1. A special meeting of the faculty was held at 4:10 P.M. on the call of President Simmons for the purpose of discussion of the Retirement Bill. Dean Jesse presided in the absence of, and at the request of, President Simmons.

The following members were present: Ames, Armsby, Arnoldson, Atkinson, Bagley, Baty, Bennett, Bloom, Briggs, Browman, Carey, Chatland, Clapp, W. F. Clark, Coad, Coleman, Crowder, Daughters, Deiss, Diettert, Dugan, Fox, Freeman, Glenn, Hertler, Hether, Hoffman, Holm, Housman, Howard, Jesse, Kramer, Line, Little, Maddock, Mansfield, Martin, Marvin, Mason, Marrian, Merrill, Mirrieees, Mollett, Morris, Murphy, Papworth, Ramskill, Richards, Sanford, Scheffer, Sever, Shellenberger, F. O. Smith, J. B. Speer, Teel, Thompson, Toelle, Turner, Turney, Turney-High, Waters, Mrs. Weissberg, Wilson, Yphantis, Yuill.

The following members were accounted for: Barkley, Bischoff, Castle, F. G. Clark, Cogswell, Evans, Miller, Platt, Schlueter, Simmons, L. Speer, Stone, Mrs. Swearingen, Tascher, Vinal, Whicker, Wilhelm.

2. The Chairman of the meeting, Dean Jesse, called the meeting to order and announced the purpose of the meeting. He then called upon Professor Merrill, Chairman of the Retirement Committee, to report to the faculty.

Mr. Merrill reported that a bill providing that members of the faculties of the University institutions should be included in the present (Montana Education association) law had been introduced in the legislature, that no provision for additional appropriations for retiring members of the University faculties had been made, that the Retirement Committee recommended and urged the faculty to support the bill, but that the Committee believed that in case the bill passed without additional appropriations for University faculty retirement that it should be the policy of the University institutions not to take advantage of the retirement law during the next two years except in emergencies.

After inquiries and comments, and general assent to the recommendations of the Committee, the meeting of the faculty adjourned.

March 9, 1939

1. A meeting of the faculty was held at 4:10 P.M. on the call of President Simmons, who presided.

The following members were present: Adams, Ames, Armsby, Arnoldson, Atkinson, Bagley, Bateman, Bell, Bennett, Bischoff, Bloom, Briggs, Brady, Carey, Castle, Chatland, Clapp, W. F. Clark, Coad, Cogswell, Coleman, Crowder, Denson, Diettert, Dugan, Ephron, Ferguson, Fox, Freeman, Glasson, Glenn, Haydon, Hether, Holm, Jesse, Kramer, Lennes, Line, Little, Maddock, Martin, Marvin, Mason, Marrian, Merrill, Miller, Mirrieees, Mollett, Morris, Murphy, Papworth, Richards, Rowe, Schlueter, Schreiber, Sever, Shellenberger, Simmons, F. O. Smith, J. B. Speer, Sweating, Mrs. Swearingen, T. O. Swearingen, Teel, Thomas, Thompson, Toelle, Turner, Turney-High, Waters, Mrs. Weissberg, Whicker, Wilhelm, Wilson, Yphantis, Yuill.

The following members were accounted for: Barkley, Browman, Caulkins, F. G. Clark, Dahlberg, Deiss, Evans, Feighner, Fessenden, Darlingon, Hoffman, Housman, Howard, Johnson, Platt, Ramskill, Scheffer, Spaulding, Lucile Spear, Tascher, Turner, Vinal.

2. The minutes of the meetings of December 8 and February 9 were approved.

3. The following announcements were made:

(1) By Dean Jesse. Grades for the winter quarter are due in the Registrar's Office not later than 9:00 P.M., Saturday, March 18.

(2) By Merrill.

(a) A proposed change in form of group insurance is under consideration.
(b) The amendment to the Teachers' Retirement Bill relative to the staff of the University institutions passed by the Legislature has not yet been signed by the Governor, but there is no reason to believe the Governor will not sign the bill.

(3) By W. F. Clark. The Prizes and Awards Convocation will be held this year, as usual, and members of the faculty are requested not to announce awards previous to the convocation.

