Jim O'Day, Director of Athletics

Jim O'Day was named Director of Athletics at The University of Montana by UM President George Dennison on June 30, 2005. Prior to that, he spent almost four years as UM’s Director of Development for Intercollegiate Athletics, and three years as Assistant Director of the Grizzly Athletic Association (now the Grizzly Scholarship Association).

As Director of Development, O'Day was responsible for major gift development as it pertains to athletics and served as the liaison between UM Athletics and The University of Montana Foundation. At the GAA, he was involved in annual gift fund-raising.

O'Day returned to his alma mater in 1998 following a lengthy career in the print media business. After graduating from the UM School of Journalism in 1980, O'Day was the sports editor of the Daily Interlake newspaper in Kalispell, Mont., for two years. Following the death of his father in 1982, he returned to his hometown of Cut Bank, Mont., to assist his mother as a reporter/editor of the twice-weekly, and family-owned, Western Breeze newspaper. In 1987, he purchased the newspaper from his mother and served as owner/publisher until selling the business to his employees in 1998. He then relocated to Missoula to begin work with the GAA.

O'Day was a charter member of the Cut Bank Education Foundation and Alumni Association. He was Cut Bank’s Citizen of the Year in 1992 and served on various boards and committees in the community. In 1986, he was selected as a member of the UM Alumni Association’s Board of Delegates, and his volunteer work with that organization eventually led to his involvement in other UM activities. He organized the Golden Triangle Chapter of the GAA in 1992 and eventually became the state board president until his appointment at UM in 1998. O’Day was the 1991 recipient of The University of Montana Service Award. Jim and his wife Kathy have three sons: Chris, Kevin and Brian. Chris graduated from The University of Montana in the spring of 2008, and Kevin is a student at The University of Montana, while Brian will be a senior at Missoula Hellgate High School in the fall of 2008.

O’Day sits on the board of directors for the Master’s of Education in Intercollegiate Athletics Leadership program with the University of Washington and is a member of the National Association of Collegiate Directors of Athletics (NACDA). In December 2007, he was honored by the All-American Football Foundation as the recipient of the Gen. Robert R. Neyland Outstanding Athletics Director Award. In 2008, O'Day was selected to a four-year team on the NCAA’s Football Championship Subdivision Playoff Selection Committee. (Mike Bashor photo)

Bobby Hauck, Head Coach

Bobby Hauck’s teams have compiled an overall record of 52-14 and have a 32-5 mark in the Big Sky Conference ledger in his five-year tenure at his alma mater (1988).

Montana’s 52 wins the past five years are the most by any FCS team. UM has won five straight league championships, making coach Hauck the only mentor in UM history to accomplish that. He’s also guided Montana to five Football Championship Subdivision (formerly Division I-AA) playoff appearances in a row.

Over the last two seasons Coach Hauck’s (pronounced: howk) teams are 21-2 overall and 16-0 in the Big Sky Conference games en route to two league titles. He has been selected the Big Sky’s and Region 5 “Coach of the Year” in both 2006 and 2007. Last season, in 2007, the Griz went 11-0 in the regular season, just the sixth time in school history a team has gone undefeated in the regular season, and the first time since 1996.

Hauck is also UM’s special teams coach. Last season Montana was ranked second in the country in punting, averaging 44.72 yards a punt, was eighth in kickoff returns (24.25-yard average), and 30th in punt returns (11.09-yard average). Senior kicker Dan Carpenter and senior punter Tyson Johnson were both All-Americans and first team all-league picks.

In just his second season at the helm in 2004, the Griz advanced to the FCS championship game, losing 31-21 to James Madison in Chattanooga, Tennessee. That season Montana went 12-3 overall — the fifth time UM won 12 or more games in a season.

Prior to returning to Missoula, he spent four years at the University of Washington. At UW he worked with defensive backs, special teams, and safeties and was considered one of the top recruiters in college football.

Prior to working at UW he was at the University of Colorado for four seasons, from 1995-98. While at CU, he was the special teams coordinator, recruiting coordinator, and coached the safeties. Before joining the Buffaloes, Hauck coached the outside linebackers and handled recruiting duties for Northern Arizona in 1993 and 1994.

He worked as a graduate assistant at UCLA from 1990 to 1991 under former Bruin head coach Terry Donahue, and in 1992 he served as the assistant recruiting coordinator. While at UCLA he met and coached with current Bruin head coach Rick Neuheisel.

