**I put in the insulation and Montana Power put up the loan with ESP**

An energy audit can help you learn the best ways to make your home energy efficient and it may also indicate you are eligible for a zero-interest loan through Montana Power's Energy Savings Plan or ESP program. How does it work? You (or your contractor) make the energy-saving improvements our auditor recommends and Montana Power will lend you the money, interest free. Contact your Montana Power office for more information.

UM Sports Information Director

Griz-Cats Square Off for 82nd Meeting Today

It's all been said before. THE GAME. One of the oldest football rivalries in the United States.

Who cares what the records are, right? This is the Griz-Cat game, or Cat-Griz game, depending on where your loyalties lie.

Well, about 20 coaches and about 200 football players care what the records are this year. Don't tell them this is for bragging rights. It's for a lot more.

Upstart Montana State boasts the best record in the Big Sky Conference coming into today's 82nd meeting. MSU is 4-1 in league action (5-3 overall) and suffered its first Big Sky setback, 36-20, at the University of Idaho last week.

And the Big Sky's other "upstart" team, the University of Montana Grizzlies, are 3-2 in league action (4-3 overall), and still figure MSU and several BSC teams.

"The MSU program has made a lot of progress under its new coaching staff and seems to be doing what the Montana Grizzlies have been doing, and that's playing with pride, playing as a unit and playing with intensity," Donovan said. "This game is a source of pride for the players, coaches and everyone in the state."

The Grizzlies have dominated the series which began in 1897, winning 47 times, losing 29 and there have been five ties. However, in recent years MSU has won eight of 10 meetings, although UM won 27-17 in Bozeman last season and 24-8 in 1978 in Missoula. In the Grizzly win last year now graduated Mike Hagen rushed for three TDs, Rocky Klever had 104 yards rushing and MSU's Tony Boddie gained 105 yards.

UM QB Allan Powell passed for 118 yards. Boddie has rushed for 664 yards for five TDs and a 3.9 average. He has 38 receptions for 485 yards and four TDs. His nine TDs leads the Bobcats.

The Grizzlies counter with tailback Greg Iseman who has gained 645 yards on the ground and five TDs. He has caught 19 passes for 161 yards and a score. His six TDs leads the Grizzlies.

QB Mornhinweg adds to his records with each completion. He became the first signal caller in UM history to go over 3,000 yards. He now holds career records in yards (3,057), completions (449) and attempts (1,098).

Mike Godfrey won the QB duties at MSU from three-year incumbent Barry Sullivan, and has responded with 1,595 yards and 12 touchdowns. His favorite target (behind Boddie) is tight end Joe Bignell who has 33 receptions for 299 yards and a TD. Si Timberman has 29 for 329 and has also rushed for 370 yards.

The leading receivers for Montana are tight end Brian Salonen (20 for 266 yards); Dave Glenn (13 for 188 and two TDs); Iseman; Joe Kluczewicz (15 for 130) and John Hinson (11 for 107). Kluczewicz has rushed for 187 yards and three TDs.

Today's matchups boast an outstanding core of linebackers, led by second team Big Sky choice Curt McElroy, who leads the Grizzlies with 68 stops, five for losses, four forced fumbles and an interception.

Fellow LBs Scott Gratton (59 stops), Ben Kiefer (55), Brent Oakland (54), Jake Tramnell (33) and John Rooney (28) are all very active. Oakland has three interceptions.

MSU LBs Jim Kalafat (138 tackles) and Mark Eibner (120) rank among the league leaders. Linemen Phil Bruneau and Bob Kardoe have 65 and 57 tackles, respectively.

Linemen Cliff Lewis (42 tackles, five pass deflections), Andre Stephens (24), Joe Nuu (23) and Shawn and Scott Poole (18 and 16, respectively), lead UM.

In the secondary Tony Fudge and Scott Ellig each have 31 stops, and Fudge has a team high four interceptions. Reed Madison (30), John Kovacic (21) and Gary Lowry (18) are next. MSU's Jim Anderson ranks among the league secondary leaders with 51 tackles and five interceptions.

