PRESENTATION OF COLORS

NATIONAL ANTHEM The Star Spangled Banner

Oh, say! can you see by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming,
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watch'd, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh, say, does that Star Spangled Banner yet wave
O'er the land of the free and the home of the brave?

INVOCATION FATHER GEORGE FERGUSON

MUSIC Prelude and Fugue *Vaclav Nelhybel*

THE custom of wearing academic gowns, caps, and hoods dates back to about the twelfth century. In France, where the degree system probably had its inception, the wearing of the cap and gown marked the formal admission of the licentiate to the body of the masters. During this period the dress of the friars and nuns became fixed, and, since the scholars were usually clerics, their robes differed little from those worn by other church orders. Gradually special forms were set aside for the university bodies, and in modified style are the costumes worn today. Since academic custom in this matter had become somewhat confused, in 1895 a commission representative of the leading colleges met and prepared a code which has been adopted by over seven hundred institutions in the United States and Canada. A committee of the American Council on Education revised the code in 1932.

Doctors wear the round, bell sleeve; the gown is faced down the front and barred on the sleeves with black velvet or velvet of color indicating the degree; the doctor's hood is large. Masters wear the long, closed sleeve, with a slit near the upper part for the arm; the master's hood is of more moderate size. Bachelors wear the long, pointed sleeve. Hoods are lined with the colors of the institution granting the degree and are trimmed with velvet of the color distinctive of the major subject—for example, arts and letters, white; theology, scarlet; law, purple; philosophy, dark blue; science, golden yellow; fine arts, brown; medicine, green; music, pink; commerce, drab; physical education, sage green; engineering, orange; pharmacy, olive green; forestry, russet; library science, lemon; education, light blue; humanities, crimson; economics, copper; agriculture, maize; dentistry, lilac; oratory, silver gray; public health, salmon pink; veterinary science, gray. The Oxford or mortarboard cap, worn for each degree, is of black cloth with black tassel, except that the doctor's cap may be of velvet with tassel of gold. Unless local custom decrees otherwise, tassels are worn over the left temple.
