Public Comment
*Tom Figarelle stated his personal opposition to CI-96 and the hope ASUM Senate will support SB09-04/05.

President’s Report
a. Price reported that the Board of Regents meeting went well. The Regents want input on fee waivers. A new building is proposed for the area in front of the Gallagher Business Building on Arthur. An individual has pledged funds to build it, and this is the only spot available, since its purpose is linked to business. Approval of this overrides the normal process. See Price for details.

b. MAS voted not to pursue Price’s idea for a MAS lobbyist and student ambassadors. ASUM will fund its own lobbyist and possibly ambassadors.

c. The letter on campus safety read by Price to the Regents went fine. She stressed the fact that at the May meeting ASUM supported the building
fee increase to increase safety equipment. The Regents were receptive, and President Dennison pledged to present a plan at the November Regents meeting in Missoula. Price, Morton and Pappas met with Campus Safety Director Willett to propose 360 cameras for buildings, the addition of public safety officers and other measures. Price will be walking on campus to identify dark areas. Price read a student’s letter comparing whistles with pepper spray, and also letters about self-defense classes and the COT food situation.

*Volunteers are needed to serve on an Alumni Association leadership panel.
*Dakota Cannavaro was introduced as Senate’s new Kaimin reporter.

Vice President’s Report
a. Pavlish proposed a list of committee appointments/removals which were moved and passed by categories: ASUM Committees - SPA - Sam Chartier (removal) (Healow-Morton); COT Affairs - Dawn Payne (removal) (Healow-Bennett); IT - Andrew Unbehend (Morton-Hogue).

b. Snodgrass will represent ASUM on KBGA Thursday of this week.
c. Next week’s Senate meeting will be held at COT East in HB01.
d. Radio-TV students will be holding interviews next Tuesday from 2-3 p.m. for a class. Volunteers are needed. Talk to Pavlish if interested.

The gavel was passed to Morton.

Special Allocation - $14,850
Travel Special Allocation - $17,913
STIP - $96,772.77

*Kim May from Powers arrived late for Public Comment, and she was given an opportunity to speak. She thanked Senate for considering the group’s travel request and expressed her satisfaction with the recommendation.
a. Morton explained the Travel Special Allocation process. A motion by Welsh-Prosperi to pass the recommendation with unanimous consent was objected to by Price. After a previous question call by Welsh-Bissell, the recommendation passed.

c. A Zero-Base Carryover request for $1,875 to purchase whistles for student safety was not recommended by Budget and Finance. Bennett-Pappas moved to amend the decision and reinstate $1,875. A motion by Price-Hogue to postpone the request until next week passed after a previous question call by Cederberg.
d. A Special Allocation request by Women’s Center for $1,344.65 to purchase supplies for Take Back the Night was recommended for $1,019.65 by

Price-Helling moved to amend the motion by replacing "partisan" with "contributions to political candidates" or "ballot initiatives." A motion by Healow-Helling to recommit passed after a previous question call by Price-Bissell.

a. A motion by Bennett-Bissell to remove SB07-04/05 Resolution encouraging Universal Standard in +/- Grading from the table passed. Bennett-Snodgrass moved to delete the fifth paragraph and insert two paragraphs in
its place to read: "Whereas, a universal standard in grade value would provide for equality in all classes using the +/- system at The University of Montana;" and "Whereas, The University of Montana faculty is best adept to create a new standard in +/- grading;" was adopted. Johnson-Hogue moved to vote separately on the two issues, which passed. Deleting the “s” in “elections” in the third paragraph passed. Replacing “stance” with “opposition to” in the final paragraph failed. A motion by Welsh-Hagen to postpone indefinitely failed after a previous question call by Pappas-Helling. Cederberg-Pipinich moved to strike the last two paragraphs and insert “Therefore Let It Be Resolved that the ASUM Senate believes that there is strong student opposition to CI-96 at the University.” A motion by Ziegler to strike the fourth and fifth paragraphs was accepted with no objection. A previous question call by Welsh-Hagen passed, after an objection by Cederberg. The amendments failed. A motion by Welsh to delete “and believes that it is a bad policy for the future of Montana citizens” in the second to last paragraph and delete the entire final paragraph passed. A motion to reinsert “and believes that it is a bad policy for the future of Montana citizens” in the second to last paragraph failed after previous question calls by Pappas-Helling (failed) and Welsh-Properi. Carol Hayes
ASUM Office Manager
Resolution to Amend ASUM Bylaws Regarding Senator Office Hours at the COT

