Whereas, The Associated Students of The University of Montana (ASUM) represents the students of the Missoula College;

Whereas, The University of Montana (UM) has had several forums about the location of the new Missoula College building, allowing community concerns to be heard;

Whereas, the previous location preferred by both UM and ASUM was the proposed South Campus;

Whereas, the opportunity for business development between Missoula College and downtown Missoula and the increased visibility for Missoula College were among the deciding factors for the decision to select the East Broadway location;

Therefore, Let It Be Resolved, that ASUM supports the construction of the new Missoula College at the East Broadway location and encourages UM Administration and the President’s Office to expedite the remainder of the process.