This will be the final home game for Montana in 1982. Next week UM is at Portland State for a non-league game. MSU will host Northern Arizona in its league finale. UM is at Weber State Nov. 13 for its final Big Sky game.

President Neil Bucklew

Dr. Neil S. Bucklew assumed his duties as the 14th president of the University of Montana in August 1981.

Bucklew, 41, comes from Ohio University in Athens, where he served as Provost from 1976 until assuming his duties at Montana. He also served on the faculty in the Department of Economics at Ohio University.

As Provost he functioned as Executive Vice President and Vice President for Academic Affairs, with responsibility for the instructional program of the university.

He was Vice President for Administration at Central Michigan University from 1973-75; Vice Provost at Central Michigan from 1970-73; Director of Employment Relations at the University of Wisconsin from 1966-70 and Personnel Director at Duke University Medical Center in Durham, North Carolina, from 1963-66.

Bucklew received a B.A. in History at the University of Missouri, an M.S. in Political Science at the University of North Carolina and a Ph.D. in Industrial Relations and Economics from the University of Wisconsin.

Bucklew and his wife, JoAnn, have three children.

Athletic Director Harley Lewis

Harley W. Lewis was named athletic director at the University of Montana effective April 14, 1976. He had served as acting athletic director from July 1, 1975.

A 1964 graduate of UM with an M.S. in health, physical education and recreation, Lewis became track and cross country coach at UM in 1966. Prior to assuming coaching responsibilities at UM, the 1959 graduate of Butte High School coached two years at the University of Portland.

Lewis served as cross country coach until 1976 and won nine Big Sky titles until resigning the position. He served as track coach through the 1978 season. While track coach, Lewis won the conference title in 1972. He has been named Big Sky Coach of the Year in Cross country and track, ten times. He has served on numerous national committees, worked with U.S. Olympic endeavors and coached several All-American performers at Montana.

Lewis and his wife, MaryLou, have two children.

Associate Athletic Director Barbara Hollmann

Barbara is beginning her third year at UM. She began her job in August of 1980. Prior to coming to UM she was at the University of Arizona for five years. She served as women's athletic events coordinator while at UA. Her responsibilities are in women's athletics in areas of athlete eligibility, academics, AIAW rules, scheduling and promotions. She is a 1964 graduate of Ohio State, with a B.A. in physical education. She received her master's degree in recreation and administration from Ohio State in 1968. Prior to her position at Arizona, Hollmann was at the University of Washington, where she was the associate director of recreational sports from 1971 through 1974. Her husband, Robert is an associate professor of management at UM.

Faculty Representative Dr. Evan Denney

Beginning his fourth year as UM's faculty athletic representative to the National Collegiate Athletic Association, Evan has been a faculty member here since 1969. From 1979-81 he served as chairman of the Geography Department. His areas of academic specialty are economic geography and land planning and design. He earned his B.A. at the University of Washington in 1963, his M.A. at Washington in 1965, and his Ph.D. from Washington in 1970. Prior to his UM teaching career, he taught at the University of Washington (1966-69) and Northern Colorado University (1965-66). From Seattle, Washington, Denney is associated with several professional organizations. He determines eligibilities for UM athletes, makes NCAA rulings at the institution level, and is a University of Montana representative to the NCAA. Denney and his wife Terri have two children.
Larry Donovan is beginning his third year as head coach at the University of Montana. He guided UM to a 7-3 record last season — the fifth winningest season in the schools' history. It was the first winning season UM has had in five seasons.

Born March 31, 1941, Donovan was a two-year letterman in football and track at the University of Nebraska, where he graduated in 1964. His senior year at Nebraska he played for a 9-2 team, which defeated Miami (Fla.) in the Gotham Bowl, 36-34.

His collegiate coaching career started after his senior season in 1962, when Donovan joined the Cornhuskers as a graduate assistant. That season Nebraska won the Big 8 championship and advanced to the Orange Bowl. He then joined the Army, but stayed close to football, playing service ball in Korea and directing the division team to an 8-0-1 record.

