6. The Curriculum Committee, by Jesse, recommended for faculty approval the following new courses and changes in courses. The recommendation was unanimously approved.

BOTANY

75 - Botanical Problems; 1-5 credits; prerequisite, 10 credits in botany; offered any quarter.

BUSINESS ADMINISTRATION

50 - Retail Store Management; 3 credits; prerequisite, Economics 14ab or Pharmacy 27ab; offered in the spring quarter; replaces Business Management 121.

156 - Business Cycles; 3 credits; prerequisite, Economics 10a; offered in the spring quarter; replaces Business Organization 43.

191 - Business Administration Seminar changed from a three quarter continuous course offered for 2 credits to a course which may be taken 1, 2, or 3 quarters, and may carry 1 to 3 credits each quarter.
ECONOMICS

107 - Modern Trust Movements - reduced from 2 quarters to 1, and from 5 credits to 4.

151 - Advanced Economic Theory - increased from 3 to 4 credits.

168 - Child Welfare; 2 credits; prerequisite, Sociology 61a and junior standing; given in the spring quarter.

MATHEMATICS

25 - Statistics - increased from 4 to 5 credits.

PSYCHOLOGY

10 - How to Study; no credit, no prerequisite, offered in the winter quarter.

RELIGION

102R - Philosophy of Religion; 3 credits; prerequisite, junior standing; given in alternate years in the autumn quarter.

28R - The Bible, Its Origin, Growth and Value; 3 credits; prerequisite, sophomore standing; given in alternate years in the winter quarter.

29R - Fundamental Moral and Religious Values; 3 credits; open to freshmen only; given in the spring quarter.

(The approval of the last course will repeal section three under paragraph four in the minutes of the Faculty meeting held March 25, 1924, which provides that only students of sophomore standing or above or special students will be allowed to take courses in the School of Religion.)

The Curriculum Committee, by Jesse, recommended the following amendment to the rule relating to repetition of courses: (Student Handbook, page 12)

"However, a student shall not reregister for credit for such a course or for any portion of such a course while he is registered for or after he has received a passing grade (complete or incomplete) in:

(1) a subsequent quarter's work in this same course, except that in a continuous course a student may repeat the entire course;

(2) a course for which this course is a prerequisite.

The Registrar shall administer this rule. Doubtful cases shall be referred to the Registrar, the Chairman of the Committee on Admission and Registration, and the Chairman of the department or school concerned.

This amendment shall become effective September 1, 1928."

The recommendation was unanimously approved.
The following recommendation by Daughters was unanimously approved by the faculty:

**RESOLVED:**

That the University Certificate of Qualification to Teach may, in extraordinary emergencies be granted to students and former students whose professional credits in Education do not fully correspond to the specific courses now fixed by the university regulations, Provided:

1. Candidates for this emergency consideration must hold a bachelor's or a master's degree from this institution.

2. They must meet the University Certificate requirement with respect to major and minor preparation.

3. They must have a minimum of acceptable credits in Education equal to that now established in the University Certificate regulations and said credits must be from standard colleges and universities.

4. This shall be and remain in effect only until the state school law can be modified so that such cases can be taken care of by the State Board of Educational Examiners through the granting of state certificates by endorsement.

The Graduate Committee, Kirkwood, Chairman, recommended that the following degrees be granted, to be conferred at Commencement June, 1928:

- Frank E. Bonner, honorary degree of Master of Forest Engineering.
- John Hurst Durston, honorary degree of Doctor of Laws.

The recommendation was unanimously approved by the faculty.

10. There being no further business before the Faculty, the meeting adjourned.
April 28, 1928

1. A meeting of the Faculty was held at 4:10 P. M. on the call of President Clapp, who presided.

2. The following members were present: Abbott, Ames, Arnoldson, Atkinson, Badgerly, Baumgartner, Bennett, Boutelle, Burke, Coleman, Crumbaker, Decatur, Dixon, Elrod, Freeman, Hoffman, Howard, Howd, Jesse, Kirkwood, Laux, Leaphart, Little, McEnnisie, Macdick, Mason, Merriman, Merrill, Miller, Mirrieless, Munro, Phillips, Platt, Reidell, J. P. Rowe, Sanford, Scheuer, Severly, Shallenberger, F. O. Smith, Stone, Swearingen, Tallman, Terry, Thomas, Toelle, Waters, Floris Weisberg, A. T. Young.

The following members were accounted for: Bradley, Carey, Corbin, Gleason, Lise, Speaulding, Wood.

3. The minutes of the meeting of February 28th were approved.

4. The Committee on Admission and Registration, Phillips, Chairman, reported that all candidates for degrees who had been provisionally approved by the faculty on February 28th completed the requirements for their respective degrees and certificates at the end of the winter quarter, with the exception of Mary Katherine Gormley, who was a candidate for the degree of Bachelor of Arts in Business Administration.

