1 - 2010 Grizzly Game Day Program
Jim O'Day, Director of Athletics

Jim O'Day is in his sixth year as Director of Athletics at The University of Montana. A 1980 graduate of the UM School of Journalism, O'Day returned to his alma mater in 1998 after an 18-year career in the newspaper business, first as sports editor of the Kalispell (Mont.) Daily Interlake, then in his hometown of Cut Bank, Mont., as owner/publisher of the twice-weekly Western Breeze newspaper.

O'Day served as assistant director of the Grizzly Athletic Association (now the Grizzly Scholarship Association) for three years before becoming Director of Development for UM Athletics in 2001. On June 30, 2005, he was named by UM President George Dennison as the Director of Athletics at Montana.

O'Day currently serves on the NCAA Division I Football Issues Committee and the NCAA Football Championship Subdivision Playoff Selection Committee. This year, O'Day will serve as chairman of that particular committee. In addition, he sits on the board of directors for the Master's of Education in Intercollegiate Athletics Leadership program with the University of Washington and is a member of the National Association of Collegiate Directors of Athletics (NACDA). In 2007, he was honored by the All-American Football Foundation by receiving the Gen. Robert R. Neyland Outstanding Athletics Director Award.

Prior to returning to UM, O'Day was a charter member of the Cut Bank Education Foundation and Alumni Association and was Cut Bank's Citizen of the Year in 1992. He organized the Golden Triangle Chapter of the GAA in 1992 and served as president until his appointment at UM in 1998. He was also actively involved in many other community service organizations. In 1991, he was the recipient of The University of Montana Service Award.

Jim and his wife Kathy have three sons: Chris (25), Kevin (24) and Brian (19). Chris and Kevin are graduates of The University of Montana and reside in Arizona, while Brian will be a sophomore at UM this fall.

Several of Jim's many accomplishments during his first five years in the athletic department include UM Athletics winning the school's first Sterling Savings Bank Presidents Cup in 2007 (Montana was second in 2010 and 2009, and third in 2008); paying off a $1 million deficit two years early; instrumental in constructing a 2,000-seat east-side expansion to Washington-Grizzly Stadium that was ready in time for the 2008 football season; and capturing conference titles in women's golf (coached by Joanne Steele) in 2006 and in women's basketball (coached by Robin Selvig) in 2007, 2008 and 2009. In addition, the men's basketball team won Big Sky Tournament titles and made NCAA appearances in 2006 and 2010. In 2006, the team under the direction of Coach Larry Krystkowiak won a first round game in the NCAA tourney vs. Nevada. The school's only other NCAA men's basketball tournament victory came in 1975 against Utah State. Academically, UM student-athletes have their highest cumulative grade point averages (3.05) in school history, and also maintain graduation rates significantly higher than the general student population at The University of Montana. Also, the Grizzly Scholarship Association topped the $2 million mark in annual giving the past three years — more than double the amount raised in 2000.
Robin Pflugrad, Head Football Coach

Robin Pflugrad was named the head football coach at Montana on Dec. 31, 2009. Pflugrad (pronounced: flew-grad) is UM's 34th head football coach.

This past season he returned to Montana, where he served as the wide receivers coach and assisted with the offense.

In 2009, Montana's offense was ranked second in the nation in scoring (35.8 ppg), ninth in total offense (427.40), and 14th in passing (267.2 ypg). Senior wide receiver Marc Mariani was named to several All-American teams and set numerous UM records.

Pflugrad, 52, is a veteran coach who was a mentor in the prestigious Pac-10 Conference for 13 seasons with stints at Oregon, Washington State, and Arizona State. He has been a coach for 30 seasons overall and has worked 27 of those years at the college level.

He came to UM from the University of Oregon where he served as the wide receivers coach for the previous three seasons (2006-08).

Prior to his stint in his hometown of Eugene, Rob coached the tight ends and served as assistant head coach and the recruiting coordinator for five seasons (2001-05) at WSU. He was the wide receivers and recruiting coordinator at ASU from 1995-2000.

During his career, he has been instrumental in the development of numerous quarterbacks and wide receivers who have received All-American recognition, along with several all-conference honorees, academic all-conference athletes, and academic All-Americans.

He began his coaching career at his alma mater, PSU, in 1980. A year later he had a one-year stint at South Eugene High School and then returned to the college ranks for good.

He came to Montana in 1986 when Don Read was named the UM's head coach. Pflugrad was an assistant coach for the Griz from 1986-94. While at UM he worked with the quarterbacks, running backs and wide receivers and was promoted to assistant head coach in 1991.

Among the Griz standouts he worked with was quarterback Dave Dickerson, who won the Walter Payton Award in 1995, broke 25 school records, three national marks, and guided Montana to the national championship (1995).

Pflugrad is a 1980 graduate of PSU with a degree in business administration. He was a wide receiver and team captain as a senior in 1979 for the Vikings.