Donovan moved to the University of South Dakota as head freshman coach in 1967, when his team was 4-0. He remained there through the 1971 season, moving up to backfield coach in 1968 and 1969, and then became defensive coordinator in 1970. In 1968 USD finished 9-1 and ranked No. 8 nationally in Division II.

In 1972 Larry began a four-year stint at Washington State, where the Cougars ranked 16th in the nation. His first two seasons he was defensive line coach, and then was elevated to defensive coordinator.

The University of Iowa was his next stop, this time for three seasons, where he served as offensive line coach for one year and quarterback and passing game coach for two.

At Kansas Larry was outside linebacker coach, and two of his starting linebackers there were drafted in the second and fifth rounds of the NFL draft.

Donovan received his bachelor's degree in social science from Nebraska in 1964. In 1968 he earned his master's degree in secondary education from the University of South Dakota. He was a member of the ROTC at Nebraska.

He is married to the former Georgia Merriam, a family therapist. They have two daughters, Andrea, 13, and Molly, 9, and are expecting a child in late October.

Ken Flajole joined coach Larry Donovan’s staff in March of 1980. Flajole (Pronounced Flay-Jull), 27, came from the University of Washington football staff, where he was a part-time assistant who helped with the defensive cornerbacks. The Huskies finished the 1979 season ranked 11th nationally, and led the Pac-10 in pass defense. Prior to coaching for the Huskies he was the head track coach at Mann Junior High School in Seattle in 1978. In 1977-78 he was an assistant coach at Pacific Lutheran University, where he coached the defensive line and linebackers. While at PLU his team was nationally ranked and District I champion. He is a 1976 graduate of Pacific Lutheran University, located in Tacoma, Wash. He received his B.A. in education and his minor in coaching. As a collegiate player Flajole gained all conference recognition at Pacific Lutheran and at Wenatchee Junior College. He was an all-state linebacker at Seattle Prep High School in 1971. His wife’s name is Teri. They have a year-old daughter, Kelly.

Joe Glenn is beginning his third season at UM. He was head coach at Doane College in Crete, Nebraska for four seasons before coming to Montana. Glenn, 33, compiled a 21-18-1 record at Doane. Prior to the Doane assignment he coached at Northern Arizona under Joe Salem. Glenn’s first coaching job was at the University of South Dakota in 1973. He graduated in the ROTC program at USD in 1971. He was a standout QB and receiver at USD. He returned to school after a stint in the Army and earned a master’s degree in 1975. Joe and his wife, Michele, have a daughter, Erin, 9, and a son, Casey, 3. One of 12 children, Joe was born in Lincoln, Neb.

Mike Johnson
Outside Linebackers

Mike begins his fourth season in a coaching capacity at the University of Montana. He served as graduate assistant working with the defensive backs for two seasons, until being named outside linebacker coach in February of 1981. He came to UM as a player in 1977 from Mt. Hood Community College in Gresham, Oregon. As a defensive back at Mt. Hood he set a school career record in interceptions (eight), and was a two-year JC letterman for his nationally ranked team in 1976. He attended North Bend High in Oregon, where he was a three-sport standout. He played defensive back for the Grizzles. His prep coach was his father, Howie Johnson, who also played football for the Grizzles. Mike and his wife, Terri, have a two-year old daughter, Stephanie, and had a boy, Kyle, in September.

Lynn Rosenbach
Running Backs

Lynn Rosenbach (pronounced Rose-In-Baw), has been involved in coaching or athletic administration for 23 years, and is beginning his third season at UM. Twenty years of experience have all been in the state of Washington. His most recent coaching stint was head coach at Mount Vernon High School, from 1975-79. His record there for six seasons was 36-20-2. He won two league championships in that period. Born in Oak Harbor, Wash., Rosenbach was head football coach at Olympic College in Bremerton, Wash. from 1967-69, and was then elevated to athletic director from 1969-75 before leaving to take the position in Mt. Vernon. Before serving at those schools, the 1958 graduate of Western Washington State coached football, track and wrestling at Everett Community (1964-67). His coaching career began in 1958 at Entiat High School in Washington. During his career he has been a head football coach at four high schools, a community college and a four year college. Rosenbach has been named coach of the year twice, once at the high school level and once for his 7-2 division champion team at Olympic College. He played offensive guard and linebacker at Western Washington and was team captain. Lynn’s wife’s name is Rosalie (Rosie). They have three children.
Coke is it!