(4) By Atkinson, that the Commencement program will follow very closely the program of the previous year.

(5) By Carey, reminded of unpaid dues to the Faculty Affairs Committee.

(6) By Shallenberger.

(a) Progress of Summer Session plans is in advance of last year; that inquiries from prospective students are ahead of last year.

(b) Members of the faculty are urged to respond promptly to requests from the Placement Bureau for recommendations concerning candidates for positions.

(A discussion concerning appropriate title for the Placement Bureau, until recently called the Board of Recommendations, was initiated by Atkinson. After discussion, it was agreed that some investigation of the proper title should be made.)

4. Professor Rowe, Chairman of the Budget and Policy Committee, submitted the following motion:

A small committee of the faculty be appointed by the President to work with the President to receive from the various departments and professional schools recommendations of persons for honorary degrees, and to make recommendations to the faculty.

President Simmons then suggested that the Budget and Policy Committee act as the proposed committee, inasmuch as it is representative of all divisions of the University. An amendment to the original motion was made by Lemers, seconded by F. O. Smith, that the Budget and Policy Committee be asked to act. A second amendment was moved by Atkinson that, in order to eliminate candidates for honorary degrees, all proposals for awarding honorary degrees be submitted to the committee or the President, and that the approval of both the President and the committee be required before submission to the faculty. The amendments and original motion were then duly approved unanimously.

5. The Committee on Admission and Graduation Enlarged for Administrative Action. Jesse, Chairman, reported the following exceptions to faculty rules granted during the Autumn Quarter, 1936.

(1) Re: Don Raymond Pay. Mr. Pay petitioned to be allowed to satisfy the foreign language requirement for graduation by offering four quarters of French at the University and two years of Latin in high school. Mr. Pay was unable to complete the fifth quarter of French because requirements in his major department filled his schedule. Since he had completed two years of Latin in high school, and since the School of Pharmacy now requires only three quarters of a foreign language in the Professional Course (requirements which Mr. Pay did not entirely satisfy) his petition was granted.

(2) Re: Mark Theressa Dunn. Miss Dunn petitioned to be allowed to offer 36 credits by correspondence and extension instead of the maximum of 45 under faculty rules. Since most of the work was completed by extension and because of Miss Dunn's excellent record, her petition was allowed. However, she was warned that no further work of this type would be allowed toward a degree at the University.

(3) Re: Francis Joseph Roe. Mr. Roe petitioned to be allowed to offer 30 credits instead of 35 credits in residence of the last 45 required for a degree. He has already earned an LL.B. degree and is trying to complete the requirements for a Bachelor of Arts degree. Because Mr. Roe is a mature student and would find it very difficult to attend the University for additional residence work, and because his record both in the Law School and in previous correspondence work was good, his petition was granted.

1. A meeting of the faculty was held at 4:10 P.M. on the call of President Simmons, who presided.

The following members were present: Ames, Armsby, Atkinson, Eaglesley, Barkley, Betty, Bennett, Bischoff, Bloom, Briga, Carey, Castle, Chatland, F. G. Clark, W. J. Clark, Coad, Cogswell, Coleman, Crowder, Denson, Dietert, Dunen, Ferguson, Fox, Freeman, Glenn, Hardy, Haydon, Hertler, Hetler, Hoffman, Housman, Jesse, Little, Maddock, Mansfield, Marvin, Mason, Merriam, Merrill, Miller, Murphy, Popworth, Platt, Ramskill, Richards, Sanford, Scheffer, Schlueter, Schreiber, Shallenberger, Simmons, F. G. Smith, Suchy, Mrs. Swearingen, T. C. Swearingen, Thomas, Thompson, Toelle, Turner, Turney, Turney-High, Vinal, Waters, A. H. Weisberg, Mrs. Weisberg, Whicker, Yull.

The following members were accounted for: Arnoldson, Fall, Clapp, Daughters, Weiss, Ephron, Feighner, Fessenden, Gleason, Gleason, Line, Mirrieles, Rowe, Sewery, Spaulding, J. E. Speer, Tascher, Teel.

