Second Annual
Interscholastic Meet

UNIVERSITY OF MONTANA

MONTANA FIELD

MISSOULA, MONT., MAY 17, 18, 19

1905

Montana, My Montana

Our chosen state, all hail to thee,
Montana, my Montana!
Thou hast thy portion with the free,
Montana, my Montana!
From shore to shore, from sea to sea
Oh! mayst thy name full honored be,
Symbol of strength and loyalty.
Montana, my Montana!

God bless our state for what is done,
Montana, my Montana!
God bless our people every one,
Montana, my Montana!
And as the years shall go and come,
May Freedom's bright eternal sun
Find here full many a victory won,
Montana, my Montana!

Thus ever through thy valleys wide,
Montana, my Montana!
Re-echoing from each mountain side,
Montana, my Montana!
Thy fame, an ever swelling tide,
Which time's encroachments cannot hide,
Shall ever be our joy and pride,
Montana, my Montana!

My University

The East may boast of valiant Yale,
Of placid Harvard's air.
Of little brown, with quaint renown,
And Princeton's spirit rare;
Cornell may yell its college fame
Has conquered all the sea;
But far above all those I love
My University.

Chorus:

I love every inch of her campus so wide,
Each elm in her shady grove,
I love every man in my college, dear,
Each maid in the Hall I love.
I love each rock on her wind-swept hill
Which faces the setting sun.
The copper and the gold bears the love that
I hold
My University.

MONTANA FIELD, UNIVERSITY OF MONTANA
WHERE THE GREAT BATTLE IS TO BE FOUGHT

Historical Sketch of Interscholastic High School Meet

In the fall of 1903 definite plans were outlined by the President and Faculty of the University of Montana for carrying out the great undertaking by which all the High Schools of the state with their scores of students might annually meet in friendly contest on the campus of the University of Montana. In May of 1904 the first meet took place and was so successful that the promoters of the scheme felt more than gratified over the result.

As outlined in their first announcement the promoters of the great High School meet have undertaken to hold the Inter-Scholastic Meet annually on the University campus a courtesy due to the University as first inaugurator of the scheme.

SPAULDING CUP, which is one of the Four Cups to be competed for, together with Medals offered to winners of contests

To this end various cups have been offered annually to be competed for on Montana field alone. The big Spaulding cup, presented by Spaulding Bros., is to be competed for annually for five years. The High School winning the most number of points during this time is to have permanent possession. Meanwhile the winning team of each respective meet during the five years has the privilege of keeping the cup during the following year, with colors entwined around it.

The big Missoula Mercantile cup, presented by the hardware department of the Missoula Mercantile Company is to be given outright each year to the High School winning the meet.

The Victor cup offered by the Whitney Sporting Co., is given to the High School winning the most number of points in the relay during a competition of three years. Similar to the Spaulding cup the High School winning

the relay of each respective year has the privilege of holding it for the year following, with their colors entwined.

The loving cup for individual championship is offered by the University, to be given outright each year to the individual champion of the meet.

Aside from the cups there are fifteen gold, fifteen silver and fifteen bronze medals given for first, second and third prizes, in the fifteen contested events of the meet. As perhaps may have been surmised, the purpose of the Inter-Scholastic Meet is two-fold—to heighten athletic development among the High School students and to develop them along the lines of public speaking. Thus far the declamatory contest has met with unprecedented success. In fact in last year's meet as well as this year's there are slightly larger number of High Schools competing in the declamatory contest than for athletic honors. This year there are High School athletic teams and representatives from High Schools in the declamatory contests. These have thus far been hotly contested both in the local try-out contest and especially so in the final contest in University Hall.

The records made thus far by the athletes have been remarkably good for so short a time. The record of Piggott of Helena, in the hundred-yard dash is eleven seconds. Mr. Piggott's record of twenty-four seconds in the two-twenty-yard dash is even more remarkable. With good scientific training and careful attention to form, Mr. Piggott ought to give any athlete in the east a severe test of strength.