The biggest taste you've ever found.

Coca-Cola and Coke are registered trade marks which identify the same product of The Coca-Cola Company.
Mike Van Diest (pronounced Van-Deest) not only serves as the defensive line coach, but also became the first strength coach in UM history when he joined the Grizzly staff in January of 1980. His work as a strength coach was recognized last year, as he was named Region IV National Strength Coach of the Year. Prior to joining Montana the East Helena native was the strength coach and assistant defensive line coach at the University of Wyoming. His first coaching job was as a graduate assistant for the Cowboys under Fred Akers in 1976. Van Diest played his collegiate football at Wyoming, playing tight end and offensive guard. He graduated in 1975 and is currently working on his master's degree. He was a standout football player at Helena High School where he graduated in 1970. "Raise your emotions to meet the need!" Montana defense is played with great emotion, enthusiasm, and aggressiveness. Mike is 29 and single.

Joe was named offensive line coach in April of 1982. He served as assistant line coach at UM for the past two seasons. Prior to coming to Montana he served as football and track coach at North Kitsap High School in Washington for two years. He played collegiate football at Puget Sound University, where he graduated in 1978. He received his B.A. in Health and Physical Education. He attended Olympic Junior College and was named the outstanding offensive lineman as a sophomore. He played semi-pro football for the Kitsap County Chiefs in 1979. The 27-year-old is single.

A special "Pat Norwood Fund" has been developed for the University of Montana student-athlete, announced Grizzly Athletic Director Harley Lewis.

Norwood was been battling cancer for the past few months, and the fund was established to help aid him to pay some of his expenses.

"The purpose of the trust fund is to give an opportunity to Pat to clear up some of the debts he has incurred during his illness, so he can be comfortable that his economic slate is clean," Lewis said. "We want to do anything we can do to help this fine young man."

Norwood, a 6'2½, 240-pound senior from Billings, started three seasons for the Grizzlies at offensive tackle. A growth was discovered under his arm prior to the 1981 football game with Northern Arizona. Norwood started that game, and expected to return to the lineup after the surgery. One magazine had picked him to the preseason All-Big Sky team.

Please send your gifts to:
THE PAT NORWOOD FUND
c/o University of Montana Athletic Dept.
Adams Field House
Missoula, MT 59812

It was during that surgery that doctors discovered the cancerous growth. Pat has been battling the disease ever since. He thought he had it licked this past summer, and last spring was working out, trying to prepare for another football season. However, more cancerous growth was discovered.

Doctors confirmed that the cancerous tissue was spreading, but Pat is handling the situation in his own way. He says faith in God continues to help him in his day-to-day living. He said with God on his side there is no real limit.

Pat was considered one of the best pass blockers at UM in the past few seasons. He had started since his freshmen season at tackle.

He was an outstanding football player and wrestler at Billings Senior High School. He was an All-State player in football and the state heavyweight wrestling champion his senior year.

The University of Montana in Missoula is located in a mountain forest setting in beautiful Western Montana. It is halfway between Glacier and Yellowstone national parks.

Four wilderness areas are located nearby Missoula. The natural surroundings offer excellent opportunities for hunting, fishing, backpacking, river floating, camping and other outdoor recreational pursuits. Two excellent winter ski areas are located within minutes of the University. Several other ski areas are only a couple of hours away by car. UM owns and operates its own golf course adjacent to campus.

The University of Montana is one of the West’s pioneers in education and was chartered February 17, 1893. The school opened in September, 1895, with 50 students enrolling the first day. Located on 201 acres at the base of Mount Sentinel, UM has grown from 50 students and seven faculty members to a present enrollment of 8,800 and approximately 450 fulltime state supported faculty positions.