2. The following announcements were made:

(1) By Dr. Hetler. When students appear in classes obviously suffering from bad colds, coughs, etc., faculty members are asked to cooperate with the Health Service in refusing such students admission to classes until they have a release from the University physician.

(2) By Dr. Merrill. The schedule copy for next year is in the hands of the chairman of departments and deans of schools. This copy should be gone over carefully and must be returned to the Schedule Committee by the end of spring quarter.

3. Pursuant to action of the faculty at the meeting of March 9, 1939, (Far. 4) relative to honorary degrees, Dr. Simmons transmitted the recommendation of the Budget and Policy Committee that Clarence K. Streit be named as the only recommendation to the State Board of Education for the honorary degree of Doctor of Laws. Mr. Streit was recommended for this degree by the School of Journalism, the Division of the Humanities, and the Division of Social Sciences. A motion was made by Merriam and seconded by Ramskill that the faculty approve the recommendation of Mr. Streit to the State Board of Education for the honorary degree. The motion was approved unanimously.

Dr. Simmons then presented the recommendation of the Budget and Policy Committee relative to the awarding of one recognitional degree in 1939, that of Master of Forest Engineering to Fred E. Thieme. After discussion, it was moved by Atkinson that the vote on the recognitional degree for Mr. Thieme be taken by secret ballot. Following further discussion, the motion was revised to the effect that the faculty approve the submission of a recognitional degree to the State Board of Education this year. Mr. Ramskill then seconded the motion, which was passed by the faculty 42 to 12. It was then moved by Mr. Ramskill that the awarding of the honorary degree of Master of Forest Engineering to Mr. Thieme in June, 1939, be recommended to the State Board of Education. The motion was seconded by Jesse and was passed 54 to 10 (68 members were present).

The president again called attention to the fact that information regarding honorary degrees must be regarded as confidential until the State Board has approved the recommendations.

4. Dr. Merrill then informed the faculty that the Health Insurance Group had gone over to the new hospitalization plan and that a second insurance group had been formed. He explained the Retirement Law recently passed by the State Legislature and said that mimeographed information will be distributed regarding dates for ratification and payments. Dr. Simmons asked for a show of hands regarding interest in discussing the Retirement Plan with the Secretary of the Retirement Board, and faculty indicated a desire to do so.

5. There being no further business before the faculty, the meeting adjourned.

Heinriette Wilhelm
Acting Secretary
May 3, 1939

2. The minutes of the meetings of March 9 and March 30 were approved.

3. The following announcements were made:

(1) By President Simmons.
   (a) Introduction of Mr. Fritz Krueger, instructor in voice.
   (b) Report of the program of the recent High School Week at the State College.
   (c) Explanation of analysis sheet showing tentative staff load. Dr. Merrill requested departments to work out their schedules at the same time.
   (d) That Mr. Clarence K. Streit had accepted the award of the honorary degree of Doctor of Laws, and that he would deliver the Commencement Address; that Mr. Thieme had accepted the award of the honorary degree of Master of Forest Engineering.

(2) By Dean Jesse.
   (a) Course inventories, due May 1, were again requested.
   (b) Instructors are requested to notify students who are reported to the Deans Conference as deficient in scholarship.
   (c) Divisional Chairmen, as well as Chairmen of Departments and Deans of Schools, were requested to file nominations for State University scholarships not later than May 23. Candidates must have a scholarship index of 2.00 and be in attendance all three quarters of the present year.

(3) By Professor W. F. Clark. That recommendations of candidates for prizes and awards be filed at once.

(4) By Professor Carey. Members of the faculty were reminded of the assessment for the Faculty affairs Committee.

4. The Committee on Admission and Graduation Enlarged for Administrative Action, Jesse, Chairman, reported the following exceptions to faculty rules granted during the Winter Quarter, 1939.

(1) Re: Rene Blondeau. Mr. Blondeau petitioned to be allowed to satisfy the social science restricted elective requirement for graduation by offering 7 instead of 8 credits in that field. Since he offered 4 credits in residence and a three credit course in his transfer work in addition to an Orientation course which included work in that field, his petition was granted.

