Cover Photo: One of the most stirring features of the "Climax of the High School Year" is the annual Parade of Athletes immediately prior to the opening of the track meet. Nearly 700 athletes from 120 schools will compete in 1959.

General Information

The Montana Interscholastic offers competition to Montana high school youths in track, golf and tennis (boys' and girls'), debate, original oratory, extemporaneous speaking, declamation and dramatics. It also offers semi-competition for high school newspapers through the critical service of the Montana Interscholastic Editorial Association, sponsored by the Montana State University School of Journalism.

All student contact, however, is not competitive. In dramatics, for example, the non-competitive Little Theatre Festival gives festival entrants an opportunity to receive careful evaluation and detailed comment on their dramatic efforts. The Interscholastic Editorial Association meeting is non-competitive. Its great value lies in the three-day contact of students having common problems.

Members of the Interscholastic Committee encourage competition when it tends to give the greatest value to participants; they discourage it where it tends to overshadow the returns to individual students.

General Rules

1. A contestant may take part in as many different divisions of Interscholastic as he wishes. However, he should study the program carefully to be sure he will not encounter conflicts in time. The committee cannot adjust the Interscholastic program to fit the time of any one contestant. If, due to a conflict, he is not present when an event is called, he will give up his right to participate in that event.

2. All contestants will be expected to participate in the events for which they have been trained and in which they have been entered.

3. For specific rules governing track, tennis, golf, debate, original oratory, declamation, art and the editorial association, look under those headings elsewhere in this pamphlet.

Entry Blanks

An official entry blank for non-track events will be sent out to all schools about April 27. This should be filled out at once and returned to C. F. Hertler, chairman, Interscholastic Committee, Montana State University, Missoula, Montana.

Names of all contestants in golf, tennis, journalism, debate, and original oratory, must be submitted on the official entry blanks, and be in the hands of the committee by May 11th. Later entries cannot be accepted. To insure prompt delivery, the entries should be sent by registered mail.

It is extremely important that schools indicate at the proper place on the blanks, and with an indication of housing desired. All teams and participants should report immediately upon arrival to the Interscholastic Headquarters in the Lodge on the campus. Here lodging will be assigned and contestant badges issued.

All correspondence relative to the meet in general should be addressed to C. F. Hertler, chairman, Interscholastic Committee. Letters or telegrams requesting specific information may be addressed to committee members having charge of specific events. For a list of these names, see the inside front cover.

Housing and Chaperons

The Interscholastic committee will arrange for, but not pay for, housing of all contestants and chaperons. Girl contestants and their chaperons will be housed in the University accommodations, if possible, or in private homes. Boy contestants and chaperons will be housed in University accommodations (limited), hotels, motels, etc. **PRINCIPALS, CHAPERONS AND COACHES MUST ASSUME RESPONSIBILITY FOR THE DEPARTMENT OF THEIR CHARGES.** Should

University Resident Halls, hotels or motels prove damages caused by contestants, or report failure to pay obligations incurred, the committee will withhold payment of travel expenses and report the offending school to the Montana High School Association.

If two or more schools plan to place their contestants under the supervision of the same coach or chaperon, they must notify the committee not later than the last day set for receipt of entry blanks. Otherwise it may be impossible to secure lodging for contestants in the same place selected for coaches or chaperons.

Because the committee feels that no school should send contestants to Interscholastic without competent chaperons, it reserves the right to refuse lodging to unaccompanied contestants. The committee insists that coaches and chaperons stay with their charges, except during actual competition.

Contestants' badges and lodging assignments will be given to all coaches and chaperons. Application for these should be made at the Interscholastic headquarters in the Lodge. The badges will admit their holders to all Interscholastic events. Complimentary tickets will be mailed to all coaches.

8. All contestants must wear jerseys and numbers must be pinned on the back of their jerseys.

9. Any contestant not reporting to the starting official at the last call for any event shall be scratched for the event. Responsibility rests with the contestant.