A Montana native, Bobby’s first coaching position came in 1987 as an assistant at Sweet Grass High School, his alma mater, working for his late father, Bob, Sr. Bobby was a three-sport standout at Big Timber High School, lettering in football, basketball, and track. Hauck lettered twice in track and field at Montana. He graduated in 1988 with degrees in business and physical education. Hauck earned a master’s degree in education administration from UCLA in 1991.

He is married to the former Stacey Harbin from St. Ignatius, and the couple have twin daughters Sydney and Alexandra, 12; a son Robby, 10; and a daughter Elise, one. Hauck is an avid fly-fisherman and skier. Aside from outdoor activities his favorite hobbies are reading and discussing politics.

The Home of the Grizzlies

The 2008 season will be the 22nd year that the University of Montana Grizzly football team will call Washington-Grizzly Stadium at John Hoyt Field its home.

No Place Like Home

Not only has Montana won 140 games in its 22 seasons in Washington-Grizzly Stadium, but beginning in 1994 the Griz reeled off 30 straight home victories. The win streak began with a 41-7 win over Sonoma State on Sept. 3 and ended with a 40-35 loss against Eastern Washington on Oct. 18 of 1997. UM's 30 consecutive home wins are the fifth longest victory streak in FCS history. (The record of 39 home wins in a row was set by Georgia Southern from 1997-2001.)

Stadium History and Namesake

The plans for an on-campus football facility at UM came to fruition in August of 1985 when Missoula businessman Dennis R. Washington and the employees of Washington Corporations provided a gift of $1 million, hence the name of Washington-Grizzly Stadium.

There are 47 private boxes located on the east and west sides of the stadium. They are individually decorated and furnished.

Stadium Expansions

Washington-Grizzly Stadium underwent its third expansion at the conclusion of the 2007 football season. The eastside expansion now houses a 500-seat "Stadium Club" with two membership levels, the "Canyon Room" with 125 seats inside and 125 seats outside, and the "Hellgate Terrace" with 250 seats.

The second expansion occurred in the spring and summer of 2003, when about 4,000 seats were added to the north end zone section, increasing the stadium capacity to 23,183.

In the spring of 1995 the stadium underwent its first expansion in the north and south end zones. At that time there were 12,500 permanent seats, and seating was available, weather permitting, in the grass end zones, which made the capacity around 15,000.

GrizVision, a state-of-the-art video and message center, was added in 2002 and features game statistics, player profiles, digital replays, and shots of the crowd. The GrizVision screen is one of the largest in the FCS, measuring 26 feet by 36 feet, and it used to be housed in New York City's Times Square.

A natural-grass stadium gave way to SprinTurf prior to the 2001 season at a cost of one million dollars, and was paid for by an anonymous donor. The field was also named "John Hoyt Field" in 2001 at the request of the anonymous donor, in honor of Hoyt, a long-time Grizzly booster who passed away in March of that year.

The Griz locker rooms measure more than 4,000 square feet. The Adams Center also features a 7,000-square foot weight room, a 4,500-square foot athletic treatment center, the Jacobson Academic Center, and a meeting room with big screen videos. The women's locker room covers 4,000 square feet. There are also three additional meeting rooms totaling 2,000 square feet.

Seven home games and an average attendance of 23,362.

Since playing their first game in the stadium in October of 1986, the Griz have compiled an overall record of 140-20 for a winning percentage of 87.5%. The first game, played on October 18, 1986, was a 38-31 come-from-behind win over Idaho State.

The Griz had 140,989 fans attend its six regular-season games in 2006 for an average of 23,498 per contest, and three of those games ranked in the top seven for all-time attendance. The 24,018 fans at the 106th annual Griz-Cat game in Missoula that season is a stadium record.

In 2003 Montana set Big Sky Conference records with a total of 163,532 total fans in attendance, 22,800 in eight home games, while national champion Appalachian State was the national leader (24,219 average in nine games).

In the 2005 and 2006 seasons Montana had the highest average attendance of any NCAA Football Championship Subdivision team, averaging almost 23,000 fans a game. Last season UM was second in the FCS in attendance, averaging 22,800 in eight home games, while national champion Appalachian State was the national leader (24,219 average in nine games).

In the recent expansion there are 700 Grizzly Scholarship Association priority seats, located between the 25-and-40-yard lines on both sides of the 50, as well as 800 non-priority seats located on the 10-to-25-yard lines. This third expansion increases the current seating capacity of Washington-Grizzly Stadium to approximately 25,198.

The University of Montana Grizzly M Club is an organization made up of former student-athletes. Their previous athletic accomplishments and contributions have helped to shape the athletic programs and traditions that exist at UM today.

