OFFICIAL PROGRAM • TWENTY-FIVE CENTS
BE HAPPY - Go Lucky!

EILEEN WILSON, Lucky Star of TV and Radio, says:

At football games I love to cheer
"Go team!" and "Hip Hooray!"
But for a better taste I shout,
"Go Lucky Strike today!"
(Luckies taste better than any other cigarette!)

LUCKIES TASTE BETTER THAN ANY OTHER CIGARETTE!

FOOTBALL'S development, from its early beginnings to the fast-moving, colorful spectacle it is today, has necessitated annual rules changes to meet the various situations which occur.

This year there are no new basic rules. There are merely alterations to improve the present ones. One rule which was dropped last year has now been put back in the book.

The five changes listed below will bring you up to date on the 1951 Rules Book. Read them over and enjoy the game!

1. THE FAIR CATCH WILL BE USED BY COLLEGES AGAIN THIS YEAR. After a year's absence from the Rules Book, the Committee has found it advisable to reinstate the fair catch, in the best interest of protecting the receiving back from vicious down field tackles. This rule has been rewritten and simplified to facilitate its administration by officials. There is no longer the requirement that the player stop within two steps after the catch. The rule is now simple and clear. It merely states, "When a player makes a fair catch, the ball becomes dead where caught and shall belong to the receiving team at the spot where that player first touched it."

   The signal for a fair catch remains the same; the player making the catch shall raise one hand clearly above his head and wave it from side to side. Under the old rule, the team making the fair catch had the option of putting the ball in play by a free kick or scrimmage. This option is now deleted and the ball must be put in play from scrimmage.

2. PENALTY FOR ILLEGAL SHIFT NOW REDUCED TO FIVE YARDS. For several years there has been a very fine distinction between a man illegally in motion and an illegal shift. The penalty for the former being five yards and the latter fifteen yards. Because of the fact that these two violations of the rules were so closely related, and many times confused, the Committee decided to make the penalty for each the same, which is a great step toward consistency and conformity in the rules.

3. VIOLATION OF SUBSTITUTION RULE NO LONGER PENALIZED AS DELAY-OF-GAME. One of the most confusing things in football from a spectator's point of view has been eliminated. How often have you seen the defensive team run in a substitute when the ball was ready-for-play, but before the offensive team had even lined up over the ball. The Referee would blow his whistle and step off five yards against the defensive team. The public address system would announce to the stands that the defensive team was being penalized for delay of game. Now you know and I know, that the game was not delayed by that substitution. Actually, it was a violation of the substitution rule as substitutions cannot be made once the ball is ready-for-play. However, last year any violation of the substitution rule was called illegal delay. This year it will be properly penalized as a violation of the substitution rule.

4. BALL SHALL NOT BE PUT IN PLAY UNTIL REFEREE SIGNALS READY-FOR-PLAY. No more will the offensive team be able to pull that old surprise play of lining up on the ball and, without signals or huddle, snap it while the defensive team is still picking itself up off the field. This year the ball must be declared ready-for-play by the Referee before it can be put in play. The Referee will signal ready-for-play by extending his right arm aloft and bringing it down to his side.

5. STARTING THE CLOCK. There is one change in the timing of a game this year that will be significant. Last year after any time out, free time out or excess time out, the clock was started as soon as the ball was ready-for-play. Quite often toward the end of a period, with only a few seconds left to play, the team in possession of the ball, trailing by a slight margin, would ask for one of its free times out, just to kill the clock and assure itself of one more play. The Referee would grant the time out, but as soon as the time was up and the Referee had declared the ball ready-for-play, the clock would start and usually run out before the team could put the ball in play. This seemed to work an injustice upon a team which had conserved its time out all during the game for just such an occasion. This year, the Rules Committee has decided that after a free time out has been granted, the clock shall not start until the ball is actually put in play.
A new tradition will start here at Hilltop Stadium tonight when the Pioneers host the Silver Tips of Montana U. in the first game of what will become one of the top rivalries in the Mountain States.

To give the series the proper send-off the Montanans have brought a big, rugged team to Denver. A team which is noted for the fine execution of its plays off the T-formation with the starring roles carried jauntily by George Vucurovich, quarterback and Fred Mirchoff, battering fullback. Other top backs in the Montana offensive are Paul Wold, Bob Byrne, Bob Graves, Dick Hubbard, Lloyd Thomas and Gene Carlson. These backs are fairly husky and operate behind the biggest set of forwards in the Skyline. Coach Shipkey has all-conference candidates ahead of his ball-toters in Tackle Boh Antonick, End Harold Maus and Guard Gordon Jones.

Denver has tough defensive duties tonight but will depend on capable offense to take up the defensive slack. 60-minute man Jerry Collis is the key of Coach John Baker’s diversified attack. Collis is a rugged blocker and pass-catcher in the single-wing phase of the Pioneer attack. He is the ball-handler and passer when the T series is in use. Just to keep busy, Jerry plays left half on defense. Bob Friend and Sam Etcheverry have become dangerous tailbacks. Jim Liley and Joe Hall are better-than-average wingbacks. Chuck Spagnoli is getting strong opposition from John Callard at fullback.

More than one Pioneer linesman opened a bid for All-Conference honors at Laramie last Saturday. Tom Hugo and Cal Chai were outstanding on offense and defense. So was tackle Fred Nanni. End Dick Westbay rates with the best flankmen in D.U. history. Tackle Rich Kenny was strong on defense. End Fred Chrisman played well. Defensively, centers Rich Henke and Harry Taggart were tough.

However, Denver can’t win this one on the strength of the near-triumph over Wyoming. The Pioneers will have to go at top speed tonight for the Grizzlies have their sights set on a Conference championship the first year in the Skyline.