5. The Committee on Admission and Registration, Phillips, Chairman, presented petitions from the following students:

Griffiths, Albert: to be exempted from the foreign language requirement for the Bachelor of Arts degree, and to have the social science requirement (both entrance and college) considered fulfilled by one-half entrance unit in Sociology, one-half entrance unit in Civics, four college credits in United States History, and eight credits in Economics 14ab. Recommended by the committee and approved by the faculty.

Jedder, Edgar H.: to satisfy science-mathematics requirement for Bachelor of Arts degree in Journalism by one entrance unit of science, and twenty-six college credits, instead of required twenty-eight. Petition denied by a vote of 16 to 5.

6. Mr. Phillips, Chairman of the Committee on Admission and Registration, stated that many requests had been made to allow students to receive credit for one quarter of an "in" course without completing the entire course; but that in view of the fact that these "continuous courses" were supposed to be unit courses the committee requested that petitions of this nature be not approved by members of the faculty except for sufficient reason, and that this reason be entered on the petition.

7. The Deans' Conference. Jesse, Chairman, presented the request of R. T. Young for permission to change the following grades in Biology 11b: David Allweiss, from C to B; Helen Rooney, from D to C; and Ray Sturm, from D to C. The request was approved by the faculty.

8. Mr. Merrill, Chairman of the Schedule Committee, stated that members of the committee would not be in residence next summer, and asked for early submission of schedule copy, so that the material could be prepared for the printer by June 9th.
9. On motion of Mr. Leaphart, the faculty voted to change the entrance requirements to the Law School by requiring students entering the Law School between September 1, 1928 and September 1, 1929 to offer for admission grade points equal to at least ninety per cent of the credits earned, and by requiring students entering after September 1, 1929 to offer as many grade points as credits.

10. President Clapp read an invitation to the faculty from Major General J. L. Hines to visit the Reserve Officers' Training Corps camps during the summer of 1928.

11. President Clapp explained the "Proposed Budget for 1928-29," and the "Program for Decade 1928-1938 for the State University of Montana," copies of which were distributed to members of the faculty.

12. Dean Stone requested the faculty to reconsider the petition of Edgar Reeder for exemption from two of the twenty-eight credits in science-mathematics required for the degree of Bachelor of Arts in Journalism. On motion of Mr. Shallenberger, the faculty voted to reconsider Mr. Reeder's petition. After discussion, the faculty decided, by a vote of 14 to 13 to deny the petition.

13. There being no further business, the meeting adjourned.
1. A meeting of the faculty was held at 4:10 P.M. on the call of President Clapp, who presided.

2. The following members were present: Ames, Arnoldson, Atkinson, Baumgartner, Bennett, Buckhous, Carey, Caulkins, Coleman, Daughters, Dixon, Elrod, Freeman, Houseman, Hovd, Jesse, Kirkwood, Lennes, Little, Maddock, Merrill, Miller, Mirrieles, Mollett, Phillips, Platt, Sanford, Scheuch, Setzer, Severy, Shallenberger, F. O. Smith, Suchy, Tallman, Terry, Waters, Flora Weisberg, R. T. Young, W. L. Young.

The following were accounted for: Angus, Bateman, Bradley, Burke, Crumbaker, Gleason, Hoffman, LeClaire, Line, Merriam, Munro, J. P. Rowe, Schreiber, Spaulding, Speer, Stone, Thomas, Wood.

3. The minutes of the meeting of April 26th were approved.

4. The Committee on Admission and Registration (Phillips, chairman) presented a list of candidates for degrees and certificates at the end of the spring quarter, which, on motion, was unanimously approved with the provision that all requirements be satisfied.

5. The following candidates for degrees were recommended for graduation with honors by the chairmen of their respective major departments and by the Committee on Admission and Registration, Phillips, chairman. The recommendation was unanimously approved by the faculty:

6. The Committee on Admission and Registration presented the recommendation of Mr. Lennes that Edith Miller be graduated with honors on the basis of a grade of 3 in her Senior Examination in Mathematics and a scholarship index of 1.976 (lacking 4 grade points of the required "3" average). Mr. Lennes moved that Miss Miller be graduated with honors. After general discussion Mr. Lennes withdrew his motion and petitioned the faculty for permission to change Miss Miller's grade in Mathematics 128, Solid Analytic Geometry (autumn, 1927) from 3 to A. A motion by Mr. Carey for the approval of Mr. Lennes' request was lost by a vote of 12 to 16. Mr. Lennes moved that Miss Miller be graduated with honors with a scholarship index of 1.976 instead of 2. The motion was seconded and carried.