Whereas, Senators of the Associated Students of The University of Montana (ASUM) are required to hold one office hour per week on the mountain campus;

Whereas, the current ASUM Bylaws require Senators to hold one office hour per month at the College of Technology (COT);

Whereas, during the week a Senator holds an office hour at the COT, the Senator must still hold an office hour on the mountain campus;

Whereas, Senators during the Spring Semester of 2004 did not hold an office hour every month at the COT;

Whereas, Senators who did hold their office hour at the COT often did so in groups, thereby limiting the accessibility of COT students to their elected representatives;

Whereas, requiring Senators to hold only one office hour per semester at the COT is a more reasonable requirement;

Whereas, requiring that at least one senator per week holds an office hour at the COT will bring greater visibility to ASUM;

Therefore Let It Be Resolved that Article III, Section 2, Subpoint F of the ASUM Bylaws be amended to read:

F. All Senators shall formally be required to hold one office hour each five-day week in the ASUM office on the mountain campus. All Senators shall formally be required to hold one office hour each month per semester at either the east or west campus of the College of Technology.

1. This office hour must occur between 8 a.m. and 4 p.m. Monday through Friday.
2. This office hour must be posted by 5 p.m. Friday the previous week.
3. The office hour served at the east or west campus of the College of Technology will not be in place of the mountain campus hour.
4. One senator per week must hold an office hour at the College of Technology, which will be coordinated by the ASUM Vice President.
5. Failure to do so beyond three missed office hours will result in an unexcused absence.
6. For attendance purposes, Senators are required to sign in on time sheets located at the front desk.
7. The office hours will be started by the Monday before the third Senate meeting and will be held each day that regular classes meet. Office hours will not be required during days when classes are not held or during the week before finals week.

Authored by Senator Andrea Helling
Resolution to Amend ASUM By-Laws, Article IV, Section 12

Whereas, the College of Technology (COT) Affairs Committee is currently made up of nine (9) members – three (3) Senators and six (6) students-at-large from the COT,

Whereas, with the addition of a College of Technology Student Assistant position, the number of students-at-large should be reduced because it creates a more efficient and still able committee and reduces the burden of filling committees,

Whereas, the COT Affairs Committee will still be able to represent interests and convey issues of the COT to the ASUM,

Therefore Let It Be Resolved that the Associated Students of the University of Montana (ASUM) amend Article IV, Section 12 of the ASUM By-Laws to read,

Section 12. College of Technology Affairs Committee (CTA):
A. The COT Affairs Committee shall be composed of nine (9) members, of which three (3) shall be members of the Senate and the rest students-at-large from the COT. Any student may be a non-voting advisory member of the Committee.
B. A COT student-at-large or an ASUM Senator shall chair the committee.
C. The Committee shall be responsible for all activities occurring on the College of Technology campuses that affect the ASUM.
D. The Committee shall review the ASUM governing documents and recommend changes as necessary to meet the representation needs of students attending the College of Technology.
E. The Committee shall meet on the College of Technology campuses.
F. The ASUM COT Affairs Committee shall serve as an advisory board to the ASUM COT Student Assistant, providing guidance and supervision.
G. The ASUM COT Student Assistant shall make a report to the ASUM COT Affairs Committee every time it meets unless otherwise instructed by the committee.
H. The ASUM COT Student Assistant shall be authorized to use up to $50.00 from the COT Student Fund every month to facilitate operation of its office or any new projects. The ASUM COT Affairs Committee may authorize any further use of the COT Student Fund.
I. For more information on the COT Student Assistant, consult ASUM Personnel Policy, Item 4.20.