Wiles of Virginia City, proved himself remarkably strong in the mile and two-mile events of last year, winning first places in both in the respective times of five minutes ten seconds and eleven minutes forty-seven and one-fourth seconds. It is expected that these two events will be of exceeding great interest this year.

Dinsmore, Captain of Missoula High School team is looked upon as the individual champion in the meet. His performance in both hurdle races and in the broad jump last year gives promise of wonderful form and strength this year.

The relay race is always interesting. Powell County High School carried off the honors last year. The awarding of a handsome cup this year promises to make unusually keen competition for this event, considered by many to be the prettiest event in track athletics.

The following is a summary by points in last year's contest. The problem is, what shall be the summary this year?

SUMMARY BY POINTS

Missoula	23	Anaconda	8
Butte	18	Park	7

High Schools That Are to Compete

Butte High School Track Team

The Butte High School track team is under the captaincy of Emmett Rheim, '06. The school boasts an enrollment of six hundred and twenty-five pupils and a teaching corps of twenty-five members. It occupies a spacious building containing over forty rooms, and is the largest secondary institution of learning in Montana.

For many years the Butte High School athletic teams have won laurels, the school at present defending the state championship in baseball, football and oratory.

EMMETT RHEIM
CAPTAIN BUTTE H. S. TEAM

The several athletic teams in the school have been coached during the last year by Messrs. George G. Bechtel (Albion); Harry R. Hazel (Oberlin); Chester W. McNown (University of Wisconsin); and Paul A. Schule (University of Wisconsin); all members of the High School faculty. Mr. H. M. Hart is principal.

The Forsyth High School

The Forsyth High School has a four years course of study, good physical and chemical laboratories, fair equipment for botany and was last year placed on the "accredited" list. Mr. H. Blair is superintendent.

Great Falls

Great Falls High School won third place in last year's declamatory contest and was also a point winner in the athletic meet. Mr. S. D. Largent is superintendent.

Helena High School

Mr. R. H. Trowbridge is principal of Helena High School, while Mr. R. J. Condon is superintendent of schools. Helena High School had an enviable record in last year's athletic meet. The school won sixteen points, taking third place, while Mr. Piggot took the individual cup as champion point winner.

WM. KUHR
CAPTAIN CHINOOK H. S. TEAM

Missoula High School

The Missoula High School is closing its third year with an enrollment of 175. The new high school building has proved entirely satisfactory and with additional equipment in laboratories and library, the school will occupy very desirable quarters.

The teaching force of the school is:

Richard Howard Daniels, B. L., University Michigan	Principal
Alma E. Evans, Iowa State Normal	English
Zoe Bellew, A. M., University of Montana	History
Madge H. Ames, B. S., University of Nebraska	Science
Cora M. Paine, Michigan State Normal College	English and German
J. Franklin Thomas, A. B., Beloit College	Mathematics

There is a healthy interest manifested in all departments of school work, including athletic and declamation, in both of which the school will be represented in the state contests.

Colors: Royal purple and gold.

Custer County High School

The Custer County High School, located at Miles City, was organized in 1902.

The faculty is now composed of Edna B. Harris, Principal, who was elected to that position at the close of the first year, and three assistants.

The enrollment is sixty-five.

The physical, chemical, and biological departments are well equipped, and there is a good reference library.

The course of study is excellent, and diplomas from here admit to the leading universities.

The school has grown in popularity and has become an institution of which the people of Custer county are justly proud.

EARL HOWE
Baseball Captain
CUSTER CO. H. S., MILES CITY

Flathead County High School

The Flathead County High School was founded in 1900. Since November 1903, it has been very pleasantly housed in a new \$25,000 building. This building is well equipped with library and laboratories for physics, chemistry, biology and physical geography.

The attendance is rapidly increasing, having reached 125 during the present year. Six teachers, including the principal, are now employed and every effort is being made to make the standard of work correspond to that of the best eastern high schools. Flathead County High School scored thirteen points in last year's meet, taking fifth place. Mr. G. A. Ketcham is principal.

