Twelfth Annual

Interscholastic

Meet

UNIVERSITY OF MONTANA
MISSOULA

May 11-15, 1915

University Hall

Greetings From President Craighead

In behalf of the faculty, the students and alumni of the University, and the citizens of Missoula, I am happy to extend to the boys and girls who represent the Montana High Schools at our Interscholastic Meet, and to the men and women of Montana who come to Missoula as our guests, sincere and cordial greetings. The Interscholastic Meet has become a great Montana event and we hope to make it greater and better as the years go by. What the Olympic games were to the ancient Greeks, the University Track Meet should be to the youth of Montana. Here at the foot of Mount Sentinel let us have each year a gathering and a reunion of those who are soon to become the great citizens of the Commonwealth.

We invite you to inspect our libraries and laboratories, to get acquainted with our students and professors, and to spend a few days in the inspiring atmosphere of our mountains.

This Year's Meet

A bigger and greater University of Montana greets the 300 student contestants at this year's meet. The University has enjoyed a rapid growth and so has the Interscholastic Meet, Montana's classic spring event.

The first meet was held in 1904. Twenty schools were represented with 75 entries. The cost was approximately \$1,300. The Twelfth Annual Interscholastic Meet will see 41 schools represented with 281 contestants. The cost of the meet this year will be more than \$4,500. This year Montana's Interscholastic Track Meet becomes the second largest in America.

It is owing to the hearty co-operation and support of the citizens of Missoula that this meet is made possible. For this the University feels indebted.