Throughout its history, the University of Montana has sustained a high standard of academic excellence in teaching, research and service.

UM offers associate of arts degrees in two areas and bachelor’s degrees in 58 fields. It offers master’s degrees in 54 programs and doctoral degrees in 13.

The College of Arts and Sciences, which is the core of the University, includes a full range of programs and courses in the life sciences, physical sciences, social sciences and humanities. The College also offers curricula in interdisciplinary fields ranging from ethnic studies to interdepartmental studies.

Seven professional schools complete the academic program—Business Administration, Fine Arts, Journalism, Education, Forestry, Law, Pharmacy and Allied Health Sciences.

The aim of the University is to provide its students with a relaxing and meaningful learning experience with the best facilities possible. The administration, faculty and staff strive for this goal.

Grizzly Cup

Initiated in 1921, the Grizzly Cup is the University of Montana's oldest athletic award. Dr. W. E. Schreiber, a long time head of the UM physical education department, began the award which is given to the athlete who best represents the University on and off the playing field.

Grizzly Awards

Each year five outstanding University of Montana football players are recipients of awards.

The Terry Dillon Award, honoring the outstanding back, was established in 1964 following the accidental death of former Grizzly Terry Dillon. Dillon played defensive and offensive halfback for UM from 1960 to 1962. He started at defensive halfback for the National Football League Minnesota Vikings.

The Paul Weskamp Award was established in memory of Paul Weskamp, a tackle on Ed Chinske's 1954 Grizzlies. The award honors UM's outstanding lineman and was established by the citizens of Ronan, Mont.

The Golden Helmet Award honors the hardest hitter on the team. It was set up on a nationwide basis by the Coca-Cola Company in 1957.

The Larry Miller Award is given in memory of the great Grizzly lineman and wrestler who competed for UM in 1969 and 1970. Miller died in an automobile accident in 1974. The award honors the team's outstanding defensive lineman.

The Steve Carlson award is given to the teams' most valuable player in memory of the former Grizzly football player who died in 1977.

“We Make House Calls”
The Big Sky Athletic Conference enters its 20th season of operation coming off what many feel was its greatest athletic year since the league was formed back in 1963.

The Big Sky, last season for the second straight time, had the I-AA football champion in Idaho State and now has more I-AA football titles (two) since the division was formed back in 1978 than any other conference. In basketball the University of Idaho became the first cage team in Big Sky history to crack the nation's elite "Top Ten" basketball poll in both Associated Press and United Press International. Idaho advanced to the final 16 teams in the NCAA Basketball Tournament.

The Big Sky Conference established winning percentage records against non-conference opponents in football and basketball last season. In football the league was 25-9 against outside competition for a .735 winning percentage. In basketball the Big Sky was 62-39 in non-league affairs for a winning percentage of .614, up 225 percentage points over the 1980-81 season of 18-43. The increase was the best in the nation according to the NCAA statistical service.

The Big Sky's success on the field and court was evident at the turnstiles in 1981-82.

As a league the Big Sky was second among other I-AA football conferences averaging 11,466 per game, while leading all of I-AA in percent of stadium capacity at 67.4. In basketball the Big Sky was ranked 12th among the 29 major basketball playing conferences with a 4,949 average per game.

As usual Big Sky teams had their share of All-America selections led by Boise State wrestler Scott Barrett, who at 126-pounds, became the first Big Sky grappler to advance to the finals of the NCAA Wrestling Championships. Idaho's John Trott and Leroy Robinson were named to the 800-meter All-America team at the NCAA Outdoor Track and Field Championships.

The Big Sky Conference conducts championships in eight sports, including cross country, football, wrestling, basketball, golf, tennis and indoor and outdoor track and field. Eight institutions are currently members of the league that has an NCAA Division I-AA affiliation in football and an NCAA Division I affiliation in all other sports including an automatic berth to the NCAA Basketball Championships to the conference champion.