It is vital that former athletes continue to be involved with the current athletic programs in order to foster and promote the family, friendships, discipline and competitive levels we associate with The University of Montana athletic programs.

Membership in the M Club helps support student-athlete scholarships, awards for graduating seniors, annual M Club socials and mailings to members. With your involvement after your playing days are over, you’ll help to rejuvenate the M Club and enhance Grizzly Athletics, plus recapture the pride you felt each time you suited up with “MONTANA” on your uniform.

For more information about the Grizzly M Club, please call 406.243.5405.

UM Football Shuttle

Bus service will double this year so there will be plenty of room on the bus.

Free parking at Dornblaser or Lewis and Clark Park n’ Ride lots.

Athletics collects $2.00/ride to the game and the ride back is free.

Griz card holders ride free.

Service starts two hours prior to game start and runs for one hour after the game is over.

Route: the bus leaves from the Lewis & Clark Park n’ Ride lot, travels on Higgins to South, stops at the Dornblaser Park n’ Ride, University Villages, and then heads to the Music Building. Service runs continuously throughout the game.

I am looking at life through new eyes.

For some, a Stage IV cancer diagnosis can mean the end. For Patrick McCarron, it meant a whole new beginning. Thanks to a community of caring that includes the Montana Cancer Center at St. Patrick Hospital, Patrick isn’t just alive. He’s discovering what it means to really live. ### Players of the Week, Sept. 8

**Offense - Andrew Schmidt, RB Montana**

Schmidt, a 6-foot-1, 210-pound senior from Bozeman, ignited Montana's offense in its 30-28 road victory over No. 11 Cal Poly. Schmidt carried the ball 26 times for 145 yards and one touchdown. He had 22 carries for 127 yards in the second half, helping Montana rally from a 21-14 halftime deficit. Schmidt scored on a 4-yard run to give Montana a 30-21 lead with 11:07 to play. Schmidt also blocked a punt in the first quarter, setting up UM's first touchdown. Schmidt also had two unassisted tackles on special teams. Schmidt entered the game with 117 career rushing yards on 32 carries.

**Defense - Brandon Fisher, LB Montana**

Fisher, a 5-10, 200-pound junior linebacker from Franklin, Tenn., registered six unassisted tackles, seven total tackles, two tackles for loss, and a forced fumble in the Grizzlies' victory over Cal Poly. With the score tied 21-21 early in the fourth quarter, Fisher forced a fumble at the Cal Poly 3-yard line. The ball ended up in the end zone, where the Grizzlies recovered for a safety to take a 23-21 lead. Fisher was making his first career start at linebacker.

**Special Teams - JD Ponciano, Returns, Idaho State**

Ponciano, a 5-10, 180-pound senior from Vancouver, Wash., returned from a sports hernia to average 36 yards per kick return in Idaho State's 42-27 loss to Idaho, of the Football Bowl Subdivision. Ponciano finished with 144 yards on his four kick returns, breaking off returns of 60 and 44 yards.

LIVE AT THE ADAMS CENTER

GrizTix, managed by the Adams Center, provides ticketing services for 70 or more Intercollegiate Athletic events each year as well as all Adams Center concerts, most of the University Theatre concerts, and many other area concerts and events. Last year, GrizTix distributed 358,093 tickets.

The Adams Center Box Office serves as the “brain” of GrizTix. The Adams Center Box Office staff includes Celine Fisher, Box Office Manager; Dena Mueller and Meghan Hackney, Program Assistants and Grizzly Scholarship Association Liaison - Colleen Marks. Anne Wright is a long time part time employee. The Adams Center Box Office also employs many student workers from all over Montana and the US as well as international students from places such as China, India and New Zealand. Each year, Celine keeps an eye out for promising first year students in hopes they will work in the Box Office through their graduation.

Celine Fisher is a graduate of California State University, Sacramento, but her heart is with the GRIZ. She began her career at The University of Montana when football was still being played at Dornblaser. It has been her privilege to grow with Griz Athletics as they moved to Washington-Grizzly Stadium and remodeled the Field House to its current incarnation as the Adams Center. Remember Sentinel High School for basketball and Ram Activity for Volleyball? WOW - what a ride!

Dena Mueller brings customer service, care and eager research skills to the office. Dena is one of several motorcycle riding women in the building. Dena is often the courteous, thorough salesperson on the other end of the phone. She has been working in the Adams Center Box Office since 2005. Her oldest son, Dylan, attended Montana Tech. His fiancée Amber attends UM. They have a son Caden (the apple of Dena’s eye). Her daughter Ayla completed her RN degree at MSU in affiliation with UM. Her son, Van, attends the College of Technology in Missoula, and her youngest son, Brandt, is a UM freshman.

