My University

I love every inch of her Campus so
wide, each tree in her shady grove. I
love every man in my college dear; each
maid in the Hall I love. I love each
rock on her wind-swept hill, which faces
the setting sun. The copper and the
gold bears the love that I hold

My University

Greeting

To Montana High Schools

It has been said that the pride and future of a country or state lies in its system of public schools, and that play and its opposite, have been the great school masters of the race. If this be true it is fitting that the high schools of the state should meet once a year at the University, the head of the school system of the state, for a play festival, getting better acquainted, challenging each other in friendly rivalry, to contests in public speaking, debating and standard athletic sports. The City of Missoula joins your hosts, the Missoula County high school and the State University, in welcoming you to this Sixth Interscholastic Meet. May our festival prove mutually helpful and result in the restoration and development of such play traditions and games as stimulate healthy growth and development.

HISTORICAL SKETCH OF THE MEET

THE present year marks an important epoch in the history of the Montana Interscholastic High School Meet. One chapter of its history has already been written. The Spaulding cup which was competed for five years was last year permanently awarded to the Missoula County high school, which won the greatest number of points in athletics during the five years. The individual championship honors have been won successively by Helena, Anaconda, Flathead and Missoula. While the Relay honors have been divided between Powell County, Flathead, Great Falls and Missoula, Flathead carrying off the coveted Spaulding relay cup by winning the relay race in two successive years.

In declamation, Butte is clearly in the lead, having won in the five years, two firsts and two seconds. Hamilton and Teton County have each won two firsts in five years.

In debating, Hamilton won the first state championship honors, also the medal given to the best individual debater. Last year both honors were won by Missoula. During the present Meet Forsyth, the champion for the eastern and southern district, meets Boulder, the champion for the western and northern district, to decide the state championship in debate for 1909. The fact that each team has won its right to compete in this final contest by defeating several other strong teams, gives promise that the present debate will be the best high school debate ever held in the state.

The present meet marks the beginning of a new regime. A new silver trophy, to be known as the Missoula cup, is to be competed for this year for the first time and will be awarded in May, 1913, to the school which shall have won, during the five years, the greatest number of points. Another cup, to be known as the Victor relay cup, is to be competed for and will be awarded to the school whose relay teams win, during the five years, the greatest number of points. In addition there will be awarded, this year, three silver cups, sixteen gold, sixteen silver, and sixteen bronze medals, besides the individual prize in athletics and the sets of books, medal and cup awarded to the champion debaters of the state. No institution in the country gives so generously in medals and prizes as does the University. The fact that the University is able to pay, in addition, the railroad fare for five contestants from each accredited school and to provide free entertainment for all contestants and chaperones that come is proof of Missoula's loyalty to the meet. Mayor Logan, Principal Thomas and President Duniway, this week, have turned over the city, the high school and the University to our visitors. There is nothing too good for our friends.

General interest in the meet has rapidly risen during the past few days. Many old veterans and favorites are back. Crum, the record breaker, and one of last year's special favorites comes supported by the huskiest looking lot of athletes that the Capital city ever sent down. Logan, Border and Danis, the high jumping trio from the Gallatin, are here, making it necessary to splice the supports for the high stick. A dozen more of last year's point winners are back. McCool, Westaby, Splain, Collins, Brooks, Sipple, Wilson and Steere will set a lively pace for their former and new competitors. To all we give a most cordial welcome and greeting. Your coming to Missoula means a gala day for us all.

Our chosen state, all hail to thee,
Montana, my Montana!
Thou hast thy portion with the free,
Montana, my Montana!
From shore to shore, from sea to sea
Oh! mayst thy name full honored be,
Symbol of strength and loyalty,
Montana, my Montana!

Thus ever through thy valleys wide,
Montana, my Montana!
Re-echoing from each mountain side,
Montana, my Montana!
Thy fame, an ever swelling tide,
Which time's encroachments cannot hide,
Shall ever be our joy and pride,
Montana, my Montana!

SINGING ON THE STEPS

WEDNESDAY EVENING

7:15 to 8:00

It is the custom of the students of the University of Montana to gather every little while upon the steps of University Hall about seven fifteen in the evening to sing old songs, tell stories and enjoy a general good time. Promptly as the old clock above strikes eight, the "singing on the steps" closes. No matter what is taking place a hush falls over those present, everyone rises to their feet and the men with bowed heads wait in silence till the clock finishes tolling the hour when all retire from the building in silence.

All visitors are invited
to come to
Library Hall, Wednesday evening
before the Declamatory Contest
and enjoy our college life