(2) Re: Sister Mary Aloysius Small. Sister Mary Aloysius petitioned to be allowed to offer 33 instead of 35 credits in residence of the last 45 required for a degree. Since she is teaching at the Sacred Heart Academy and cannot take a heavier resident load and because of her excellent record, her petition was granted.

(3) Re: Catherine Murphy. Miss Murphy petitioned to be allowed to offer 25 credits in residence instead of 35 of the last 45 credits required for a degree. Since Miss Murphy was forced to withdraw from school because of illness and since she is offering 34 credits in excess of her degree requirements, her petition was granted.
5. The Committee on Admission and Graduation, Ames, Chairman, reported that all candidates for the Bachelor's degree and the University Certificate of Qualification to Teach accepted at the meeting of March 9, 1939, have completed their requirements with the exception of the following:

The President announced the election of the faculty members of the Student
Council. On motion of Rowe, the present members (Castle, Coleman, Howard,
Mansfield, Herrill) were unanimously re-elected.

The President announced the reappointment of Professor Shallenberger as member
of the Service Committee and the election of the member to be selected by the
faculty. Dean Leaphart was placed in nomination by Lennes; a motion to close
nominations was made, seconded, and adopted without dissenting vote, and Dean
Leaphart was declared elected. Objection was then made by Professor F. G. Clark
on the viva voce method of election; whereupon the President, after conferring
with the Faculty Secretary on previous procedure, announced nomination and election
scenario by ballot. A member called attention to parliamentary procedure whereby
the faculty has the privilege of conducting its elections as it sees fit. A
motion was then made, seconded, and carried (a vote by show of hands being taken)
to rescind the viva voce election of Dean Leaphart, and to proceed to an election
by ballot. A ballot was then taken and Dean Leaphart received 51 out of 66 votes
cast, whereupon the president announced that Dean Leaphart had been duly elected
to the Service Committee.

The faculty then adjourned to their respective groups, and reports of
elections were subsequently made as follows:

Arts: Freeman (Miller, hold-over member)
Science: Hetler (Merrill, hold-over member)
Professional Schools: Spaulding (Richards, hold-over member)

There being no further business before the faculty the meeting adjourned.

Vice President Severy announced that the President had sent word over from
the Union Building that the State Board of Education was still in session and was
delayed and asked the faculty to remain. At about 2:50 p.m. President Simmons,
accompanied by Governor Roy E. Ayers, President of the State Board of Education,
and seven other members of the board (W. T. Boons, Rev. E. J. Riley, Howard
Gullickson, W. T. Cowan, Mrs. Mamie Vance, George Oman, and Ruth Reardon, state
Superintendent of Public Instruction), arrived. President Simmons called the
meeting to order, and announced that the meeting had been called on the instruc-
tions of the President of the State Board of Education, Governor Roy E. Ayers,
and he then turned the meeting over to Governor Ayers.

Governor Ayers stated that this was a recessed session of the State Board of
Education of the regular quarterly meeting held Monday, December 11, that the
Board had been in a previous recessed session since one o'clock at the Student
Union Building and had transferred to this building, that eight members of the
board were present, a quorum for the transaction of business, and that this was
a regular meeting of the State Board of Education, not for the purpose of dis-
cussion, but to advise the faculty of certain actions of the State Board of
Education. The Governor then stated that beginning 9:00 a.m. January 15 in the
Student Union Building a hearing would be held by the State Board of Education,
to last until a conclusion was reached in matters relating to this institution.
He then read the following resolution adopted by the State Board of Education at
its previous session:

"Whereas, a condition of unrest is existing on the campus of the
Montana University at Missoula to which the board has become cognizant and
has been giving attention; and

"Whereas, the board has now determined to conduct a further and a
thorough investigation of the conditions at said institution in order that
the conditions be improved to a satisfactory and efficient standard, and
that no injustice be done to any person or group of persons at said Univer-
sity; and

"Whereas, this board has determined to hold such investigation itself
at the earliest possible date and in the interim desires to have filed in
writing any charges, accusations or protests that any member of the faculty
may have and for that purpose and to that end, the board will hear all
accusations, complaints and protests;

"Therefore, the board hereby appoints the local executive board of the
University to receive in writing any and all complaints, charges, protests,
or accusations which any member of the faculty may have, which said complaint,
charges, protests or accusations shall be considered and heard by this board
at a meeting commencing at 9 o'cock a.m., Monday, January 15, 1940, at the
Student Union building at the University at Missoula, Mont.

