Here's to her whose name we'll
ever cherish in our song;
Honor, love and true devotion,
all to her belong.

Fair Montana, my Montana;
True to her we'll be.
She's the pride of all Montana--
State University.

HISTORICAL SKETCH

IN THE fall of 1903 the faculty of the University of Montana began outlining plans for organizing a State Interscholastic Meet. By January, 1904, their plans were completed and the high schools of the state were invited to the State University for contests in declamation and various forms of athletic events. Some eighteen schools responded to the University's invitation to participate in this first Interscholastic Meet. During the six years that the meets have been held all the commissioned high schools of the state and some of the smaller schools have been added to the list of contestants. In fact, ever since the first meet the middle of May has been a gala day for Missoula and the State University; for here have gathered, each year, the flower of the state to see their State University, enjoy its hospitality and compete with each other in friendly rivalry in debating, declamation and athletic contests. It is believed that the educational interests of the entire state have been furthered through the extended acquaintance and good fellowship fostered by these contests.

One epoch in the meet's history has already been written. The Spaulding Cup which was competed for five years was awarded to the Missoula High School, which won the greatest number of points in athletics during the first five years of the meet. The individual championship honors have been won successively by Helena (1904), Anaconda (1905-06), Flathead (1907), Missoula (1908), and Butte (1909). The relay race has been won successively by Powell, Flathead (two years), Great Falls, Missoula and Butte.

Last year a new silver trophy known as the University Cup was competed for for the first time. It will be permanently awarded in 1913 to the school which shall win the greatest number of points in athletics in five years. The Victor Relay Cup was also competed for for the first time last year and will be awarded to the school whose relay teams win, during this time, the greatest number of points. The Coen-Fisher Company (Golden Rule), of Missoula, will this year give a handsome silver cup to the school winning the meet. The University gives annually in addition to the above mentioned trophies, three silver cups, sixteen gold, sixteen silver and sixteen bronze medals, besides the individual championship prize in athletics, the medals, sets of books and scholarship prizes given by friends of the University to members of the debating teams taking part in the championship debate held at the University. The fact that the faculty of the University are able to pay, in addition to these medals and prizes, the railroad

fare of the two debating teams and to pay all the expenses of five contestants from each accredited high school of the state, and to provide free entertainment for all other contestants and chaperones who attend the meet is proof of Missoula's great interest and loyalty to the State University.

The following records in athletics were made by the different schools last year. Butte won 37 points, Park 22, Flathead 14, Fergus County 12, Great Falls 11, Helena 10, Gallatin 9, Forsyth 5, Jefferson 3, Custer 1, Beaverhead 1, Granite 1. The following individual records were made: Bickford (Park) 13, Collins (Fergus) 11, Joos (Flathead) 10, Nickle (Butte) 8, Brooks (Butte) 7.

In the declamatory contests Butte is ahead, having won in six years two firsts and two seconds. Hamilton and Teton County come next with two firsts each. Last year first honors went to Great Falls and Forsyth.

In debating Hamilton won the first state championship, also the medal given to the best individual debater. Both honors were next won by the Missoula High School. Last year the Forsyth High School won the state championship. The contest this year is between Butte and Jefferson County High School and gives promise of being the best high school debate ever held at the University. It will be remembered that the Boulder school was in the final contest last year and won the prize for the best individual debater.

Interest in this year's contests has rapidly risen during the last few days. Many of last year's first line men and favorite point winners are seen on the University campus. Richard Crum, who last year shaved nine and two-fifths seconds from his former state record in the mile, is here shaking hands with University friends. With him are Border, Sipple, Lee Brantley and O'Brian, some of last year's favorite point winners. Many other familiar faces are seen on the campus. But there is much new and, to us, unknown material among the contestants and many surprises will doubtless be sprung before the close of the week. Park, Flathead, Gallatin, Great Falls, Billings and Fergus County come with practically entire new teams. Only four of Butte's last year team are back, while the Helena, Granite, Teton, Beaverhead and Broadwater teams are practically the same as they were last year. To all the Garden City of Montana and the State University gives cordial greetings and a hearty welcome.

FINAL CONTEST IN DEBATE

TUESDAY EVENING, MAY 10, UNIVERSITY HALL

Contest between Butte and Jefferson County High Schools to decide the state championship for 1910.

SINGING ON THE STEPS

Thursday Evening, 7:15 to 8:00

It is the custom of the students of the University of Montana to gather every little while upon the steps of University Hall about seven fifteen in the evening to sing old songs, tell stories and enjoy a general good time. Promptly as the old clock above strikes eight, the "singing on the steps" closes. No matter what is taking place a hush falls over those present, everyone rises to their feet and the men with bowed heads wait in silence till the clock finishes tolling the hour when all retire from the building in silence.

All visitors are invited
to come to
Library Hall, Thursday evening
before the Declamatory Contest
and enjoy our college life