Robin and his wife Marlene have a son, Aaron, and a daughter, Amanda. Aaron is a junior wide receiver at Arizona State.

THE IMPORTANCE OF BREAST CANCER AWARENESS

Today in Washington-Grizzly Stadium, you will notice a lot of "pink" everywhere - not just the regular maroon and silver of the Montana Grizzlies.

In recognition of Breast Cancer Awareness, the stadium will be filled with signs of pink associated with and dedicated to the treatment of breast cancer. Cheerleader pom poms will be pink, players will have the pink breast cancer survival ribbon on their helmets, jerseys will be worn around the stadium signifying fan support for this most worthwhile cause.

Currently, one in eight women are affected by breast cancer in their lifetime. My mother was one of those eight. Unfortunately, she did not receive early detection and is not among the many survivors who we are honoring today. However, if she'd had the treatments available today thanks to years and years of study, and countless dollars spent on critical research, she may very well be with us now.

"Team Up Montana" is a collaborative effort inspired by St. Patrick Hospital to promote cancer awareness and raise funding for cancer treatment, prevention and education. Unlike other cancer fundraisers, each dollar raised through Team Up Montana stays in Montana and is distributed locally to fellow Montanans suffering from this disease.

Fans can get involved in the following ways:
• Donate $5 directly from your cell phone by texting Team to 85944.
• Purchase a Griz For a Day or Ford Focus raffle ticket at any Team Up Montana stand in the tailgate area. Griz For a Day Raffle tickets are available for purchase at Les Schwab Dealerships until November 2010.
• Make a cash or check donation to any Team Up Montana booth in the stadium or tailgate area.
• Watch powder puff games at halftime.

This is a very noble cause, and UM Athletics asks you to join us in fighting for this tremendous cause. Please visit www.teamupmontana.com to learn how you can team up, reach out and give back in the fight against breast cancer. For more information contact 406.329.2905 or email teamup@saintpatrick.org.

Your support is very much appreciated.

MISSOULA, MONTANA – The University of Montana Grizzlies are shooting for their third straight win today when they host the Idaho State Bengals in a Big Sky Conference game in UM's John Hoyt Field at Washington-Grizzly Stadium.

Today you will notice a lot of "pink" everywhere - not just the regular maroon and silver of the Grizzlies. In recognition of Breast Cancer Awareness, the stadium will be filled with signs of pink associated with, and dedicated to, the treatment of breast cancer. Cheerleader pom poms will be pink, players will have the breast cancer survival logo on their helmets, and pink attire will be visible around the stadium signifying fan support for this very worthwhile cause that affects so many lives.

The teams squaring off today are going in opposite directions.

The 12th-ranked Grizzlies (3-2/2-1 Big Sky) are riding a two-game conference winning streak and rebounding from two narrow road losses at Cal Poly (35-33) and Eastern Washington (36-27).

ISU (1-4/0-3 Big Sky) has suffered four losses in a row, with setbacks at Utah State (38-17), at Northern Colorado (35-21), versus Northern Arizona (32-7), and at Portland State (38-3). The Bengals began the season with a 32-3 victory over Montana-Western.

As UM approaches the midway point of the 2010 season, Montana is coming off its best outing of the season - a convincing 30-7 win at Northern Colorado, in a game that the Grizzlies led 24-0 at halftime.

"That (at UNC) was the best we played on all fronts in a half on O, D, and on special teams," said Griz Head Coach Robin Pflugrad. "That was our best start so far this season, there's no doubt about that."

"It's hard to believe we are already at the midway point of the season, but we're hanging in there," Pflugrad said. "We are not near where we need to be by any stretch of the imagination, but our team knows that."

There were several bright spots in the win at UNC.

Senior halfback Chase Reynolds gained 105 yards on just 11 carries and broke loose for a 53-yard scoring run. That was Reynolds' 53rd career touchdown, tying him for the most in school history, while sophomore halfback Gerald Kemp has 18 totes for 106 yards.

Montana senior quarterback Justin Roper shook off an early interception and rushed for his first career touchdown, and he also tossed a pair of TD passes -- a 15-yarder to junior wide receiver Antwon Moutra and an 8-yarder to sophomore wide-out Bryce Carver.

Carver led a balanced receiving corps with 4 grabs for 48 yards. He was followed by Jabin Sambrano (4-33), Sam Gratron (4-17), Moutra (3-30-1), and Reynolds (3-17-0).

The Griz defense had another outstanding effort, limiting the Bears to just 53 net yards rushing on 39 attempts. Two weeks ago the defense held Sac State to 70 total yards in the second half.

UM's top tacklers at UNC were junior linebacker Caleb McSurdy with a game-high 11 tackles. He was followed by sophomore linebacker Jordan Tripp with 10 tackles, while junior tackle Bryan Waldhauser had 8 tackles, 2.5 stops for losses, a sack, and two forced fumbles. Ryan Fetherston had two sacks, while fellow junior end Bobby Alt had two stops for losses.

