#### 4 Local Non-Profit Organizations Awarded Funds through GBLD 194: Can Giving Change the World

On Monday, students in Professor Gregory Larson's GLI course, *GBLD 194: Can Giving Change the World?*, gave away \$10,000 in grant funds to representatives of local nonprofit organizations. The class awarded grants of at least \$2,000 to [Garden City Harvest](#), [Free Cycles](#), [Soft Landing Missoula](#) and [Watson Children's Shelter](#).

Professor Larson writes, "I am impressed by how this grant-making process connects incoming UM freshman students to the community and believe that this type of engaged service-learning course is an exemplar of the kind of educational experience we hope to provide for UM students."

Congratulations to all of the organizations who received funding this year and thank you to the students and faculty of GBLD 194, "Can Giving Change the World?" for their incredible efforts on behalf of so many worthy causes.