Charter members of the Big Sky are the University of Idaho, Moscow; Idaho State University, Pocatello; University of Montana, Missoula; Montana State University, Bozeman; and Weber State College, Ogden, UT. Boise State University, Boise, ID; and Northern Arizona University, Flagstaff, joined the league in July 1970. The University of Nevada-Reno was admitted to the league July 1, 1979.

The Big Sky has member schools in five states and covers more than 220,000 square miles (or almost 1/12th of the total square miles in the continental United States). The five states included in the Big Sky Conference (Arizona, Idaho, Montana, Nevada and Utah) span from the Canadian to Mexican borders.

The Name "Big Sky" originated in a novel authored by A.B. (Bud) Guthrie of Great Falls, Montana in 1947 entitled The Big Sky. Jack Hollowell, former Montana Advertising Director, promoted the Big Sky theme for the Treasure State. Harry Missildine of the Spokane Spokesman Review called for the conference to be named "the Big Sky Conference". On Feb. 25, 1963, the conference name was adopted by the presidents of the newly formed league during a meeting in Spokane, WA.

Ron Stephenson, 38, is only the fourth commissioner in the 20-year history of the Big Sky Conference with all of his 17 years of experience as an administrator coming at member institutions.

The personable Stephenson has had the unique experience of witnessing the evolution of the league since its inception in 1963 as a student, coach and athletic administrator. He replaced Steve Belko who retired as commissioner on July 1, 1981. Belko succeeded John Roning as the Big Sky's third commissioner in 1977. Roning served with the league from 1971-77 assuming the duties from Jack Friel who served as the Big Sky Commissioner from its inception in 1963 to 1971. The conference offices were located initially in Pullman, WA until Roning moved the headquarters to Boise on July 1, 1971, where they have been ever since.

A native of Idaho, Stephenson came to the Big Sky from Boise State University where he served as assistant athletic director since February of 1971. He attended Twin Falls, Idaho High School and is a 1965 graduate of Idaho State University with a B.S. in business administration. He received his masters of business administration degree from the University of Idaho in 1971. While at the University of Idaho he served as the institution's ticket manager and head tennis and wrestling coach before becoming an assistant athletic director.

During his four seasons as Idaho's tennis mentor (1967-1970) he guided the Vandals to a 74-23 overall record including four Big Sky titles and four Big Sky "Coach-of-the-Year" awards.

He is married to the former Patti Judy of Twin Falls, ID and they are the parents of two sons, Mike, 16, and Mark, 14.

Arnie Sgalio is currently serving as the league's information director, entering his fourth year with the Big Sky since his arrival in 1979. Prior to that he was the sports information director at Montana State University for three years. Susie Sereduk is in her second year as the administrative assistant for the league.

Ron Stephenson
COMMISSIONER
When the Grizzlies and the Bobcats meet, DAD always wins!

Why? Because when you build your team with the best, you’re always a winner! DAD has attracted 51 Montana State University and University of Montana alumni to key positions in its nine branch offices in Montana and North Dakota. We’re very proud of our team.

The University of Montana Grizzly football team will become ambassadors for the United States in November of 1984—traveling to Tokyo, Japan to play in the 8th annual Mirage Bowl.

Montana will play the U.S. Military Academy (Army).

The Mirage Bowl was initiated in 1977. The bowl game is sponsored by Tele-Planning International, Inc.

"This is an outstanding honor for the University of Montana," said Athletic Director Harley Lewis. "It will be a tremendous experience for our players and coaches. It also should give our football program an outstanding recruiting tool."

The Grizzlies were first invited to play in the Mirage Bowl prior to the 1981 football season, and speculation was that UM would play in 1983. However two teams had already signed a contract to play that year.

This year's Mirage Bowl will feature 1980 NCAA champion Georgia against Kentucky.

Brainchild of Tele-Planning International, Inc. President Atsushi Fujita, the Mirage Bowl was named after a car produced by the sponsoring Mitsubishi Motors, a subsidiary of Tele-Planning Int., along with the Yomiuri newspaper.

Lewis said the University was aided by former Montana U.S. Senator Mike Mansfield, who is now the U.S. Ambassador to Japan.