Meghan Hackney is in her second year at the Adams Center Box Office. She is very familiar with campus and has spent years as a worker and a stand manager in concessions. Meghan enjoys many civic engagement interests and has been coming to games to cheer the Griz on since as far back as she can remember.

Colleen Marks has been with Grizzly Athletics since 1993. She began working in the basketball office, then worked as the Administrative Support person for the Athletic Director. Colleen now takes care of the Grizzly Scholarship Association members in conjunction with the Box Office.

Anne Wright (not pictured) is most often seen at the Pass Gate on athletic event game days. She has worked at the Box Office since she was a student. Anne is an elementary school teacher currently teaching at St. Joseph’s.

The Box Office staff is dedicated to Grizzly fans. Each member of this team understands how important Grizzly Athletics is to fans across the country. Each does her best to create a positive experience for ticket buyers.

Today begins the first of three straight home games in Washington-Grizzly Stadium when the Thunderbirds of Southern Utah arrive for a 1:05 p.m. non-conference contest. Next week, UC-Davis is in town for the Sept. 20 Homecoming game and Central Washington visits the Garden City on Sept. 27.

In anticipation of the coming football season, we’ve recently completed almost $7 million in new construction projects in WGS.

First, there’s the 2,000-seat expansion of Washington-Grizzly Stadium that was completed on schedule – both time-wise and financially - by Quality Construction of Missoula, and designed by OZ Architects of Missoula. The new addition looks fantastic, and once paid off in five years, will result in a new $1.3-$1.5 million revenue stream for UM Athletics. With scholarship costs, travel and other expenses continuing to escalate, those funds will be much needed. Last year, the north end zone expansion was paid off. As a result, the department is seeing a new $700,000 revenue stream that is allowing us to do projects such as the new sound system for Washington-Grizzly Stadium and the Sprinturf replacement. In addition, two years ago we earmarked a sizeable portion of this funding for salary adjustments for the head and assistant coaches in our three revenue-generating sports of football, men’s basketball and women’s basketball. It also provided funds for a strength and conditioning coach position to work entirely with football. This has been a good investment for the program.

We’ve also recently installed a new Daktronics sound system to replace the original design put in the stadium in 1985. That system was intended for 10,000 fans – and was not directed at any of the areas of new expansion. In a survey of fans at the end of the 2006 footballs season, most expressed issues with the poor sound quality across the stadium. We said it was in our future plans to address this concern, and now we have delivered.

In addition to these two improvements, we also had an opportunity to replace the original artificial surface in WGS. With one year of warranty remaining and with the turf beginning to show wear after seven years of hard use (plus a Rolling Stones concert), Sprinturf generously offered to replace the existing field with the latest technology at a reduced price. UM was one of the original investors in the original Sprinturf product, and the stadium is heavily advertised on the company’s web site and in other promotional materials. Likewise, Sprinturf has also been a good partner for UM and has provided an outstanding product. This also allowed us to add maroon and silver in the end zones for a new fresh look in the stadium. Adding a fresh coat of paint throughout the stadium and silver upholstery on the protective pads surrounding the field make WGS look almost new. Other touch-ups were also made, and a new student-gate constructed at the southeast end of the stadium.

Speaking of the latest expansion, it wouldn’t have been possible without a total team effort... from the committee set up to work on the plans... to the students who agreed to increase their student athletic fees by $10 per year as an investment in the program... to Vice President Bob Duringer, Bill Muse, Rosi Keller and staff in the UM office of Administration and Finance who worked on the financing plan... to President George Dennison and Vice President Jim Foley. Also, we can’t forget UM’s project manager Jerry Ballas, who was the original architect for Washington-Grizzly Stadium and has spent day and night at the site the past nine months - as well as Kevin Krebsbach in Planning and Construction. Chuck Maes, Paul Hengel and crew within the Internal Operations staff at UM Athletics have also been instrumental in getting this expansion completed on time and on budget.

The new construction mirrors the outstanding job done in the north end zone in 2003 when people such as former Griz football player Walt Brett of Park City, Utah, and Mark Brennan and Lemmie Botelho of Ames Construction, based in Park City, completed the 4,000 expansion. This was the first stadium seating expansion in WGS since 1995.