MISSOULA HIGH SCHOOL, TRACK TEAM, STATE CHAMPIONS, 1904-1905

Fergus County High School

The Fergus County High School was organized in the fall of 1899. The buildings are of native sandstone, and are equipped with all modern facilities and conveniences, maintaining a four year's course.

The school enrollment is about 80. There are six teachers, including the teachers of vocal music. The school has a mandolin and guitar club of thirty members, together with a glee club of twelve members. Mr. P. M. Silloway has been principal since the organization of the school. Ralph Tavenner is captain of the track team.

Gallatin County High School

The Gallatin County High School is located at Bozeman, and was established by the vote of the people of the county at an election held in July, 1899. It was the first county high school to be established in Montana.

The first school year began Sept. 11, 1899. The enrollment for the first year was 92. That of the present year is 186.

The faculty consists of a principal and six assistant teachers; special teachers of drawing and of vocal music are also employed.

The total number of graduates of the school up to February of this year, is 121. Mr. George B. Swan is principal. Gallatin County High School won fourteen and one-third points in last year's meet, taking fourth place.

Park County High School

The Park County High School, located at Livingston, Montana, was founded in 1900. The attendance at first was seventy-five, and three teachers comprised the teaching force. At present there is a faculty of six teachers, and a school enrollment of one hundred twenty. The school offers four courses—classical, scientific, English and commercial—each requiring four years for completion.

A modern Thirty thousand dollar building was completed in December, 1904. It is one of the most complete and best equipped school buildings in the State, and is a credit to Park County. Mr. Lewis Terwilliger is principal.

Powell County High School

The Powell County High School situated at Deer Lodge, besides being a point winner in last year's regular athletic events, succeeded in carrying away the cup given for the winner in the relay. Mr. E. T. Eaton is principal

RALPH TAVENNER
Captain Fergus Co. H. S. Team
Lewistown

Sweet Grass County High School

The Sweet Grass County High School was organized in 1901, and has been a separate institution for three years. In May, 1904, it graduated a class of eleven, all of whom are teaching, holding positions of trust, or are in schools of higher order.

At the regular meeting in May, 1904, the board adopted a four year's course which compares very favorably with the high schools of the State. The school has now a most excellently equipped physical laboratory and when it moves into the "new building," will do work equal to the best.

The boys have recently organized an athletic association of which Ernest Patterson is its president and manager. Mr. W. C. Ryan is principal.

Accredited High Schools

In addition to the above short sketches of competing High Schools in the State of Montana, there are in all some twenty-four different schools upon the accredited school list, twenty-three of which will be represented in one or both

of the contests at the Interscholastic meet.

The State Board of Education, in a meeting held June 1, 1896, took the following action:

Accredited Schools—Any High School or Academy whose course of instruction covers the branches requisite for admission to one or more of the courses of any State Educational Institution may be admitted to its accredited list of preparatory schools, after a satisfactory examination by a committee appointed by the State Board of Education. Application for such examination may be made by any school board to the Secretary of the State Board of Education, whereupon a committee appointed by the State Board of Education will examine the course of study and methods of instruction of the school, and on the committee's favorable recommendation, and the concurrence of the State Board of Education, it will be entered upon the accredited list of the State Educational Institution for which it applied. Any graduate of such an approved school will be received by the President of the State Educational Institution wherein said graduate is entitled to enter, on presentation of proper

SINGING ON THE STEPS

Thursday Evening

7:15 to 8:00

It is a custom of the students of the University of Montana to gather every little while upon the steps of the College Hall about seven-fifteen in the evening. Here in this informal manner old songs are sung, old stories told and a general good time enjoyed. Promptly as the old clock above strikes eight, the "singing on the steps" closes. No matter what is taking place a hush falls over those present, every one rises to their feet and the men with bowed heads wait in silence till the clock finishes tolling the hour when all retire from the building in silence. Thus ends each singing on the steps.

All visitors are invited to come out Thursday evening before the Declamatory Contest and enjoy our college life.
