THE TWENTY-NINTH ANNUAL MEET

The Twenty-ninth Annual Interscholastic meet will be held at the State University of Montana in Missoula, May 11-14.

Interscholastic week is by no means devoted entirely to athletics. The girls' declamatory contest, the boys' declamatory contest, the interscholastic debate to decide the state championship, the Little Theatre tournament, the High School Editorial Association—these events attract students from all parts of the state.

Interscholastic week at the State University of Montana has come to be one of Montana's institutions. The meet is one of the largest interscholastic track and field contests held in America.

The annual Interscholastic Meet is Montana's meet held under the auspices of the State University at Missoula. It is for Montana students, not alone for students of Missoula and Western Montana, but for students from all parts of the state.

The Interscholastic Meet is evidence of the University's belief in Montana schools for Montana students and Montana students for Montana schools.

INFORMATION

An official blank will be sent you about April 8, which should be filled out at once and returned to the University. Names of all contestants must be in the hands of the committee by May 3. **LATER ENTRIES WILL NOT BE ACCEPTED.** Fill out the blank completely. No information is asked which is not needed. **SEND YOUR BLANKS BY REGISTERED MAIL.**

Principals or coaches will present bills for railroad fare for their teams on Friday at 10 a. m. to Professor M. J. Elrod, at the Zoological Laboratory, Room 203, Natural Science Hall, who will refund to principals or coaches the amount specified under Entertainment and Expenses.

Those coming by train will be met at stations by Dean Harriet Sedman, in charge of women, and Professor G. D. Shallenberger, in charge of men. Quarters will be assigned there. Transportation will be furnished to the quarters allocated. Those arriving by stage or auto may get in touch with Mrs. Sedman or Mr. Shallenberger by calling Phone 3121, University.

All correspondence in relation to the meet, in general, should be addressed to the Chairman, Interscholastic Meet Committee, State University of Montana, Missoula. RULES

1. A contestant will be permitted to enter both the declamatory and athletic contests, the debating and athletic contests, the debating and declamatory contests, or all three, if he so desires. But no more than three contestants from the same school will be allowed to participate in the same athletic event. This applies to the 880-yard run, in spite of the fact that there are two races in this event. All entries from the same school will be required to participate in the same race. **HEATS FOR THE 440-YARD RACE WILL BE RUN ON THURSDAY AND ONLY ONE FINAL RACE WILL BE RUN ON FRIDAY.**

2. All contestants will be expected to participate in the events for which they have trained and have entered. No expenses will be paid to a contestant who does not take part in at least one event.

3. It is recommended that principals and coaches enter the men in the events only for which they are best fitted. It is hoped that athletes will specialize in a few events and make good rather than enter many and not qualify. While there is no limit to the number of men who may be listed on the entry blank, not more than 10 from any school will be allowed to participate in the track and field events.

ATHLETICS

1. The rules of the National Collegiate Athletic Association will govern all contests in athletics.

2. The standards which the competitors in each event must have attained before they are eligible to enter in that event are set opposite the events of the table below. It is understood that contestants whose names are sent in by principals have met these requirements.

3. **COACHES, TRAINERS AND ATTENDANTS WILL NOT BE ALLOWED ON THE FIELD DURING GAMES. CONTESTANTS WILL NOT BE ALLOWED ON THE FIELD UNLESS IN UNIFORM. FAILURE TO COMPLY WITH THIS RULE WILL DISQUALIFY COMPETITORS FROM THE SCHOOL COMMITTING THE OFFENSE.**

4. In determining scores for the awarding of prizes in athletics first place in any event shall count five points; second place, four points; third place, three points; fourth place, two points; fifth place, one point. Should the referee declare a tie for any place in any event the point or points shall be divided and a corresponding medal or ribbon given to each contestant. If a tie should occur in any event which would result in a tie between two or more schools for first place in the meet, the particular event causing the tie shall be run over so that first place may be awarded to only one school.