Thanks to 11 tackles for loss, including six sacks, the Griz "D" now leads the Football Championship Subdivision in tackles for loss with 8.80, and they are ranked sixth in sacks (3.20)

The Bengals, who have two Football Bowl Subdivision squads on their 2010 schedule with the stop at Utah State then a Nov. 6th date at Georgia, have struggled on both sides of the football. ISU is 76th in total defense (380.40 ypg) in the FCS and 109th in total offense (240.0 ypg).

As a comparison, the Grizzlies are ranked 16th in the FCS in total defense (293.6 ypg) and 35th in total offense (381.0 ypr).

What ISU does excel in however is special teams. Junior punter David Harrington is ranked third in the nation in punting, averaging 44.76 yards at attempts. Junior returner Tavoy Moore is third in punt returns (21.86 ypr) and 21st in kickoff returns (28.18 ypr).

Roper leads the Big Sky and is fifth in the FCS in passing efficiency (165.35). He is 59-of-84-3 (70.2%) passing for 669 yards and nine touchdowns this year.

Sambrano, who suffered an injury in last Saturday's game, leads the Griz with team-highs of 26 receptions for 401 yards, along with two touchdowns. UM's leading returning receivers are Carver (17-191-4), Gratron (16-216-2), Reynolds (16-133-3), and Moutra (15-241-3).

Reynolds has rushed for a team-high 338 yards and three scores, while sophomore halfback Gerald Kemp has 18 totes for 106 yards.

Holder 7 Jeff Larson 6-4 210 Sr. 3V

SPECIAL TEAMS: Junior kicker Brody McKnight was 12-of-13 from 20-39-yard range in 2009. Junior punter Sean Wren had punts of 50 or more yards in nine different games and had three 60-yarders, including a career-long 65-yarder at Montana State in 2009. Also in 2009 sophomore redshirt kicker Russell Schey was 1-of-3 in field goal attempts as a true freshman in 2008.

"McKnight I really feel is becoming a leader, and our players are really starting to respect him," Pflugrad said. "That is hard to do as a kicker. It's just the nature of the game and the nature of the position. Sean had a nice spring. Russell is kind of backing up a little at kicker and punter.

"Jabin Sambrano and Peter Nguyen are our return guys, and they need to become more consistent in certain areas of that part of the game," he said. "Both players have the potential to be good. We lost the best punt returner (Mariani) in the country the past two years."

Because your car knows:

Now THIS is football!
Great Falls has always produced great players and fans for The University of Montana. This city is the Big Sky football factory that produced beloved football legend Dave Dickenson, the quarterback who guided Griz Nation to its first national championship in 1995.

Among the Great Falls fans who migrate to Missoula on game days to watch the Griz in Washington-Grizzly Stadium are Tom and Maria Mathews. Today the couple will receive UM's Distinguished Community Service Award, which is coordinated by the UM Office of Alumni Relations, Grizzly Athletics and the Grizzly Scholarship Association to recognize support of and service to UM and its athletic programs, as well as service to hometown communities.

Tom earned his undergraduate finance degree from UM in 1979 and his business administration master's in 1984. While on campus he helped start the UM Bear Backers, a UM student athletics booster group.

After graduating from UM, he launched a 32-year career in banking. He worked 17 years with First Bank Systems and 15 with Mountain West Bank. He now serves as branch president of two Mountain West Banks in Great Falls.

Tom has been extremely active with service to his alma mater since graduation. He was a member of the first class of the House of Delegates. He served on the School of Business Administration Advisory Board and is a past chairman. He serves on the board of directors of the Great Falls chapter of the Grizzly Scholarship Association, and 25 years ago he started the first satellite chapter of the GSA that was outside the Missoula and Hamilton area.

The Great Falls community also benefits from his extensive community service. He serves on the director boards of the Great Falls Food Bank, Great Falls Development and the Meadow Lark Country Club, where he also is a past president.

Tom also serves on the operations board for the Great Falls Seibel Soccer Complex, and he has coached and officiated baseball, basketball and soccer for more than 15 years.

He also is active with the area chamber of commerce, Leadership Great Falls, United Way and other civic organizations.

Tom and Maria have two children: Michael, who graduated from UM in 2010, and Jason, who now is a UM sophomore.

Donors To The University of Montana deserve proper recognition for their financial support, all of which benefits the student-athletes and programs. UM Athletics makes every effort to ensure the accuracy of donor listings.

Mistakes can happen, however, despite our care and good intentions. If you notice an error, please contact Kent Hashlam, Associate Athletic Director-Development for Grizzly Athletics, at 406-243-6294 so corrections can be made. Others may also have made commitments to UM Athletics through a will or other planned gift instrument that might not be acknowledged in this listing. If this is the case, please let us know so we can give it proper attention.

Memberships in the Grizzly Scholarship Association and the various specialty clubs offered by UM Athletics are not included in donor totals listed above, although we thank individuals for participating in these programs.
