Optional: Study Guide, by same. (Past students have found the study guide to be very helpful.)

Your course grade will be based on the following:

6 quizzes/exams @ 100 points each	600
Homework	35
Email assignment	5
Internet Project	10
Dropped quiz	<u>(100)</u>
Total points	550

The usual 90,80,70,60 scale will be used. There will NOT be a curve. There will be approximately 30 extra credit points offered later in the semester.

Homework Homework is an essential part of this course. Expect to spend at least 2 hours outside class for each hour in class in order to read the text and complete the homework. Homework will be collected daily and will be accepted only on the date due or earlier. We will go over much of the homework in class. Homework that is fully completed will get credit. Partial homework receives no credit. Homework points will be awarded on a percentage basis. (If you do 85% of the homework, you will get 85% of the points.)

If homework is not legibly marked with your name, date, section, and assignment, you will not receive credit. It is neither my responsibility nor that of my grader to remind you of this. You will just not receive the credit.

Dropping a Quiz You will be allowed to drop your lowest quiz score from quizzes 1-5.

Missed Quizzes You will be allowed to drop one quiz grade at the end of the semester. This is the only provision for missed quizzes. If you are sick or absent for any reason on a quiz day that will be your dropped quiz. If you miss 2 quizzes, the score on the second missed quiz will be same as your final (Quiz 6).

Students with Disabilities Qualified students with disabilities will receive appropriate accommodations in this course. Please provide a letter from your DSS coordinator so we can discuss these accommodations.

Student Code of Conduct Please refer to the Student Conduct Code.

Drop date: The last day to drop the class is Monday, March 9. No drops will be signed after this date. (NOTE: This date is too late for a refund.)