7. Mr. Jesse presented the following recommendation from the Curriculum Committee, to be effective September 1, 1928:

Science subjects in which laboratory work is not required shall not be considered as satisfying the restricted elective requirement in science or mathematics. The amount of laboratory work necessary to the courses for fulfillment of the requirement is one laboratory period of not less than two hours per week for a course carrying three credits, and not less than two such laboratory periods for courses carrying four or five credits.

In checking the courses now offered it appears the following courses may not be counted: General Hygiene, Eugenics, Evolution and Heredity, Plant Variation and Heredity, Physiography, Geography and Natural Resources of Montana, Astronomy, Radio Communication.

The recommendation was approved by the faculty.

8. There being no further business, the meeting adjourned.

Lucille Jameon  

Acting Secretary
A meeting of the faculty was held at 9:00 A.M. on the call of President Clapp, who presided.

The following members were accounted for: Boutelle, Turney-High.

The minutes of the meeting of May 8th were approved.

The Committee on Admission and Registration, Phillips, Chairman, reported that the following candidates for graduation, who were provisionally approved by the faculty on May 8th, had failed to complete the requirements for their respective degrees and certificates: Margaret Veeder for the Bachelor of Arts degree with a major in English, and for the University Certificate of Qualification to Teach; Claudine Christy for the Bachelor of Arts degree in Journalism.

Miss Alice Hellman, whose name also appeared on the list presented to the faculty on May 8th, withdrew her applications for the Bachelor of Arts degree and the University Certificate of Qualification to Teach on May 10th.

Moved by Elrod that Margaret Veeder be approved for graduation. Motion carried.

Re: Claudine Christy; petition to graduate with 34 credits in science instead of the required 36. Transmitted by the Committee on Admission and Registration without recommendation. Petition unanimously approved on motion of Rowe.

The following candidates for degrees and certificates at the end of the spring quarter were then approved by the faculty:

5. After several informal announcements the meeting adjourned.
October 11, 1928

1. A meeting of the faculty was held at 4:10 P. M. on the call of President Clapp, who presided.

The following member was accounted for: Fitzgerald.

3. The following announcements were made by the President:

The faculty, especially department chairman, are requested to cooperate with the editor of class notes of the alumni publication (Mrs. Gilham of the Registrar's office) by forwarding news about alumni.

Members of the staff are requested to notify Miss Rummel of the President's office concerning change of data required for the directory.

4. Mr. Carey, Chairman of the Faculty Affairs Committee, requested payment of dues of $1.00 each.

5. The following petitions from Committee on Admission and Registration, Phillips, chairman, were presented:

Re: Callahan, Pat: that 18 credits entrance and college requirement in science be waived because of blindness (6 credits earned); recommended by Committee; granted.

Re: Talbert, Hilda: that 1 credit science requirement be waived (23 credits in college science earned; has 1½ entrance units instead of usual 3 entrance units in science); recommended by Committee; granted.

Re: Young, Robert: that language requirement of 25 credits in one language be satisfied by 16 credits in French and 10 credits in German because of change of major from Law to Physics (reading knowledge of both languages preferable for science); recommended by Committee; granted.

Re: Smalley, T. E.: to substitute 25 credits in History for required language (49 years of age; major in Education); recommended by Committee; granted.

Re: Coen, M. J.: (1) that 8 grade points be allowed on 4 credits in law taken at University of California summer session (recommended by Committee); (2) to graduate with 128 credits and 127 grade points (126 credits required but deficient in one grade point); (3) to graduate with degree of Bachelor of Laws. Recommended by School of Law. Approved by Faculty.
6. The President explained the functions of the faculty committees on Service and on Budget and Policy. Mollett moved to give each department three votes on elections for members of the Budget and Policy Committee; there was no second. Elrod moved to proceed to election of committees.

Merriam moved that the Secretary be instructed to cast the ballot of the faculty for the re-election of Professor Elrod as the representative of the faculty on the Service Committee. The motion was unanimously adopted.

Carey moved that a majority of votes cast in the nominating ballot for chairman of the Budget and Policy Committee should be equivalent to election; the motion was adopted unanimously. Merriam and Phillips were appointed tellers and the ballot was taken. Professor Elrod, having received a majority of votes cast in the nominating ballot, was declared elected chairman of the Budget and Policy Committee.

On the request of Professor Schreiber, the President transferred the Department of Physical Education from the Arts to the Science group (see minutes of faculty of May 17, 1921).

The faculty adjourned into their several groups (Arts, Science, Professional Schools) for election of members of the Budget and Policy committee. Election of the following were subsequently reported: Arts -- F. O. Smith (Phillips, holdover member); Science -- Shallenberger (Merrill, holdover member); Professional Schools -- Spaulding (Stone, holdover member).
