Montana, My Montana

Our chosen state, all hail to thee,
Montana, my Montana!
Thou hast thy portion with the free,
Montana, my Montana!
From shore to shore, from sea to sea
Oh, may thy name full honored be
Symbol of strength and loyalty,
Montana, my Montana!

God bless our state for what is done,
Montana, my Montana!
God bless our people, every one,
Montana, my Montana!
And as the years shall go and come,
May Freedom's bright eternal sun
Find here full many a victory won,
Montana, my Montana!

NATIONAL ANTHEM

The Star Spangled Banner

Oh, say! can you see by the dawn's
early light,
What so proudly we hail'd at the
twilight's last gleaming,
Whose broad stripes and bright stars,
thro' the perilous fight,
O'er the ramparts we watch'd, were
so gallantly streaming?
And the rockets' red glare, the bombs
bursting in air,
Gave proof thro' the night that our
flag was still there.
Oh, say, does that Star Spangled
Banner yet wave
O'er the land of the free and the
home of the brave?

Oh, thus be it ever when freemen
shall stand
Between their lov'd homes and the
war's desolation!
Blest with vict'ry and peace, may the
heav'n rescued land
Praise the Pow'r that hath made and
preserved us a nation!
Then conquer we must, when our
cause it is just,
And this be our motto, "In God is our
trust."
And the Star Spangled Banner in
triumph shall wave
O'er the land of the free and the
home of the brave!

THE custom of wearing academic gowns, caps, and hoods dates back to about the twelfth century. In France, where the degree system probably had its inception, the wearing of cap and gown marked the formal admission of the licentiate to the body of the masters. During this period the dress of the friars and nuns became fixed, and, since the scholars were usually clerics, their robes differed little from those worn by other church orders. Gradually special forms were set aside for the university bodies, and in modified style are the costumes worn to-day. Since academic custom in this matter had become somewhat confused, in 1895 a commission representative of the leading colleges met and prepared a code which has been adopted by over seven hundred institutions in the United States and Canada. A committee of the American Council on Education revised the code in 1932.

Doctors wear the round, bell sleeve; the gown is faced down the front and barred on the sleeves with black velvet or velvet of color indicating the degree; the doctor's hood is large. Masters wear the long, closed sleeve, with a slit near the upper part for the arm; the master's hood is of more moderate size. Bachelors wear the long, pointed sleeve. Hoods are lined with the colors of the institution granting the degree and are trimmed with velvet of the color distinctive of the major subject—for example, arts and letters, white; theology, scarlet; law, purple; philosophy, dark blue; science, golden yellow; fine arts, brown; medicine, green; music, pink; commerce, drab; physical education, sage green; engineering, orange; pharmacy, olive green; forestry, russet; library science, lemon; education, light blue; humanities, crimson; economics, copper; agriculture, maize; dentistry, lilac; oratory, silver gray; public health, salmon pink; veterinary science, gray. The Oxford or mortarboard cap, worn for each degree, is of black cloth with black tassel, except that the doctor's cap may be of velvet with tassel of gold. Unless local custom decree otherwise, tassels are worn over the left temple.
