**Assignment
overview**

To Be Determined

Note: This is a project based course. There will not be any tests or quizzes.

**Assessment/
Evaluation**

Assignments will each be assessed using the rubric for that assignment. Total points possible on each assignment are included with the assignment description.

Grading Scale

All assignments will be given a number of points. You will be assigned a number of points based on the grading criteria given you for the assignment. Class participation is required from all students and will be given a grade that is averaged with the rest.

Letter grades represent an assessment of the overall quality of work performed in a given course. A–Excellent; B–Good; C–satisfactory; D–Poor, F–Failure. When assigning traditional letter grades, instructors may, at their discretion, utilize the symbols + or -. Use of the + or - will be limited to A-, B+, B-, C+, C-, D+, and D-. Other symbols used are: I–Incomplete; N- -work on the course may be continued in later semesters (when work is completed, the final grade assigned applies to all semesters of the course. –UM 2007-2008 Catalog

**My Expectations
of you**

My Expectations of you:

1. Students are expected to send in their assignments by the due date. Assignments made on Monday are due by midnight the following Wednesday. Note: this gives you an opportunity to ask questions during the chat before you turn your assignment in.
2. Students are expected to participate in ALL threaded discussions. Students should use correct spelling and grammar in threaded discussions.
3. Students must attend 10 out of 12 chats. Chats will be recorded so if you miss one, you can read the chat log.
4. All work should be presented in a professional manner AND spell checked.

Academic honesty:

All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or a disciplinary sanction by the University. All students need to be familiar with the Student Conduct Code. The Code is available for review online at <http://www.umt.edu/SA/VPSA/index.cfm/page/1321>.

How to Send and Name Assignments

1. In the subject line, type Course Number + First Initial + last name +Assignment number (e.g., 488SbrewerA1)

Note: I will provide the assignment number in the assignment details.

2. If you send an assignment as an attachment, be sure to put **your name** and the assignment number on the attached document.

Online Chat times:

- Mondays
- 7:00 – 8:00 p.m.
- 8:00 – 9:00 p.m.

**You should
expect from me**

1. A response to an email within 72 hours. (If you need immediate help, put HELP in the subject line and I will respond in 24 hours.)
2. Threaded discussions may be responded to by individual responses or via a summary email to the class as a whole.
3. Graded papers returned within a week of the due date.
