SB38-13/14: Campus Sustainability

Asa Hohman
The Associated Students of The University of Montana  
Resolution on Campus Sustainability  
November 6, 2013  
SB38-13/14  
Authored by: Asa Hohman, ASUM President  
Sponsored by:  

Whereas, The Associated Students of The University of Montana (ASUM) represent the diverse interests of students at The University of Montana (UM);  

Whereas, ASUM supports a healthy and sustainable campus where students are able to make healthy decisions;  

Whereas, ASUM supports programs that offer learning experiences to students that are hands-on and not offered in the traditional classroom;  

Whereas, UM signed the Campus Real Food Commitment and is obligated to fulfill the parameters of that challenge, which include supplying twenty (20) percent of its food offerings from: sustainable, ecological, humane, and local food sources;  

Whereas, UM Dining Services would like to build a new permaculture garden plot on the unused space to the south of the Payne Family Native American Center;  

Whereas, UM Dining Services needs the support from the UM Committee on Campus and Facilities (CCF) to build said permaculture garden plot;  

Therefore, Let It Be Resolved, that ASUM supports the building of a permaculture garden and encourages CCF to vote to support the project at their next meeting;  

Therefore, Let It Be Further Resolved, that a copy of this resolution be sent to the following: Director of Dining Services Mark LoParco, Vice President for Administration and Finance Mike Reid, ASUM Sustainability Coordinator Eva Rocke, UM Forum for Living with Appropriate Technologies, and UM Climate Action Now.  

Passed by Committee: November 4, 2013  
Passed by ASUM Senate: November 6, 2013