10. All discus throws, preliminary and final, will be made from a concrete surface.

Two theaters, both on campus — the University Theater and the Masquer Theater — will be used to accommodate the productions. Plays will run concurrently in both theaters beginning at 8 a.m., Friday, May 22.

One-act plays or cuttings from longer plays, neither exceeding 35 minutes in playing time nor being less than 20 minutes and involving not more than one set of scenery, may be entered. Adjudicators will comment on all Festival entrants. One play from each theater will be selected for presentation at the evening Little Theater Festival program on Saturday, May 23, at 8 p.m. in the University Theater. Plays will be selected by the adjudicators on the basis of imagination, excellence of acting and general quality of production. Identical medals will be awarded in each theater for best actor, best actress, best supporting actor, best supporting actress, best bit actor and best bit actress.

All communications concerning the Little Theater Festival should be addressed to Firman H. (Bo) Brown, Jr., Montana State University, Missoula, Montana.

Prizes and Awards

TRACK AND FIELD

1. The Missoula Mercantile Company, the Missoula Rotary Club, Lions Club and Kiwanis Club each will present a trophy for the meet, one to be given to the winner in each class. These trophies are awarded each year to the class winners in track and field events, and are to be held by the school for one year. They will be awarded permanently in 1962 to the school in each class which shall have scored the greatest number of points in five meets.

2. A permanent trophy will be presented by the Interscholastic committee to the school which scores the most points in each classification.

3. Gold, silver and bronze medals, suitably engraved, will be awarded for winners of first, second, third, fourth and fifth places in all track and field events for AA, A, B and C schools.

4. The University will give an individual prize to the contestant winning the greatest number of points in each division.

GOLF AND TENNIS

5. In the boys' golf tournament, gold, silver, and bronze medals will be awarded

to the winners of first, second and third places, respectively. The Interscholastic Committee will give a trophy to the winning four man golf team. In the girls' golf tournament, a gold medal will be awarded to the first place winner and a silver medal will go to the second place winner. In both the boys' and girls' tennis tournaments, three gold medals and three silver medals will be awarded, one to each winner and each runner-up in the singles and doubles contests.

DECLAMATION AND LITTLE THEATER

6. Citations will be made for excellencies in the various divisions of declamation. In debate, original oratory, and extemporaneous speaking medals are awarded. Medals are also awarded in the several categories of judging in the Little Theater Festival.

JOURNALISM

7. Sigma Delta Chi, professional journalism fraternity, will award six trophies for writings in three divisions: news feature, editorial and sports. Individual trophies will be awarded to contestants placing first in each division, and larger traveling trophies will be awarded to the schools from which the winning writers are delegates. A school winning one of these trophies three times will gain permanent possession.

Interscholastic Publicity

Each year the MSU chapter of Sigma Delta Chi, men's professional journalism honorary, undertakes the task of writing and distributing advance publicity about the Interscholastic Meet. SDX also provides invaluable assistance in reporting the various events to the news media.

The biggest task, however, is the advance publicity. In the past the Journalism students have had to rely on sketchy newspaper reports of dual track meets around the state and usually were forced to write stories that dealt primarily with past Interscholastic meets.

For this reason and, in order to publicize some of the lesser known but equally important phases of the Interscholastic, it is requested that school administrators and coaches compile some statistical and feature information on their various contestants and forward it to the Interscholastic publicity office.

This information should include a thumbnail of the participant, the event or contest in which he (or she) excels, past records or victories of note and an opinion (confidential) by the coach on the contestant's chances

in the state meet. This information should be gathered on all contestants who it is felt likely will create a stir in Missoula this May. Local newspaper clippings also are helpful.

The advance publicity about these contestants, which will be circulated state wide, will not only help "sell" the Interscholastic, but will be an asset to the representative schools and participants. The benefits of a concentrated publicity program will, we think, warrant the additional effort on your part.

It should be stressed that information is desired not only on the track and field phase, but also on the golf, tennis, debate, little theater and other facets of the Interscholastic meet. It also should be pointed out that this request for information is directed to the small schools as well as the larger institutions.

Your support and cooperation urgently is needed. Please forward the necessary information as soon as possible to:
