Whereas, section 20.10 of Fiscal Policy currently states:

“S.T.I.P. requests must have a value of at least $250”

Whereas, the $250 limit for a State Term Investment Pool (S.T.I.P.) request is generally higher than the amount that student groups need for capital investments;

Whereas, encouraging fiscal responsibility with regards to the use of student dollars is important for the legitimacy of The Associated Students of The University of Montana funding process;

Therefore, Let It Be Resolved, that section 20.10 of Fiscal Policy be changed to state:

“S.T.I.P. requests must have a value of at least $150.”
