UNIVERSITY OF MONTANA

To Our Visiting Friends and to All Student Contestants

In the name of the Faculty and of the people of Missoula, I am extending to you a most cordial welcome. The keys of the City and University are in your hands. Our halls, our libraries, our laboratories, are thrown open to you. You will come and go when you please and feel free and at home. We wish you to help us make this the greatest interscholastic event ever held in the state. Already ours is in size the third largest Athletic Meet in the United States. Let us make it the biggest in the whole country.

Professors and officers of the University will be here to serve you in any way possible. If you are not treated well, if there is anything we can give that will make you happy, call on them and make known your wishes.

Cordially yours,

UNIVERSITY OF MONTANA

THE MEET.

Few people, even members of the University or citizens of Missoula, realize the magnitude of the University of Montana's Interscholastic Track Meet, nor how it has grown in the eleven years of its existence.

The first meet was held in 1904. Twenty schools were represented with perhaps 75 entries. The cost was approximately \$1,300.00.

The Track Meet of 1913 was the largest yet held. Thirty schools were represented; there were 237 entries; the cost was \$3,465.00, and there were at least 500 visitors. With these figures, it ranked as the third largest interscholastic track meet held by any state University in the country. In the present track meet, there are 275 entries, 40 schools are represented; the cost will be between \$4,000.00 and \$4,500.00 and 1,000 visitors are expected to be present.

It is owing only to the hearty co-operation and support of the citizens of Missoula that this track meet is made possible. This year they have thrown open their homes to accommodate the visiting women at the Track Meet, since Craig Hall and Craig House are filled to overflowing with regular students. They have also shown their interest in furnishing prizes and in closing their business houses during the most important events of the Meet.

If anything is sacred the human body
is sacred,
And the glory and sweet of a man is
the token of manhood untainted,
And in a man or woman a clean,
strong, firm-fibered body is
more beautiful than the most
beautiful face.
