STATE UNIVERSITY  
UNIVERSITY OF MONTANA  
MISSOULA

---

MAY 8, 9, 10, 11, 12, 1923

## WELCOME

---

The State University of Montana again welcomes to its Interscholastic its ever increasing number of friends, the high school students of Montana, and their companions, teachers, and parents. Our object in holding the Interscholastic is to increase your interest in education, by furnishing another motive, another incentive, and another reward for your labor on the athletic field and in the classroom.

The abstract and often vague, intangible, and distant rewards of education are frequently less stimulating than the immediate and tangible rewards gained in declamation, debate, running, jumping, and hurdling. So it is the hope of the University that in offering these types of rewards that you may be helped in some degree in your striving for those far greater and more enduring rewards, that come through the long years as the result of your day to day effort in securing the best education possible.

CHARLES H. CLAPP,  
President.