5. The following rules of eligibility for athletic contests governing the Montana High School Athletic Association have been adopted by

the faculty of the University. They will be interpreted and enforced by the high school principals and delegates taking part.

Sec. 1. No student shall be eligible to play in any association contest unless regularly enrolled in regular attendance from enrollment date specified, registered, and having a passing grade to date, in at least 15 recitations of prepared work or its equivalent weekly.

Sec. 2. No student shall be eligible to compete in any association contest who failed to receive a passing grade in at least 15 hours of prepared work or its equivalent during the last preceding semester in which he was in attendance.

Sec. 3. In case any student be given a condition as a grade at the end of a semester, such condition shall be counted as a failure in so far as it applies to eligibility under these rules.

Sec. 4. No student shall be eligible to compete in any association contest who has had enough credits on any regular graduation date to entitle him to be graduated from the high school, or who is a graduate of a regular four-year high school or who is a graduate of a secondary school which has the same requirements for a graduation as a regular four-year high school.

Sec. 5. Grade students shall not be eligible under the rules of this association.

Sec. 6. No student who has ever participated in athletics in an institution of learning higher than secondary rank shall be eligible to play under the rules of this association.

Sec. 7. No student is eligible to play in any association contest who has passed his 21st birthday.

Sec. 8. No student shall be eligible to play in any association contest who has been in attendance in any secondary school more than eight semesters. An attendance of twenty days during a semester shall be counted as one semester's attendance.

Sec. 9. No student shall be eligible to participate in football who enrolls later than October 15, or in basketball or spring sports who enrolls later than the eleventh day of the spring semester, provided that the above shall not apply to pupils received by transfer from other schools. Such pupils must, however, show an original enrollment as described above.

Sec. 10. No student shall be eligible to play in any association contest during more than four seasons in any one sport. Any student who is in attendance at a high school during a sport season shall have charged against him one year in that sport in so far as future playing time is concerned, regardless of the fact that his school may or may not have engaged in said sport, or whether he took part or not.

Since basketball is a two season sport, however, a student shall be entitled to become eligible for any four spring semesters of basketball and any four fall semesters of basketball but he shall not be entitled to become eligible in more than four of either spring or fall semesters.

Sec. 11. Any student who shall change school systems except upon change of residence by parents or legal guardian shall be ineligible to compete in any athletics of the new school for a period of one semester except when he has completed a full course in a one, two or three year school and files with the Board of Control a certificate to that effect from the principal of the school which he left.

Sec. 12. If a pupil plays a match game during the school year on any other than the team representing his own school without the previous written consent of his Principal he is ineligible from the date of such match game though a period equivalent to one whole semester. All of this time shall be made up of time in which the pupil is in actual attendance in the high school. The above applies to sports maintained by such schools during that year.

Sec. 13. No student shall be eligible to play in any association contest who has not been enrolled as a regular student for at least two weeks directly preceding such contest.

Sec. 14. In case of a student received by transfer from another state, such student shall not be eligible to compete in athletics until the principal of this school shall have filed with the secretary of the association the information as to his athletic record called for on the blank described in Article VII, Sec. 20, of the constitution.

Sec. 15. No student shall be ineligible on account of absence while in the military service of the state or nation in time of war.

Sec. 16. No sweater, jersey, trophy, or other personal award exceeding three dollars in value shall be given by any school a member of this association. Any student who accepts a sweater, jersey, or other award exceeding three dollars in value shall be ineligible for any further interscholastic contest under the jurisdiction of the association. It is recommended that schools adopt some design, have pins, fobs, buttons or other articles made (where value is less than three dollars) and qualifying for school letters, provided that this article shall not apply to awards given in championship contests held under the auspices of the University of Montana or in interstate contests held under the auspices of recognized institutions or organizations.

The rule concerning awards applies to athletics only. An exception to the rule is made in receipt of awards from the State College, University and School of Mines in championship contests.