Arnie Noble, Wade Sellers and John Stanislaw of Florence, representing the companies of Poly Warehouse, Palm Powder Coating and Highway Technology, generously donated the powder coating of rails in and around the stadium (a project that will continue over the next few years) and Roger Peterson of PETE’s Electric donated a considerable amount of electrical work. Frank Kolendich of Environmental Contractors of Billings contributed scaffolding for much of the painting. Others such as; Reynolds Construction Co., P&S Fabricators, Industrial Services, Dan Kendal Painting, Multimedia Solutions, Art & Image Creative Resources, Sign Pro, Shannon Callaghan Interior Design, Counter Solutions, Norco Products-Furniture Mfrs. and Vann’s; also assisted in many ways, and their contributions were much appreciated. These efforts are why it’s great to be a Griz!

34  I Go Griz!
MISSOULA, MT – The 2008 University of Montana Grizzly football team makes its home debut this Saturday, Sept. 13, hosting the Southern Utah University Thunderbirds in a non-conference contest in UM’s Washington-Grizzly Stadium/John Hoyt Field, with kick-off slated for 1:07 p.m.

It will also be the debut of the recent multi-million-dollar expansion of Washington-Grizzly Stadium, which includes more than 2,000 additional seats, a new Sprinturf playing surface, a new sound system, and the Hellgate Terrace and Canyon Club.

Because of the expansion of Washington-Grizzly Stadium and its increased seating capacity, a record crowd is expected today.

Today marks the 161st game played in the stadium since early in the 1986 season, and the all-time attendance record is 24,018 against Montana State in 2006.

It is a special day for Griz football players and their families as well, as prior to the game, the parents of UM’s 2008 players will be introduced by yours truly at mid-field.

The Grizzlies had an impressive opener a week ago, and proved they would once again be a force to be reckoned with in the Football College Subdivision (I-AA) as they overcame a seven-point halftime deficit (21-14) to register a 30-28 win over the host Cal Poly Mustangs.

In the win, Montana senior halfback Andrew Schmidt had career-highs of 26 carries for 145 yards and a touchdown, while senior quarterback Cole Bergquist completed 13-of-22 for 163 yards and two scoring passes, and senior wide receiver Mike Ferriter caught both of Bergquist’s scoring throws, which covered 34 and 20 yards.

Schmidt, who did not start at Cal Poly, but will get his first career start today, capped off his career day in a big way, as he was named the Big Sky Conference’s “Player of the Week” on offense and also named a team captain for today’s home opener.

The Grizzlies offensive line comprised of center J.D. Quinn, guards Colin Dow and Terran Hillesland, and tackles Levi Horn and Brent Russum were stellar in the win at Cal Poly. Quinn was recognized for his play, as he was chosen a team captain for today’s contest.

Montana’s defense also excelled, especially in the second half, holding the Mustangs to just one touchdown. Another big key for the Griz was the play of the offense in the final 30 minutes, as they had the ball for more than 18 minutes, and in a dominant third stanza, Cal Poly had just one possession for less than four minutes in the period.

Going into the game the Mustangs, who had won 29-27 at FBS team San Diego State in their season opener, were ranked 11th by the Sports Network.

“To go to California and find a way to beat Cal Poly was as big a win as we’ve ever had here,” said sixth-year Griz head coach Bobby Hauck, who has had his shares of “W’s, with a career record of 53-14 at Montana. “You don’t want to read too much into a win, especially after week one of the season, but it was a great one.

“We are a young football team, and we made a lot of mistakes in that game, and we need to improve,” Hauck continued. “Many of our players had their first game experience, and I think we had eight or nine guys making their first-ever starts. The fact that we did not have stage-fright and didn’t make a lot of mental mistakes is very encouraging for our future, though.”

Last week offensive team captain Ferriter had a team-high three catches, while junior Marc Mariani and sophomore Chase Reynolds had two receptions each. Mariani had five punt returns for a 24.2-yard average. Redshirt freshman Ken Wood had a solid night, punting five times for a 43.8-yard average, including one key punt that was downed on the Cal Poly three-yard line.

The Griz had a bunch of outstanding plays on defense as well at Cal Poly.

Junior linebacker Shawn Lebsock, who missed last season due to injury, had a team-high eight tackles. Junior linebacker Brandon Fisher added seven stops, as did senior safety, team defensive captain, and Buck Buchanan Award candidate Colt Anderson. Lebock will serve as a captain today as well.

Fisher, who also had two stops for losses, put the icing on the cake in his first start as well, as he was tabbed the Big Sky’s “Defensive Player of the Week.” Senior tackle Craig Mettler and sophomore end Seve-rin Campbell added six stops each, while senior end Mike Stadnyk had a fumble recovery for a safety.