The Mirage Bowl will be played in National Stadium in Tokyo, site of the 18th Olympic Games held in 1964. It has a seating capacity of 80,000 and the game has been a sell out for the past few seasons.
There's Gold in Them Thar Hills!

The first gold discovery in Montana was at Gold Creek, southeast of Missoula by François Finlay in 1850. The Gold Creek area was later mined for gold in 1862 by Jesse and Granville Stuart and Reese Anderson.

The University of Montana ranks 16th in the nation among the 2,400 eligible colleges in Rhodes Scholars, UM ranks 4th among schools west of the Mississippi.

The UM Yellow Bay Biological Station, located on Flathead Lake, is the nation's oldest inland station and ranks 3rd nationally for its program facilities and student population.

The Department of Geography has one of the region's best cartography laboratories.

University of Montana education majors are very successful in gaining employment. Approximately 84 percent of students with bachelor's degrees are placed in teaching positions or are engaged in other education-related career opportunities. Nearly 100 percent of UM students with graduate degrees in education are gainfully employed within the profession.

The School of Journalism has had 17 of its students selected as Sears Congressional interns — more than any other journalism school in the country.

The Department of Drama/Dance is home base for a professional theater group — the Montana Repertory Theater — which tours throughout the Northwest and is the only professional Actors Equity company between Minneapolis and Seattle.

The UM School of Business Administration is the only School of Business in the state accredited by the American Assembly of Collegiate Schools of Business at both the bachelor's and master's level. UM is one of only about a half dozen schools in the Northwest with such credentials.

Travel abroad programs to Austria, France and Spain are sponsored by the Department of Foreign Languages and Literatures. Students earn UM credit and register through the University for the program.

UM's Speech, Language and Hearing Center is one of fewer than 300 of the nation's 2,500 clinics and centers accredited to provide speech, language and hearing services.

The UM Dance Division is the only degree-granting dance program in Montana, and most graduates of the program have successful professional and academic careers in dance and related arts.

The Department of Geology has an outstanding national reputation. Students receive hands-on experience at the University's Seismic Station, the Earthquake Research Laboratory, and a field station in southwestern Montana.

The Department of Physics and Astronomy has excellent laboratory facilities and several terminals connected to UM's main computer. The department operates a 12-inch heliostat for solar observations, and students use a 16-inch telescope housed on nearby Blue Mountain.

The fully accredited Department of Social Work is the only one in Montana that assures its graduates of a year of advanced standing in graduate schools of social work.

Lubrecht Experimental Forest, a 30,000-acre tract 35 miles from campus, is a research facility for the School of Forestry. Lubrecht Forest and the millions of acres of national, state and private forest and park lands in western Montana serve as outdoor laboratories and classrooms for students in forestry, range management, recreation and wildlife biology.

The Department of Art enjoys a national reputation for excellence in ceramics.
Thumbs Up,

Grizzlies...

1983 Grizzly Football Camp

CAMP FEATURES

PERSONAL INSTRUCTION

The Grizzly Football Camp will emphasize the development of physical skills carefully adjusted to the needs and abilities of those enrolled. Campers will have personalized instruction from the University of Montana Football Staff and top high school coaches from the Northwest. Special emphasis on passing — center snaps — kicking.

LOCATION, FACILITIES, AND SUPERVISION

The Grizzly Football Camp is located on the campus of the University of Montana in Missoula. Students will be housed in University dormitories two per room. Sumptuous meals, all you can eat, will be served in the Campus Commons. Football fundamentals are the main focus of camp, but recreational opportunities will exist for all campers in swimming, foosball, softball, and other activities. Campers will be coached and supervised by the Grizzly Staff.

REGISTRATION

The camp is open for all boys of the ages nine through high school. High school graduates will not be permitted to attend. Any competition will be restricted to campers of the same age and ability level. An advance deposit of $50 is required with balance to be paid at registration. Special group rates are available.

