfully abide by whatever you, in your judgment, decide as best.

Reasons for provision that three-fourths of the semester's work be completed by the end of the semester for the purposes of athletic eligibility.

1. The provision that a student may have until the end of the second week to complete the required three-fourths of his work is not based upon the belief that one institution would gain thereby an advantage over the other, but there would be often a suspicion, justified and reasonably too, that such students had been given special favors in being relieved of the condition. This would make more difficult the establishment of really harmonious relations.

2. This point has been an old battleground between institutions both in and out of Montana. The following results are known to have occurred in various institutions:

(1) The student asks for a special examination and relies upon his reputation as an athlete to pass it, rather than a thorough review of the work. Sometimes he is passed, which is wrong; sometimes he is failed, and the instructor is persecuted by students, faculty and townspeople interested in athletics.
(2) The student admits that he has not reviewed the subject to any extent, and is refused a special examination with the above result.

(3) The student has finished the course except a few drawings, themes, products of manual training, or laboratory note books. He appears before the instructor the last day for making up the condition with the promise to have in the work within a short specified time, if the grade will be given at once. If the grade is refused under the circumstances, the instructor is blamed. If it is given, the student may or may not hand in the work satisfactorily.

(4) Athletes knowing that they will have the summer before them to make up conditions, do not do their best during the semester.

3. If a student cannot pass in three-fourths of the work during the semester, but must depend upon additional time to complete it, he should not be permitted to divert his efforts through athletics, which, if he is an enthusiast, diverts his mind from his work, and in a case, takes him from the classroom for athletic trips.

This faculty and even the Athletic Committee have always held that studies should be paramount and athletics incidental.

In the matter of fourteen units being considered three-fourths of the regular work of a student, Dr. Rowe stated that the Agricultural College requires more hours for graduation than the State University and the proportion would not be the same. Chancellor Elliott expressed the opinion that the rule should read "three-fourths of the regular work" instead of fourteen units, but that it was not necessary to act upon this point at once; that President Scheuch would submit the questions brought up by President Hamill at a later faculty meeting.

On motion, meeting adjourned.

Meeting of the Faculty of the State University was held November 16th, 1910, at 4:00 P.M.

The matter of regular convocations was discussed. Motion made by Dr. Rowe that there be held two convocations a month following Thanksgiving, for the remainder of the term. Mr. H. E. Smith moved that regular convocations be held and that the President appoint a committee consisting of two faculty members and the President of the A.S.U.M. to have charge of convocations. Prof. Aber offered as a substitute that the committee be appointed and given full power to act without stating when, how often, etc., the convocations shall meet. Motion carried.

A discussion followed concerning the rule about seventeen absences, but no action was taken.

On recommendation of the Committee on Admission and Registration, "R. G. Otis Baxter was recommended to the State Board of Education for the Degree of Bachelor of Arts, with History and Economics as a major.

On motion, meeting adjourned.
Minutes of the Faculty meeting of the State University held December 14th at 4:30 P.M.

Minutes of the meeting of November 16th were read and approved.

The Committee on Admission and Registration made the following recommendation: "that Mr. Alva C. Baird be recommended to the State Board of Education for the Degree of Bachelor of Arts with Law as a major, also that Mr. C. H. Chen be recommended for the Degree of Bachelor of Science, with Commerce and Accounting as a Major, providing his work of this semester is satisfactorily completed. Mr. Chen expects to return to China immediately after the close of the present semester and wishes to take his diploma with him. In order to do this, his application for degree must be presented at the December meeting of the State Board."

Motion made to accept this recommendation. Seconded and carried.

On recommendation of the Law School Faculty, motion carried to recommend to the State Board of Education that Mr. Horace W. Judson be awarded a certificate of completion of the course in Law.

Recommended by the Committee on Admission and Registration that the petition of Miss Elsie M. Pride be granted, to graduate without the required two credits in Physical Education, and to be allowed to substitute subjects in the Physical Education Department in their place, in as much as she has had one and one-half years of this work at Carleton College, but unable to secure record of all the work. Motion made, seconded and carried to accept this recommendation.

Recommended by the Committee on Admission and Registration that the petition of Mr. Thomas Busha be granted, to receive a B. A. Degree in June with the required two courses in History and Economics totaling four hours instead of six hours. Mr. Busha is majoring in Law and he states that since he is carrying a full course in Law, it will be difficult to make up this work at this time. Motion made by Mr. Bray that petition be not granted. Dr. Kirkwood asked if it had not been the custom for the Department of History and Economics to decide this matter. Dr. Rowe explained that a sub situation of this kind comes before the Faculty, and since Mr. Busha expects to have the total number of credits required for the B. A. Degree and all other restricted electives satisfied, in his opinion, the petition should be granted. Dr. Rowe also emphasized the fact that Mr. Busha has had the two required courses in History and Economics, and the fact that they totaled four hours instead of six hours seemed a minor detail. The original motion made by Mr. Bray was voted upon and lost. Mr. Bray being the only member in favor.) Motion made by Dr. Rowe carried.

A petition from the students requesting the faculty to extend the Christmas vacation until 8:30 A.M., January 8th, was presented. Motion made by Dr. Rowe that the petition be denied. Seconded and carried.

President Scheuch then read the following communication from Princeton University, which had been forwarded from the Chancellor's Office with a request that the Faculty take action regarding the same:
My dear Elliott:

In consequence of requests which came to us directly from Belgium yesterday, we have prepared a petition, of which I enclose you a copy. It will be especially useful if the great institutions of the West can see their way clear to join in such a movement. We are hoping to have a nation-wide petition, although of course it would be better if the petitions varied in form. Can you not aid, not only by getting your University to take action, but also by writing to friends elsewhere? As the details have been brought before us by actual facts we have become more and more indignant. I feel that as a nation we shall be humiliated if we take no action.

Yours sincerely,

Dana C. Munroe.

PETITION.

TO THE PRESIDENT
THE WHITE HOUSE
WASHINGTON, D.C.

The undersigned members of the faculty of Princeton University have heard with alarm a report of the wholesale deportation, from their homes, of Belgian men and women for forced labor. The facts daily coming to light increase our horror at this inhuman policy. It is our earnest hope that you will find some effective means of protesting in the name of this nation and of humanity."

President Scheuch stated that a copy of the petition would be in the office for those desiring to sign.

President Scheuch then read extracts from a letter received from the Director of the Bureau of Medical Service of the American Red Cross Society concerning the organization of a Sanitary Training Detachment among the students of the State University. Motion was made by Dr. Rowe that the matter be referred to President Scheuch, the Department of Pharmacy and the Department of Physical Education, for investigation, and that a later report be made to the Faculty.

On motion, meeting adjourned.

Secretary.