The Thunderbirds are a member of the small (five teams), but talented Great West Conference, which includes two teams the Grizzlies play this year in Cal Poly and UC Davis, along with North Dakota State and South Dakota State.

This will be the third game of the season for Southern Utah, which lost its opener 41-7 at Air Force and defeated visiting Adams State 38-10 last Saturday.

With their victory last week, the Thunderbirds snapped an 18-game losing streak. SUU had a dominating first half, taking a 35-0 lead at intermission, and...
senior quarterback Cody Stone (6-1, 213) was 9-of-18 for 126 yards in the first half, with six of those passes going to wide receiver Tysson Poots (6-3, 205).

Montana leads the series with Southern Utah 3-1. The Griz won the last meeting with the T-Birds, winning 37-17 in Missoula in their season opener a year ago. In that match-up last year against the Thunderbirds, the Grizzlies set an attendance mark for the most fans in a home opener with 23,599.

The Grizzlies 37-17 win against the T-Birds last year was not indicative of the contest. The Thunderbirds actually out Montana’s lead to 27-17 with 5:14 to go, but the Griz scored 10 unanswered points to get the win.

“Our game with Southern Utah last year was not an easy one,” Hauck said. “When you look at their schedule last year, they lost just 7-3 in Bozeman at Montana State and had a chance to win that game; they lost by just a point (23-22) at Youngstown State; and gave Cal Poly everything they wanted (a 28-21 Mustang win).

“They are a dangerous football team,” Hauck continued. “They are doing things differently this year. They were more of a running team a year ago, and they have more of a balanced offensive attack now. They are a dangerous football team that will play hard and have solid schemes on both sides of the football.”

So far this season, Stone, who played at Bakersfield College as a sophomore after he left Northern Colorado, is 15-of-21 for 301 yards. Poots, who is just a sophomore, has 16 receptions for 216 yards and two scores, and the next leading receiver has just three catches.

The T-Birds rushed for just 58 net yards so far this season, and the team’s leading ground-gainer is sophomore Decker Alexander, a 5-7, 182-pounder, who has 43 yards.

The defensive leader for SUU is junior linebacker Rob Takeno (5-11, 222) with 24 stops, while senior middle linebacker DJ Senter (6-1, 205) and redshirt freshman free safety Blake Fenn (6-1, 215) have 23 tackles apiece. Takeno and Senter were both all-league picks a year ago.

**GRIZ/T-BIRDS NOTES:** Montana had seven players make their first-ever starts on defense last week: tackle Carson Bender, end Jace Palmer, cornerbacks Trumaine Johnson and Andrew Swink, Fisher and linebacker Tyler Corwin, and free safety Shann Schillinger. Ferriter moved up to 23rd on the career receiving yards list with 1,334...Bergquist remains ninth in career passing yards with 4,349...

The home of SUU is Cedar City, located in southern Utah with a about 57,000 residents in the city and surrounding area and a student enrollment of 7,509.

**Griz by the Numbers:**

- More win is all that coach Bobby Hauck needs to move into a tie for seventh for the most overall career wins in Big Sky Conference history with Boise State’s Tony Knapp (54 victories from 1970-75).

**Additional Captains for SUU Game:**

- Offense: #28-Andrew Schmidt, Sr., RB, Bozeman
- Defense: #69-J.D. Quinn, Sr., C, Garland, Texas
- Special Teams: #35-Tom Martin, Sr., LB, Columbus

**Based on their play vs. Cal Poly**

Go Griz!
YOU GOTTA STOP
Grizzly Fight Song
Up with Montana, boys, down with the foe.
Good ol’ Grizzlies out for a victory;
She’ll shoot her backs around the foemen’s line;
Hot time is coming now, oh, brother mine.
Up with Montana, boys, down with the foe,
Good old Grizzlies triumph today;
And the squeal of the pig will float on the air,
From the tummy of the Grizzly Bear!

Griz Honor Chinook Couple

Kelcey Diemert and Nancy Irons-Diemert have found the right prescription for life in the broad expanse of Montana’s Hi-Line country. And they should know a thing or two about prescriptions, as they are both pharmacists.

Today the Chinook couple, who frequently drive hundreds of miles to enjoy Griz football in the comfy confines of Washington-Grizzly Stadium, will receive UM’s Distinguished Community Service Award. The honor is presented by the University under the coordination of the UM Alumni Association and Grizzly Athletics to recognize support of and service to UM and its athletic teams, as well as service to hometown communities.