This rule shall not be interpreted to prohibit the acceptance of medals, cups, or watch fobs given as tokens of athletic achievements to participants in athletic meets or tournaments in which three or more high schools participate and which are limited to high school pupils or to participants in non-interscholastic contests open to high school pupils and other contestants on equal terms. Provided that in either case the award must be made by the organization conducting the meet or tournament.

Sec. 17. No student shall be eligible to compete in any association contest who has played under an assumed name, has sold a prize won in competition, has bet on a competition in which he is to participate, or who has been guilty of unsportsmanlike conduct in or during any athletic contest in which he was a participant.

Sec. 18. The rules of this association shall apply to all interscholastic contests in which its members compete, i. e., second teams, etc., regardless of classification.

Sec. 19. Whenever a principal or a Board of Education makes local rules supplementary to these rules but not inconsistent with these rules, the principal is authorized to exclude the contestant for violation of the local rules the same as if they were part of these rules. The power of the principal to exclude is absolute and will not be reviewed by the Board of Control.

Sec. 20. No contestant may represent any school under these rules except under certificate from his principal.

Sec. 21. On or before May 1 of each year the principal of each school shall file with the secretary on blanks furnished by him a list of all boys in attendance as defined by Article IV, Sec. 8.

Sec. 22. No member of this association shall enter any athletes in any contest whatever unless the athletes of such member shall be eligible under the rules of eligibility of this constitution.

Sec. 23. The principal of the school or that member of the faculty approved by him shall be manager of the teams representing the school.

Sec. 24. No contest shall be arranged with any team without the sanction of the principal.

Sec. 25. Any school using a player after said player has been declared ineligible shall be suspended from this association for a period of one year. If, when a protest is made, time does not permit consideration before a game, the game shall be played, but if upon consideration of evidence it appears that a player is ineligible, such player shall be forthwith barred for the year, and any games in which he has played shall count for the opposing team.

DECLAMATION

Winners for 1931. Girls' contest: Ossia Taylor, Missoula. Boys' contest: Harry Hoffner, Butte.

RULES GOVERNING THE DECLAMATORY CONTEST

1. The contest in declamation is open to both sexes, but each school may have but one representative. The contestants are not to be appointed; they are to win the honor of representing their schools in home contests in such a manner as the school authorities may direct. A meeting will be held in room 119 in the Library Thursday at 8:30 a. m. Winners (the number to be determined later) in the group contests will be eligible to compete in the final contest.

2. There will be no division into humorous and serious sections in the declamation contests. The boys' and girls' contests will still be separate. Any contestant, boy or girl, may choose a serious or a humorous piece but he or she will be in competition with any other selections that fall by lot into the preliminary contest.

3. Three medals in the boys' contest and three medals and two ribbons in the girls' contest will be awarded as prizes.

4. The selection to be given by a contestant may be prose or poetry, humorous, pathetic, oratorical, or dramatic, but it is urged that intensively dramatic or melodramatic selections be avoided.

5. No selection may take longer than ten minutes for delivery; contestants exceeding this limit will not be considered in the selection of winners.

6. The judges shall base their judgment on the speaker's ability to communicate appreciation of a piece of literature. Such communication will depend first upon the speaker's understanding and appreciation of the writing, intellectual and emotional, and his impartation of it to his hearers. The best speaker shall be rated 90 and the poorest 50. In making their ratings judges shall allow 70% for the student's emotional and intellectual understanding of the selection and 30% for his power of communication—divided equally among (1) enunciation, (2) distinctness, appropriateness and pleasantness of tone of voice, and (3) relationship established between the speaker and his audience.

ESSAY CONTEST

Winner for 1931: Mary Asbury, Hardin.

Subject for 1932: The committee announces that the essay contest this year is open for essays on any subject, providing only that these essays have been written this year by students eligible under the standing rules for the contest.

