## General Information

The Montana Interscholastic offers competition to Montana high school youths in track, golf and tennis (boys' and girls'), debate, original oratory, extemporaneous speaking, declamation and dramatics. It also offers semi-competition for high school newspapers through the critical service of the Montana Interscholastic Editorial Association, sponsored by the State University School of Journalism.

All student contact, however, is not competitive. In dramatics, for example, some schools enter the competitive Little Theatre Tournament, others the non-competitive Little Theatre Festival for which an adjudicator will be present to comment on the performance of the festival entrants. The Interscholastic Editorial Association meeting is non-competitive. Its great value lies in the three-day contact of students having common problems, during which they write and edit a special edition of the campus newspaper, and join in organized discussions.

In the administration of any event of the size and scope of the Montana Interscholastic, some changes in procedure are necessary from year to year. The Interscholastic committee, therefore, requests that all those responsible for entering participants read carefully the instructions in this bulletin.

## Entry Blanks

An official entry blank will be sent out to all schools about April 15. This should be filled out at once and returned to Dr. J. W. Howard, chairman, Interscholastic Committee, Montana State University, Missoula, Montana.

Names of all contestants in track, golf, tennis, **journalism**, debate, original oratory, extemporaneous speaking and declamation must be submitted on the official entry blanks, and be in the hands of the committee by May 3. Later entries cannot be accepted. To insure prompt delivery, the entries should be sent by registered mail.

It is extremely important that schools indicate at the proper place on the blanks, when and how their contestants will arrive. Members of the University's two sophomore service organizations, Bear Paw and Spur, will meet all incoming trains. All teams and participants should report immediately upon arrival to the Interscholastic Headquarters in the Student Union Building on the campus. Here quarters will be assigned and contestant badges issued.

All correspondence relative to the meet in general, should be addressed to Dr. J. W. Howard, chairman, Interscholastic Committee. Letters or telegrams requesting specific information may be addressed to committee members having charge of specific events. For a list of these names, see the inside front cover.

## Expenses

By pro-rating the net earnings of the Meet among the various schools entered, the Interscholastic committee has in the past been able to refund the transportation costs of two contestants from each school entered. The committee cannot guarantee these expenses, but since the institution of the pro-rating plan, refunds have been 100 per cent.

Transportation refunds are based upon the shortest railroad and/or bus route to Missoula and return for two contestants from each fully accredited high school entered in track, declamation, debate or Little Theatre. Costs of meals, sleepers, or hotel accommodations used en route, are not included in the refunds.

Lodging refunds will be based upon a 75-cent per day allowance for all women chaperons and not more than two contestants. Lodging refunds cannot be obtained unless the housing provided for contestants is occupied.

The committee will not pay for contestants' and chaperons' meals, nor for the transportation of chaperons and coaches.

In order to secure refunds, principals and coaches must consult Professor B. E. Thomas at the Student Union Office, Friday from 9 a. m. to 12. Failure to do so may delay refunds for several weeks.

# Housing and Chaperons

The Interscholastic committee will arrange for housing of all contestants and chaperons. Girl contestants and their chaperons will be housed in private homes, or, if possible, in the University residence halls. Boy contestants will be housed in hotels, motels, etc. Principals, chaperons and coaches must assume responsibility for the department of their charges. Should hotels prove damages caused by contestants, or report failure to pay obligations incurred, the committee will withhold payment of travel expenses or disqualify the offending school from participation in future Interscholastic meets.

If two or more schools plan to place their contestants under the supervision of the same coach or chaperon, they must notify the committee not later than the last day set for receipt of entry blanks. Otherwise it may be impossible to secure lodging for contestants in the same place selected for coaches or chaperons.

Because the committee feels that no school should send contestants to Interscholastic without competent chaperons, it reserves the right to refuse lodging to unaccompanied contestants. The committee insists that coaches and chaperons stay with their charges, except during actual competition.

Contestant badges and lodging assignment will be given to all coaches and chaperons. Application for these should be made at the Interscholastic headquarters in the Student Union building. The badges will admit their holders to all Interscholastic events.

## General Rules

1. A contestant may take part in as many different divisions of Interscholastic as he wishes. However, he should study the program carefully to be sure he will not encounter conflicts in time. The committee cannot adjust the Interscholastic program to fit the time of any one contestant. If, due to a conflict, he is not present when an event is called, he will give up his right to participate in that event.

2. All contestants will be expected to participate in the events for which they have been trained and in which they have been entered. No expenses will be paid for a contestant who does not take part in at least one event.

3. For specific rules governing track, tennis, golf, debate, original oratory, declamation, and the editorial association look under those headings elsewhere in this pamphlet.

# Rules Governing Track

(See General Rules, Page 7)

1. The rules of the National Collegiate Athletic Association will govern all contests in athletics.

2. All students certified to take part in this meet must be eligible in accordance with the rules of eligibility adopted by the Montana High School Association.

3. The meet will be run off in A and B divisions. Any B school may compete in the A division, but it must make its choice on the entry blank submitted to the committee on May 3.

If a B school chooses the A division, it will be declared in every way an A school.

4. The committee believes that athletes have a better chance for success if entered in only a few events. While there is no limit to the number of men who may be listed on the entry blank, not more than 10 from any school will be allowed to participate in track and field events and no more than two contestants from the same school will be allowed in the same athletic event.

5. Representatives of competing schools will meet in the University gymnasium at 9:00 a.m. Thursday, May 12, to make the following time-saving arrangements:

a. Scratch official entry lists so that no more than three from any high school remain in any event except the relays.

b. Assign and draw for heats in the running events and flights in the field events in which preliminaries are necessary.

c. Draw for lanes for contestants in the running event trials and for the order of competition in field event trials.

The coach (or other official representative) of each participating school must be present at this meeting. Entries of schools not represented will be scratched from all events requiring preliminaries. Harry F. Adams, the track meet manager, will represent any school whose coach cannot be present if he is informed in writing, before the meeting, of the coach's actual entries in the various events. Responsibility for supplying written instructions to the meet manager will rest upon the school and coach concerned.

6. Coaches, trainers and attendants will not be allowed on the field during the meet. Contestants will be barred from the field when not in uniform. Failure to comply with this rule will disqualify contestants from the offending school.

7. In determining scores for the awarding of prizes in track and field events, first place shall count 5 points; second place, 4 points; third place, 3 points; fourth place, 2 points; fifth place, 1 point. Should the referee declare a tie for any place in any event the point or points shall be divided and a corresponding medal or ribbon given to each contestant.

8. All contestants must wear jerseys so that numbers may be pinned on their backs.
