9       Whereas, faculty pay at The University of Montana is less than that of faculty pay at comparable  
10       universities and ranks 50<sup>th</sup> in the country on a state-by-state basis;

11  
12       Whereas, a 2010 review showed faculty pay to be 83.9% of the average for comparable  
13       universities with full-time professor salary being only 80.4% of peer institutions;

14  
15       Whereas, according to the 2011 HERI survey, UM faculty are significantly less satisfied with  
16       their salary (28.4% vs. 47.0%); their health benefits (40.6% vs. 72.3%); retirement benefits  
17       (30.3% vs. 67.1%); and opportunities for scholarly pursuits (41.3% vs. 60.0%), than at peer  
18       institutions;

19  
20       Whereas, assistant professors in some departments can make as little as \$30,000 in full-time  
21       work;

22  
23       Whereas, an investment in competitive salaries for our faculty is an investment in technical,  
24       skilled jobs that are needed as part of the Montana economy;

25  
26       Whereas, increased faculty pay enhances the quality of professors that look to teach at The  
27       University of Montana;

28  
29       Therefore, Let It Be Resolved, that The Associated Students of The University of Montana  
30       (ASUM) identify faculty pay as an ongoing issue and promulgate the resolution of said issue as  
31       part of ASUM's 2012-2013 Legislative Agenda;

32  
33       Therefore, Let It Be Further Resolved, that The Associated Students of The University of  
34       Montana will endorse legislative measures to reasonably raise faculty pay to enhance  
35       competitiveness of The University of Montana;

36  
37       Therefore, Let It Be Further Resolved, that The Associated Students of The University of  
38       Montana instructs the ASUM Lobbyist to actively engage legislative members and implore the  
39       members of the Montana Legislature to allocate appropriate funds to ensure a competitive salary  
40       for faculty at The University of Montana.