All communications concerning the essay contest should be addressed to Mr. E. L. Freeman, Department of English, State University, Missoula, Montana.

RULES GOVERNING THE ESSAY CONTEST

This special privilege is given them with the understanding that any principal who receives essays on these conditions, will under no circumstances, allow any changes to be made after they have been submitted to him, but will keep them in his possession until the date set for the close of the contest (about April 15). At this time he will select from all essays submitted by his students (both the January and the June graduates) the best essay, which he will send to the University.

2. Essays must not exceed 2500 words in length.

3. A typewritten copy of the best essay in each preliminary contest marked on the first page with some motto or pseudonym shall, on or before April 18, be sent to E. L. Freeman at the University. Each essay must be certified by student, instructor, and the principal as honest, original work. All essays received by the committee shall be submitted to three judges, who shall be appointed by the president of the University. The judges, without knowing the names of the students who wrote the essays, or what schools are represented by them, shall rank and graduate each essay on the following basis: Correctness (paragraph and sentence structure, English usage, etc.), 40 per cent; originality, interest, general structure, 60 per cent. The essay having the highest rank shall be declared the winning essay. In case there should be a tie in the ranking, the one having the highest grade (percentage) shall be declared the winning essay.

ENTERTAINMENT AND EXPENSES

In addition to providing the trophies and prizes described elsewhere, the University will provide, under the following regulations, free entertainment to contestants and women chaperons as stated below.

Attention is called to a recent change in policy which circumstances made necessary: **THE UNIVERSITY WILL NOT PAY FOR MEALS FOR CONTESTANTS AND CHAPERONS.**

1. The University will pay the railroad fare to Missoula and return (meals and sleeper not included) of two contestants (regardless of whether entered in athletics, declamation, or debate) from each of the fully accreditied high schools of the state, except as stated in paragraphs 2 and 3 below and in the announcement of Golf and Tennis Tournaments.

2. The University will pay the railroad fare to Missoula and return (meals and sleeper not included), and lodging for three days for any number up to a maximum of five contestants who compose the winning group in the Little Theatre tournament.

3. The University will pay the railroad fare to Missoula and return (meals and sleeper not included), and lodging for the winner of the Essay Contest.

4. The University provides lodging places for all contestants and their chaperons. If the lodging places provided are occupied, the University will pay lodging expenses for women chaperons and for not more than two contestants from each school, except as provided for by paragraphs 2 and 3 above.

5. No schools should send contestants without competent chaperons, one for young women and one for young men, to lodge with them and be responsible for their deportment. No school will be given lodgings without such chaperons; the University does not pay the railroad fare of these chaperons; it offers to women chaperons the same entertainment which it affords to contestants.

6. Coupons for lodgings and contestants' badges will be given to coaches and women chaperons, who must stay with their teams. If these are not secured at the train application should be made to Professor G. D. Shallenberger, Room 102, Craig Hall, for tickets for men and to Dean Harriet Sedman, Room 102, University Hall, for tickets for women.

7. Refund of money for railway tickets will be made by Dr. M. J. Elrod. No money will be paid to individual pupils. The refund is paid to the principal or coach at 10 a. m. Friday, Zoological Laboratory, Room 203, Natural Science Hall. The entire amount for any school must be paid to one person.

8. All chaperons and contestants will be admitted free to all events, except Little Theatre Tournament.

9. It will be necessary to lodge the women contestants and their chaperons in private rooms. The men will be assigned lodgings by the committee. Principals and chaperons must assume responsibility for the proper conduct of their students; should hotels prove damages caused by students, or report failure to pay obligations incurred the right is reserved to withhold payment of their traveling expenses or to refuse admittance to the school at future Interscholastic meets.

10. Whenever two or more schools plan to have their contestants under the supervision of a joint chaperon or coach, it is necessary that the committee be notified of this not later than the last day set for the receipt of entry blanks. Otherwise it may be impossible to secure lodging for the contestants at the place selected for the coach or chaperon.