Kelcey grew up in Chester, and Nancy is from Lewistown. Both earned bachelor’s degrees in pharmacy from UM in 1993, and they went on to become registered pharmacists. While in college, they were members of the Kappa Psi Student Pharmacy Association.

They opened Chinook Pharmacy in 1994, Western Drug in Havre in 2003 and Milk River Pharmacy in Harlem last January. They employ three pharmacists who are UM alums, and they also help instruct student interns from the UM pharmacy school. Nancy also is a past member of UM’s pharmacy school Board of Visitors.

In 2000, Nancy was named the Distinguished Young Pharmacist by the Montana State Pharmaceutical Association. Kelcey and Nancy are both members of the UM Alumni Association, and in 2004, both received the Rising Star Alumni Award from the UM pharmacy school.

Both Griz alums are active in their community. They are members of the Chinook Chamber of Commerce, with Nancy serving as vice president. Nancy also is a board member of the Sweet Memorial Nursing Home and the Northern Montana Hospital Foundation. She also coaches high school tennis. Kelcey is a Bear Paw Roundup board member and is active with Chinook Youth Baseball.

In their free time when they aren’t watching the Griz, Kelcey and Nancy enjoy playing sports with their kids such as tennis, golf and skiing. They also enjoy fishing and hunting and following their children’s sporting activities.

Perkins Professor & Staff of the Week

Today’s Perkins Professor and Staff of the Week honorees are Kathleen Tarkalson from the School of Business, and Dr. Reed Humphrey from the School of Physical Therapy, as selected by the Griz football coaching staff and UM Athletic Department.

For each home game during the 2008 season UM will recognize one of its outstanding academic or service departments and individuals who go the extra mile for Griz Athletics.

Kathleen Tarkalson

Kathleen Tarkalson, from Butte, is in her first year as the Career Development Program Coordinator at the UM School of Business. Before that she worked in the business school for five years.

As coordinator she helps assist business students in planning their career paths and helps them succeed in landing a job after school. As part of that process she helps them prepare for job interviews and plot their career goals.

She recently received her B.A. in Anthropology from UM this past May.

She enjoys living in Missoula and participates in recreational activities such as biking and cross country skiing.

She and her husband Steve have 12-year-old twin boys named Ethan and Matthew.

“The UM is a very friendly place to work,” said Tarkalson. “Everyone from every department works very well together.”

Dr. Humphrey, originally from Pittsburgh, PA., is currently in his third year as the Chair of the UM School of Physical Therapy. Prior to coming to UM he taught and conducted research at the Medical College of Virginia at Virginia Commonwealth University and at Idaho State.

As chair here at the UM School of Physical Therapy, he oversees a three-year program designed to prepare students for careers in physical therapy. His goals are to recruit quality students and ensure contemporary education and research among the faculty to keep UM’s physical therapy program one of the country’s leading programs.

Reed received his B.S from the University of Pittsburgh in 1974 and a Ph.D. from the same institution in Exercise Physiology in 1986. He received an M.A. in Health and Exercise Science from Wake Forest in 1976 and his M.S. in Physical Therapy from the Medical College of Virginia at Virginia Commonwealth University in 1994.

His professional interests include the study of exercise and chronic heart failure, exercise testing and oxygen kinetics, and exercise and community-based interventions.

He teaches courses in Research Methods, Cardiopulmonary Physical Therapy, Prevention, Wellness & Education, and Physical Therapy & the Health Care System.

Reed and his wife Kim live in the Rattlesnake and enjoy the recreational outdoor activities Missoula offers, including running, camping and hiking with their dog Rudy. He also enjoys cycling, snow-shoeing, and skiing.

“I would certainly like to think our school’s reputation helps recruit student athletes who are interested in studying physical therapy,” said Humphrey. One of the Griz’s former basketball players, Kevin Criswell, is currently in his final year in the program.

The Big Sky Conference enters its 46th year of athletic competition in 2008-09. The Big Sky is an NCAA Division I member in all sports, with member institutions classified in the Football Championship Subdivision (formerly I-AA). The Big Sky returned to a nine-team format in 2006 with the addition of Northern Colorado.

The current lineup includes Eastern Washington, Idaho State, Montana, Montana State, Northern Arizona, Northern Colorado, Portland State, Sacramento State and Weber State. The league has become one of the strongest Division I conferences in the West and is a national leader in the Football Championship Subdivision.

