ADVANCED FIRST AID AND EMERGENCY CARE - LABORATORY

HHP 289 - 1 Credit

Instructor: Scott T. Richter - Professor
Office: MCGILL 126
Office Hours: WILL BE POSTED ON OFFICE DOOR (MCGILL 126)
Phone: O/243-5246

Required Text: National Safety Council - First Aid and CPR, 2000, 4th edition.

Website: www.nsc.jpup.com/FirstAidNet

Other: <http://eres.lib.umt.edu/>

Password: HHP289

Required Supplies: CPR mask and first aid kit

Tests: There will be 1 final practical examination consisting of four parts. Students are expected to complete a series of practical checklists by having another student monitor and check them off. Upon completion, each student must turn in each checklist to the TA of the class. If all of the checklists are not completed students will receive an "Incomplete" in the course until they are finished. Attendance is mandatory in the class and the maximum number of class periods that a student is allowed miss is 4. Students who miss more than 4 classes will not be eligible to complete the final practical examination, therefore they will receive an incomplete or an F. Student are responsible for completing missed assignments and material.

Grading:
100-90 = A
89.99-80 = B
79.99-70 = C
69.99-60 = D
<60 = F

Only those who receive 80% or above on each test will receive NSC and AHA CPR cards. If a student receives less than 80%, s/he will have the opportunity to redo the test until a score of 80% is received.

<u>Topics:</u>	<u>NSC</u>
Disease precautions	18-23
Victim assessment	45-60
Bleeding and Shock	97-114
Wounds	117-136