FEES — $165 Resident; $100 Day Campers
$130 Griz Campers

Fees include instruction from the Grizzly Staff and outstanding high school coaches, great food, pro football High-Light films, motivational training, weight training sessions, a camp shirt, camp booklet, and many other fun-filled activities. Day Campers will eat noon meals, Griz Campers will eat noon and evening meals and Residents will receive all three meals and lodging.

**Mr. Steak**

AMERICA'S STEAK EXPERT

Why is Mr. Steak America's Steak Expert?

We're experts when it comes to selecting, aging, cutting, and broiling steaks. Mr. Steak serves USDA Choice steak exclusively. We do not use chemical tenderizers — natural aging makes our steaks even more tender and flavorful.

At Mr. Steak, we prepare your steak expertly too, as you order it.

Our waitresses serve all dinners at your table and we have a special KID'S MENU just for the asking.

After dining at Mr. Steak, you'll realize why we're America's steak expert.

A Grizzly Thanks to ‘Football Fever’

The University of Montana athletic department wishes to thank the Geo. L. Tracy, Co., and 13 major manufacturers for bringing “Football Fever” to Montana and its colleges.

Manufacturers participating in the “Football Fever” program agreed to promote their products during the months of August and September with full promotional allowances, plus an additional “set aside” allowance accrued and given to the six Montana Colleges and Universities.

The monies will be distributed to the schools’ men’s and women’s athletic departments, based on cases sold in retail stores through the month of September.

The Grizzly athletic department (as well as the other respective athletic departments) contacted friends, alumni and season ticket holders, asking them to support items advertised in the “Football Fever” campaign.

According to company officials the campaign raised approximately $30,000 to be divided among the schools.

These are the manufacturers who sponsored Football Fever 1982:

| Allen Products Company | Helene Curtis Industries, Inc. | Star-Kist Foods, Inc. |
| Beatrice Foods, Inc. | Lindsay International, Inc. | Tree Top, Inc. |
| Coca-Cola Bottling | MJB Coffee Company | Wm. Underwood Company |
| Continental Mills, Inc. | Olympia Brewing Company | |
| Georgia-Pacific Corporation | Pierce Packing Company | |

The following were members of the 1982 Football Fever committee:

Bill Maronick, Geo. L. Tracy Co., Chairman
Bob Maronick, Geo. L. Tracy Co.
Bill McElliott, Geo. L. Tracy Co.
Jack Laabs, Coca-Cola Bottling of Great Falls
Hal Snippen, MJB Coffee Company
Jim Waiss, Olympia Brewing Company

The six participating schools take this opportunity to thank the manufacturers who participated in this promotion along with the retail grocery stores and particularly, friends of the university system that made this fund possible.

The groundwork is presently being laid for Football Fever 1983.

“‘We’ve Got Team Spirit!’”

Darigold Farms of Montana is Montanans working together to bring you the state’s finest dairy products. Via the Darigold truck we bring our delicious products to you fresh daily in Grizzly country.

We’re The Real Montana Dairy, That’s Winning Montana’s Taste.
Montana School Songs

"Up With Montana," by Dick Howell
Up with Montana, boys, down with the foe,
Old Montana's out for a victory;
She'll shoo her back around the foemen's line;
A hot time is coming how, oh, brother mine.
Up with Montana, boys, down with the foe;
Good old Grizzly'll triumph today;
And the squeal of the pig will float on the air,
From the tummy of the Grizzly Bear.

"Fight, Montana," by "Bill" Kane, 1920
Hail, copper, silver, gold,
Borne by our warriors bold,
'Tis the flag of the grizzly bear;
See those Bruins tearing their way down the field!
We know they never will yield, Montana.
On we'll go and trample down the foe.
Let's go, Montana, we love the fray.
The grizzly fight, fight, fight will bring victory.
Let's go, Montana, we'll win today.

"Montana, My Montana," by George H. Greenwood, '04
Our chosen state, all hail to thee,
Montana, my Montana;
Thou hast thy portion with the free,
Montana, my Montana.
From shore to shore, from sea to sea,
Oh, may thy name full honored be,
Symbol of strength and loyalty,
Montana, my Montana.

UM equipment men Mat Popham (left) and Steve Hackney.