The Big Sky Conference was established in 1963 by six charter members - Idaho, Idaho State, Gonzaga, Montana, Montana State and Weber State. Those six schools formed the foundation of the Big Sky before the league expanded in 1970 by adding Boise State and Northern Arizona. Gonzaga left the Sky in 1979 and was replaced by Nevada, which gave the league eight members. The conference grew to nine schools in 1987 with the addition of Eastern Washington.

The 1990s saw change in the makeup of the league, beginning in 1992 when Nevada departed and put the Big Sky back at eight teams. In 1996 Boise State and Idaho left and at the same time the conference added Portland State, Sacramento State and Cal State Northridge. The Big Sky maintained nine teams for five years before Cal State Northridge departed in the spring of 2001.

With the addition of Northern Colorado, the Big Sky spreads across eight states spanning from the Pacific Ocean to the Rocky Mountain Front. The Big Sky is represented along the entire west coast with schools in Washington, Oregon and California. League schools also range up and down the Rocky Mountains with institutions in Montana, Idaho, Utah, Arizona and now Colorado.

Of the eight western-most states in the contiguous United States only one, Nevada, is not represented in the Big Sky.

On Feb 25, 1963, the name Big Sky was adopted by the six presidents of the charter members as the name of the new conference. The name Big Sky originated in a novel written by the late A.B. (Bud) Guthrie of Great Falls, Mont., in 1947 entitled “The Big Sky.” Jack Hollowell, a former Montana advertising director, promoted the Big Sky theme for the Treasure State. While on a track and field trip from Pocatello, Idaho, to Missoula, Mont., the legendary Dubby Holt of Idaho State saw a “Welcome to Big Sky Country” sign as his team entered Montana. Holt, and his athletes thought “Big Sky” would be a perfect name for the new conference. Harry Missildine of the Spokane Spokesman-Review called for the newly formed league to be named the Big Sky Conference in his column dated Feb. 20, 1963.

The Big Sky sponsors championships in 14 sports, including men's and women's cross country, indoor and outdoor track and field, basketball and tennis. In addition, there are also championships in football, and women's volleyball, golf and soccer.

The 2008-09 season will mark the 21th year that the Big Sky Conference will sponsor championships in women's sports. The former Mountain West Conference existed from 1982-88, sponsoring championships for women's sports at the same institutions the Big Sky had men's programs. The Big Sky merged with the Mountain West in 1988, forming one league for both men and women.

Doug Fullerton, the fifth commissioner of the Big Sky Conference, will enter his 14th year at the helm. Fullerton took over the Big Sky on July 1, 1995, replacing longtime commissioner Ron Stephenson. Stephenson served the league for 14 years. Steve Belko was the commissioner from 1977-81 while John Roning held the post from 1971-77. The first league commissioner was Jack Friel, who served from 1963-71.

National Advisory Board for Grizzly Athletics

Mission Statement
To advise, consult, and serve The University of Montana Athletic Department in an effort to nurture the long-term success of its programs, businesses, and activities.

About NABGA
Established in 2001, the National Advisory Board for Grizzly Athletics (NABGA) is a group of successful individuals with passion and commitment for UM Athletics. All members volunteer countless hours and work in partnership with the Director of Athletics to promote greater understanding of the department's programs and accomplishments. NABGA members strengthen ties with individuals, groups, and businesses and serve as ambassadors for UM athletic programs. Members serve an initial three-year term with an option for an additional three-years. After the terms have been fulfilled, members move to the Don Read Society and continue to play a vital advisory role to the athletic director and department.

Board members are encouraged to support the Athletic Department through their own and/or corporate contributions and assist in strategic fundraising activities. NABGA is a vital part of the volunteer leadership network serving the University, together with the Board of Regents, The University of Montana Foundation, the Alumni Association, and the Grizzly Scholarship Association.

Recent projects
At the first meeting of NABGA the members agreed to take on the Hall of Champions project in the Adams Center to enhance recognition of the rich history and tradition of UM Athletics and The University of Montana. Jim Kastelitz of Missoula was passionate about the project and was elected by his peers as Vice Chairman. Two months later, Jim died unexpectedly and the board subsequently determined to pursue the Hall of Champions project in honor of his memory.

Other projects include: Washington-Grizzly Stadium north end zone expansion, establishing Invest in Discovery capital campaign priorities for athletics, Washington-Grizzly Stadium suite renewals, fifth-year scholarship endowment, athletic department strategic planning, and the funding of practice baskets in the Adams Center and air-conditioning of the men's locker room area.

The following is a list of named scholarships and endowed funds that have graciously been established by donors to benefit UM Athletics. For more information on contributing to an existing fund, or establishing a named scholarship or endowment, please contact Kent Haslam at 406-243-6294.