"And in the meantime, it is the direction of this board that the faculty
in its entirety shall recognize the authority of the president of this
University and the local executive board as its chief executive officers; and

"It is further directed, that the president and faculty shall work in
harmony and cooperation for the best interests of the University of Montana."

The following statement was then made by Governor Ayers (as reported in the
Missoulian of December 15th):

"Every person, whatever his station may be, employed by the State
University of Montana, owes a loyalty to the state and to the University
because it is a State University and is operated through regular legal and
constitutional channels. We, the members of the board here assembled (mean-
ing the state board of education) consider it a sacred trust or disloyalty
to be working for and holding position in the University and going about the
state criticizing and condemning the action of the executive officers of the
University and of other employees of the University. If there is any criticism,
to be made about the management and the operation of the University by any members of the faculty, such criticism should be made to the state board of education, which is the constitutional managing board of the University.

"By this statement, please understand that no member of the board here present is trying or attempting to try to interfere with or in any way limit or curtail free speech; however, we all do believe that any faculty member who desires to condemn the University or any of his colleagues or the President or the local executive board, should make his complaint to the highest constituted authority in this respect; namely the state board of education. Every member of this faculty knows that the state board holds regular quarterly meetings and undoubtedly each member knows when the state board has special meetings and it is the duty of any faculty member who has complaints to make to come before the board. We will hear you, and always have heard you when any such complaint was made.

"We go on the theory that any faculty member who goes about the state condemning his colleagues, condemning the president of this institution, condemning the local executive board, or condemning the state board of education, has the right to do so, but we further believe that before he does so he should resign and make such condemnation on his own responsibility and not on any capacity as an employe of the University. By the resolution we have passed and which I had just read to you, we have fixed a board and a place (the local executive board at Missoula) for you to make any and all complaints which you have and upon any subject which you desire and that we will then hold a thorough, fair and impartial hearing on such complaints. That is the businesslike, lawful and fair way to do such things and to handle such matters.

"As the highest authority in the state over the entire Greater University and all of its units, this board directs that all members of the faculty and everyone else connected with the University, refrain from inciting students into controversies over the faculty and the personnel of this institution. We believe that the big majority of the student body is in favor of this action and we are certain that an enormous majority of the parents of the student body approves of this action.

"All members of this faculty may rest assured that their positions are not in jeopardy pending this hearing, in which we have invited all of you to file your complaints, and which will commence at 9 o'clock, January 15, 1940."

Governor Ayers also stated that members of the faculty should address their communications to the Local Executive Board in writing: that they should file them with Dr. J. P. J. Marshall, Mr. S. J. Coffee, and Mr. W. T. Boone, the Missoula members of the State Board of Education.

After the meeting of the State Board of Education formally adjourned, the faculty also stood adjourned.

December 15, 1939
2. The minutes of the meeting of September 25 were approved.

3. The following announcements were made:

(a) By President Simmons:

   (1) In order that members of the staff may be easily reached during the Christmas holidays, if the necessity should arise, all members of the administrative staff, as well as those on the teaching staff who are leaving early, are asked to file requests for leaves of absence in the President’s Office. After discussion, it appeared that the consensus of opinion of the faculty was that it was doubtful if attendance would be better even if classes were held on Friday following Thanksgiving. A show of hands indicated that the faculty approved the continuation of Friday after Thanksgiving as a holiday with the understanding that the "gentlemen's agreement" to attend all classes on the preceding Wednesday and following Monday be stressed.
11. Maintenance Engineer Swearingen advised that the Associated Students had agreed to contribute one-half the sum necessary for Christmas tree lights, up to a total of $8.00, provided the faculty would contribute a like sum.
