## HISTORICAL SKETCH

IN THE fall of 1903 the faculty of the University of Montana began outlining plans for organizing a State Interscholastic Meet. By January, 1904, their plans were completed and the high schools of the state were invited to the State University for contests in declamation and various forms of athletic events. Some eighteen schools responded to the University's invitation to participate in this first Interscholastic Meet. During the seven years that the meets have been held all the commissioned high schools of the state and many of the smaller schools have been added to the list of contestants. In fact, ever since the first meet the middle of May has been a gala day for Missoula and the State University; for here have gathered, each year, the flower of the state to see their State University, enjoy its hospitality and compete with each other in friendly rivalry in debating, declamation and athletic games. It is hoped that the educational interests of the state may be furthered through the extended acquaintance and good fellowship fostered by these contests.

## SINGING ON THE STEPS

Thursday Evening, 7:15 to 8:00

It is the custom of the students of the University of Montana to gather every little while upon the steps of University Hall about seven fifteen in the evening to sing old songs, tell stories and enjoy a general good time. Promptly as the old clock above strikes eight, the "singing on the steps" closes. No matter what is taking place a hush falls over those present, everyone rises to their feet and the men with bowed heads wait in silence till the clock finishes tolling the hour, when all retire from the building in silence.

All visitors are invited

University Hall, Thursday evening
